## FROM RUSSIA WITH LOVE (MATT MONRO) – JAMES BOND 007

On our paths of discovery, many aspects of the truth and revelations have shocked us to the core, that this was a lie, no this and that was a lie as well, read the next chapter of discovery, and it therein contains a whole heap more of lies, one giant tapestry of deception on so many levels, that permeate throughout all levels of societies and its operations. The truths and history, as in his story is always written by the victors of the spoils they say, another line is make a lie big enough, and repeat it often enough, it then installs itself as the new truth. Truth is a funny thing as it is subjective to the individual at the time, but not always fixed at that time, providing the individual remains open to all possibilities, that truth can sometimes change, as new revelations present themselves in a way that triggers the individuals to take notice of it, and possibly realign with it. Truth has been distorted due to the lack of knowledge, criminally denied to us as a species, and has subsequently severely hampered our development as a species, like the education system tells you repeat after me, but is it not the case you are blindly repeating something, you have no idea of whether it is correct or not, teacher tells you it is, and many just accept it, but who said the teacher is knowledgeable, no one, we just assumed they were, this is what has led us to being where we are at today, searching for answers. Ghandi said the truth is the truth, even if it is in the minority of one, society tells you teachers, doctors and msm tells you the truth, so that one person cant possibly be right or true, that is what is known as programmed thinking, and the only way to avoid that, is be a critical thinker, add in some long term memory and an ability to overview things, and you got yourself to be one bad ass for the programmed society, and in general a target for attacks from the system, and the frankly stupid people, who propagating the whole system of control up. Any true observer will see this madness for what it is - total unsanity This show will peel back the layers and the players of the lies, that delves into one particular region of the planet, of which we know so little about, and what we do know is distorted beyond all reality, that country is now known as Russia, we will be delving into the missing names and peoples. If asked to name 3 things to describe Russia, most of you will say commies or communists, Putin and Vodka, their story not her story, has been brutally destroyed and hijacked perhaps more than anywhere else across the world, well we are going to redress the balance in this show in some way. Where you will learn who are the Rus, Lemuria, lost continents, wizards, how it was taken over and the current version of communism implemented, and by whom, evolutionary advanced

human beings, ET help and the teachers, ET destruction and how, how modern civilization span out not from Africa but the Slavic Aryan Rus regions, how religions have distorted the original teachings, where did those teachings come from, ancient wars, ancient peoples, death, destruction and reseeded of life, and the ongoing battle to restore humanity back to the levels of spiritual evolution the people of Rus Slavonic Aryan where at, and ultimately a triumph of light over dark, done in a way that doesn't wipe out the dark, but gives them a chance to redeem and come back into a balance. Before we get into the deeper layers and the ancient past, I would like to cover the more modern version of the destruction of the USSR and by whom. I know and I have relayed in other shows, that WW1 was all about stealing the wealth and destroying Russia, at the same time certain peoples who were instrumental in that catastrophic collapse of a country and its peoples, where busy in another country setting the stage for future battles of control via The Balfour Declaration. This was readying the stage for creating a new country, to stage their death and destruction, control and resource stealing, whilst feeding the lower astral with a plethora deaths and karmic energy, that was in England, meanwhile the stage was being prepared in Germany for another theater of operations and all this happened around 1919, not long after the same group of people, took over the world's financial center via the Federal Reserve. A systematic global takeover by one particular group doing the dirty work of a hidden element, many people deny exists, but it also must be remembered that we must not tarnish all the peoples connected to this group as all being the same, they are not and have been damaged in more clever ways, using psychology than their political agenda peoples have done to Russia and many other countries. The beginning of this show is about the Russian Bolshevik Revolution in 1919. I hope you enjoy this show and here is a piece of music to get things started.

### The Beatles – Back In The U.S.S.R

Among the great empires there has been much history revealed, Roman, British, Ottoman, Genghis Khan mongol, Greek and current American Empire, all lavished with narratives of great achievements in battles and conquests, and yet curiously hardly any in the rest of the world know of the Rus empire, or region of Tartaria or even less about the whole continent that went missing north of Siberia, history teachers never told us any of that knowledge, tonight we will find out why. Back in 1919 when USSR was being looted having lost the war, a Revolution as it was called took place, not by the Russian people, but outsiders claiming all the spoils of a deliberately engineered war, the plans of which were laid out in 1888 by Albert Pike 33rd degree Mason, where it was stated this

was to be the first of three world wars the clowns in power wished to unfold on the people of Midgard (the real name of Earth, Earth means inhabited planet), these were all laid out as some sort of mystical prophecy, but delve deep enough into all the so called prophets and prophecies, a hidden dark agenda appears when you scratch the prophets surface, prophecies are not possible future events, far from it they are prophecies, these are and were plans the clowns in power wanted unveiled. You see, to them all the world is (or was) a stage, they played the lead roles and we were the extras in the scene, expendable ones at that, so having played out Act 1 with WW1, now they went about creating the next stage in the theater of operations. All people or nations of the Earth, independent of their real role in the world's fate, wrote their Great History, there would be nothing wrong with this, except it appears that everything that concerns Russia is filled with obvious hatred on the part of those who wrote the history of the Russian people. In their opinion, the Slavs lived in earth pits until the 9th century and were so

primitive that they did not even have their own state system and had to invite the Varangians (Swedish) to govern them, historians neglected to mention the Swedes had no organized state then, and were essentially ran by criminal gangs who looted their neighbors, Varangians were the Vikings or real meaning of vikings VI = 6 kings, they operated under the 6 kings flag. The historians also were terribly ignorant until in the 9th century stating two saints Cyril and Mefodiy created the Slavonic written language on the basis of the Greek one and thus, gave the "light of knowledge" to the dull Slavs. Moreover, the Mongol-Tatars had kept the Russian people in slavery for three hundred years, and only when Peter the Great "cut a window through" Europe and transformed Russia according to the European "image and likeness", did Russia become the Great Empire, etc. So that is the history of Russia they have portrayed it. It appears that the modern history of the Russian people was actively created at the time of the Romanovs dynasty which came to power in 1613, and the Bolsheviks took the baton from them after the revolution of 1917, or so we are told.

The Romanovs history of Russia was created in the 18th century by the "great Russian historiographers" none of which were Russian people, but – Gottlieb (Theophil) Siegfried Bayer, Gerard Friedrich Müller, August Ludwig (von) Schlözer, all of whom were German. They had never learnt Russian, but, nevertheless, they wrote the history of the Russian State. A pretty interesting picture is observed – anyone who feels like it, be they German or Jewish, can write the history of the Russian people, but not Russians, who are made out to be so primitive they are unable to write their own history. Many of the

Russian historians were dismissed completely, and Gumilev spent his best years in a concentration camp, and Fomenko and other historians were disregarded for because they were declared, not certificated specialists. So, these Germans and later Jewish essentially did an overwrite of Russian history and completely neglected the Vedics of the Motherland, their knowledge and light mastery, all conveniently reconstructed in their image, and continued what started over 1000 years ago known as The Night of Svarog, according to the Vedic texts Nights of Svarog are areas of space in which our planet periodically enters with the rotation of our Galaxy and which create a negative evolutionary warp, this launched a 1000 years of dark which ended in 1996. If the term Vedic texts seems familiar to you, and you are thinking it is all to do with India, this show will show exactly where those texts originated, and it was not India. Rurik the Varangian was invited to reign according to the then existing Slavonic tradition which was – to choose as a ruler the most deserving Slavonic prince at the Veche (a popular assembly). This kind of invitation usually was temporary, and only in the matter of special services for the good of the people; the rule of a prince could be lifelong, but was never inherited. I would like to draw your attention to the fact that in Rus there were two branches of power – a civil authority and a military one which initially were equivalent; that is, one authority did not submit to the other. These branches of power served as a counterbalance to each other, preventing one from dominating over the other, oh how America and other countries require that balance of governance now. Rurik created the Russian state with Russian laws from the Vikings’ law system which, in principle, can be reduced to one law – the law of the sword or simply, the law of force. So according to history rewritten the Slavs were a backward race that needed ruling, and yet they had a whole empire known as The Slavonic Aryan Empire with a sophisticated state system, long and deep books of knowledge, operating in a higher frequency and evolutionary spiritual development way beyond any other species before and after, for thousands and perhaps millenias, whose whole empire encompassed most of Europe as it's provinces. So, lets shed light on the real history of the Great Russian people. It is stated that chauvinism is alien to the Russian people, and not a single minority resident on the territory of the Russian State was destroyed, even when they came as enemies; they all kept their language, culture and traditions. In addition, many minorities were kept safe only because Russian blood was shed; the Georgians, Armenians, Tajiks, Kirghizs, Kajsans, Kalmucks and many others were saved from being wiped out by their enemies. Something the Chechens have forgotten the most, they appealed for help against “Russian chauvinism” to the world community and primarily, to the USA, for some reason forgetting or “simply” not knowing that in this very country, Russia which

defends human rights all over the world, “human rights” for “some” reason were repeatedly violated.

When the migrants from Western Europe arrived in North America, there were about 20M American Indians (almost the same number of people lived then in the whole Western Europe) who formed more than 2200 tribes and nations of the pre-Columbus America. Today only 500 tribes with a population totalling about 800K persons that live on reservations, which are in the worst and least productive parts of their Motherland. 1700 tribes of Native Americans disappeared forever from the face of their own land, but their number could now have been equal to the European population.

250K Americans of Japanese origin were thrown into concentration camps in 1941 just because they had Japanese roots. The Americans never shed a drop of their blood rescuing others. It is true that they “politely offered” the Kingdom of Hawaiian Islands their protection from the Japanese, during the American-Japanese war in 1941-1945 provoked by President Roosevelt, but for some reason their “defending” and “care” went so far that since then Hawaii has become the fiftieth, and for now, the last state of the USA. Persons interested could ask the native Hawaiians what they think about this kind of “defence” and “care.” But for some reason no one sees all this, while Russia is blamed for all deadly sins. And this is done instead of gratitude that Russia saved dozens of small and not so small people from total extermination, both physical and spiritual. Certainly, as in the history of any other country, Russia has had its black days; there were enough degenerates and dregs among the Russian people who held nothing sacred, who became social outcasts at their wish and treated their Motherland like the enemy. Luckily, there were not so many of them. The most powerful blow to the Russian people, to the Hyperboreans, Aryans direct descendants, was inflicted at dawn of the Day of Svarog, when in 1917 Black Freemasons, who for the sake of public opinion called themselves Bolsheviks, took power in the Russian Empire. There were almost NO ethnic Russians in this black power, which pounced upon the Russian people, on their culture, history with all its force. In the concentration camps created in Lenin’s lifetime millions of Russians, the cream of the nation – the Russian nobility, Russian intellectuals, the Corps of Russian officers, Russian industrialists, Russian merchants, were destroyed. All these classes were destroyed sparing no one – not only men, but women, children and old people were mercilessly killed outside of any court and trial, because NO COURT would be able to bring any legal foundation, to justify the destruction of entire classes of society according to the principle of belonging to a class. All this took place with the implicit agreement of

the rest of the world (often with its active assistance) and no one yelled about the GENOCIDE of the Russians, about the destruction of the flower of the Russian nation!

Most people bred into the Soviet education system can object: “But these were the representatives of exploiter classes!?” The “great” Karl Marx and his no less “great” followers like Frederic Engels, Vladimir Ulyanov (Lenin), Leo Trotsky (Bronshtein), and many, many others wrote and said so. All people mentioned above, as well as most other “theorists” and practical “workers” of the revolution were ethnic Jews. So, why is the revolution in Russia called the Great Russian Revolution, if Jews theoretically laid the foundation, and put it into practice, using money from the American Jews?

The last part of this money – \$20 million – was delivered to Russia in August, 1917 by Leo (Leyba) Trotsky an ethnic Jew born in the Russian Empire, but also an American citizen, it was this money, in gold, an unbelievably enormous sum for those times, from the Russian “ally” America, which allowed black freemasons of Judaic nationality to hire Latvian hit-men and Chinese criminals who together with Judaic fighting squads perpetrated the Great “Russian” Revolution. After the overthrow of The Russian government and officials the demographics of the important positions in Russia, According to data furnished by the Soviet press, out of 556 important functionaries of the Bolshevik state in 1918-1919 there were: 2 Ukrainians, 11 Armenians, 35 Letts [Latvians], 15 Germans, 1 Hungarian, 10 Georgians, 3 Poles, 3 Finns, 1 Czech, 1 Karaim, and the two key figures just 17 Russians, and by far the largest number of peoples at 82% of the overall numbers, 457 Jews." After the “Great Russian Revolution” had won and the flower of the Russian nation had been destroyed, new black rulers organized an artificial famine, which ultimately starved to death twenty million peasants, the vast majority of those killed were Russians, Ukrainians and Belorussians, then they set about trying to make people “voluntarily” enter into kibbutzim (collective farms); an idea that came from Lazar Kaganovich, who presented the idea to Joseph Stalin, both of them were Zionists. A Zionist education was stated that the peasants must operate in the light, and in order to do that to the Russian muzhik, the Israelites in power decided to organize, what they called “the enlightenment of souls” and created an artificial famine, taking away from peasants all grain, including seeds. On collecting an enormous amount of the first-class grain, communists sold it for nothing on the American exchange through the Soviets’ best friend – Armand Hammer, another Zionist, thus, causing a crisis at the exchange, as a result of which the American farmers were forced either to throw out their grain, or to sell it for peanuts to Hammer. And he sent barges filled with this grain for the

starving in the USSR in exchange for priceless religious artifacts, with which militant atheists filled the same barges. The Russian Orthodox Church had accumulated these “knick-knacks” for almost a thousand years...which is why it may have been of historic importance when Russian Orthodox Church visited Israel for the first time in many years recently, perhaps they were getting back their artifacts? So how did the new rulers lives go? in essence these were migrants not natives, but here is how they lived. As member of a kibbutz on the territory of Eretz Yisrael, they received a cottage for the time he lives in a kibbutz and receives some salary; in return he must “work off” only a few hours a day, and the rest of the time he can learn Hebrew (free of charge) or study. A migrant was free to do all this only, if he wishes, but never under compulsion. While the Israelites-Bolsheviks drove the Russian peasants into collective farms by force, taking away everything that they gained by their labour, but the forcing of the Russian peasants into collective farms ultimately failed, the Zionists came up with a new plan, a wealthy peasant was declared to be a kulak ( Russian term for wealthy farmers) and five million persons immediately were stripped of all their possessions and sent to Siberia, with only the clothes they wore when being thrown out of their homes. History tells you these were “voluntary migrants”, but they were not sent to dwell in, ready-made cottages in well-equipped settlements, but to live “alfresco”, in the open country, more precisely in the virgin taiga, which is essentially unincorporated land, no buildings no agriculture, nothing. People were dropped off in the middle of nowhere and given one axe, one saw and one shovel for the whole group, and basically, they were back to hunter gatherers and rebuilding, but few could survive the winter in these conditions, this is Siberia after all.

History told us that the party of Bolsheviks served the “proletariat” aka the revolutionary class, but neglected to specify that the party of social democrats (the Bolsheviks faction) came from the Bund, which was a Judaic (Jewish) nationalistic party, in other words, a Zionist party! There were almost NO workers or peasants among Israelites! It is hardly revolutionary when it only appears to serve one class of people, that were not native to that region, that means the so called Revolution, was really an invasion of Russia. The fact that all highly qualified workers were the first people the Bolsheviks destroyed. This class, whose interests the Bolsheviks-Leninists defended so zealously by means of the dictatorship of proletariat, was simply wiped out by them. The fact of the matter is that the skilled workers did not need anyone defending their interests, they got a good salary, at times greater than their colleagues in the “developed” western countries. There were kindergartens and day nurseries in their enterprises; they could afford to spend their holiday in Italy, Greece, etc, which obviously did not coincide with the image of the

oppressed class, which had “nothing to lose except for its own chains”. In order that there would be no one who could appeal against this kind of “defense”, they were “simply” destroyed, and then it was much easier to defend the interests of an already non-existent class. This can be confirmed by the fact that at the moment of the revolution there were twenty five thousand members in the Bolshevik party, almost all of whom were professional revolutionaries, and the majority of them lived in immigration, being in need of nothing, which required in those, not so distant times, considerable sums of money. I would like to remind people that a professional revolutionary is engaged only in the revolutionary activity and in nothing else, so in other words and to bring it up to modern day terms, these revolutionaries were mercenaries. So, if there had been workers in this party, they would have been only former ones. All party members were professional revolutionaries whose “work” consisted in the undermining of the existent political system, and required enormous financial means. Therefore, bank robberies and other similar methods used by the criminals-soldiers of the party (by the way, Joseph Stalin was one of them) could introduce only a tiny share. The main means for the Russian Revolution came from far away America and, oddly enough, the American multimillionaires who played the role of Santa Claus for the Bolsheviks: again, these American multimillionaires for “some” reason were all Jews.

It turned out to be quite strange, the Great “Russian” Revolution, didn’t it? It was prepared by Jews; it was performed by Jews; it was financed by Jews; the country was headed by Jews after it. But, nevertheless, in all the history books it is called the “Great” Russian Revolution! A revolution that destroyed mainly only Russians and other Slavs.

Stalin subjected to repression dozens of millions of persons, the majority of whom

again were Russians, Ukrainians and Byelorussians. Certainly, all other people who lived in Russia also suffered from all this, but the overwhelming majority of victims of the regime were Slavs, Russian people, as well as most of the victims, of the Second World War. Out of the fifty million who died in WW2 about 30M were the people of the Soviet Union, in comparison the Germans, lost around nine million people.

However, even when the war was finished, the process of destruction of the Slavs did not stop, but only took other forms.

In fact, the whole 20th century – the last century of the Night of Svarog [The Night of Svarog began in 6496 (according to the Slavonic-Aryan chronology) (988 A.D.) and finished in 7504 (1995-96)] – was the century of the genocide of the Russian people, which lost, according to different calculations, from seventy to ninety million of its sons and daughters, and this is only the direct loss. So when the whole world accuses Russians of the distribution of the communist pest, I sense there is a great bitterness in Russia because of this kind of injustice. For me personally if I was asked the essence of why I do what I do, the answer will always be injustice and wrongness of this world. Final portion of this portion of the show is from Nicolai when asks Who yells about it most of all? It is exactly those who are the real culprits in all these crimes, the peoples known as the Israelites, who hypocritically making themselves out to be the “victims” of this system. History yet again rewritten by the hands of the victors, it is way past time humanity received the real truth and make their own minds up, as what is real and what is not. I want to make it clear again, this is in no way disparaging to all Jewish people, no more than American people can be blamed, for the total genocide the US military has perpetrated globally since WW2. This is a select group within their community, being led by insidious psychopaths that care not for humanity in the slightest, and least of all the Jewish people, to them it is all about a political ideology and agenda, with an end goal of them controlling the whole world, it's people, the knowledge and our resources, and then holding us to ransom. I think it is high time the treasonous act against humanity is shut down once and for all, and people see Russia and it's people in a new light, and I mean light and not the total darkness that has been portrayed to the world.

## MODERN MAN AND DEVELOPMENT

Man, as a living organism, occupies a certain niche in the ecological system of Earth. In fact, this niche is not arbitrary, but the one which corresponds to the abilities and properties of a human organism and his way of life as a gregarious living creature. Therefore, the appearance of man as a species becomes possible only when the Earth's ecological system becomes complex and multilevel enough in the process of its evolutionary development for free ecological niches to appear.

The latter impose on the species which try to master them certain requirements; the adaptation to these niches results in the appearance in these species of the properties and qualities necessary for the origin and development of mind.

In other words, the evolutional development of the vegetative world, as the foundation of the pyramid of living matter on any planet, results in the appearance of mind at a certain stage of its development. Every ecological niche imposes certain conditions and limitations on the species which occupy it, such as: the size and forms of living organisms, qualitative and quantitative composition of food, a certain periodicity of vital processes. Only those organisms which managed to adapt themselves to these requirements and conditions were able to survive during evolution.

Let us see, what happened to the “ecological compartment” occupied by modern man before his appearance on Midgard-earth: who dwelt in “our” ecological compartment?!

Before Homo sapiens — modern man — appeared on the evolutional arena, his ecological niche had been occupied by a humanoid species which the anthropologists called Neanderthal man, who had thoroughly mastered this “ecological compartment” for several hundred thousand years.

Besides, Neanderthal man forced all other humanoid species out and reigned on Earth alone. Thus they populated the whole Earth, all its climatic zones, but, nevertheless, different races of Neanderthal men failed to appear during all these millennia. Only one Neanderthal race reigned over the whole Earth; each considerably excelled Cro-Magnon man physically and was covered by thick hair which they never got rid of. A sabre-toothed tiger was the only serious enemy which could cause them some trouble. Also Neanderthal men devoured individuals of their own species. Everyone who was not a member of their clan, herd or tribe could be considered food. Certainly, it is difficult

to judge Neanderthal men’s intellect, but there is no proof that they were more stupid than Cro-Magnon men. So, they had reigned calmly for hundreds of thousands of years until, about forty thousand years ago (according to the anthropological data), no one knows from where, modern man suddenly appeared. (Note: three races, black, red and yellow, appeared on Midgard-earth then, while the white race had appeared about six to eight hundred thousand years ago). The fossil remains of modern man, which have been found on different continents of Midgard-earth, have exactly this age.

For subjective and objective reasons, there is no information about the fossil remains of modern man on the territory of Siberia, or about the sunken north continent.

Homo sapiens appeared everywhere at once on all continents; he was naked, without hair all over his body, and was weak in comparison to Neanderthal man. Several quite different races which had considerable differences in both the colour of the skin and the structure of the skull, skeleton, and type of exchange processes appeared simultaneously, as if by magic, but for all that they had one common feature—they were compatible between themselves and this gave viable posterity.

A new species cannot appear at once without having some transitional forms and going through the process of the accumulation and strengthening of positive mutations. Nothing of the kind is observed in case of modern man. Homo sapiens just “materialized” from nowhere. Not a single skeleton older than forty thousand years has been found, although human skeletons are found everywhere since then and up to the present.

However, according to the found skeletons the white, yellow, red and black races can be clearly determined. Moreover, the “older” the skeletons, the stronger the racial features which indicates the primordial “purity” of these races which existed until they actively began to mix. Therefore, there could not be some single race (according to the opinion of orthodox science it was the black race) which, on its settling in Central Africa—mutated and as a result, new races—white, yellow and red—originated. The facts show quite the contrary. It is not the appearance of new races that has happened and still happens, but, on the mixing of these races, the origin of sub-races and their gradual convergence occurs. Now it is almost impossible to find representatives of an absolutely pure nationality, because of the fact that the process of people’s mixing comprises both different nationalities within one race and different races. What the consequences of this are we will consider later and now let us come back to the subject of the appearance of modern man and different races on Earth... According to this information, at least four transitional humanoid species must have existed and, accordingly, four species which had the necessary positive mutations. Neanderthal men, who by the way were the only humanoid species which had preceded modern man, were not and could not have been modern man’s progenitors. This is not a supposition, but a “bare” fact: the DNA research of a Neanderthal man found frozen in the alpine glacier gave a sensational result —

Homo sapiens and Neanderthal man are as genetically incompatible as horse and zebra, although these species belong to one and the same mammal order, the Artiodactyls.

These two humanoid species are only not incompatible; they were not even able to produce sterile hybrids, as happens, for example, when crossing horse and donkey.

The only skeleton which combined characteristics of both species — Cro-Magnon man and Neanderthal man — was found in the South American mountains; but its “proprietor” did not live till puberty, i.e. died whilst still a child, which indicates the complete incompatibility of these species and makes this a fact.

Moreover, Neanderthal men had “happily” lived for hundreds thousands of years and had rapidly died only when modern man appeared. It took them only a thousand years of co-existence with a more progressive specie to die out in an “organized” manner in order to vacate the place for Cro-Magnon man.

All humanoid primates have thick hair which covers almost their whole body. Such species like gorilla, orangutan and chimpanzees which are considered the closest species

to modern man are almost fully covered with hair, although they have dwelt in the climatic conditions of the tropical and equatorial zones for millions of years, but failed to shed their hair cover and to become reasoning, while modern man appeared “ready-made” naked, with only rudimentary remains of the hair cover on the body. Exactly this rudimentary hair cover indicates that once it was not rudimentary, but, being unnecessary, it came to naught in the course of time. The question arises: where did it take place, obviously, not on Earth, so the question arise where did they come from if not originating from here, all scientific evidence garnered has never found or been able to show who or what is the missing link in the human evolution. In the next phase we will delve into the real origins of modern man.

The great continent we have never heard about was called Da’Arya is mentioned in several sources. Slowly, it began to sink on the seabed in the area of the modern North Pole one hundred and ten thousand years ago: This was also known as Hyperborea, that is best known for the only Olympian out of the 12 in Greek history to frequent that place in winter times and share knowledge, healing and seeing with the peoples of Hyperborea, that person was Apollo who was venerated by the Hyperboreans who sent him gifts down

to the temple in Delos where Apollo resided. A place beyond the Boreas (north wind)" — was perfect, with the sun shining twenty-four hours a day. A sister island of Hyperborea was Thule, and many of you will know the legend of the Thule girls of which Maria Orsic was the most famous known of them who went onto form the Vril Society. Yet again these appear to be of Rus origin blonde haired and blue eyes, and I am aware of the stigma that brings to peoples thoughts, due to how the whole Aryan race was written around WW2, but like the jewish peoples in the previous chapter we cannot sweep them all with the same brush, when so much of our history is reversed and distorted. Maria was born in Croatia and was very advanced spiritual and other ways, she was helping Germany initially in WW2 until they realized there were others behind the front man Hitler, who had very wrong purposes for her knowledge. Maria completely disappeared in 1945 and never seen again, it is possible that she is the one the powers still to this day hold hostage. People will say she will be dead now, but what if she was from the line of the original Thule and Hyperborea were it was stated that people lived to the age of one thousand and enjoyed lives of complete happiness. So what happened to the continent Da'arya well here is the texts describing what took place 110K years ago where the most advanced species that have ever resided here - spiritually wise. You have lived a tranquil life on Midgard since olden times,

Since the world became a safe and settled place...

Remember Dazdbog's deeds as they are written in the Vedas, (Dazdbog (another name Tarkh), an Aquila's god-patron. He gave 9 Vedic books, the term gods back then meant By gods means our ancestors, who were understood to be highly evolved people.

How he destroyed the Koscheys' bulwarks (bases) Placed upon the nearest Moon...

How Tarkh would not permit the insidious Koscheys To destroy Midgard as they had destroyed Dea. Dea is now the asteroid belt between the orbits of the planet Mars (the Earth of Orey) and Jupiter (the Earth of Perun). The waters of the Moon created the flood. When the Moon shattered to pieces

They fell from the sky to the Earth like a rainbow, And like Svarogiches'(meterorites) array came down on Midgard...

The Ancient Threads which reached far, Distant Palaces were destroyed...(palaces means constellations)

And the links between the Worlds were broken...The far away calls were not heard,

Many Vitmaras were lost in the heavens... Vitmana, a celestial chariot. Then people moved large distances of planetary scale by means of Vitmanas and

between planets by means of Vitmaras. Each Vitmara could carry up to 144 Vitmanas. (

Until new Threads were born And their calls were heard in the Palaces. As it follows from the Vedas, Da'Arya sank into the ocean abyss as a result of Dazdbog's actions to destroy the base of the Koscheys, rulers of the grey, part of which was located on Lelia, the nearest moon to Midgard-Earth, which was one of three Moons which our planet had then: Fatta, Lelia, Mesiats (some Slavs still call the remaining Moon of our planet Mesiats). Lelia, the nearest Moon, took only seven days to orbit the Earth. Fatta's orbital period (ancient Greeks called this planet the Phaeton) was 13 days; Dazdbog, or the God Tarkh Perunovich, a God-Keeper of the ancient Great Wisdom, was called a giving god (dazd or daj is to give, bog is a god), because he gave Nine Santias to the people of the Great Race and the descendants of the Celestial Kin. These peoples were known as The Rus, hence term Rus-sia. The Koscheys, the Princes of Darkness, were the authentic rulers of the Dark Worlds, along with the Dark Legs and Dark Arlegs. In Russian fairy-tales the Russian epic heroes battle with Koschey the Immortal rescuing Vasilisa the Beautiful, who symbolizes the Motherland, Midgard-earth, from his claws.

As a result of star wars between Light and Dark Forces, one Moon, Lelia, went off its orbit and its splinter-svarogiches fell on the Earth, causing a planetary catastrophe: the tectonic plates were displaced, and Da'Arya sank into the Arctic Ocean. Undoubtedly, this continent did exist and was an ancient Motherland of the white race; as a result of the catastrophe it went down to the seabed, but there is another question then: where are the sunken continents, which were the ancient Motherlands of other races — yellow, red and black?! And, if these sunken continents existed, the probability of their simultaneous immersion on the bottom of the ocean is zero; in fact there were not many "unnecessary" continents on our Midgard-earth. Thus, there are no arguments which would explain the absence of the fossil remains of transitional forms. The reason this is impossible to explain is simple: modern man, basic races of Homo sapiens, never evolved on Midgard-

earth. The Slavonic-Aryan Vedas tells that after Da'Arya had disappeared under water: "... Many people died then, before they had time to go up in Vitmanas, or to go through the Star Gates and to hide themselves in the Palace of the Bear (Ursa Minor and Major). ... The Threads of constellations are broken again. That is why the Celestial Needles lost their colour; in order for the Needles to shine again with colours, you should replace the Crystals of Irkama ... by Crystals of Tara...and you will recover the Threads through Zimun ..."

The Threads of Palaces were broken again, therefore the Celestial Needles lost their colour..." — this phrase clearly tells about the devices of the interplanetary or interstellar connection which our ancestors named Celestial Needles. And it was necessary to replace the Crystals of Irkama with the Crystals of Tara in order to re-establish the broken connection. First, the Crystals of Irkama were not located in the ocean depths, where Da'Arya went down, but on dry land, and most likely, in the territory of modern Siberia, where according to the Vedas, our ancestors moved.

Second, the Crystals of Irkama did not work, either because of the death of a "subscriber" or as a result of the receiving device's destruction — the "local" Celestial Needles. Third, it is offered to restore the connection through Zimun (the constellation which coincides almost fully with modern constellation of Ursa Minor) and to use for this purpose the Crystals of Tara. This means that each Crystal provided the connection with different star systems and had its proper name and different internal structure. Some, as it follows from the Slavonic-Aryan Vedas, abandoned Midgard-earth on Vitmanas; some went through the Star Gates and hid in the Palace of the Bear. In other words, some people, one way or another, were able to abandon Midgard-earth and settle on one of the planets in the constellation of the Bear. There is a question: did all who had not died abandon Midgard-earth or some, nevertheless, remain?!

If no one was left on Midgard-earth after the catastrophe, then it turns out that the second colonization of our planet happened about forty thousand years ago and those who saved themselves in the constellation of the Bear (Ursa Minor) returned. Or probably, some people had moved to the Siberian expanses and begun to grow roots in a new place. If that is so, Siberia continues to keep the proofs of the presence of a highly developed civilization in the bowels of the earth; and the time will come (probably has come already) when these proofs will appear before an amazed humanity which has forgotten its star roads. A sobering thought is that our ancestors who lived in harmony with nature,

where highly evolved spiritually and evolutionary plane levels, stacked with knowledge who also had the ability to travel by crafts to all corners of the universe, speak to other beings on other worlds, as a matter of fact and all that was stripped away by the Dark Forces who go by many names, and what we are left with due to the broken star gates and celestial needles, left us cut astray far away from all our brothers and sisters in the universe and beyond, and have been left to be abused, tortured, terrorised and looshed like a battery at the behest of the demonic dark forces. But the worst aspect is we are reduced to not knowing who or what we are, where we came from, little to no knowledge, a confused state feeling that everything is outside of us, and we have to worship externally to god or gods who are just looshing your energy and your life force, like children of the universe and only now are we reawakening from this amnesic hell and taking the first steps towards restoring ourselves and Midgard back to it's former glories.

#### Highly Suspect – My Name Is Human

In the previous piece I mentioned about worshipping god or gods as looshing our energy, and how and why I come to that conclusion, how that was achieved by the programming the populace with external belief systems, known as religion. This mode of control has done much damage to the human psyche, not to mention the endless deaths perpetrated in the name of god or Jesus, since when did Jesus as he is more commonly known as, but will add more on that later, advocate violence in his name? Why would a loving nice god of wisdom declare that fighting in his name, death and destruction be advocated as something of virtue? So we have to take on board what the Vedas knew and report about religion. Modern “science” has nothing intelligible to say on this occasion therefore we have nothing left but to fix our eyes on legends, myths and religions. The basis of the majority of the contemporary world religions is Judaism. All branches of Christianity “came” out of it, because The Old Testament is the Talmud adapted for non-Jews, which in turn is an interpretation of The Torah, or more precisely of The Pentateuch. Islam, in its turn, is an interpretation of Christianity and was one of its sects till 1180, when the Constantinople church hierarchs proclaimed it an anathema (denunciation involving excommunication): «... Anathema to the god of Mahomet which is said to be the God forged by hammer which did not give birth, is not born and which no one is like...». On the subsequent Ecumenical council the excommunication was accepted. In other words, Islam is a Protestantism of the Eastern Christian sect. Before the Aryan tribes first arrived in Ancient India four thousands eight hundred twenty one years ago (in 2817, according

to the Slavonic-Aryan chronology, or in 2692 B.C.), Dravidia, as India was called then, had been inhabited by the Negroid tribes — the Dravidian and the Naga people. The Aryan tribes brought them the Vedic knowledge, banishing from Dravidia black magicians, who had practiced the cult of the Goddess Kali, the Black Mother, to which they offered human sacrifices. It is fully possible, that the phrase "... they were both naked (nagas), the man and his wife, and were not ashamed..." could mean that they were the people of the black race and worshiped the Goddess Kali, the Black Mother and were not ashamed of this. The Israelites, using the ancient Vedic sources for writing their sacred books, could miscomprehend the sense of the word or did not want to focus their attention thereon. The point is that the Israelites belong to the so-called grey sub-race which originated as a result of the mixture of two races, the white and black ones.

The Aryans conquered Dravidia for the first time about five thousand years ago, but the active interracial mixing between the white and black races and the origin of a new sub-race (sub means hybrid), the grey human one to which the Israelites belong, had begun long before, I will explain this group later in the show, Derelicts, the people who were either rejected by the white race or voluntarily abandoned their Motherland, because Aryan Law "prevented" them from realizing their ambitions, had come to Ancient India long before the First Aryan Campaign took place. Most likely, waves of derelicts rolled over Dravidia for several millennia one after another: by the time the Aryans first conquered Dravidia, the grey sub-race had been already formed. It is of interest that the Old Testament, being in fact a mythological description of the history (from The Torah) of the Judaic people, places the paradise in Eden in the East: There were 4 Edens the main one being in what is now known as India, From the old Testament And a river went out of Eden to water the garden; and from thence it was parted, and became into four heads. The name of the first is Pison: that which encompassed the whole land of Havilah, where there is gold; And the gold of that land is good: there is bdellium (aromatic gum) and the onyx stone. The name of the second river is Gihon: the same as that encompassed the whole land of Ethiopia. The name of the third river is Hiddekel: that is it which goeth toward the east of Assyria.

And the fourth river is Euphrates. And the LORD God took the man, and put him into the Garden of Eden to dress it and to keep it. all good stuff but then says don't eat the fruit of knowledge for that is a sin and you will be cast out, really? well when you find out who the Lord is and it is not god, but Anu the reptile king of the draco perhaps then it becomes more clear of who this being is and his intentions, look at it logically he made man in his

likeness and image, but didn't want him to have the knowledge? why bother putting the tree there in the first place? because he wanted man to fail is why, an obedient no knowledge slave, for those who don't know, the name for the god of knowledge is known as Sin. The river Pison is the river Ganges, because Eden in Hebrew is Gan Eden. When the Aryan tribes had defeated the Dravidian black magicians' civilization, they came to Mesopotamia (which means "The land between the two rivers"); later on, the representatives of the grey sub-race created there the Sumerian civilization. It is also noteworthy to point out that the country known as Iran literally means land of the Aryans, Azerbaijan also, the former is where the original Manna Kingdom was in the 1st Millennium BC. So clearly as some would like to proffer up as a denial and pull out the race card, of all things Aryan is all about the white race only, it was about teaching all peoples of the world to be in a better vibration, colors, races or countries didn't matter, only the political correct narrative aligned with the bs history written into and surrounding WW2, having destroyed near 55M Rus peoples erased from history in the previous 30 years, they set out to denigrate everything negative about The Aryan race and the German narrative about a special super race of blue eyed blondes, they were right in the special race part, but the conditions laid forth to accomplish that, was never Aryan in origin. Irony is of all this, is neither Hitler or any of his leading SS were blue eyed blondes, so in their alleged narrative, they would have been wiped out also, given Hitler's mother was Jewish and also possibly a Rothschild, it makes less sense and in some ways more sense of what was really going on and being portrayed to the public. The Dravidian black magicians were not fully destroyed; some were able to hide in their Ancient Motherland — the African continent, most likely in Ethiopia which was called the Land of Kush. The greater part of the Dravidian and the Naga people remained in India-Dravidia, some returned to the northeast of Africa to Ethiopia, the Land of Kush, and some settled in Mesopotamia and in the Middle East. However, most likely the majority of descendants of derelicts, who had formed this new grey sub-race, abandoned their new Motherland fearing the punishment because their ancestors had violated the RITA laws (which means divine law or truth) Eden was clearly a sacred place for the tribes of the Dravidian and the Naga people, who worshipped the Black Mother, especially for the priestess' of the goddess Kali-Ma, because the servants of this goddess were mainly women. Basing his research on the Bible, Alexander Filipov left in search of the Biblical Paradise ... and found it in... India (Dravidia). He saw a picturesque valley with striking plants, animals and birds. It indeed had a border in the form of a horseshoe-shaped chine (the word "paradise" means in Persian "a stone swell which surrounds a garden"). The

river Son which flowed from the valley also had an obvious border in the form of an even line of rapids, beyond which even the colour of water was different.

Everything emphasized that this landscape was not of this world. There were stone gates (in the east side of the valley) at the confluence of the rivers. Near the gates there was an enormous statue with a sword. (It is impossible not to remember Cherubim and a flaming sword put to guard the gates of Paradise). Not far away from it a tree grew with the sculptures of three cobras. It was enclosed and decorated with flowers and beads. There was an enormous hand-made tree with a serpent winding around its trunk in the heart of the valley. It turned out that for the Hindu (descendants of the Dravidian and the Naga people) it was a sacral place. They think that Shiva was born in this valley. Shiva in Hinduism and Brahmanism is one of three Supreme deities, along with Brahma and Vishnu. Brahma is a God-Creator, Vishnu is a God-Keeper and Shiva is a God-Destroyer. Shiva in Hinduism is a Great God, Mahadeva, only Brahma and Vishnu are his equals.

Shiva is eternal; he is the head of evil spirits, the God of fury, madness and wild orgies, and, at the same time, the God of asceticism and the head of yogis. Shiva is a killer of Kama, the deity of love, who dared to trouble his soul. His symbols are a bull, phallus and moon.

He is usually portrayed with a trident and a necklace made of human skulls. Shiva's cult requires human sacrifice. Shiva's wife, Kali the Horrific (Kali-Ma) is an exact likeness of her husband.

It should be noted that Shiva's cult originated in the time of patriarchy which forced out Goddesses, in particular the Goddess Kali-Ma, into the background, occupying her "niche" and keeping her specific feature — the human sacrifice. The human sacrifices to Shiva have never stopped and continue at present. There is real confirmation of this: "Bijnor: in a gruesome incident, a temple priest chopped the head off an eight year-old boy with a dagger to propitiate a deity by human sacrifice in a town in Bijnor district, police said on Thursday. The incident came to light when the boy hailing from Kalagarh was reported missing after he had gone to the Shiva temple to play with his friends, police said. His body was later recovered from the nearby bushes. On interrogation, the priest confessed to the crime, police said, adding the priest has been arrested." Certainly, human sacrifice takes place secretly and on a much lesser scale compared to ancient

times, but it does not change the essence of this cult. So, the god Shiva “simply” adopted a historical relay-race from the hands of the Goddess Kali-Ma. Shiva’s status as a husband of a Goddess called Kali the Horrific only confirms this succession. I am not telling you there is no god as it is called, to me it is known as Source and each and everyone of you is a part of that, so in essence you are all the god particle? so why not worship yourself? All the so called gods in scriptures were not god at all, but sick and twisted individuals portraying and bestowing themselves with false titles, the embodiment is replicated here via the bloodline families, another group who think they are more important or special than everyone else, message to them - your not.

THE URS This topic has kind of bugged me for a number of years, after seeing patterns of names in places and planets as to why UR was in some many of them, now I have finally got a handle on it and lots of things suddenly all start to fall into place. Who or what are the Urs? they are highly developed people who came from other planets and

lived among the people of the white race in Hyperborea, Da' Arya and Lemuria regions, they came to Dravidia-India together with the Slavonic Aryan Rus tribes.

The Urs were the Aryans’ teachers and defenders. They possessed extensive knowledge and tremendous abilities, which seemed supernatural for the people of other races, in this case — for the people of the black race, to which the Dravidian and the Naga people belonged. The Urs were the representatives of the Light Forces of the Universe; they were the Volkhs, Veduns and White Magicians for the Aryans. In principle, exactly these Volkhs organized the Campaign and led the Aryan tribes to Dravidia in order to stop the distribution of the Dark Forces influence, the conductors of which were the Black Magicians of Dravidia. Next is an excerpt stating what took place: In the times of a new Great Assa (battle in the heavens), which was the battle between light and dark

The Dark were expelled from all Earths Of the Makosh(great bear), Rada(Orion) and Race(Leo) palaces(constellations)

Therefore the Dark Way of Spirits and Souls began, To go only through the World of People,

Who lived on the Earths in the Arm of the Swati Galaxy, and ascension along the Golden Way became possible only through the World of People:

Midgard-Earth, being in the middle – between Light and Darkness began to play an important role; Therefore the Dark Forces decided, To give power over the people to Demons,

That is why there is a fight between Dark and Light forces on Midgard-Earth,

In which people from different Clans and Nations take part... Demons are mainly the non corporeal forms known as Dark Djinns, smoky beings or the spirits. Of course people in recent times of the western world, but not so amongst the native tribes known as the other races Black, Yellow and Red, started on the same path of the other 3 races using hallucigenic drugs to get highs but also enter the spirit worlds, whether knowingly or not, people know my opinion on those drugs, but here is the medical and Urs knowledge of what happens and the consequences of taking these drugs. Until now the American Indian shamans from Central and South America use peyote, ayahuasca and other plants which contain one or another narcotic substance to bring themselves into the state of trance in order to contact the world of spirits. The shamans of Siberia use poisonous mushrooms for those ends, for example, fly-agarics. Nevertheless, the majority of these plants grow in the equatorial or tropical zones of our planet which historically were a natural habitat of the black and red races. Most known hallucinogens are fatal, being taken in large doses; lesser doses cause serious psychical disturbances pretty quickly and lead to death in the end. Narcotic substances belong to the group of vegetable poisons which render maximal effect on the neurons of the brain, because the nerve cells are the most sensitive and the blood, going on its small circle of circulation, first enters the cerebrum bearing the maximal concentration of hallucinogens.

As a result, the quantity of poisons that enter each brain cell in a time unit is several times greater than the neurons of the human brain are able to neutralize. Therefore, the poisonous molecules, getting through the cells' "protective billows" begin to destroy neurons of the brain. The nerve cells begin to die and ... in order to prevent the death of the brain and the whole organism the human spirit is forced to unfold its brain structures of other levels of reality when the brain is not ready for this. As a result, the powerful streams of primary matters, which flow through the brain, destroy the poisons and for a short time a person gets the possibility to see, hear and feel what is going on at other levels of reality. Moreover, a person who possesses brightly expressed paranormal abilities is able to act there, which the ancient priestesses and priests used in full measure.

So, the prohibition to eat the fruits of the tree of knowledge, as it follows from the above, had quite a real basis. Now everyone is aware of the fact that drugs destroy the human organism, psyche and tell on the descendants of a drug addict. Moreover, drugs have a very pernicious influence on the development of a person, who in most cases degrades and becomes a toy in the hands of spirit-parasites which is, actually, the real death of a person. Excess alcohol can have the same effects, and has for the spirit drinks like whisky, vodka, rum et al, they call that spirits for a reason. I can feel an awful lot of gulping amongst listeners now, omg I never knew that, you see there is a reason those plants grew in the tribal areas, as they were more susceptible to the spirit invasions, and were used as tools of the dark to get at the rest of the populous, so don't go blaming people of color, they were used as pawns. Dancing in the spirit world with no knowledge is why some many people in a way became infected, what do I mean by infected? well it has a few points, most drugs give you a high and then a low, leading to swings in moods, that is not being in balance. Mood behavior can be quite severe in some cases leading to criminality, abuse both projected and self harm, social outcast, and some drugs make you apathetic and lethargic, so you don't see what is going on around you and subsequently don't fight back against the system, this to me appears to be a major problem in western countries. Another aspect of dancing with the spirits is, it can lead to the body getting illness or disease, spirits reside in the astral realm and their only source of sustenance is us, this is where cancer comes from, an astral realm infection passed across by the spirits. But the worst aspect of engaging the spirit world is too few know what they are getting into, so many go in with no shielding and also psi field (aura) damage for previous drugs use and spirits hitch a ride in and on your vessel - oops, a one way ticket unless you know someone who knows how to get rid of them. These can be known as walk ins, and you would be amazed at how many people carry hosts, how can you spot them in a person, well the average person should be able to notice a marked change in character and behavior, seers can see the physical manifestation. For those that disbelieve I will repeat lines from verse above Therefore the Dark Way of Spirits and Souls began, To go only through the World of People.

Disturbed – The Sound of Silence

DARK AND LIGHT FORCES AND THE WAR Dark and Light forces, good and evil... Some may say that all this is very subjective and relative. They are partly right, but only partly. Good manifested toward one person can bring evil to many, and evil manifested toward many persons can bring good to one. The concepts of good and evil are not

absolute, but relative. But these concepts become absolute ones when they are applied to certain situations and events. Besides, if we take into account the fact that very often evil puts on robes of holiness and speaks on behalf of the latter, it is possible to recognize the true mask of evil only through the deeds.

Parasitism feeds Dark Forces, and creation — Light ones. Parasites are those who exist at the expense of others. There are plenty of parasites in Nature. We may assume that parasitism is a natural, necessary, phenomenon of Nature and this will be absolutely... wrong. Any parasite, which parasitizes on a living organism or on the “organism” of the society, sucking out the vital juices, either dies together with the donor or finds a new one.

One way or another, any parasite brings destruction and chaos with him and, therefore, carries negative evolution. However, in the animal kingdom parasites fulfil a positive role, eliminating weak organisms, primarily, the genetically weak, which favours the preservation of species, and evolution of the most healthy and adjusted individuals. In the end, they favour positive evolution.

Unlike natural parasites, social parasites first eliminate the strongest and healthiest elements of the social organism, thus, completely destroying it. Therefore, social parasites promote negative evolution and, undoubtedly, carry evolutionary death, whatever point of view one may consider. According to Slavonic-Aryan chronology, 2817 years after the Day of the Signing of a Peace Treaty (or in 2692 B.C.), just over 7500 years ago there was a war between Arimia (ancient China) and Great Russenia, a part of the Slavonic-Aryan Empire<sup>42</sup> which occupied the territory west of the Riphean (the Ural) Mountains. The war was very severe and unequal. However, Great Russenia won a victory over ancient China–Arimia. The victory was so significant and heavy that the Russian ancestors selected the Day of the Signing a Peace Treaty on September 22, according to a Christian calendar, as a new reference point of their history. The Aryan tribes undertook their first Campaign in order to stop human sacrifices and worship of the goddess Kali-Ma in Dravidia, after banishing the priestesses of the Black Mother from the temples, they returned home. The campaign lasted seventy six years, the Aryan tribes returned to their Motherland in 2893 (or in 2616B.C.) After they had left, the Dravidian and the Naga people went back to the old traditions for the reason mentioned before. Therefore, the Aryans undertook the second Campaign which, due to a number of reasons, took place only six hundred and ten years after the first one in 3503 (or in

2006B.C.) The second Campaign differed fundamentally from the first one. A part of the Aryans stayed in Dravidia and began to form the civilization which is known now as the Indian civilization. The Khan Uman, the Supreme Priest of the Goddess Tara Light cult, (The goddess Tara was a patroness of Nature and her senior brother Tarkh (or Dazdbog) was a keeper of the ancient Great Wisdom) headed this Campaign and was appointed a Spiritual adviser to the tsar of the forest people. This is how this event is reflected in the Slavonic-Aryan Vedas: Other Clans of the Great Race will settle, All over the face of Midgard-earth,

Some will cross the Himalayas-mountains, To teach the people with skin the colour of darkness.

The wisdom of the world of Shine, So they will stop making frightful and bloody Sacrifices to their goddess, the Black Mother, And to snake-dragons from the world of Nav And to found there a new Divine Wisdom and Faith. Everything is clear here. However, I would like to draw your attention to the phrase: "... And to snake-dragons from the world of Nav..." and how it relates to the Old Testament

First it mentions the Serpent which tempted Eve: ... And the woman said, "The serpent beguiled me, and I did eat..." Both the Slavonic-Aryan Vedas and the Old Testament tell about a serpent(s), manifesting through a woman-priestess of the Goddess Kali, (Eve).

Second, according to the Slavonic-Aryan Vedas the world of Nav is the name of the world of spirits, where the souls of both people and animals continue to exist after death, as well as the spirits of extinct species converted into spirit-parasites, essentially this is the lower astral realm. The existence without physically dense bodies made the spirits of extinct animals adapt fundamentally to another level of existence: incorporeal, without bodies, which, unfortunately, led them to parasitism. Some extinct animals became creature-parasites which devoured the life-force of those who luckily possessed physically dense bodies and were transformed into so-called astral animals which, according to the Slavonic-Aryan Vedas, dwelt in the world of Nav. That is why the Slavonic-Aryan Vedas tell about snake-dragons, the spirits of extinct species of reptiles, dinosaurs, which many people call dragons. In all Russians folk tales and legends dragons were called Zmey-Gorynyches. In Russia and Ukraine, a particular dragon-like creature, Zmey Gorynych, has three heads that grow back, is green, walks on two back paws, has small front paws, and spits fire. It is interesting that both the Old Testament

and the Slavonic-Aryan Vedas mention this fact (and this is not the last one). However, some more interesting things are yet to come. Next part of the text is revealing of what happened after the conquests, and those unable or unwilling to shine the light and wished to dance with the dark. Using lies and sinful flattery, They will occupy many lands of Midgard-Earth,

As they have done on other Earths, In many Worlds in the days of the last Great Assa (war between light and dark), But they will be defeated And exiled to the country of Artificial Mountains(Egypt), Where people with skin the colour of Darkness And the descendants of the Celestial Clan Who came from the earth of the God Niy, will live.

And human children will begin to teach them to work, So they can grow cereals and vegetables to feed their children. During the second Dravidian Campaign the Aryan tribes defeated the troops of black magicians, the majority of whom were women-priestess of the Black Mother cult. The surviving supporters of the black cult were "... exiled to the country of Artificial Mountains (Egypt)" which may explain the changes that were ongoing in Egypt around that time, where they started erasing history, eradicating and defacing certain statues of the buildings that were never built by the Egyptians, Pyramids are at least 25K years old and Sphinx was built before them, even some archeologists have worked this out now. The Sphinx has water erosion, and yet that region has had no significant rain for last 11K years, so quite why they keep spinning the nonsense of 5K years ago is beyond me. Reality is, is even with our current advanced machinery and technology, we couldn't build the Pyramids to that tolerance level now, plus how did they know all the compass points of the planet, or the fact Giza is in the center without viewing it from miles above, this type of insane logic seems to bypass most who have zero critical thinking skills. After the second Aryan Campaign, when the Aryans not only expelled the Black Mother priestesses and priests, but also stayed and continued to work on changing the Dravidian and the Naga people's genetics. Black magicians were also interested in genetics: the people of the so-called grey sub-race were of particular interest to them, because they carried both types of genetics (the white and black ones) and were an ideal weapon against the white magicians, and against the white race civilization. After the Aryans had defeated the black magicians of Dravidia-India, they, probably, offered them several places for their exile, because the Urs, who were the white race's spiritual leaders and teachers, never destroyed the defeated enemies, but tried to help them to follow a righteous way, about which the black forces leaders knew perfectly well. Therefore, they prepared the centres of the future fight against their opponents and

secured the “support” of their followers beforehand. Thus, the black magicians created three centers: Dravidia (India), the Land of Kush (ancient Ethiopia) and Mesopotamia (Assyria). The last one was a secondary centre, being, in fact, a

connective link between the first two: at approximately the same time frame, the Land of Kush, (ancient Ethiopia) in the middle of the 8th century B.C. and Assyria in the first half of the 7th century B.C. began conducting a very aggressive policy toward their neighbours. As a result, ancient Ethiopia conquered Egypt, and Assyria controlled almost the whole of Mesopotamia, continuously waging wars with their neighbours for eight centuries. The cult of the Black Mother was imposed everywhere, however, under different names.

The majority of them were people of the grey sub-race; some were of the black race, the Dravidian and the Naga people, and a small part of the white race derelicts. All of them were the Black Mother cult followers and remained as such, and they began their long journey from Dravidia to ancient Egypt which lasted for almost two centuries. They moved with their families and all their belongings through the lands, where far from everyone received them with open arms. Often they had to stop for many years to regain forces, or to force their way with weapons in hand through tribes hostile to them. In the course of time they became nomadic tribes which later historians will call the Hyksos. At the end of the 18th

to the beginning of the 17th centuries B.C. they conquered Ancient Egypt,. The Hyksos governed there for about one hundred and ten years and only a part of them went south, to the land of Kush, which is mentioned in the Old Testament as a new Eden). At the end of a long road the supporters of the Black Mother cult reached their new paradise and a new epoch of Midgard-earth civilization began. Thus, the Old Testament does not tell about the origin of man, as a result of divine creation, but about the fight between Light and Dark Forces

on Midgard-earth, as a result of which the supporters of Dark Forces were defeated and exiled. So sadly Eden was not always a garden of paradise, all 4 of them as portrayed in Old Testament, riddled by dark magicians and people with no purpose or developmental goals in their life, taking the easy path of darkness. So, there are no saints and righteous men in the Christian Eden, at least in that Eden about which the Old Testament tells. And Christian people should consider carefully where to place their paradise: Particularly the

fundamentalists, not the faithful, because the word faith has nothing to do with religion. The word faith means the enlightenment by knowledge, and there is no knowledge in the Old Testament and, actually, cannot be, it was written by the Dark Magicians, Some, nevertheless, might object that if Eden is on Midgard-earth, in India.

**ISIS RA EL AND IT'S PEOPLE** Let us remember that the Old Testament is a version of the Talmud adapted for non-Jewish people, which, in its turn, is a history of the Jewish people. This fact unambiguously follows directly from its text. The events expounded in the Talmud do not concern whatsoever the past of other people, except for those events which were “borrowed” from them. If we consider otherwise, then it turns out that all people living on Midgard-earth are Israelites, because Adam and Eve were Israelites. Everyone perfectly understands this, and the Israelites, who call all people of the white race goyim, totally dissociate themselves both from the latter and from the people of all other races. Thus, the defenders of the biblical version of origin of man have nothing to say on the subject. The Israelites belong to the so-called grey sub-race which is an intermediate sub-race, between white and black races with prevailing white race genetics. Correctly saying, people related to the grey sub-race have an insignificant admixture of the black race features. Everyone, who is acquainted with genetics, even slightly, knows that a number of features such as the colour of the skin, hair and eyes, the structure of a skull, the type of exchange processes, etc. predominate over the same features of the white race. Therefore, when white and black races mix, the first generation will have most external signs of the black race, including black skin. Now before anyone states this is racism or anti-semitism, please look at the facts, it is not a denigration of any color or race, it is basing an assumption based on the facts delivered. In an earlier show of this type I mentioned The grand Experiment about a number of races being brought here in the past, for a range of differing reasons, it could also be assumed many were refugees of the Light and Dark war, they were placed in regions of this planet that was conducive to their own, and one of the key stipulations of that time, was there was to be no mixing of the different races, now could this be determined as pure racism? yes, in our current world of political correctness, it appears everything is racist or offensive to someone these days, it leaves people frightened to speak, which only helps the control system, remember it was said in the scriptures Genesis I think, where it stated the Lord (Anu) did not like the human mixing well together and speaking same language, it made them a threat, so he came down and split them up and gave them other languages, so much for the Lord being nice and divine it seems. So did we have racists back then? who knows, but what is the more likely the reason, and evidence does support it, is genetics. Despite

looking alike, all the different people all have different genetics, some mix, some don't. Take the example of RH- types, who have to have injections to stop the body attacking and rejecting the baby, I mean why would a mother's body attack and reject her child, it doesn't make sense unless you apply differing genetics that don't match, like the horse and the zebra can't mix either, rarely do you see in the animal world them mating with a different type, why is because of genetics, and nothing to do with racism. People may cry at this point and with valid reasons, but we are all human, yes in essence, but very different humanoids would be my response, with very different genetics, so it is not possible the bible is correct that we all came from Adam and Eve, because if that was the case according to the book, we would all look like Israelites, we don't, and worse we would all be a product of incest, and you only have to look at the royals or the bloodline families to see how that worked out, UK royals kept incest offspring who didn't turn out too well either mentally or physically were placed in the tower, rumor has it current Queen has a sister locked away there. So, back to genetics and the Israelites, the black race were either endowed with or given as unsure at this point, black magic, more commonly known as Voodoo, it is powerful and dangerous magic, and is and was used for occult and cult practices, like in India with worship of the Kali-ma explained earlier. In ancient times they were given the knowledge of mixing with white race peoples, which would enhance the voodoo even stronger, with the addition of the white magic, this was then used against the Light Forces and the great white race ( I don't say that to be racially superior, but that white race was the most advanced evolutionary spiritual race, ever on this planet), and so the mixing was used by the Dark to weaken the light. This is where the Israelites came from, a mixture of white and the black race out of the main Eden in India, they then migrated for 200 years towards Egypt and settled in various places along the way, which would be Southern Russia as we now know it, hence the terms Khazarians and Ashkenazis and onto the more familiar terms we have now. It mentioned earlier how these peoples were rejected in many countries due to their poor behavioral traits, that was before AD, but since AD these peoples have been thrown out of 106 countries, so they have been an ongoing problem in society for 1000's of years. They were not called Jews back then as was not possible, the letter J was not in circulation before 14C, the term Jew came in 17thC, so when you then realise no letter J from AD1 to 1400's, the names Jesus, Job, Jewish, Jerusalem could not have been possible, if those names were so important, why have they altered those original names? I will have more on that later. Should we denigrate a whole race for that? absolutely not, these peoples were used as the tools of the Dark forces, fed a whole heap of pure unadulterated lies, told to think they are special and above all others, which always leads to derision, told to

wish for world destruction by means of Armageddon, of which only they would be saved, total genocide just to save them? that is wrong thinking on every level. Personally I think the general Jewish people have suffered enough, the issue is who is pulling their strings, always was and always will be., they are being used as pawns on a massive scale, by people and beings with hidden dark agenda. Of course their role in world history and in particular last 4-500 years has been one of great suffering, damage and deaths at the hands of these Zionist Dark Forces, names like Rothschilds, Hitler, Stalin, Lenin, Trotsky Ariel Sharon, Benjamin Begin (who refused to take the jews out of the concentration camps in 1942 when offered by Hitler and Churchill (who has a statue honoring him in Jerusalem) Warburgs, Bauer, Weishaupt, Netanyahu all rolls off the tongue as deliverers of evil, torture and death, all were ethnic Jews. These were the people who took part in or set about creating a new country along with the Balfour group, not returning the state of Israel, but creating it to fit a narrative, with it's main center a part of one the biggest lies perpetrated on this planet. Israel is a worship of the dark gods Isis - Ra and El which like AL means god. In the last 100 years they have destroyed Russia and it's history, destroyed the Middle East and parts of Arabia, infiltrated the top levels of Britain and with their dual citizens and lobby groups have totally hijacked not only our political system, but our justice system, train our police force in brutality, but also hijacked our whole financial system via the Federal Reserve, then via Rothschilds family who are closest in DNA to the Draco of any family here, took over virtually every countries banks. These people are total parasites, and yet so much of our American money goes into funding the brand of genocide, this has to stop. So perhaps now it is easier to grasp why these people that got the person known as Jesus killed, it was another version of the Light and Dark war. The title of this song explains their current position of people known as the Jewish, but going forward we should go together with the better elements within their group in harmony as one, but until then.
