

## THI-SHOW TRANSCRIPT 2019-03-19

Hi and welcome to THI special show with Thomas Williams today is not a Thursday but a Tuesday, as in you choose day, of which narrative you want to hold onto from the past or open your mind to the now. This is the latest addition to the must listen to shows, This is From Russia with Love Part 3. DISTURBED - THE BEST ONES LIE This 3rd piece that adds to my series From Russia with Love 1 & 2, that showed much of our past was a lie, history distorted beyond all reason, to fit a political, social, financial, religious programming on the surface, but on a deeper level this was an off world program of such epic proportions, it is barely believable on a human level, in it's scope, length or the depth of it, that has left many on this planet mentally comatose. I have tried with my shows not to get people to believe, or just follow what I put out, but get people to think on the subjects, thinking on things has been by passed by so many of the people of the world, due to clever programming and our base level naivety. Many people struggle with believing anything to do with off world here, as it is consider outside of the norm, the norm or normal, is another directed program of what is considered correct or not, it is a control system. Many people struggle with the facts the levels these people will go to, to engineer a program that at a base level was control, top level was a full on harvesting program of us all. Any attempts to lift humanity out of it's slave, comatose state and enrich or enlighten humanity was met with swift retribution, that echoes through the very core of your vessel, spirit and soul. Many people struggle with the fact of the levels of acts and behaviors perpetrated could be possible, that is because they apply their own baseline morals to all others, we are not all the same, and this failing to recognize the depth of depravity in others, has come at a great cost to many humans here, in particular the children. Look at the recent list of crimes many of us have just found out, most became comfortable with the fact, that child pedophilia was done by dirty old men in trench coats, only to find it goes right through society using the very institutes supposedly designed to protect or serve our communities. Like the police, judges, lawyers, Child Protection Services, social services, governments, hospitals, doctors, nurses, mental health, secret services and agencies, charities and the church. Very few of you a decade ago believed that level of connectivity and collusion was possible, many still don't, and this is how this criminality continues to this day, it was only because of the few who dared to not only bring it up, but tie it altogether that this dis-ease within humanity, began to be addressed. Of course those people who did expose it, were given every label under the sun, nutty, not normal, conspiracy theorists, troublemakers, misfits the list goes on. "If you tell a lie big enough and keep repeating it, people will eventually come to believe

it. The lie can be maintained only for such time, as the State can shield the people from the political, economic and/or military consequences of the lie. It thus becomes vitally important for the State to use all of its powers to repress dissent, for the truth is the mortal enemy of the lie, and thus by extension, the truth is the greatest enemy of the State.” Goebbels like Hitler went to great lengths to cover up their Jewish ancestry, the majority of the SS were of the Jewish line descent, and why Germany who are of Aryan descent remember, were set up by the same goons who destroyed and took over Russia in the previous war, to get the Germans to destroy Russia again in WW2, but the real program was to destroy the German and several other neighboring countries, who were of Aryan descent to eliminate each other. Don't believe it? that's fine, then listen closely to this show with an open mind, it lays it all out for you, allow yourself your own thinking process, not what others have given to you all of your lives. We have all been fed of diet of bullshittery from the day we were born or arrived here, you can stay stuck in that programmed narrative, that is their belief system, or develop your own. That is the key here, they presented their story and we present our story, with a true open mind, which one makes sense? This whole series is not designed to promote all things white, what is white anyway? I am more olive skinned color than white if truth be told, I am not blonde haired or blue eyed either, considered the ultimate in creation, by the think tank programmers, fed by the same psychopaths that brought us two world wars, and has tried to initiate a third one. White privilege is another program, so you target the ones they want you to, meanwhile the so called white privileged peoples have been decimated by 2/3rds in less than 100 years, that is not conspiracy, that is fact. This piece will also show how they have used every color on the planet, every peoples and used every country, as a platform to run their heinous plans, used all religions, all of which stems from one book, designed for one group of people by their off world gods. Things we will be covering tonight is several fold, of how the Kali Ma peoples who were taught by the Annunaki, who become the human form of control here, morphed into the cult of Amun Ra, then Hebrewism, the Greeks and then Rome then Catholicism, it will show that Israel is really a cult of Egypt, both the Draco Annunaki and Hebrew people are known as the chosen ones, Noah, Moses and Abraham were all their disciples, not ours. They were thrown out of the Garden of Eden and exiled to Egypt, how they created another cult there and ultimately spread throughout Europe and eventually the Americas.

Timeline Garden of Eden India to Egypt, which then created the Amun RA cult, RA is associated with the lion and then the domesticated cat, the eye of RA is a cat symbol. Ptolemy I Soter which is where the Greek reference came in and took over the reigns of

the Kali Ma/Amun RA, and brought in Alexandria which is name of a place in Egypt named after Alexander the great, who was Greek, who went on conquests from Egypt to India, was that retracing the steps of those who were chased out of India into Egypt in previous times? Until we came to Cleopatra the Egyptian queen, except she wasn't Egyptian, she was Ptolemaic and Greek, Cleopatra then a lover of Julius Caesar of Rome, and later became the wife of Mark Anthony, who was a politician and general in Rome, and is known as the person who started off the Roman Empire. But not just any Roman Empire, no it went back to the worship of the cat and Ra, created the religion of the cat, now known as Cat - holic. We roll into Genghis Khan, who are the Indians, who are not Africans, European houses all built on Egypt and how everything associated with Israel, is really a cover up of Egyptian connections and Ra. I will repeat again I will use terms in this show that will name the modern named versions as they are labeled currently, but this is not an excuse to denigrate them all, based on that label. Everything is connected or linked once you see the pattern, when you master the pattern it applies in most other fields, and you can then predict the "future" with it, future is the past once you see the pattern, the idea is not to bring the past into the now or future, but correct the mistakes of the past, so it has not future.

## GENAEOLOGY

There is a narrative globally that most Jewish people originated from modern day Israel or latter day Palestine region and Judea, but does that theory stack up? A recent announcement was that 90-95% of peoples known as Jews, did not originate anywhere near to that region, this must have come as a shock to those peoples, for so long they have believed they are the integral part of the holy book and that region, when they have been played all along, so lets look at where their origins are from. There is no doubt about the easternmost subfamily, which consists of the languages of Iran and the Sanskritic languages of India. To these the name Aryan or IndoAryan is commonly applied. This word, which occurs in both old Persian and Sanskrit, has the meaning of noble — a common enough way for peoples to designate themselves. The name Iran, in the ancient form Eryana, means the land of Aryans. The Sanskrit form Arya (ARYA MEANS MAN) was used from early times to designate the worshippers of the Brahmanic gods, the term god or gods back then does it have same meaning as now, it just meant higher evolved beings, in other words they had completed several soul growth cycles, not just an earth based one. The concept of Brahman is posited as that which existed before the creation of the universe, which constitutes all of existence thereafter, and into which the universe

will dissolve into. Brahmanism, according to Heesterman, refers to the religion (it wasn't a religion) that had expanded to a region stretching from the northwest subcontinent to the Ganges valley, location of the first garden of Eden in India, India was called the raj for British rule is it Raj(bear in mind letter J was not introduced until 1400, possibly later) or Ra as amun ra, Britain gave up India and the Ra or Raj in the very same year as Israel was created. is ra el(god)? co-incidence? In 2006, a study by Behar. based on what was at that time high-resolution analysis of haplogroup K (mtDNA), suggested that about 40% of the current Ashkenazi population is descended matrilineally from just four women, or "founder lineages", that were "likely from a Hebrew/Levantine mtDNA pool" originating in the Middle East in the 1st and 2nd centuries CE. Additionally, Behar et al. suggested that the rest of Ashkenazi mtDNA is originated from ~150 women, and that most of those were also likely of Middle Eastern origin. In reference specifically to Haplogroup K, they suggested that although it is also common throughout western Eurasia, (which is India)"the observed global pattern of distribution renders very unlikely the possibility that the four aforementioned founder lineages entered the Ashkenazi mtDNA pool via gene flow from a European host population". A 2014 study by Fernández et al. found that Ashkenazi Jews display a frequency of haplogroup K in their maternal DNA, suggesting an ancient Near Eastern matrilineal origin, not European, Middle Eastern or Mediterranean. WALK LIKE AN EGYPTIAN

#### CAST OUT OF THE GARDEN OF EDEN TO EGYPT

They left India and went to several countries all now known as the istan countries, is tan meaning browning, a clue to the skin color, from white to brown. 200 years later they arrived in Egypt, having been thrown out of every istan country along the way, due to bad practices and subjugation of the native peoples. Egypt within the same century developed a new cult by these same peoples called the Amun Ra, which is where the term Sunday comes from, called the sabbath by the Jewish peoples, Ra being the solar god. What is the most common term of Egyptian rule is pharoah, pharaoh means great house, remember what was written in the book of the prophets, O ye house of Israel, it was these same houses the went through Europe later and to rape, pillage, murder and sacrifice so many of us. Lets look to see if there is a common link of Egyptians Amun Ra cult and the modern day Israelites. Phar·i·see a member of an ancient Jewish sect, distinguished by strict observance of the traditional and written law, and commonly held to have pretensions to superior sanctity. Pharisee" means "separated one."- as in chosen ones? did you know the word church means separated one also.

The Pharisees were at various times a political party, a social movement, and a school of thought in the Holy Land during the time of Second Temple Judaism. After the destruction of the Second Temple in 70 CE, Pharisaic beliefs became the foundational, liturgical and ritualistic basis for Rabbinic Judaism.

“Woe to you, teachers of the law and Pharisees, you hypocrites! You travel over land and sea to win a single convert, and when you have succeeded, you make them twice as much a child of hell, as you are” Jesus is instructing His followers about the religious hypocrites who are themselves “children of hell.”

Jesus says they had “taken away the key of knowledge” sin cast your sins, the god of knowledge is known as sin. cast (spell) your knowledge away

The Pharisees and the Sadducees were both religious sects within Judaism. If the Sadducees couldn't find a command in the Tanakh, they dismissed it as manmade, compared to whom you may ask? The Sadducees rejected the idea of an unseen, spiritual world, The Sadducees denied the afterlife, holding that the soul perished at death. They will use that denial of knowledge to great effect over time. Socially, the Sadducees were more elitist and aristocratic than the Pharisees. Sadducees tended to be wealthy and to hold more powerful positions. The chief priests and high priest were Sadducees, and they held the majority of seats in the Sanhedrin. The Sadducees were friendlier with Rome and more accommodating to the Roman laws. The land of the Pharaoh, and pharaoh means great house and later we will show how the houses went out of Egypt, and went into the Houses of Europe, the church and the so called elite bloodlines. The Prophet Jeremiah, in a judgement uttered 2500 years against Israel "Among My people are found wicked men... their houses (are) full of deceit: therefore they are become great, and waxen rich, ... they judge not the cause of the fatherless, yet they prosper; and the right of the needy do they not judge...." Sem·ite a member of any of the peoples who speak or spoke a Semitic language, including in particular the Jews and the Arabs.

Semitic people: A member of any of various ancient and modern peoples originating in southwestern Asia, including the Akkadians, Canaanites, Phoenicians, Hebrews, and Arabs. a member of any of the peoples descended from Shem, the eldest son of Noah. There is an ancient German word that maybe a pointer, you choose. Ursemitisch - German to English. Proto-Semitic, urs semitic, in other words - the semitic urs

So the Sadducees denied the unseen spiritual world and yet worshipped Amun Ra? As we have pointed out in several shows, is how the system changes names, sometimes just a vowel, other times not, you will see further examples in the next section, they blame translations and local dialects, but there is far too many examples of the system of control using this to deflect who is who, and what is what. Aamon (also Amon and Nahum), in demonology, is a Marquis of Hell who governs forty infernal legions. Aamon is a demon and the Grand Marquis of Hell and the seventh spirit of the Goetia, Goetia is the practice of conjuring demons specifically related to King Solomon. Amon, became Amun became Amen, it is a calling sign and worship of RA, and why it is said on Sun day. Pharaoh Mentuhotep ruling the Upper Egypt was seeking for reunification of the country subjugating the Lower Egypt. As a result a single religion was formed, and in the merger of two cultures Amon and Ra, the sun god of the Egyptians, appears. It combines the two gods – god Ra mentioned above and god Amon, who was the supreme god of the Upper Realm. In order to unite people, priests have given new supreme deity common features of both Amon and Ra. At the initial stage sun god Amon Ra was still depicted in the image of a big cat, and was the patron of these animals. So now we have the rise of the cat and it's programming and this next piece will lay it all out. Egyptian god Ra and goddess Bastet looked at the world through the cat eyes, and people could make their prayers heard via cats. According to the Book of the Dead, the eyes of Ra changed depending on the time of day (the eye of Ra can be the sun or the moon). Cats, as we know, can do this “trick” too – in bright light their pupils constrict, becoming almost invisible slits. Bastet first appears in the third millennium BC, where she is depicted as either a fierce lioness or a woman with the head of a lioness. Two thousand years later, during the Third Intermediate Period of Egypt (c. 1070–712 BC), Bastet began to be depicted as a domestic cat or a cat-headed woman. Herodotus also relates that of the many solemn festivals held in Egypt, the most important and most popular one was that celebrated in Bubastis in honor of this goddess. Each year on the day of her festival, the town was said to have attracted some 700,000 visitors, both men and women (but not children), who arrived in numerous crowded ships. The women engaged in music, song, and dance on their way to the place. Great sacrifices were made and prodigious amounts of wine were drunk—more than was the case throughout the year. This accords well with Egyptian sources that prescribe that lioness goddesses are to be appeased with the "feasts of drunkenness" Of course alcohol brings in the demons, of which former Egyptian leader Solomon bound to that region, and yet this same cult denies it exists, another common theme is it not? Out of interest only the Jewish based faiths denies the existence

of the demon spirits or the spirit world. Killing a cat in ancient Egypt was punishable by death or a huge fine. The punishment was defined on the basis of the cat owner's status – the richer is the owner, the more severe is the punishment. In his chronicles Diodorus Siculus describes the case of lynching a Roman who accidentally ran over a cat. Cats were mummified and buried in coffins, decorated according to the income of the owner. Bast or Bastet is the most famous cat-goddess in Egypt. Prior to the domestication of these animals she was depicted in the image of a lioness or a woman with a lion's head. Having domesticated cats, ancient Egyptians have changed the image of Bast – the goddess became a cat or a beautiful woman with a cat's head turning into a bloodthirsty lioness if humanity makes her angry. Look I know people like cats, but is this really normal behavior? Lets look into this deeper. like I have said this whole thing of cats being everywhere is a deep seated program, as you will find out.

**Cat Goddess:** In Egypt, the relationship became something more than master and servant. Living along the Nile made the Egyptian storehouses particularly susceptible to rats and mice, making cats that much more essential. This dependency soon became outright worship. Slowly, religious cults arose around cats.

**Cat Party:** The Greek historian Herodotus wrote of great festivals and magnificent temples in Bastet's honor. Her temples were often occupied by hundreds of cats. These cats were sometimes mummified and given great tombs; fully supplied with mice, rodents, milk and saucers of food. The most spectacular of these was found in Bubastis, where the remains of some 300,000 cats were found. In many a household the cats ate the finest foods and were denied nothing, with rights even to the master's plate. A cat's death was subject to public mourning and a priest inspected the corpse to see if its death had occurred naturally or not. Their human families sometimes mourned for weeks, even shaving their eyebrows to show their sorrow.

**Eye of Ra:** By 1500 BC (at the latest), cats became closely associated with Bastet, a solar deity, and the protectress of the Pharaoh. Known as the “eye of Ra”, she originally had the body of a woman and head of a lion and was considered the instrument of the sun god's vengeance. But over the centuries she became more domesticated and soon the lion's head was replaced with a domesticated cat. The change from a more aggressive deity to one of a more tender nature developed naturally when people considered the domesticated cat's nature. Cats are devoted and gentle mothers, and soon Bastet became associated with motherhood and fertility. Expectant mothers prayed to her for protection,

and barren women prayed for help. Sometimes however, even centuries later, Bastet was represented holding a lion's head at her side, suggesting the ferocity that lay buried in her subconscious, similar to a domesticated cat. She was beloved all the same, and soon the most pleasant and joyful aspects of Egyptian life were placed under her protection. The sunrise, music, dance, and pleasure as well as family, fertility, and birth all fell under her domain.

**Criminal Cats:** Perhaps it was this association with sexuality that led to some serious problems for the cats in many a European country during the Middle Ages. Although cats are not mentioned in the Bible, superstitions sprung up around them. Their nocturnal habits frightened some people and they became associated with Satan. Cats were often accused of killing children by sucking out their breath. They were sometimes tried and convicted before a judge, even sentenced to death. Even owning a cat was dangerous, leading to accusations of witchcraft.

**Fall from Grace:** The reign of the cat declined however, and soon their place in society changed. By about 300 BC there is evidence that many cats were raised with the intention of being sacrificed. Deep scans of mummified cats discovered that many cats had broken necks before mummification, suggesting the animal was intentionally killed. At this time, the entire Egyptian Kingdom was in decline. But the cats had already found their way to the rest of the world. Traders often took the cats onto ships to protect their food storage from vermin. When the boats docked in a foreign city, the cats escaped and began a new life. Why was the Egyptian Kingdom and the cats of RA into decline at 300BC, because it morphed into Rome and Cat - holics, meaning indicating a person having an abnormal desire for or dependence on, in this case cats and the cult of RA, which is why churches have their mass ritual sacrifice day of eating the flesh and blood, on sun day, RA was known as the solar god, a role that was also played by Marduk. The earliest version of domesticated cats was found in Egypt and nowhere else at that time, which suggests to me they were created by the off world group as a means to lower humanity, all hail and bow to the cat (which is a symbol of RA) cats have no direct lineage to the big cats, big cats mainly have round pupils, domesticated cats have snake or reptile eyes, which suggests it was created with Draco reptilian genetics. TED NUGENT - CAT SCRATCH FEVER

WHAT IF THE EXODUS DIDNT JUST GO WEST TO EGYPT, BUT NORTH AS WELL

Following on from my From Russia with Love series 1&2, the Kali Ma people were thrown out of the garden of Eden in India, the Kali Ma dark mother worship and human sacrificing. Something else got me thinking that may or may not be correct, but it certainly at this point appears to fit in, with what went on in that region at a later date. What if along the way of the exodus, some of those discarded did go north out of India as the others exiled went west towards Egypt, the ones who went north over a period of time raised a vast army, because of you go north out of India. you will reach the land now known as Mongolia, which is famous for the wars further north and west of that region, and the entity known as Genghis Khan. Who went on various conquests against all and sundry we are led to believe, but I suspect it now to be against one group of peoples only, The Rus and the Slavonic Aryans. The name Khan is the Asian spelling of Cohen, Cohen being of the Ashkenazi Jewish line and related to Noah, he who lets not forget, was given the heads up about the flood from the so called gods, of which I believe Noah was from that group. So we had the Khazarian Jews who fled west, and Ashkenazi Jews who went north and their leader in the 1200's was Genghis Khan, who it is suspected was not fully human, given some of his exploits and antics. Genghis Khan attacked the north and the so called barbarians, the reality is, those barbarians were far more advanced than anything on this planet, and the reality is, due to several attacks over time as well as the Khan group, it was The Rus who built the so called great wall of China, not the Chinese. Is there evidence that backs this up? yes the defense posts are facing the wrong way for it to have been built by the Chinese, that evidence can be found all along the wall, also look at the construction, and match it with other construction around the world, it is Rus or Tartarian, most of which has been attributed to The Greeks or Romans, but most of them were built long before their construction period. Khan and his army also went west to follow the Khazarian route also, and landed in Iran (known as the land of Ayrans) why would a group from Mongolia go so far west to attack that one country? look at the distance on the map, it is near 3000 miles, it would be a massive undertaking now, never mind back then. Khan arrived in Nishapur in Iran, which is close to Urartu and Nishapur which is on Lake Urmia, all close to the Caucasian mountains which means white, UR artu and Lake UR mia is the clue, like the UR al mountains and the original Jerusalem, which was UR usalem in Russia, this was an UR region, UR means the original or the earliest. In one day Khan slaughtered 1 million 768 thousand peoples in Nishapur in the land of the Ayrans, and a place not to far away from the original Kingdom of Manna, which was also in Iran. Do you think it is possible for a load of people on horseback with spears, bow and arrows and swords to kill that many in one day as recorded? no, Khan

had advanced weaponry and was given help by the dark off or in world forces, is the more common sense thinking answer, to many that will be seen as not possible, but that is because they only think advanced weaponry is a last century invention, when archeological evidence right across the Middle East shows extensive radioactive fall out layers in the past, proving a nuclear war back then, took place thousands of years ago, and the little known fact the Russia was attacked by nuclear weapons in 1812, could well tell a different story. The ones who were exiled out of the Garden of Eden (modern day India) to Egypt, it appears at the same time as the rise of the cult of Amun - Ra, again they are Hebrew deities, Amun means the hidden, and this entity who wasn't even here in form at any stage is worshipped by most religions when you end the prayer with Amen. Again Amun- Ra followers did rituals and sacrifices, as they did back in India, it spread it throughout the world. Amun - Ra came from Mount Zion region, which is where the modern day term Zionist came from, hence the book which the system tries to deny exists, but in reality it does, The Protocols of the Elders of Zion, which is a book about Jewish world domination, it is all there if you look and connect the dots. Jewish is the latest label used designed to create divide and conquer, replace Jew with forces of the dark where necessary. These people in general have nothing to do with Jews, Israel the country, the bible or anything else, they are tricksters of the dark arts, and have used every trick in the grimmoire book against humanity. The modern day owner of King Solomon's ring, The Rothschild's, what is on the ring? a 6 pointed star, which country is represented by the 6 pointed star? Israel, except the star of David as it is called, came not from Israel, but Egypt. King David was not from Israel either, but also from Egypt. Early scholars and researchers reciting ancient books all state King Solomon was of Egypt not Israel, the fact that a search for Ancient Egyptian Seal of Solomon brings up 6 discounting articles straight off the bat, before observing the evidence, suggests a cover up for me. Also on the ring on each side is the pharaoh headdress known as the nemyss, and is the ritual Egyptian head-dress of the pharaohs. "In retrospect, the six-pointed star was an Egyptian occult symbol which KING SOLOMON adopted when he went into idolatry and witchcraft and built an altar for Ashteroth", it was his love for Ashteroth that led to his descent into the dark magic realms. In the book Ireland the Land of the Pharaohs, it spoke of the exodus of teachers out of Ireland to Egypt, why? to teach, why Egypt? because they were the Kali Ma peoples, why Irish? because they have blue eyes and some were of Aryan stock.

#### SOLOMON, RA, HEBREW AND SACRIFICE

Inside Solomon's temple the holy of holies for the Jews there was two altars. One was for animals and one for humans. In the Book of Exodus it says, In the four corners there were placed a horn, symbolizing the bull and Moloch, when sacrifices were done with and to Moloch, the children were passed to him and thrown in a fire pit. In the temple one pit was called the brazen altar which was a fire pit, this is where they sacrificed children and adults, as referenced by this piece "You may remember that David's son, Adonijah, went in to the temple and took hold of the horns on the altar, in an attempt to escape the wrath of Solomon, the new king of Israel, it should be noted that and it worked for him. Solomon spared him as he hung on to the horns of the altar and asked for mercy." The word that is ordinarily translated as "altar" in the Old Testament comes from a root, that means to sacrifice or to slaughter. So in a literal sense the altar was a place of sacrifice or slaughter. It had other names given to it in the Old Testament. It is sometimes called "the brazen altar." This emphasis upon the brass that covered the altar associated it with judgment. It is often called the altar of "burnt offerings. It should be noted that Solomon was the king of the House of Israel, not the country, this is where many researchers have been led astray. All these are representations of Egypt not Israel, even the pharmaceutical symbol Rx is a representation of Egypt and the Eye of Horus. The winged sun disk is the wings of Horus and the omnipotence of the solar god Ra, hence the plethora of solar representations in many adverts, corporate logos etc, all worshipping Ra. Twin towers was Joachim and Boaz, which were initially in Luxor, Egypt as obelisks, another symbol fest as they are anchored everywhere. 5 pointed star hails the pentagon, and the main center of freemasonry in DC The Order of the Eastern Star, another reference to Egypt or Sumer. In France you have The Louvre a pyramid, the statue of Liberty which was built in France by Freemasons, is exact same height as the pyramid of Giza, these are all hidden representations of the fake gods out of Egypt and also Sumer.

The "Star of David" is the symbol of Israel, but in Hebrew it is actually called the Magen David, or the Shield of David. It is unlikely that King David's shield actually looked like this emblem as it is relatively modern in its association with the Jewish people. Although the Magen David was mentioned as early as the 12th century, it was not generally recognized as a symbol of the Jewish community until the 17th century. The reason being the term Jewish didn't start until 1540, when the letter J was introduced, Judeisc it was before, if that was the case, why wasn't those terms used in the bible and other ancient scriptures? The initial terminology attributed to being Jewish was 1600, and it was used in reference to extortionate money lending, seems the Rothschild's were not popular back then either. Today, we see the blue Magen David on each flag that flies proudly in the

nation of Israel. In Israel, we often see the symbol in a different color—red. Magen David Adom (Red Shield of David- Rothshield) is Israel's national emergency medical, disaster, ambulance and blood bank service. Another example is described in the Out of Zion section which features an article on IBM's software that masks sensitive subscriber data, noting that its Israeli developers named it Magen. Remember IBM stands for I be Marduk, aka Ra. The actual Israeli flag symbolizes the lands promised to Abraham, and no it is not just Jerusalem, the two blue lines symbolize the two rivers, The Nile and The Euphrates and the lands all in between. The Nile region goes down to what is known as The Great Bend (which is 33 degrees) across to the bottom of the Euphrates, which borders Iraq, Iran and Kuwait. The lands encompass Egypt, Saudi Arabia, Palestine, Lebanon, Jordan, Syria, the western side of Iraq and Southern Turkey, caliphate anyone? All regions where there has been or is recent wars except Egypt, due to them being the descendants of Jewish peoples, and Saudi Arabia who are the main funders of the current country known as Israel, who runs Saudi Arabia? The House of Saud. I don't wish to denigrate any Jewish person, but lets look at things rationally here, why are there so many gaps in knowledge? Lets take the bible and it's use of the letter J and names, how can it have so many with letter J, when it was not used as a letter before 15-1600's? Job, John, Jehovah, Joseph, James to name but a few, but the most famous name on the planet is Jesus, why have they changed his name? Now as a reference, who are the ones who switch names the most? the Jewish and Germanic peoples, Bauer becomes Bayer which is Rothschilds, Elizabeth Saxe Cobrug Gotha becomes Windsor to hide her roots, the list is endless once you look. What is their obsession with changing their names, the obvious answer is to cover something up, they don't want the general public to see or notice. Like Solomon and references to Israel, when all fingers point to Egypt, just like the Nile, or denial, things quickly becomes muddy. But again in reference to the bible we have names like Michael, James, David, Samuel, John, Adam, Joseph, Mark, Matthew, Paul, Peter, Thomas, Stephen and nobody asks why all these names who are so important, are all British names and spelt the British way? These were all supposed to be Middle East peoples were they not? I said earlier Freemasonry is linked into it, take the Double headed eagle symbol of the Scottish Rite, it is called the eagle of Lagash, Lagash is an ancient Sumerian city and was the symbol for Ninurta, son of Enlil and god of the city. The Sumerians referred to themselves as ùĝ saĝ gíg ga, which means the black headed people, which was the same black headed people in India and worshipping the Kali Ma, connecting the dots now?

In the bible we are told about the exodus of the Israelites peoples for 40 years, of what I think is the Amun Ra cult out of Egypt to return to the holy land as it is portrayed, and yet when you overlay the trail of the exodus on all map searches, none lead to Jerusalem, Judea, original Palestine or modern day Israel, it stopped at a place North East of modern day Israel, the name of that place Ammon, as in Amun Ra, as in Ammon the Solomon demon spirit, Ammon is represented as a wolf with a serpent tail, Ra is represented by the lion, and this is why so many of the Houses of Europe seals have lions on them. England itself has on it's emblem 3 lions, it goes back to the Richard the Lionheart and King John time period again, the 3 lions represent the 3 houses, England represented by Angevin House, The House of Normandy and House of Aquitaine, so all 3 lions are representations of Houses in France, all sing along now 3 lions on my shirt or should it be Allez, Allez, Allez? Interestingly in the series A discovery of witches, a witch was bound in a box by a vampire, and it repeated a warning, beware of the blood of the lion and the wolf, this is a reference to Amun Ra cult. Ammon, site of the modern city of Amman, Jordan's capital. Milcom and Molech (who may be one and the same) are named in the Hebrew Bible as the gods of Ammon, so provideS another link of who these people represent, Molech is Moloch, Moloch is the biblical name of a Canaanite god associated with child sacrifice. The question is why would a Hebrew Jewish book that is related to Israel, reference an Egyptian god and the peoples out of Egypt? If it was not the case, they are in a roundabout way, telling you who they really are, and who they represent. It is all in the words, the Jewish book as it is called, is called the Torah, or is it really called to RA?

Cleitarchus, Diodorus Siculus and Plutarch all mention burning of children as an offering to Cronus or Saturn, that is to Baal Hammon, the chief god of Carthage, and Yahweh. Plutarch wrote, but with full knowledge and understanding they themselves offered up their own children, and those who had no children would buy little ones from the poor people, and cut their throats as if they were so many lambs or young birds; meanwhile the mother stood by without a tear or moan; but should she utter a single moan or let fall a single tear, she had to forfeit the money, and her child was sacrificed nevertheless; and the whole area before the statue was filled with a loud noise of flutes and drums, so that the cries of wailing should not reach the ears of the people. Have you ever heard such heinous behaviors in all your life? Sacrificing your children in the name of fake gods, houses, kings and corrupted bloodlines, these people are beyond sick, and subsequently a blight on this whole planet. These people are bereft of any basic human emotions, think they are above and beyond all and sundry, sins to them are a past time, rituals are

something to be enjoyed, great suffering revealed in and death is in honor of them and their gods.

Moloch is referred to as the king in the Hebrew Bible, and some are suggesting Moloch and Yahweh are the same entity, According to Eissfeldt, there was a 7th-century reform that abolished the child sacrifice, that had hitherto been an acceptable part of the cult of Yahweh, implemented by Josiah in 640BC. Moloch as said earlier, is the biblical name of a Canaanite god associated with child sacrifice. The name of this deity is also sometimes spelled Molech, Milcom, or Malcam. ... Rabbinical tradition depicted Moloch as a bronze statue heated with fire into which the victims were thrown, Moloch is represented as the owl in Bohemian Grove, where they still sacrifice children. Moloch is often represented as a bull, as in papal bull, which signifies the out of Egypt into Rome, or buy bull, so where does the owl reference come in? well, the name for the owl is Mulak or Moloch in which country? Egypt!! and the Amun Ra cult again. On one of the depictions of the Sanhedrin council which was where the alleged Jesus was tried, the floor is black and white chequered, just like the rogue freemasonic floor, Joachim and Boaz are Kaballah symbols. Freemasonry has been one of the biggest drivers of these Kali Ma peoples, ideologies and narrative, all done with their secret codes, handshakes and signs, which is all too reminiscent of Kali Ma, Egypt, Israel and Hebrew cover up, is it not.

These Egyptians and who later became known as Israelites were the Kali Ma peoples from India, who then went on their world domination scheme. This is a global problem and has nothing to do with Israel the country or the majority of it's people, we have all been duped, but look at this passage for a clue as to who these people are, Acts 7:37-43 This is that Moses...to whom our fathers would not obey, but thrust him from them, and **IN THEIR HEARTS TURNED BACK AGAIN INTO EGYPT...** And they made a calf in those days, (calf is bull, as in Buy Bull as in the Baphomet, which is also represented as the 6 pointed star) and offered sacrifices unto the idol, and rejoiced in the works of their own hands. Then God turned, and gave them up to worship the **HOST OF HEAVEN**: as it is written in the book of the prophets, O ye house of Israel, have ye offered to Me slain beasts and sacrifices by the space of **FORTY YEARS IN THE WILDERNESS?** Yea, ye took up the tabernacle of Moloch, and the **STAR OF YOUR GOD REMPHAN**(who was an Egyptian diety I might add) , figures which ye made to worship them: and I will carry you away beyond Babylon.

What so called advanced being to be labeled a god, encourages such demonic behaviors, how is that moral, righteous or none sinning? It is one giant circus ring, roll up now and watch the hall of mirrors masking the illusion, the gods in the gallery taking the piss out of the clowns, only humanity are the clowns, and if we don't perform the maximum in heinous behaviors we will be sacrificed. Yet they have managed to dupe 4.5B people into this satanic practice, whether it is Hebrew, Christian, Muslim or any other religion, they are all based on the same promise, follow are orders and practices or we send in the demon court jester type spirits to ruin your life.

The key part of that piece is, it says the House of Israel, it didn't say the house of Egypt did it, it was a house, like House of Orange, Bavaria, Hapsburg, Saxe-Coburg-Gotha, these are all the royal bloodline group, and the House of Israel, it's the house of Isis and Ra (as in Amun Ra out of Egypt) and El means god. The worship of these satanists goes onto today, with the worship of Moloch in Bohemian Grove, The House of Rothschilds with their Ring of Solomon moved to a new base in Switzerland, which means twin sisters as in Isis. Jesus they say is the King of the Jews, but what is inscribed on the cross? IHS, Isis, Horus and Set, as in Setan, as in Saturn, the 6 pointed star is a representation of Yahweh, which also represents Saturn, who do the Jews worship now, Yahweh, can you all see the picture now? Yah means yes and Weh means sore or painful, yes it has been sore and painful for many of us outside of that program. There is also a global worship of the Black Virgins, also called Black Madonnas, and it's origin is unknown to the researcher who wrote this "Whoever the enigmatic Black Virgin may be, she holds a powerful attraction for her millions of devotees around the world. Her sacred sites stand on highly charged earth energy centers, enhanced by megalithic ley-lines and sacred architecture." The Black virgin is the Kali Ma.

A grimoire (also known as a "book of spells") is a textbook of magic, typically including instructions on how to create magical objects like talismans and amulets, how to perform magical spells, charms and divination, and how to summon or invoke supernatural entities such as angels, spirits, deities and demons It is most commonly believed that the term grimoire originated from the Old French word *grammaire*, which had initially been used to refer to all books written in Latin. So grammar schools and grammar education is all about spell casting the children. The ancient Egyptians also employed magical incantations, which have been found inscribed on amulets and other items. The Egyptian magical system, known as *heka*, was greatly altered and enhanced after the Macedonians, led by Alexander the Great, invaded Egypt in 332 BC. The ancient Greeks and Romans

believed that books on magic were invented by the Persians. (another place known for cats) The ancient Jewish people were often viewed as being knowledgeable in magic, which, according to legend, they had learned from Moses, who had learned it in Egypt. Among many ancient writers, Moses was seen as an Egyptian rather than a Jew. The Bible tells us that everyone on earth was drowned except for Noah and his family and that all mankind are descended from his three sons, Shem, Ham, and Japheth. In later times the idea was widely adopted by Christians, and to a lesser extent by Muslims and Jews, that the three sons of Noah represented the eponymous ancestors of three major racial or linguistic groups. According to this interpretation, Ham was the ancestor of the darkskinned peoples of Africa, Shem of the Hebrews and their various cognates, and Japheth the ancestor of the Medes, Persians, Greeks, and other peoples who, many centuries later, came to be known as Aryans.

The Jewish Sanhedrin narrative states this, For decades, after the genetic code of the priestly DNA was broken, and we now know that certain unknown men were father to father descendants of the Cohen(Khan) or the priestly lineage of the Jews who served in the 1st century Temple of King Herod in Jerusalem, a new dimension came into understanding. Since that day, Jewish Temple Mount leadership have been preparing for the return of King Messiah (Melekh HaMashiach, is Melekh, Molech or Moloch- it's that vowel or subtle name change again) and the restoration of the temple sacrificial services as directed by HaShem (reference to Shem the son of Noah), the G-d of Israel to Moshe Rabbeinu (Moses our Teacher) at the mount called Sinai. This is the same King Herod who ordered The massacre of the innocents, who declared to sacrifice all male children under the age of two, around Bethlehem, so it wasn't just Solomon who did sacrifices in the Temple, it was done in the 2nd Temple as well. The Holy of Holies they call it, Holy must have completely different meaning to me, come along one and all, all worship the gods whilst we slaughter and sacrifice your children, I mean what in the name of Satan's portion is that all about? And yet these people want to build a 3rd Temple to do what? sacrifice more of our people, whilst the chosen ones, sit back and laugh at our own stupidity? CREED - FACELESS MAN

## TRUMP, SANHEDRIN AND THE TALMUD

San means settlers hedron means face, in other words the faces of the settlers, what are the Israelis peoples called in occupied territories, the settlers! Trump recently received a coin from the Sanhedrin which is suppose to represent Israel and the Jews, except on the

back of the coin it references Trump as Cyrus the great, Cyrus was king of Persia (of course Persia is also linked to cats), and nothing to do with Israel or the Jewish people. Then I found this piece, Thus says Cyrus king of Persia, 'The Lord(who is Anu and grandfather of Marduk), the God of heaven, has given me all the kingdoms of the earth, (kingdoms became Houses) and He has appointed me to build Him a house at Jerusalem, which is in Judah. Whoever there is among you of all His people, may his God be with him! Let him go up to Jerusalem, which is in Judah and rebuild the house of the Lord, the God of Israel; He is God who is in Jerusalem. Cyrus the Great proclaimed himself "king of Babylon, king of Sumer and Akkad, king of the four corners of the world" in the famous Cyrus Cylinder, an inscription deposited in the foundations of the Esagila temple dedicated to the chief Babylonian god, Marduk. The text of the cylinder denounces Nabonidus as impious and portrays the victorious Cyrus pleasing the god Marduk, who at one point in time played the role of RA. Cyrus is represented as a 4 winged human, just like the Annunaki Sumerians. There is a reference to a quote of Isaiah 60:8 Who are these that fly like a cloud, and like doves to their windows? So the lord asked him to build a 3 bed 2 bath detached home in Jerusalem then, erm not quite, House is a control system, Pharaoh means Great House, all to house the psychopaths, cult and occultists who follow him. Does anyone not question why the Lord or God only wants real estate built in one city? Perhaps he works for Haliburton or Bechtel. Funny enough in a search of Haliburton brought up this reference, James Haliburton (1788–1862), later changed his name to James Burton, British Egyptologist, you can't make this stuff, them and their name changes again.

Some people will have difficulty understanding the depths these peoples will go to, so I will start this next part with just some of the excerpts taken from The Talmud Hebrew book, that these psychopaths follow to the letter, as it will give you an understanding of how these people operate. It lays it all out for you if you are open minded, and not blinded by the narrative laid out for us. The Torah book of the Jews is a christianised version, as no one, not Jewish was allowed to read The Talmud as you will see from the quotes. The quotes lay the foundation for the rest of this show. I will reference the term Jew or Jewish often in this piece, but bear in mind this has nothing to do with being a modern day Jewish person, this is a dark forces program, and we have all been used, none moreso than the Jewish people themselves, those not participating in this dark occult practices of rituals and sacrifices, need to be embraced, the fake god they follow is against the whole of humanity. These are not from Jews, Jewish or Israel, but back to Egypt and RA cult, Sumer and further back to the Kali Ma in India.

\*Excerpts from the Talmud Sanhedrin 59a

To communicate anything to a Goy about our religious relations would be equal to the killing of all Jews, for if the Goyim knew what we teach about them, they would kill us openly.

Libbre David 37

A Jew should and must make a false oath when the Goyim asks if our books contain anything against them.

Zohar, Toldoth Noah 63b

When the Messiah comes every Jew will have 2800 slaves.

Mas. Shabbath 31b

On the house of the Goy [Goy means unclean, and is the disparaging term for a non-Jew] one looks as on the fold of cattle.

Schulchan Aruch, Choszen Hamiszpat 156

If it can be proven that someone has given the money of Israelites to the Goyim, a way must be found after prudent consideration to wipe him off the face of the earth.

Zohar, Vayshlah 177b

That the Jewish nation is the only nation selected by God, while all the remaining ones are contemptible and hateful.

That all property of other nations belongs to the Jewish nation, which consequently is entitled to seize upon it without any scruples. An orthodox Jew is not bound to observe principles of morality towards people of other tribes. He may act contrary to morality, if profitable to himself or to Jews in general.

A Jew may rob a Goy, he may cheat him over a bill, which should not be perceived by him, otherwise the name of God would become dishonored.

Sanhedrin 58b

[In other words, if a non-Jew kills a Jew, the non-Jew can be killed. Punching an Israelite is akin to assaulting God. (But killing a non-Jew is NOT like assaulting God.)

If a goy killed a goy or a Jew he is responsible, but if a Jew killed a goy he is not responsible.

Choshen Ha'mishpat 425:50

Everyone who sheds the blood of the impious [non-Jews] is as acceptable to God as he who offers a sacrifice to God.

Yalkut 245c

Extermination of the Christians is a necessary sacrifice.

Zohar, Shemoth

Tob shebbe goyyim harog - Even the best of the Goyim (Gentiles) should be killed.

Zohar, Shemoth, Toldoth Noah, Lekh-Lekha

Jehovah who is Yahweh, created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night.

Midrasch Talpioth, p. 225-L

Everything a Jew needs for his church ritual no goy is permitted to manufacture, but only a Jew, because this must be manufactured by human beings and the Jew is not permitted to consider the goyim as human beings.

Schulchan Oruch, Orach Chaim 14, 20, 32, 33, 39

A Jew may do to a non-Jewess what he can do. He may treat her as he treats a piece of meat.

Hadarine, 20, B; Schulchan Aruch, Choszen Hamiszpat 348

A Jew may violate but not marry a non-Jewish girl.

Gad. Shas. 2:2 A boy-goy after nine years and one day old, and a girl after three years and one day old, are considered filthy. After those ages are past it is ok to sexually use and abuse those children, this is known within the circle as pedistry, glorified pedophilia. Should we all denigrate Jewish people for reading and believing in this type of frankly disgusting narrative? Not really, the Jewish people have been duped on a massive scale, used as pawns as the worlds pariah, created all the world religions via the Talmud, the torah is the watered down version for the Christians, this was all passed onto them by the former control system. In essence they are victims, but not necessarily fully guilt free either, it is passed down from generation to generation and it has turned many people against the so called Jews. anti - Semitism is often used against people who are critical of their practices, except one important fact is often left out is, the Jews are not Semites, most originate from Southern Russia border countries and also India, this was covered in From Russia with love 1 and 2, and those people have been used as a political, religious football for many, many centuries now. Important to remember The Truth never fears investigation, so why has there been such a cover up of the holocaust, the Jewish involvement, and a banning of criticizing anything connected to Israel? because it is denigrating their fake god is why, and hiding an insidious program of harvesting and death.

#### WHAT HAPPENED AROUND 2000 YEARS AGO AND THE TRANSFER OF POWER FROM MIDDLE EAST TO EUROPE

Following the connections of Egypt and the RA/Cat cult to first Greece and then Rome, all of which were connected due to previous infiltrations and moves, we will see how Judaism did rise at this time, not by faith but by the sword and war. Peoples of the region were forced into taken on the Egyptian Judiac religion all across the region, which laid the foundations to takeover Europe, and eventually The Americas, the final frontier.

All roads lead to Rome, not from Rome, Rome wasn't built in a day is another saying, no it was built over hundreds if not thousands of years, and was not built by Romans either. Julius Caesar appointed Antipater (which is a Macedonian Greek term) to be procurator of Judea in 47 BCE and he appointed his sons Phasael and Herod to be governors of Jerusalem and Galilee respectively. Antipater was murdered in 43 BCE; however, his sons managed to hold the reins of power and were elevated to the rank of tetrarchs in 41 BCE by Mark Antony. Bearing in mind now the Greek Cleopatra was the Queen of Egypt and was sleeping with both of these men, a common theme amongst the elites to spread their power, wealth and families, all about control you see, and we are just pawns in their game.

In then came a relative unknown in biblical circles and yet achieved so much carnage and death, this guy was John Hyrcanus was a Hasmonean (Maccabean) leader and Jewish high priest of the 2nd century BCE (born 164 BCE, reigned from 134 BCE until his death in 104 BCE). In rabbinic literature he is often referred to as Yoḥanan Cohen Gadol, "John the High Priest". His name meaning is Hyrcania being a Greek form of the Persian name Verkâna, which meant "wolf-land" and referred to a historical region in Persia, remember Ammon was represented by the wolf The reason the connections to Greek are linked to Alexandra the great and also Cleopatra, both were greeks, and Hellenism was being accepted by the Jewish peoples of the region, but after Alexander died in stepped Hyrcanus to expand the so called Israelite empire, which I will repeat again, has nothing to do with Jews or modern day Israel. Israelites were of Egyptian origin and formerly the exiled peoples out of India. FRANKIE GOES TO HOLLYWOOD - TWO TRIBES

Here is a list of Tribes who were converted to Judaism Idumeans, Edom, 2nd century BCE, conquered and converted by John Hyrcanus, The Edomites were gradually integrated into the Judean nation, and some of them reached high-ranking positions. In the days of Alexander Jannaeus, Edomite Antipas, was appointed governor of Edom. His son Antipater, father of Herod the Great, was the chief adviser to Hasmonean Hyrcanus II and managed to establish a good relationship with the Roman Republic, who at that time (63 BCE) extended their influence over the region, following conquest of Syria and intervention in a civil war in Judea.

He also attacked Samarra an area known as Palestine now, and converted them to Judaism, it is where the term good samaritan comes from, here is a interesting snippet from a news

item in 1995, cover up? Before dawn on March 21, 1995, someone broke into a synagogue in the Palestinian city of Nablus. The thief — maybe it was a band of thieves — crossed the carpeted sanctuary, pulled back a heavy velvet curtain, and opened a carved wooden ark. Inside were two handwritten copies of the Torah, the Five Books of Moses. One was a sheepskin scroll written around 1360 and kept in a slender copper case. The other was a codex, a thick book, probably from the 15th century and bound in a maroon leather cover. The thief or thieves snatched the manuscripts, escaped through the synagogue's arched doorway, discarded the copper case in a stairwell, and vanished. These were no ordinary texts. They were perhaps the most ancient Torahs stolen in the Holy Land since the Crusaders pillaged Jerusalem. And they belonged not to Jews but to the Samaritans, one of the world's oldest and tiniest religious sects. Known from the New Testament parable of the Good Samaritan, the original group, not the fake charity, has barely survived. Centuries ago, it numbered more than 1 million; today, according to the last count, there are only 810 Samaritans left.

Ituraeans, Lebanon and Syria, 2nd century BCE, conquered and converted by John Hyrcanus Adiabene, northern Iraq and Persia, 1st century Nabataeans, many were forcefully converted by the Hasmonean king Alexander Jannaeus who was the son of John Hyrcanus Khazars, a semi-nomadic Turkic people from Central Asia (historical Khazaria), many of whom converted to Judaism en masse in the 8th and 9th centuries CE from a Khazar religion, ah The Khazarians. Himyarite Kingdom, Yemen, 6th century another region under war Kingdom of Semien, Ethiopia, 4th century site of the 4th and final Garden of Eden, a country that is riddled with war and famine, and yet not the Israelite peoples, funny that isn't it.

During the first year of John Hyrcanus's reign, he faced a serious challenge to independent Judean rule from the Seleucid Empire. Antiochus VII Sidetes marched into Judea, pillaged the countryside and laid a year-long siege on Jerusalem. The prolonged siege caused Hyrcanus to remove any Judean from the city who could not assist with the defense effort, These refugees were not allowed to pass through Antiochus' lines, becoming trapped in the middle of a chaotic siege. With a humanitarian crisis on his hands, Hyrcanus re-admitted his estranged Jerusalemites when the festival of Sukkot arrived. Afterwards, due to food shortages in Jerusalem, Hyrcanus negotiated a truce with Antiochus. The terms of the truce consisted of three thousand talents of silver as payment for Antiochus, breaking down the walls of Jerusalem, Judean participation in the Seleucid war against the Parthians, and once again Judean recognition of Seleucid control. These

terms were a harsh blow to Hyrcanus, who had to loot the tomb of David to pay the 3000 talents. You see what I have been saying, these ruling elites don't give a monkey's shite about the people, Jewish or otherwise. Those who could not assist with the war effort, in other words the elderly, disabled and children, were all discarded, all sounds like what these same peoples running the SS did in Germany is it not? and people to this day still blame the Germans, nope a convenient stooge for these Ra worshippers and sacrifice people. A reminder of the quote by Israel Cohen, " We will invest to instill in the whites, a guilt complex over their exploitation of the negroes" replace the word negroes with Jews and you begin to see the pattern, the pattern always repeats unless it is interrupted. Hitler, no matter what people assume he did or didn't, we can largely only assume as we were not there, or a witness to direct policy, assuming does not equal fact, despite their global programming of making everyone believe their narrative, but Hitler's original issues was with the bankers, not the people per se, the same bankers that brought in usury, the same bankers Jesus warned against, the same Knight's Templar bankers who collected everything and then looted everything under the banner of Holy Crusaders, Hitler was throwing out the Rothschild's et al. Can you imagine if Trump threw out every Rothschild's bank this week, the man would be worshipped by many, would he not? Question remains is, why is Hitler any different? Yes we have all heard the collective stories, but those are not our facts, they are assumptions, we are assuming that narrative is correct.

John Hyrcanus's driving out the non-military population of Jerusalem during the siege also probably caused resentment against him. The action of looting the Tomb of David violated his obligations as High Priest, which would have offended the religious leadership, However, in 128 BCE Antiochus VII was killed in battle against Parthia. What followed, was an era of conquest led by Hyrcanus that marked the high point of Judea as the most significant power in the Levant. John Hyrcanus was able to take advantage of unrest in Seleucia to assert Judean independence and conquer new territories. In 130 BCE Demetrius II returned from exile in Hyrcania to take control of Seleucia. However, transition of power made it difficult for Demetrius to assert control over Judea. Furthermore, the Seleucid Empire itself fell apart into smaller principalities. The Ituraeans of Lebanon, the Ammonites of the Transjordan, and the Arabian Nabateans represented independent principalities that broke away from Seleucid control. Hyrcanus was determined to take advantage of the dissipating Seleucid Empire to increase the Judean State. Hyrcanus also raised a new mercenary army that strongly contrasted with the Judean forces that were defeated by Antiochus VII. The Judean population was

probably still recovering from the attack of Antiochus, and therefore could not provide enough able men for a Hyrcanus-led army. John Hyrcanus's army was supported by the Judean State once again by funds that Hyrcanus removed from the Tomb of David. What? they stole from their great King David? oh my, proving pretty much nothing is actually sacred with these peoples.

Beginning in 113 BCE, Hyrcanus began an extensive military campaign against Samaria. Hyrcanus placed his sons Antigonus and Aristobulus in charge of the siege of Samaria. The Samaritans called for help and eventually received 6000 troops from Antiochus IX Cyzicenus. Although the siege lasted for a long, difficult year, Hyrcanus was unwilling to give up. Ultimately, Samaria was overrun and totally destroyed. Cyzicenus' mercenary army was defeated and the city of Scythopolis seems to have been occupied by Hyrcanus as well. The inhabitants of Samaria were then put into slavery. Upon conquering the former Seleucid regions Hyrcanus embarked on a policy of forcing the non-Jewish populations to adopt Jewish customs. So, the peoples of the Holy Land the Samaritans were pushed into slavery and forced to change religion, nice way to treat "gods" chosen lands peoples is it not? All very holy, sacred and treasured region until the psychopaths decide they wish to subjugate.

But he didn't end there, John Hyrcanus's first conquest was an invasion of the Transjordan in 110 BCE. John Hyrcanus's mercenary army laid siege to the city of Medeba and took it after a six-month siege. After these victories, Hyrcanus went north towards Schechem and Mount Gerizim. The city of Schechem was reduced to a village and the Samaritan Temple on Mount Gerizim was destroyed. This military action against Schechem has been dated archaeologically around 111–110 BCE.[ Destroying the Samaritan Temple on Mount Gerizim helped ameliorate John Hyrcanus's status among religious elite and common Jews who detested any temple to Yahweh outside of Jerusalem. Hyrcanus also initiated a military campaign against the Idumeans(Edomites). During this campaign Hyrcanus conquered Adora, Maresha and other Idumean towns. Hyrcanus then instituted forced conversions on the Idumeans to Judaism. This was an unprecedented move for a Judean ruler, he was a Judean ruler in name only is why. Hyrcanus now no longer had to pay taxes or tributes to a weaker Seleucia, against the same modern day Israelite followers don't pay the taxes, only the peoples, you can now see how long this shit has been going on. Moreover, Hyrcanus sought for good relations with the surrounding Gentile powers, especially the growing Roman Republic. Two decrees were passed in the Roman Senate that established a treaty of friendship with

Judea. Also, an embassy sent by Hyrcanus received Roman confirmation of Hasmonean independence. Hyrcanus was an excellent case of a ruler backed by Roman support. In addition to Rome, Hyrcanus was able to maintain steady relations with Ptolemaic Egypt. This was probably made possible due to various Jews living in Egypt who had connections with the Ptolemaic Court. Finally, the cities of Athens and Pergamum even showed honor to Hyrcanus in an effort to appease Rome. So there you have it, the exodus and spread of the cult from Middle East and coming out of Egypt, into the European theater, setting the stage for future programs of death and destruction, whilst these program runners all hid in the background. Setting the stage, SET being the operative word, for the rise of Rome and all roads lead to Rome, no all cults leads to Rome is the real saying, Rome was just a change of the theater of operations, yes they built roads, because with roads you can attack other regions quicker is why. SABBATH BLOODY SABBATH - BLACK SABBATH

SUMMING UP From Rome became the secret societies takeover, families and houses spread across Europe and crushed all the rebels of the Kali ma, and with it, went many of the ancient cultures, teachings, better ways of doing things, and in came corporations controlling everything, land grabs, wealth stolen, children stolen via the Birth Certificate scam, chattel, why would the so called Holy Roman Church call us chattel, which means cattle, well when you look into what it states in The Talmud "we were created in human form, so that the Israelites would not be served by beasts" and there is your answer. All the same ideology right through history that has us all duped, none moreso than the followers of this fake religion known as Judaism or Hebrew, it's all the same shit and the same program. The families, and so called royalty bloodlines have been duped on a massive scale also, distracted by titles which mean nothing, like Monarchs, reality is, we are all Sovereign Monarchs, system didn't tell you that, did they families and royalty? You bought the illusion that somehow you were the chosen ones, just like the Hebrews, you were given castles, land, jewels and lots of pieces of fiat papers to keep you all occupied and the illusion going, whilst they plotted our downfall and eventually your own. Changing your names, forcing certain marriages on you, getting you to, to be involved in incest, just like the Pharaohs in Egypt did back in the day, but it was corrupting you all, diminishing your bloodline, weakening your genetics and lowering your humanity, and for what? to be called the king or the queen, the bourgeoisie (which means walled city - bit like The Vatican and Solomon's Temple then, is it not) the elites, the upper class etc, but it was all an illusion, your real title was, a harvester, for the real king Marduk. Whilst you all coiffed and preened about, he and they sat back laughing at

you, the same way you look down your nose and laugh at us, oh the irony, ya see your not so special after all, you were more stupid and ignorant than the so called peasants were. You all thought all the loot was going to you, nope it was going to him and the dark forces program, which you all ran for him, like nice little puppets. Freemasons the same thing, thought you were more special with your fake degrees and inner super secret knowledge, but the real knowledge is and has been denied to you, you are part of a cult that plans to eliminate humanity, whichever way you swing it, walk away from it or you are part of the problem. It's all about changing the names around you see, like the man who invented the term racism, of which the main purpose was use against Europeans to stifle any discourse by or against European peoples, who went by the name Leon Trotsky, except his real name was Lev Bronstein, who was a Marxist Jew, involved in the Jewish takeover of Russia, and declared Russia a communist country, Communism which as Israel Cohen stated, was a Jewish creation.

This is how the Kali Ma and their sacrificial aligned followers, reached a critical mass, they took over all of the earth grids of source charged energies and replaced it with the dark energies. Took over nations and it's peoples, and this is how many of the tribal peoples, ended up doing the sacrifice rituals. It appears throughout history starting at 110K years ago, and maybe earlier, with the Rus texts not the Vedic texts, commonly associated with India, it was not, it came from the Rus and the Aryans who travelled south and east. The original teachings distorted into the Vedic's religion and human sacrifice, which later morphed into the modern day religion of Hinduism, Egypt, Israel and around the world. Throughout history the peoples of Rus have been targeted more than any other peoples or nation on the planet, the question is why? Why did the off world beings target them 110K years ago and destroy the whole continent of Da'Arya, why did the Ashkenazi Jews and Khan try to eliminate them in the 1200's, why was Tartaria on every map in 14 & 15th centuries get almost eliminated from history? who dropped nuclear weapons on them in the 1800's? why did the Khazarian Jews try to eliminate them in the 1900's with their fake Bolshevik revolution? Why is there a global propaganda against them, that all things Russian are bad, when adversely there is a global propaganda, to not critique or question in anyway the country now known as Israel? You see there is the direct connection, when the Rus and Aryan peoples brought us so much knowledge and enlightenment, far more than any other group on this planet ever, the dark forces won't allow that and create death, destruction and plunder programs to deny the human advancement. They are not just stopping white peoples advancement, oh no, all of you, get your heads out of the Egyptian sand, or their river of denial (joke in there

somewhere), they are the masters of deception, and played us all for fools, including their so called, own people. But, reality is these dark artisans are not interested in people, only to use them, just as the quotes of the Talmud state, and how they use the persecution tool to stifle discourse, an all too easy tactic. This show has shown you a different story, and it is up to you to work through the illusion they presented to us and then fight back, ignorance now after this show, becomes a choice and you become an accomplice to it by your own ignorance. Northern parts of Russia still to this day, have a much higher vibration than anywhere else on the planet, that is not supposition, that is actually fact, based on the reports of the people who have been there. Perhaps it was they The Rus, who were the real teachers here? as it was they who delivered the real person and teacher known as Jesus, but whose real name was Radomir, and it was they who produced the blonde haired blue eyed person known as Mary Magdelene, both were hunted to death by the Roman Catholic church aligned with their demonic worship masters from Egypt and ancient India. One day the real story will be revealed, but if we keep ignoring the real genocide on this planet, that is not blacks, or Jews, a religious persecution, but the Aryan people and their descendants, then those real teachings and the teachers will ultimately be lost forever.

I hope this show has like the previous two has expanded your thinking, if you wish to use these shows to shout racist or racism, you are part of the problem. If you use these shows to hate on all Jews or Israel, you are not only part of the problem, but you are beyond stupid, and have clearly not seen the bigger picture, and you are only blinded by a tunnel visioned finger pointing, the easy blame game culture, which is exactly what these cultists wants. Final message to end this Part 3 of this series is to the Jewish peoples, they have to get off their high horse and their goyim and gentile narratives, as the longer that goes on, the more they will use you as pawns. Message to the Jewish people we have a common enemy, that is being dragged into the light, that has been hidden for so long and duped so many, with their sick psychopathic sacrifice games.

For those still thinking the goyim (us, are shit under their shoe) who do you think will save you? It wont be Yahweh or Jehovah that's a guarantee, for one it is a fake god and two, if he was ever saving you, you wouldn't have gone through so much strife, for so long to begin with, the reality is it will be the so called goyim who will save you, and it is time you embraced them. Time for us all to embrace each other me thinks. Final thing to ponder is, if you have to go to war to convert peoples to your religion, or hate others who

don't share your religion, maybe your god is not who you thought it was? That applies to all religions.

LOSING MY RELIGION - REM
