

## THI-SHOW TRANSCRIPT 2019-05-29

Tonight brings us to Part 4 of the From Russia with Love series, as we travel around the world in one show, turning his story into our story. Peeling back the layers of lies and distortion and bringing more of the truth into the light. Get your popcorn ready and buckle up as The Truth Train begins another journey through time.

This group of people emanating originally out of India, via all the Istan countries, arrived in Egypt that created a cult, one based in human sacrifice, pedestary as mentioned in the Talmud, violence and suffering, and became known as the Israelites, but they are nothing to do with Israel or by and large Jewish peoples either, no it is the House of IsRAel. The Cult of Baal, Baal is a title and was played by Marduk, Marduk also played RA, as in Amun Ra. That went onto create most if not all of the worlds religions, all divide and conquer programs, creating a construct that gave everyone the illusion that everything was above or outside of them, when it was all inside of you. Created all our known wars for most of the last 2000 years, trashed nations, cultures, peoples, destroyed history to fit their narrative and hide the real narrative. Created or took over most of the bloodline House families, Houses operate for and by them. Created usury style banking and took over the whole financial system, making and trading our life force energy for colored pieces of paper with numbers on them, that intrinsically have no real value. Denied the worlds population real progress by taking over all the corporations, stifling businesses, making humanity stall by retaining old technology, that was not only, not beneficial or cost effective to us, but harmed the planet as well. Created or took over secret societies and mystery schools to promote their hidden agenda, that pervades throughout our society in all the institutions supposedly designed to protect or serve us. It is they who are behind most of the trafficking, child slavery, child sexual abuse and child sacrifice, look at the building on Epstein island, were young children are kidnapped, abused, raped and worse, it is an Egyptian style building complete with the owl, Moloch again, Egyptian word for the owl is Moloch, all replete with the blue and white lines that represents the modern day Israel flag, it is not Israel at all, it's not Jews at all either, it is celebrating an Egyptian led cult of all worship RA and the Kali Ma. It is referenced that the circumcision is a practice of the Jews only, you would be wrong in thinking that was the origin, the origin was way back and again came from Egypt. Going back three thousand years, many years before the fathers of medicine were born, to the days of the Astrologer, we present you with a rite as old as the Bible: the taking of the "fore-skin" of each male child; and in Egypt the circumcision of females was also practiced.

This cult which evidence supports was supported by off world originating entities, Marduk, Anu, Enki, Enlil, Ninurta, Nergal, with on ground disciples who I believe were a part of them, not us, like Noah, Moses (Moses is not a real name it is also a title), Abraham, Genghis Khan (Cohen which apart from being a now Jewish name also means priest) signifying the church, I don't care which church you follow, but you are following a death/sacrificial cult, all going back to The Brotherhood of the Snake, and has you all worshipping something you have no idea of who or what it is. If you find out the real truth and accept it, all religious people will be doing and using my favorite mewe gif. Michelangelo said to be his finest and most outstanding sculpture, did a sculpture of Moses that sits inside the Church of San Pietro in Vincoli, that particular Moses has two horns on his head, why would a celebrated sculpture deface his own creation, unless he was telling you something, all hidden in plain sight, so much in plain sight, that too few question it. It's the pet goat and Baphomet again. But there are some beings that walk around as humans with these very horns, both Kim and I have engaged these beings. What you believe is god is based on an assumption, assumption is not fact, you have assumed that, that is your god, there is no proof to be had, it is all based on faith, faith means a pledge to trust, like a contract which means binding, in the 14C faith meant an assent of the mind to the truth of a statement for which there is incomplete evidence, binding pledging to an incomplete proof, is not proof and the facts and evidence suggests otherwise. Look at all the wars, my god is better than your god, really? how is the supposed creator of this universe operating in that divisive manner? think about it, as a parent (the creator of children) would you get your children to fight each other to the death, so why would our creator promote or allow it? It didn't and these usurpers representing themselves as gods have done much damage here and elsewhere. If the Jews are the chosen peoples, why hasn't Yahweh saved them? Look at the quotes of the Talmud again, is that really something to be promoting or worshipping as a loving god? Is it not promoting lawlessness for those peoples, a Jew can do whatever they like from steal, kill or sexually abuse children and it is all ok, according to god and the Israelites, what kind of sick perverted god is that? These are the same peoples who killed the person known as Jesus, which I am not convinced was the real name, but lets just call him one of the teachers, he told you to follow yourself in other words go internal, not follow him or some fake god. He tossed over the money table of the usury people, and then the supposed son of god, he wasn't in a literal sense, but is in a source sense, was hung on the cross and brutally attacked whilst dying, condemned by the Sanhedrin and Church of Rome, as my piece FRWL 3 has shown, they were one and the same, long before

Christianity was created as another tool to divide and conquer. Newsflash Jesus was not a Christian. Christianity began in the 1st century AD as a Jewish sect in Judea but quickly spread throughout the Roman empire, again which supports what was in the last show, these are all the same cult. Looking for further evidence to back up modern religion and the Cat-holics one in particular, is linked with these same ritual sacrifice vampiric demons? What did they drink at the ritual festivals? they drank wine at the slaughter festivals in both Solomon and Herod temples, and the cat-holic church mass they drink what? wine. Symbolic they tell you of drinking the blood of christ, since when did we all become Count Draculas? These elitists often drink the blood of young children for their life longevity, and is linked with the global scandal of adrenalchrome use, a practice again that ends up with the sacrifice of a child, not one but 100's of thousands each year. Then the sacramental bread is passed off as eating the flesh of Christ, really? so we are cannibals as well, or was it them who were cannibals, all in the words you see, canni ba'als. Come the seventh century B.C.E., Josiah King of Judah spearheaded a profound religious reformation, that included centralizing ritual sacrifice in Jerusalem and destroying the competing sites. Why would the holy of holies, gods most prominent city we are told, be set up by the Jewish Josiah as the main center for sacrifice of humans, mainly children, please think logically here, is that an example of a real god? What type of god sacrifices his own creation for entertainment? Lots of people follow and worship Donald Trump, but if he signed a bill tomorrow stating we are going to sacrifice American people tomorrow for the greater good of America, would you go along with it? Think people, I mean really think, this is beyond insane practices and thought processes, and goes against all morals and principles humanity should abide by. Unless you think the rules don't apply to god? eerily reminiscent is it not of these so called elites today, why is it the same? it's ran by the same people is why, nothing to do with god/source or religion, religion is the vehicle by which these psychopaths drive humanity into the abyss.

I am genuinely sorry for all those who got wrapped into the experiment and program of religion, I truly am, they have robbed you of your life force energy to feed their sick and twisted mindsets, and keep you away from your real god connection, which is source, source is within you, not external of you in the sky. The original meaning of god, meant you were a higher evolved being, this means you have attained higher soul growth, by using your own life force energy into your progress, not giving it all away to some fake external force, but these dark forces have done everything to prevent you, from reaching that higher soul growth and being at one with the real source. Everything has become

external of you, when it is all internal, it always was, people will complain they stole my money, car or house and yet you have no idea of the depth of what they have really stole off you, you won't even get close to comprehending it. I will repeat again I am using the term Jew throughout this piece, but do not relay that to being every single Jewish person, or anti Jewish it's not, the Jews have been used as pawns in these evil parasites game. Israelites are not Jews per se, but Egyptian dark force cultists.

**HOW THE ISRAELITES TOOK OVER ROYAL HOUSES AND BANKING** The Rothschild family is a wealthy Jewish family descending from Mayer Amschel Rothschild (1744–1812), and yet there is a reference in the Trust documents showing The Rothschild's family received \$20M in the early 1500's, they were not a wealthy family prior to that, but due to their DNA, were elevated to such. Rothschild's were a court factor to the German Landgraves of Hesse-Kassel in the Free City of Frankfurt, Holy Roman Empire, who established his banking business in the 1760s. Unlike most previous court factors, Rothschild managed to bequeath his wealth and established an international banking family through his five sons, who established themselves in London, Paris, Frankfurt, Vienna, and Naples. The family was elevated to noble rank in the Holy Roman Empire and the United Kingdom. During the 19th century, the Rothschild family possessed the largest private fortune in the world, as well as in modern world history. The family's wealth was divided among various descendants, and today their interests cover a diverse range of fields, including financial services, real estate, mining, energy, mixed farming, winemaking and nonprofits. That is what they state, I state they are bloodsucking, harvesting parasites, who have sucked the life out this planet with their reptilian genetics, killed business, banking, stifled the planets and all its being that reside on it, our true progress.

So what is a court factor and how does it work. In the early modern period, a court Jew, or court factor, was a Jewish banker who handled the finances of, or lent money to, European royalty and nobility. In return for their services, court Jews gained social privileges, including in some cases being granted noble status. Court Jews were needed because prohibitions against usury applied to Christians but did not apply to Jews, yet another example how the system favored these people, either in finance, business or law. Examples of what would be later called court Jews emerged in the High Middle Ages when the royalty, the nobility, and the church borrowed money from money changers or employed them as financiers. Among the most notable of these were Aaron of Lincoln and Vivelin of Strasbourg. An all too common modern day practice to ensnare your

targets, get them to borrow from you and use it against them, via blackmail or threatened bankruptcy or foreclosure. Jewish financiers could use their family connections to provide their sponsors with finance, food, arms, ammunition, gold, and precious metals. The rise of the absolute monarchies in Central Europe brought many Jews, mostly of Ashkenazi origin, into the position of negotiating loans for the various courts. They could then amass personal fortunes and gain political and social influence, which they used to devastating effect. Created wars to get the Houses infighting, lent to both sides to keep them in the game, then use the debts to break those groups down and subsequently, they then takeover that establishment or House. However, the court Jew had social connections and influence in the Christian world mainly through the Christian nobility and church. Due to the precarious position of Jews, some nobles could ignore their debts. If the sponsoring noble died, his Jewish financier could face exile or execution. The most famous example of this occurred in Württemberg when, after the death of his sponsor Charles Alexander in 1737, Joseph Süß Oppenheimer was put on trial and finally executed. In an effort to avoid such fate, some court bankers in the late 18th century—such as Samuel Bleichröder, Mayer Amschel Rothschild, or Aron Elias Seligmann—successfully detached their businesses from these courts, and established what eventually developed into full-fledged banks. Prohibited from nearly every other trade, some Jews began to occupy an economic niche as moneylenders in the Middle Ages. Only they were allowed to take interest on loans, since—while the Church condemned usury universally—canon law was only applied to Christians and not to Jews. You see again laws do not apply to this group of people, any laws, and kind of proves they were the vehicle driver for Marduk. Eventually, a sizable sector of the European Jewish community were engaged in financial occupations, and the community was a financially highly successful part of the medieval economy. The religious restrictions on money lending had inadvertently created a source of monopoly rents, causing profits associated with money lending to be higher than they otherwise would have been. By most parameters, the standard of living of the Jewish community in Early Medieval period was at least equal to that of the lower nobility. However, despite this economic prosperity, the community was not safe: religious hostility increased to the extent that it manifested itself in the form of massacres and expulsions, culminating in the repetitive expulsion of all Jews from various parts of Western Europe in the late medieval period, yes and explains why they have been thrown out of 106 countries in last 2000 years, they go in, manipulate and subsequently financially destroy that country, and why Hitler tried to throw these bankers out of Germany in 1930's. Although the phenomenon of "Court Jewry" did not occur until the early 17th century, examples of what would be later called

court Jews can be found earlier in Jewish moneylenders who accumulated enough capital to finance the royalty and the nobility. At the dawn of Mercantilism, while most Sephardic Jews were primarily active in the west in maritime and colonial trade, the Ashkenazi Jews in the service of the emperor and princes tended toward domestic trade. The Rothschild family was one of the controller families of the East India Company, which contrary to popular belief was a Dutch, not British creation by at least 60 years. Lets look at some facts taken from the Jewish Encyclopedia itself of who ran the slavery ships and who really owned them. Ship; Abigail. Owners; Aaron Lopez. Moses Levy, Jacob Franks. Ethnicity; Jews. Ship; Crown. Owners; Isaac Levy, Nathan Simpson. Ethnicity; Jews. Ship; Nassau. Owners; Moses Levy. Ethnicity; Jew. Ship; Four Sisters. Owner; Moses Levy. Ethnicity; Jew. Ship; Anne & Eliza. Owners; Justus Bosch & John Abrams. Ethnicity; Jews. Ship; Prudent Betty. Owners; Henry Kruger & Jacob Phoenix. Ethnicity; Jews Ship; Hester. Owners; Mordecai & David Gomez. Ethnicity; Jews. Ship; Elizabeth. Owners; Mordecai & David Gomez. Ethnicity; Jews. Ship; Antigua. Owners; Nathan Marston & Abraham Lyell. Ethnicity; Jews. Ship; Betsy. Owners; William De Woolf. Ethnicity; Jew. Ship; Polly. Owners; James De Woolf. Ethnicity; Jews. Ship; White Horse. Owners; Jan De Sweevts. Ethnicity; Jews. Ship; Expedition. Owners; John & Jacob Roosevelt. Ethnicity; Jews. Ship; Charlotte. Owners; Moses & Sam Levy & Jacob Franks. Ethnicity; Jews. Ship; Caracoa. Owners; Moses & Sam Levy. Ethnicity; Jews. This taken from the Jewish encyclopedia, quote; The cotton plantations in many parts of the south (America) where wholly in the hands of the Jews and as a consequence slavery found its advocates among them. In fact, in Brazil they said on a Jewish holiday no slaves could be bought or sold because it was a holiday. So, what does that tell you about slavery in Brazil? Louis Farrakhan, quoting from and about the books; Jews selling blacks and the Jewish encyclopedia itself. Holland of course took over New Amsterdam, now known as New York, they also took over Ireland and Britain with the House of Orange, New Zealand, India, Polynesian Islands and Caribbean, with much slaughter upon their arrival. Of course Holland plays a role in the current control system in Europe, Brussels and subsequently Belgium is actually a region of Holland, all repackaged to hide the controllers.

After accomplishing taking over the Church, the Houses and nobility, then came the programs to eliminate more people this next topic will cover that. EUGENICS, FALSE WHITE SUPREMACY, NEW AGE PROGRAMS AND COVERING UP THE KALI MA MOVEMENT IN AMERICA

Margaret Sanger and planned parenthood, Planned Parenthood is not a modern day thing and has its roots that go way back into the 1880's, this piece and the follow up will show where it all started. The programs of division was born as far back as then, a piece that has all the ingredients of national zionism, eugenics, occultism and psychotic tendencies, with all the usual characters in place. Jack Parsons, Darwin, Hubbard, Steiner, Blavatsky, Crowley, Ku Klux Klan, the Democrats, the catholic church and Feminism, all rolled into one giant future population reduction program, you may think they were all separate, reality is they are not. Sanger was born in Ireland and an advocate for women's rights, but also a strong advocate for birth control which was banned in America, until hers and others work overturned it. Sanger was arrested at least eight times for expressing her views during an era in which speaking publicly about contraception was illegal. Anthony Comstock, a grocery clerk and leader in the purity movement, purity movement is another name for eugenics, Comstock successfully lobbied for the passage of the 1873 Comstock Act, a federal law prohibiting mailing of "any article or thing designed or intended for the prevention of conception or procuring of abortion" as well as any form of contraceptive information, this was to counteract the Free love movement that was prevalent at that time, and you all thought the hippie movement of the 1960's was the first public attempt at that, clearly not, history always repeats itself. The hippie movement of the 1870's then created the counteract movement of the 1880's and the new religion program called The New Age, which was later rolled out after two world wars and population reductionism program. It was the 1930's before the banning of materials linked to contraception was partially overturned, and 1957 before it was fully overturned. This woman had serious backing from somewhere as nowhere in her records shows, where her funds came from in her early days for travel globally, based in New York, she travelled to a Dutch birth control clinic in 1915, later funding became available and followed by trips to China, Korea and Japan in the mid 1920's plus the cost of setting up a clinic, the first of its kind in 1923, the clinic and 3 trips to Asia were all heavily funded by the Rockefellers. After World War II, the birth control movement had accomplished the goal of making birth control legal, and advocacy for reproductive rights began to focus on abortion, public funding, and insurance coverage. Birth control advocacy organizations around the world also began to collaborate. In 1946, Sanger helped found the International Committee on Planned Parenthood, which evolved into the International Planned Parenthood Federation and soon became the world's largest non-governmental international family planning organization. In 1952, John D. Rockefeller III founded the influential Population Council. There is that connections again back from the 1920's of Rockefeller and Sanger. But before we go in deeper lets just see did their plans put in

motion in late 1800's work? In America back in 1909 there was 30 live births per 1000 people, and has plunged ever since, the baby boom they all burble on about and ooh they have had too many children, is a quirk of statistics only, a small increase in the middle of a plunging drop. By 1935 that 30 births per 1000 went to 18, a drop of 12 births per 1000 in 26 years, 40% drop, during the war time and up to 1950's it went back up to 26, and since then has plunged drastically. The Baby boom era is listed as 1946 to 1964, and yet the births increase was actually 1946 to 1950, when it reached its highest peak since of 26.5, yet by 1964, it was down to 22, since then by 1970 it was down to 17.5, by 1977 it was down to 14.5, with slight increase during 1990's to 16.5 and it has fallen ever since, by 2004 it was 14, by 2015 the last figures I could find, it was 12.4. As a point of interest with regards to the free love promiscuous movement of the 1960, the birth rate in 1960 started at 25 and ended that decade on 17.5, a 30% drop. With regards to the rise of the Feminism movement the middle of the 1960's the rate was 23, it is now 12.4, almost a 50% drop in live births, now you can see how these programs work, all very silently in the background, and how largely we are all oblivious to their intentions, not no more with this and other shows exposing this criminal enterprise. Sanger was riddled with contradictory thinking as this statement shows, Sanger wrote that masturbation was dangerous. She stated: "In my personal experience as a trained nurse, while attending persons afflicted with various and often revolting diseases, no matter what their ailments, I never found any one so repulsive as the chronic masturbator. It would not be difficult to fill page upon page of heart-rending confessions made by young girls, whose lives were blighted by this pernicious habit, which always begun so innocently. Is it not the case that masturbation prevents pregnancies? What is wrong with self love? nothing, it is connected to one self, but of course the church and others in the program, don't want people going inward do they? All must be external and outside of themselves, and then restrict free love as well, it is classic mindfuckery program, so people are unsure of which role or mode to be in, it is the same word that came up last week, dichotomy, a division or contrast between two things that are or are represented as being opposed or entirely different, like I said it is mindfuckery, they have done this many times on many subjects. Maybe the problem is she was raised a devout Catholic, where sex was almost considered a crime in any form, contraception banned, whilst the ones who made those rules, were committing all kinds of heinous sexual crimes on their parishioners. But the key question of her intentions or motives are laid bare with this question, If Margaret Sanger was interested in birth control, why didn't she go to Africa, India or China and control their birth rates? It seems does it not, she was only intent on controlling birth rates in the predominantly white western world, the reasons why and supporting that statement will

become clear. So, she advocated for women's rights, women's right to have sex without the burden of pregnancy responsibility, was supportive of homosexuality and was declared non racist, all sounds good to me, but her statements said otherwise, and was highly controversial and contradictory in equal measure as you will hear shortly.

These comments started in 1918 and went through to 1957, so was not just an off the wall comment, we all make at times. 19. "All of our problems are the result of over breeding among the working class... Knowledge of birth control is essentially moral. Its general, though prudent, practice must lead to a higher individuality and ultimately to a cleaner race." -- Margaret Sanger, "Morality and Birth Control," Feb-Mar 1918. 10. "No more children should be born when the parents, though healthy themselves, find that their children are physically or mentally defective." -- Sanger, Margaret. (1918) When Should A Woman Avoid Having Children? Birth Control Review, Nov. 1918, 6-7, 7. "Eugenics without birth control seems to us a house built upon the sands. It is at the mercy of the rising stream of the unfit." -- Sanger, Margaret. (1919) Birth Control and Racial Betterment. The Birth Control Review. 2. "The most merciful thing that the large family does to one of its infant members is to kill it." -- Woman and the New Race, Chapter 5, "The Wickedness of Creating Large Families." (1920) 6. "The most serious evil of our times is that of encouraging the bringing into the world of large families. The most immoral practice of the day is breeding too many children..." -- Sanger, Margaret. Woman and the New Race (1920). Chapter 5: The Wickedness of Creating Large Families. 21. "Birth control itself, often denounced as a violation of natural law, is nothing more or less than the facilitation of the process of weeding out the unfit, of preventing the birth of defectives or of those who will become defectives... If we are to make racial progress, this development of womanhood must precede motherhood in every individual woman." -- "Woman and the New Race," 1920 8. "As an advocate of birth control, I wish to take advantage of the present opportunity to point out that the unbalance between the birth rate of the 'unfit' and the 'fit,' admittedly the greatest present menace to civilization, can never be rectified by the inauguration of a cradle competition between these two classes." -- Sanger, Margaret. (1921) The Eugenic Value of Birth Control Propaganda. The Birth Control 9. "The most urgent problem today is how to limit and discourage the over-fertility of the mentally and physically defective." -- Sanger, Margaret. (1921) The Eugenic Value of Birth Control Propaganda, Birth Control Review, 17. "Organized charity itself is the symptom of a malignant social disease..." -- Sanger, Margaret (1922). The Pivot of Civilization. 20. "Feeble-mindedness perpetuates itself from the ranks of those who are blandly indifferent to their racial responsibilities.

And it is largely this type of humanity we are now drawing upon to populate our world for the generations to come. In this orgy of multiplying and replenishing the earth, this type is pari passu multiplying and perpetuating those direst evils in which we must, if civilization is to survive, extirpate by the very roots.” -- Margaret Sanger, *The Pivot of Civilization*, 1922 16. "... these two words [birth control] sum up our whole philosophy... It means the release and cultivation of the better elements in our society, and the gradual suppression, elimination and eventual extinction, of defective stocks -- those human weeds which threaten the blooming of the finest flowers of American civilization." "High Lights in the History of Birth Control," Oct 1923. 15. "Apply a stern and rigid policy of sterilization and segregation to that grade of population whose progeny is tainted, or whose inheritance is such that objectionable traits may be transmitted to offspring." -- Sanger, Margaret. "My Way to Peace," Jan. 17, 1932. Margaret Sanger Papers, Library of Congress 18. "My own position is that the Catholic doctrine is illogical, not in accord with science, and definitely against social welfare and race improvement." -- Margaret Sanger, "The Pope's Position on Birth Control," Jan. 27, 1932. 11. "A marriage license shall in itself give husband and wife only the right to a common household and not the right to parenthood." -- Margaret Sanger, "America Needs a Code for Babies," Article 3, 27 Mar 1934. 12. "No woman shall have the legal right to bear a child, and no man shall have the right to become a father, without a permit for parenthood." -- Margaret Sanger, "America Needs a Code for Babies," Article 4, March 27, 1934. 13. "Permits for parenthood shall be issued upon application by city, county, or state authorities to married couples, providing they are financially able to support the expected child, have the qualifications needed for proper rearing of the child, have no transmissible diseases, and, on the woman's part, no medical indication that maternity is likely to result in death or permanent injury to health." -- Margaret Sanger, "America Needs a Code for Babies," Article 5, March 27, 1934. 14. "No permit for parenthood shall be valid for more than one birth..." -- Margaret Sanger, "America Needs a Code for Babies," Article 6, March 27, 1934. 4. "I accepted an invitation to talk to the women's branch of the Ku Klux Klan... I was escorted to the platform, was introduced, and began to speak...In the end, through simple illustrations I believed I had accomplished my purpose. A dozen invitations to speak to similar groups were proffered." -- Margaret Sanger, *An Autobiography*, published in 1938, p. 366 3 . "We don't want the word to go out that we want to exterminate the Negro population..." -- Letter to Dr. Clarence J. Gamble, December 10, 1939, p. 2 1. "But for my view, I believe that there should be no more babies." -- Interview with John Parsons, 1947 5. "I think the greatest sin in the world is bringing children into the world, that have disease from their parents, that have no chance

in the world to be a human being practically... Delinquents, prisoners, all sorts of things just marked when they're born. That to me is the greatest sin—that people can—can commit.” -- Interview with journalist Mike Wallace, 1957 As you can all hear now it is contradictory.

This is classic program double speak, the sleight of hand tactic used often in the alt media, MSM, whereby they start off with a program that on the face of it, looks to deliver good things for the people, but it hides behind a mask of a program, with real dark intentions. The classic example of this is the New Age movement, which funny enough started with some of the same people mentioned at the beginning of this piece, New Age was an alternative religious program, all prepared back in 1880's for when the public started to walk away from organized religion, they knew it was coming, we never. All love and light and lovey dovey, but with a twist behind, oblivious to many, it was another organized trap set for many. Sleep walking people into training camps of mind control, better known as Waldorf Steiner schools, you all go into the woods hold hands and sing kumbaya (which was written in 1920's funny enough coincidence?) nope, kumbaya my lord, oh dear a calling song for Anu, come here my Anu that song means, invoking the master to come here and reign over us? kumbaya is a word magic spell song oops), whilst people are off into the woods singing kumbaya, they carried on with their sinister programs, the classic distraction program, where people think they are bucking the system, and are obviously sleep walking into a new program of their making.

So Sanger was one of the several programs ran from around 1880's through 1920's which set the stage for their future and are modern day programs, 1880's brought us Blavatsky, Albert Pike, which rolled into Rudolph Steiner, then Crowley and onto Hubbard and Parsons, Scientology, then into new age and the channelling programs, all of them have elements of not necessarily the truth, which they did, but more of a case of what you wanted to hear, it is the classic fishing program technique, where they lure you onto the line, and you can't see the hook at the end of it. Even when people see the hook, they go into Stockholm syndrome style behavior, due to investing so much time into it, and rather than feeling or looking stupid by admitting they went on a wrong path, which we have all done several times, they will defend it to the point of total insanity. The classic example is the RV people, but the main one is religion, that has some way to go yet, before it fully reveals itself to the many, the pure folly of following that program. Nearly all of our current ills stems from that time period, Fed Reserve, Nazism (which is national zionism and not German), Eugenics and Research programs now known as black budget,

genocide of many in WW1, genocide of the people of Rus and Slavic Aryans which set the stage for the reverse program 20 years later, with the Nazis and their white only Aryan race seeding the populace against the whites program, it was never totally about the Aryan race and white only, it was a reverse psychology program to get the public to hate all things white, and then at a later date, link it with the Aryan program and proverbially kill two birds with one stone. An example of this is Black Lives Matter, of course their lives matter, but they fail to see it is another program, all lives matter. The Aryan program was sowing the seeds for a future program, get everyone against the idea of white only, as that is Nazi propaganda, all that is Aryan stuff and it's superior race bs, no it was a hidden agenda of their next plan, elimination of the whites not the blacks.

This next bit will shock you all, In the 1920's white people's were 30%+ of the world's population, that is now down to 12%, 2/3rd's of white peoples demographics gone in under 100 years, think about that for a second, 2/3rd's of one species gone, yet where is the save the whites program? white lives matter? save the whites charities? or public concerns of how to protect the whites? There is none, why? quite simple, they are trying to erase that group. Like the Kali Ma trying to subjugate the Aryans, then followed the Greeks, Romans, Mongolians, Nazis and latest group the US Military and NATO, both of whom are owned by the Rothschild's. There is no white power groups allowed remember, why? because of that program that was etched into peoples psyche, the equivalent of looking at a midday sun for longer than a few seconds by the Nazis, white power is fascist, racist, violent and divisive, oh the irony of all those words. See how easy it is to set it all up over time? and also see how few could work out the real agenda behind it? only critical thinking will arrive any researcher to his destination, to the rest, you are stuck in the same station for the rest of your life, following a narrative these think tanks groups have all laid out for you. They plant the seeds, but it is we who grows them by blindly following their script and plans, we have to stop doing that and reverse the course, thinking and narrative. People will ask why eliminate the whites? the common sense answer is the whites are their biggest threat, one could argue that we are the most creative and of a higher intelligence level, that's not said to denigrate other colors, but many of the creative ideas, not necessarily the delivery of the ideas (sadly in most cases colored slavery was used for that) have all come from the white race. I was sent a short video of a black man called Cobus Durst from South Africa, warning Zimbabwe not to follow South Africa's decline since the removal of the whites. He painfully and sadly was laying out the truth, of how the black African peoples are unable to build or maintain roads, manage or maintain farm land, they are unable to produce food on their own, I

applaud his honesty. The same thing happened in Zimbabwe in 1990's the blacks were granted their land back, and rather than working the lands, they butchered the white farmers, destroyed all the farmhouses, crops and machinery, within twelve months they were all starving. They need to be taught how to be self sufficient on a mass scale, not just a tiny village, where they all prosper, and if that requires bringing in whites, yellow, red or brown people then so be it, we need to help them not rape and harvested them for their resources. We all have things to teach each other, so lets teach not fight. Now, some people will say well the whites have stolen everything in Africa, on the surface that appears correct, but look deeper and I will argue no, like the list I read out earlier, it is one particular group that uses countries for their own ends and agendas. Yet again the same House families have stolen much there, the De Beers was started by Cecil Rhodes, a man so arrogant he created a whole country in his name, Rhodesia(now known as Zimbabwe), Rhodes was funded by Alfred Beit, a Jewish German, it was funded also by the Rothschild's along with American financier J.P Morgan back in 1800's, same people again folks. In South Africa there is the Boers also known as the Afrikaans, they took over most of the land there, and settled in between 1652 and 1795, by that same group again mentioned earlier, The Dutch East Indies Company, they all settled into the region and called it the Orange Free state, why that name? House of Orange is why, and despite the British taking over in 1806, they still named new areas with the name Orange, two faces presenting a front, whilst hiding behind them is one mask. But, the point is for whatever reason, the black race who despite we are told having been here long before other races, or in some cases told they were how and where life started here, they have not been able to develop their own lands with homes, road or general infrastructure, at the same pace as the white race, again that is not to show superiority, but to state the facts. So, if you connect the dots eliminate 70-90M Rus, eliminate Slavonic Aryans which includes parts of Turkey, Syria and Iran (which means Land of the Aryans), decimated Europe in WW2 then flooded it with migrants, create fear program of all things Aryan via The Nazis (who were not all German, think of it not in terms of countries but a program) and the stage is set, see the pattern now? once you see the pattern, you then learn to connect the dots, and as history shows, it always repeats.

The reality was, it was setting the stage for their next program of WW3, clash of the civilizations of Muslims and Christians designated for 1990, which conveniently leaves out the Hebrews. Since I highlighted that piece in the Factions show, Go -ogle and other search engines have striven to debunk the facts or altered them towards the war being between nasty Muslims destroying Israel, yet again an example of trying to steer the

information on the internet, away from the real truth, Pike stated to leading Freemason and one of the 13 Italian bloodline families, Mazzini, it was between Christians and Muslims, by the way it was not a prophecy, but a plan, just like all the fake prophets in the bible, it was a plan.

The fact is that Muslim and Christendom were derivatives and creations of the Hebrew cult, which would have led to destruction of middle east, Europe and the Americas, setting the stage for Eastern control, as arranged back in 1912, it was not just the financial aspect via the Federal Reserve either. The Russian holocaust was done, the 6M Jews figure was already imprinted into peoples psyche, The Balfour Declaration was set, the elimination in WW1 of between 20-50M Chinese (has anyone asked how 20M never mind 50M Chinese were killed? or by whom? (when they have never left their own borders?)) Planned Parenthood, Occultism and Crowley, Steiner narrative, the takeover of Ireland, takeover of the worlds finances, the changing of peoples culture and boundaries, the creation of the wealth families like Rockerfellers, Carnegies, Rothschilds, Warburgs, J.P Morgan's etc kicking into a new gear, and people thought the Nazis in 1940's were the worst? that was the sleight of hand, these people, groups and programs were all implemented 50 or so years prior, and humanity 100 years or so later, is still paying the price for that time period. The sinking of the Olympic not The Titanic heralded in the real dark ages of humanity, in essence the ship sinking is symbolic of the sinking of the white race, from where I am standing it is the elephant in the room, using their classic sleight of hand maneuver, appear to target one group, but they are actually manipulating and targeting another. But it also symbolizes the fall of humanity in many ways, we have descended into the pit and we have a long climb to get back out, ultimately that rests in each and every one of us to make that climb. The modern day version of eugenics is and has been done by vaccines, the propensity and current focus is, that vaccines have caused illness and in some cases death, which is correct and that has now been heavily publicized, but the real hidden agenda behind it, which involves several black budget research centers globally, in particular Fort Derrick, the Long Island research center called Montauk, Plum Island another example, with main head office known as the World Health Organization, ran not surprisingly out of Switzerland, home of the Rothschilds, is eugenics. A thinning of the herd as they call it, no mass annihilation of not 90% of humanity as posted within the alt media, but 100% of us, including the so called chosen ones, oops. Then there is other examples of this program via the Gates and Clinton Foundations, all of these are pushing the hidden agenda of eugenics, the full scale of what the Clinton's were up to in Haiti, has yet to reveal the full scope of heinous acts

and criminality there. The full scale of devastation done to India and Africa by the Gates Foundation has only scratched the surface also, beyond comprehension what those pair of puppet psychopaths have done. Bill Gates told all who wanted to hear, he was doing a population reduction program did he not, but where was the universal outrage to that statement?

Some people will have great difficulty grasping these programs and agendas, that are so dark and heinous, it is beyond the comprehension that people will do this to others, those people are badly mistaken thinking that way. Here is an example in their own words, that trot out from time to time, they do tell us what they are doing, for those that see and hear on a different level. As an addition to the above pieces the overtaking and elimination of the whites, here is a piece by a Jewish person named Israel Cohen (that name again) said back in 1912, again during the time period I mentioned in the last piece. "We must realize that our party's most powerful weapon is racial tensions. By propounding into the consciousness of the dark races, that for centuries they have been oppressed by whites, we can mold them into the program of The Communist party. We will invest to instill in the whites, a guilt complex over their exploitation of the negroes. We will aid the negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the negro will be able to intermarry with the whites, and begin a process which will deliver America to our cause." Breaking this down confirms all that I wrote about in the series From Russia with Love 1, blacks mixing with whites for an agenda, back then it was to boost voodoo magic, now it is similar with an added political agenda. 2. confirms the communist party is nothing to do with Russia or China and everything to do with Khazarian and Ashkenazi Jews 3. Confirms this was not a program ran by whites 4. look at all the top American sports and also entertainment, most are black which is fine in and of itself, but how many are there because of this program, instead of their talent? affirmative action in schools ring a bell? 5. Confirming their takedown and takeover of America, it's all there in your faces, they are their words not mine, " and begin a process which will deliver America to our cause." 6. all divide and conquer " our party's most powerful weapon is racial tensions" Question to ponder if the Cold War was about the rise of Communism why wasn't China a cold war enemy as well, given their population was 10 times that of Russia? one of life's great mysteries it seems, or the real truth, the cold war was all bs. This piece should alarm all white people of what the powers that were has done to them, and yet blamed us all for the death and destruction the Egyptian cult created, they have played us all, but

moreso the whites over the past 120 years, as figures show, the music break reminder should be on white peoples tongues, What's going on?

SETTING THE STAGE FOR THE TAKEOVER OF AMERICA Lets look at what Albert Pike wrote in 1888 and see if it all tallies. Pike predicted the czars of Russia would fall during a first great conflict, that Nazism would be destroyed while communism would rise during a second great conflict, and that the Zionists would battle Islamic leaders in a third and final great conflict during which they would “mutually destroy each other.” After this apocalyptic last battle, the survivors would “receive the true light through the universal manifestation of the pure doctrine of Lucifer.” Two things of misdirect in that piece Nazism is Zionism, and no the Zionists were not due to take on the Islamic groups, but the Christians, the Zionists was added in later by Go-ogle and other search engines to cause confusion. Which group gains if the Muslim and Christians wipe each other out in WW3? The so called chosen ones. And before any half witted retard thinks of shouting racist or anti Semitic think again, they are using blacks, Muslims and Jews here in a program that those peoples are totally unaware of, and one which they did not consent to, in essence they are pawns in their insidious game. So how did they do it, simple, they took over the media and launched propaganda, first the newspapers, then radio, then television and finally cable and onto the internet. Here is a quote by the same guy who directly or indirectly introduced dumbing down education in America (for those new, education means the training of animals, which religious book declares all peoples except them as animals? The Talmud), this is what Henry Ford said back in 1920. "Controlling the worlds sources of news, Jews can always prepare the minds of the people for their next moves. The greatest exposure has yet to be made, is the way the news is manufactured, and the way in which the minds of whole nations is molded for a purpose. When the powerful Jew is at last traced and his hand revealed, then comes the ready cry of persecution and it echoes through the worlds press. The real causes of the persecution ( which is the oppression of the peoples by the financial practices of the Jews) are never given publicity. So, there was Henry Ford near 100 years ago telling you the news is faked, how they mold whole nations into a belief system they created, how the world has been financially hijacked by these Khazarian/Egyptian Ra cult led psychopaths operating for and by The Talmud, in which all peoples not abiding by that book are essentially a piece of shit under their shoes, not my thoughts, their words in that book. He also mentioned the persecution tactic 25 years before the Holocaust (which means sacrifice by fire or burnt offering, which came from Solomon and Herod temples), for those that don't know the term Holocaust did not come into the public realm until

1957. These people are the human embodiments and in fact in some cases not, from the Draco and Annunaki line, both known as the chosen ones, both operate under the divide and conquer rule, and both operate in sleight of hand and hidden realms.

As a sidenote was it possibly the case, that Hitler exposed the Khazarian Jews back in the 1930's and 1940's, did he not say who was the issue back then? the Jewish bankers, so the line used by Henry Ford " When the powerful Jew is at last traced and his hand revealed, then comes the ready cry of persecution and it echoes through the worlds press" hence the Jew persecution narrative rolled out, with the 6M Jews figure, which was mentioned 138 times in the press between 1880 and 1941, there is that timeline again mentioned in the last piece, is it not? These are the Kali Ma peoples that have blighted this planet for over 110K years, with their child sacrifice games and blood rituals, fire sacrifices, false flags and their holy days, yes all the bank holidays are ritual sacrifice days, and for us to really prosper here, they must be exposed, the light needs to shine on these cockroaches, and the issue dealt with once and for all. It must be achieved preferably in non violent ways, we do not have to plunge to the despicable levels these anti human parasites have, these people represent themselves as Jews or Israelites, and play on the modern day terminology of those words, most of these people are neither, for they are Kali Ma and Egyptian cult parasites, and I hope one day all the real Jewish peoples rise up and expose it also, they have been pawns in a game that was not of their own making.

Then they began the takeover America, which ended when the Paperclip crew began in 1947, but did you know or have you ever heard of The American Holocaust, nope, thought not, much like the Russian holocaust two years earlier, in 1919. The American military and federal government bombed the Greenwood District of Tulsa, Oklahoma in 1921, and killed many thousands of people of color, who had at that time developed efficient, numerous and prosperous businesses within that region, that most popular being mass agriculture, they were accused of being capitalists in an industrial society, and bombed into oblivion by the US army planes at the behest of the federal government, under an Executive Order called Martial Law, created by Congress and issued by President Woodrow Wilson Democrat. The indigenous people had created their own banks in 1865 called The Freedman Savings and Trust Bank, which upon opening had over 72k accounts, and had deposits of \$52M which is the equivalent to over \$100B today, and made it the largest grossing bank in American history at that time. As we have seen often in the alt media when something is not going according to their plan, events happen, more commonly known now as false flags, America is littered with them, but

within a month of agreeing with that deal to end slavery, President Lincoln was assassinated, and things began to go North not South. In came Andrew Johnson (a native of Newcastle England and Freemason) another democrat, who took over the Presidency by default, and was another who was involved in and links to the fledgling KKK, which was formed as an official group December 1865, no coincidence, and the more lesser known group known as The Night Riders one week later on New Years day 1866, both groups were born out of the Democrat Party, their symbols on their subsequent flags like Antifa are exactly the same, as was the earlier named National Socialist party, but were actually called the Social Democratic party, but later became known as The Nazi Party in Germany. Another massacre his-story has not revealed too readily, was committed by the Democrat Mayor, The Ku Klux Klan who also joined up with the New Orleans police at a Republican convention, whereby they attacked and killed 40 blacks, 20 whites and wounded 150 others, then in 1868 the Klan released push cards like baseball cards with a list of 63 Republicans designated to be killed, 50 were black and 13 were white, this was in S. Carolina. They then passed laws against the indigenous negroes, where bearing arms was banned, limited the abilities for the native groups to continue to be prosperous economically, banned group gatherings, barred blacks from renting or buying land, barred them from serving on juries, voting was prohibited, decided black orphans could be put into forced labor, and the classic, negroes learning how to read and write became a criminal offence, known as The Black Codes of 1865. Harassment and forced incarcerations based on largely trumped up charges, which then forced them into labor camps, and the slavery racket abolished by Lincoln and others, was washed away into his-story. But these negro businesses as they were called back then (the term negro was first used by the Portugese it meant dark skinned) were not African negroes at all, but Indian negroes, there was an influx of Africans when word got back to Africa, that there was much prosperity to be made working in America, not Africa. Here is a little known fact about Africa, that shatters the official narrative of whites did all the slavery, infact much of the African labor was traded not to the Americas, but to the Middle East countries, in particular to Egypt, no surprise there, and all was done by the East African slave trade group, who were trading slavery of their own people, long before the Europeans arrived. It is the African people who rounded up their own people of color and sold them off to a small portion of white groups, who as proven earlier were being manipulated into doing that, by a hidden force. The myth supported by documentation of an African slave migration to The Americas is just that, a myth, there was a very successful hard working business like population here, of indigenous Native Americans with an influx of Caribbean peoples, the majority of peoples here, were not descendants

of black African slaves, but Indigenous Natives. The abolishing of the slavery act was essentially a ruse, they were adopting a new free enterprise system because neither the north or the south were operating as well as the indigenous peoples, they couldn't farm the land, had less businesses that were profitable and less banks also, and were also concerned the indigenous were becoming capitalists and self sustaining. The robber barons and money people wanted an industrial style output which they controlled, in other words it was a case of teach us what we can't do, and then we can steal it all from you, so you can forget the slavery nonsense told in all schools, colleges and academia's, they talk pre written scripts given to them by the same group of scumbags today, we call the cabal. But there is another hidden element to this so called white supremacy movement implemented by Founding Fathers, successive American Presidents, the police, the judges and the KKK, all where affiliated by one group, The Freemasons and in particular The Scottish Rite group, it is they who have subverted American history, they who raped and pillaged the indigenous black Indians, they who destroyed the prosperous businesses shared by many and corralled into the few, they who built the Egyptian style obelisks, they who built Washington DC into a pentagram shape, they who brought into New York harbor the so called Lady Liberty, which was built and sent by French Freemasons, and another trick played on the American people, it barely looks like a lady at all, and was nothing to do with liberty, for anyone of Turtle Island as the Americas was once known. The Out of Africa theory was formulated in 1920's by a Jewish person aligned with Carnegie, Ford Institute and others in the anthropological society by the name of Melville Herskovits, all evidence points to the fact this was a deliberately created theory designed to deny the people of color their inherent right to the land in America.

I wonder how many people listening to this knew Malcolm X was not representing people of color, but he was representing the group known as the Nation of Islam, imagine him lasting in America nowadays with so much anti Muslim rhetoric, based solely on, portal people fear programs? Question is, was Malcolm X a stooge for a future program of the Muslim Brotherhood? For those that don't know, the Muslim Brotherhood is nothing to do with Muslims, and everything to do with Langley 3, Obama and their divide and conquer tactics.

It was George Washington who initiated the 1790 Census Act to document all peoples in America, people of color came under one bracket, based on official guidelines set by the government, all records that would substantiate most people of color were indigenous and

not African, then between 1790 and 1890, but all of those records were erased in January 1921, just 5 months before the American Holocaust we mentioned at the top of this piece, in a fire, funny that isn't it, how so many fires globally burnt so much history. Ya see false flags have gone on a long time. All this was perpetrated by a guy named Francis Gauten and his sidekick Charles Darwin both took part in the initial program called eugenics, natural selection, one group better than the other, and essentially the beginning of labeling, boxing people up and what's now known by the term racial profiling, the classic divide and conquer tactic of the criminal elites. In 1924 Virginia's ruling elite enacted the Racial Integrity Act of 1924 stating the following that all state officials backed by Walter Plecker, who has documented as writing to Walter Gross, the director of Germany's Bureau of Human Betterment and Eugenics group, directed all state and local courthouse records to be destroyed, and reclassify all people who were non white to be labelled colored, this was to hide who those people really are, or more pertinently were they where from, the blacks would then be drafted to appear in the next war and shipped overseas to die, this reduces the possibility of that race remembering, a total of 1 million and 57 thousand blacks were sent to war on behalf of the United States. But 87% of soul diers were white, which was massively overpopulated compared to demographic numbers at the time, conveniently detailed records were kept for all racial groups, except the white race. The people calling themselves Native American from that date risked facing a one year jail sentence, all Indians were then classified as colored, you see it was all about the pseudoscience called eugenics, and you all thought that racial purity started with Hitler and the Nazis, think again, this started before he was born. It wasn't until the US Supreme court in 1968 that forced Virginia to repeal the law, and the Virginia Racial Integrity Act of 1924 was overturned, in the subsequent time span the identity of these people, was changed 5 times on their birth certificates and licenses, from colored to negro to mulatto to creole and then black. The reality is in this country despite what the fake genealogy tests tell you, yes you Ancestry.com and 23 and me, all fake, 98% of people known as African Americans in this country, are actually indigenous aboriginal Indians. His- story now becomes their story.

This piece shows how Israel Cohen who said 9 years earlier, We will invest to instill in the whites, a guilt complex over their exploitation of the negroes, blacks were then treated real badly and taught to hate on the whites, based not only on this incident, but also the fake African slavery, which was traded by blacks long before the white people showed up. Whilst their numbers increased, the whites diminished, leading to an eventual takeover, as mentioned by Israel Cohen also. Is there more modern evidence of quotes to

support this? yes. "I'm going to bring down the United States by funding black hate groups. We will put them into a mental trap and make them blame the white people. The black communities are the easiest to manipulate"; George Soros. Hungarian Jew, in an interview with Germanys BILD, Sept, 2014. So you can see every race and country have been used in this insidious game played by dark forces, it is time all cultures realized they have been used as pawns in their game, accept the truth and work with all other cultures, stand up together and state? So we the people wont be fooled again.

## GERMANY TAKEOVER

Ashkenazi Jews are a Jewish diaspora population, who coalesced in the Holy Roman Empire around the end of the first millennium, and you all thought the Roman Church was Christian all along, oh dear. The term "Ashkenazi" refers to Jewish settlers who established communities along the Rhine river in Western Germany and in Northern France dating to the Middle Ages. The traditional diaspora language of Ashkenazi Jews is Yiddish (a Germanic language with elements of Hebrew and Aramaic), developed after they had moved into northern Europe: beginning with Germany(the various houses) and France (the Merovingian's and the Franks) in the Middle Ages. For centuries they used Hebrew only as a sacred language, until the revival of Hebrew as a common language in IsRAel. These peoples built and forged the imperial power of Charlemagne, which reached its apex as the Holy Roman Empire, and was also known as the First Reich of Germany...The Holy Roman Empire of Germany went from the 800 CE to August 6, 1806 when Francis II, as the last ruler of the Holy Roman Empire, known as Francis von Habsburg or Franz I of Austria abdicated and the Empire was disbanded, empires are never disbanded, just the baton passes to a new group. The revived Second Reich came in 1871 by the German family of the Hohenzollern, you are all now familiar with the term 3rd Reich running from early 1900's to the 1940's, but many are less familiar with the 4th Reich in America from the Paperclip era onwards. Reich essentially means Israelite - Egyptian cult takeover.

So are there examples in our past that connects the Egyptian cult the Roman Catholic Church and the Germanics? yes, The Order of Brothers of the German House of Saint Mary in Jerusalem, known as the Teutonic knights, who attacked the western flank of Russia, known then as Prussia, straight after Genghis Khan attacked the eastern part of Russia, this was known as The Prussian Crusade in 1230, they attacked again in the 1700's. Essentially the region they were attacking was what was known as Prussia, was

again all Aryan and the teachers region. Lets look at who was the first king of Prussia and see if it tallies, Frederick the Great, the first "King of Prussia", practiced enlightened absolutism, which refers to the conduct and policies of European absolute monarchs during the 18th and 19th centuries. They, who were influenced by the ideas of the Enlightenment, espousing them to enhance their power. An enlightened despot is a non-democratic and non authoritarian leader, who exercises their political power for the benefit of the people, rather than exclusively for themselves or the elites. Enlightened despots distinguished themselves from ordinary despots by claiming to rule for their subjects' well-being. They may focus government priorities on healthcare, education, nonviolent population control, or physical infrastructure. The leader may profess a commitment to peaceful relations and/or allow some democratic decision-making, such as public referenda, but would not propose reforms, that undermined their sovereignty or disrupted the social order. Some people say that despotism is a legitimate mode of government in dealing with barbarians, provided the end be their improvement. He introduced a general civil code, abolished torture and established the principle that the Crown, would not interfere in matters of justice. He also promoted an advanced secondary education, the forerunner of today's German gymnasium (grammar school) system, which prepares the brightest pupils for university studies. On a side note it was the same Jewish Germans who then subverted grammar schools, grammar derived from grimmoire, which is a spell binding book, incantations, spells and like legalese, means mumbo jumbo, in other words babble, babble is one thing but spell magic is another, and they have wrapped us in their spell word magic for too long. The Prussian education system was emulated in various countries, including the United States. So the world was taught to hate despots, they are mad psychopathic rulers, yet they taught enlightenment, operated for and by the people, would never do anything to take away their sovereignty, allowed public referenda, committed to peaceful relations, who prioritized healthcare and teaching, all very Rus isn't it, despot is another word like the term Aryan everyone began to repulse against, except they were the real good guys. This is how the media works, in most cases the ones that are doing good, are the ones they are attacking. Back in the UK we had the miners strike in 1980's, Arthur Scargill warned that the government was smashing the labor unions, and they would all lose their jobs, the media ran their spin stories and the sheeple people, believed the media who ran hit pieces on Scargill, the media won and within a decade, the unions were smashed and most of the miners lost their jobs. The media did a similar hit job in my hometown in UK, in the middle 1980's on Derek Hatton, who was in prominent council position and fought against the budget cuts against the city and vowed to protect jobs, services and build council homes for the

poor in the city, for the first time since the war. The Media turned against him, the sheeple followed and the disastrous consequences all unfolded, before the gullible people realized what had happened, there was 32K council workers when Hatton was in, within 5 years of him gone it had dropped to 7K, it was later to drop to 5.5K. The word Media derives from goddess Medea, the goddess who was known as a cunning sorceress, very fitting indeed. Other examples of this was against Gaddafi and Saddam Hussein, both looked after their people far better than their western counterparts. Gaddafi built a vast water plant in the middle of the desert, designed not only for clean water, but also to recreate agricultural land in the desert to feed the people, reclaiming back the once fertile oasis taken over by the sand, following the use in the past of the Fash destroyer weapon, that was covered in From Russia with Love 1, and the US military came in and bombed it into oblivion. Who was it that destroyed Prussia, the Germanic Teutonic Knights, said to be out of Jerusalem, except it didn't exist in 1192, those same knights later who had naval control in the Black Sea region, why? because that was the Caucasian region, resident region of the Slav Ayrans and the Rus.

Now here is a twist for you, The Teutonic Knights that destroyed Prussia, most of which was Russia and almost all Aryans around the Black Sea, the Teutonic knights continued as an organization from 1100's right up until 1938, until one man outlawed and abolished it, the name of that person? Adolf Hitler. Question is why would Hitler abolish a group who had defeated the so called enemy, Russia several times previously before WW2 started? Why was the Teutonic Order restarted upon the fake death reported of Hitler in 1945? Question remains is, is it possible Hitler worked out what the system was trying to do and eliminate all whites? again you decide. This is what we do know about Hitler before the war started, he was throwing out the Jewish bankers that had destroyed Germany, there was mass unemployment, the German Mark went from 4 to 1 GBP to 20,000 and he blamed bankers policy, who controlled the banks in Germany? The Rothschild's, the head of the House of Israel and also the bearer of Solomon's ring. Germany was working with the Thule and advanced technology, the rogue elements were working with the Aldebarans and Draco, they created the first motorways, proper roads designed for cars, goods and military transport, replacing tarmaced or cobble stone horse and cart tracks, that was still in many parts of Europe. Is it possible there was 2 plans and 2 operations going side by side and Hitler spotted the real plot was against Germany and Russia, by these same banker merchants? as was done previously in early 1800's, is it a coincidence that Russia was nuclear bombed the same year as America's war of 1812? That civil war was stated to be about trade routes and a treaty, that was unpopular which

led to rallying points by the pro-French Republicans, led by Thomas Jefferson and James Madison, in wresting power from the pro-British Federalists, led by George Washington and John Adams. oh my 2 of the great American names Thomas Jefferson fighting for the French, and George Washington for the British, 36 years after America's so called Independence, well that piece shatters that illusion doesn't it? Which country was it that came to feed and rescue America and Americans in that war? Russia, ya see all our history in every country is utter bs, from day one.

Lets look more closely at the modern German leader and more particular her background. In 1968, Merkel joined the Free German Youth (FDJ), the official Communist youth movement sponsored by the ruling Marxist-Leninist Socialist Unity Party of Germany. Membership was nominally voluntary, but those who did not join found it difficult to gain admission to higher education, all about keeping it in House you see. She did not participate in the secular coming of age ceremony Jugendweihe however, which was common in East Germany. Instead she was just confirmed. During this time, she participated in several compulsory courses on Marxism-Leninism with her grades only being regarded as "sufficient". Later, at the Academy of Sciences, she became a member of its FDJ secretariat. According to her former colleagues, she openly propagated Marxism as the secretary for "Agitation and Propaganda". However, Merkel has denied this claim and stated that she was secretary for culture, which involved activities like obtaining theatre tickets, and organizing talks by visiting Soviet authors. She stated "I can only rely on my memory, if something turns out to be different, I can live with that." not fully convincing that, is it Ms. Hitler? At school, she learned to speak Russian fluently, and was awarded prizes for her proficiency in Russian and Mathematics. Merkel was educated at Karl Marx University, Leipzig Merkel was also bizarrely awarded a medal by Israel of all countries, she is a Recipient of the President's Medal of Israel. Questions arising from this given Germany's recent history, the German people were taught to hate and subsequently fight Russia and hate Russians because they were Communists? why would they have as their leader a Russian speaking Communist? Why would Israel who have spent the last 70 years hating on Germans, rubbing in the term holocaust at every opportunity from 1957 onwards, then give a Presidential medal to a German leader? Of course Communism has now been proven in these shows to not originate from Russia or the Russian people, but these IsRAelites. The answer is, these people involved are not German or Jewish per se, but part of the same global cult designated to takeover the world with their One World Government.

Is it possible the Germans were duped? Hitler was told that Germany was going to be the main country of the world, but was that not already decided by the ones called the chosen ones, via the Balfour declaration in 1919? Question to ask is why would a country who were running on a White only/Aryan race policy, attack another Aryan country like Russia, or attack other Aryan countries and peoples like Eastern Poland, Austria, Slavs and the Slovaks to name but a few? does that really make any sense? Of course it doesn't, that means there is an hidden agenda program running behind it. Maybe we need to look closer at Heinrich Himmler for the real policy? They had a plan that also included the kidnapping of Eastern European children by Nazi Germany, most East European children were of Aryan descent, sound familiar the children harvesting again? history repeats you see. Himmler stated: Obviously in such a mixture of peoples, there will always be some racially good types. Therefore, I think that it is our duty to take their children with us, to remove them from their environment, if necessary by robbing, or stealing them. (all very reminiscent of the child sacrifices in Solomon's and Herod temples is it not?) Either we win over any good blood that we can use for ourselves and give it a place in our people, or we destroy that blood. (it's the Eugenics program again) The "racially valuable" children were to be removed from all contact with Poles, and raised as Germans, with German names. (this was for a later program of inserting them peoples in positions of power, the elites love their name changes, usually by changing vowels, but not always the case) Himmler declared, "We have faith above all in this our own blood, which has flowed into a foreign nationality through the vicissitudes of German history. (again history repeats of the Kali Ma blacks being told to mix with whites for voodoo enhancement, back in the Garden of Eden in India) We are convinced that our own philosophy, and ideals will reverberate in the spirit of these children who racially belong to us." The children were to be adopted by German families. (children don't belong to anyone, they are not possessions, they are free spirits) Children who passed the muster at first, but were later rejected were taken to Kinder KZ in Łódź Ghetto, where most of them eventually died. (ironic is it not that this piece of history is buried from WW2, yet the 6M reference still prevails to this day) By January 1943, Himmler reported that 629,000 ethnic Germans had been resettled; however, most resettled Germans did not live in the envisioned small farms, but in temporary camps or quarters in towns. Half a million residents of the annexed Polish territories, as well as from Slovenia, Alsace, Lorraine, and Luxembourg were deported to the General Government or sent to Germany as slave labour. Luxembourg funny enough was owned by Anna Von Reitz family line the Hapsburgs from 1477, so why would they remove and delete their so called own people? Could Hitler have possibly been duped into a program he was unaware of by

Himmler and his SS crew, who appeared to have been isolated from Hitler, and is there evidence to support this? Maybe the next piece will define that. Himmler had a lifelong interest in occultism, interpreting Germanic neopagan (which is why they coined the term propaganda, pro pagan da, da means skin) and Völkisch beliefs to promote the racial policy of Nazi Germany, and incorporating esoteric symbolism and rituals into the SS. Volkisch means nationalist as in national Zionist, na zi as in Nazi, so is not German or Germany, it is a program, proliferated through every country. Himmler attempted to open peace talks with the western Allies without Hitler's knowledge, shortly before the end of the war. Hearing of this, Hitler dismissed him from all his posts in April 1945 and ordered his arrest, Himmler's contact in particular with Britain, of all the countries to contact, he contacted the very one who was about to create the state of Israel, coincidence? your choice to make.

Looking for further evidence WW2 and the Nazis was not solely to do with Germany or its people? We uncover this. Na'im Giladi, is the author of the book: "Ben-Gurion's Scandals: How The Haganah and Mossad Eliminated Jews". Stalin's decision to use the Zionists in establishing the state of Israel after the Second World War, was motivated primarily by his intent to oppose the United States in the oil rich Middle East. Stalin was not his real name but a nickname and mixture of steel and Lenin, Lenin again not his real name was born to Jewish parents, not Russian. The temporary Soviet support for the Zionists materialized in the form of allowing 711,000 Jews to exit from countries behind the Iron Curtain in 1945-1947, supposedly in order to emigrate to Palestine. Is this not reminiscent of previous exoduses by these cult people, firstly when exiled out of the Garden of Eden in India, and secondly the exodus out Egypt, which we are told was freeing them from slavery, it wasn't, it was about expansion all along. The Zionists advertised this migration under the code-name "Briha" – (briha is actually a Muslim word and means cold flow) escape of Jews from Europe. In reality, the vast majority of Jews preferred, (if history is correct I would use that term preferred very loosely) to go to the United States or stay in France, of the 711,000 Jewish refugees, only 232,000 actually went to Palestine. (because the rest were going for the takeover of America as stated back in 1912, and France was the main takeover place for these cultists throughout the last 1000 years) The reason stated for the few going to Palestine was due to many being panicked by some fifteen pogroms staged by the NKVD in 1945-1947, Pogrom means massacre, and is suggestive of being pure propaganda or false flag attacks, NKVD was a Zionist massacre squad out of the now Zionist led Russia. This is another example of what Henry Ford stated earlier " When the powerful Jew is at last traced and his hand

revealed, then comes the ready cry of persecution and it echoes through the worlds press" except they used that on their so called own people, to corral them into regions, they wished to control, as you will see. Only the pogrom of Kielce on the 4th of July, 1946 was described in the world press, naturally the Soviet version. Fifteen other pogroms in the satellite states, four of them in Budapest alone, were never reported in the world media, or were reported in such a way that they did not survive in public memory. The Zionists organized the groups of Jewish refugees who left Poland mainly through the cities of Szczecin and Klodzko. The Soviet terror apparatus in Kielce conducted show-trials of nine Poles, who under torture signed confessions and were immediately executed. Later, their families provided evidence that none of the executed men were present in Kielce on the 4th of July, 1946. The Bishop of Kielce, Czeslaw Kaczmarek, was tortured for forty hours and lost nineteen teeth, before Jewish security officers were able to extract from him an incriminating statement. They acted under the supervision of colonel Jozef Rózanski Goldberg, director of the ministry of national security (MBP), who wrote a threatening note to Bishop Kaczmarek: "I have smashed the faces of lawyers, and I warn you, Bishop Kaczmarek, not to ever seek legal help." The Soviet/Jewish terror apparatus organized the departure for Palestine, of Jewish war-veterans and provided them with weapons manufactured in Czechoslovakia. In March 1947, the Soviet Union, represented by Andrei Gromyko, was the first member state of the United Nations to demand the partition of Palestine, and creation there of, the state of Israel as a new member of the UN. (Gromyko began his work at the Soviet embassy in Washington, D.C., one of the Soviet Union's most important diplomatic posts. In 1943 at age 34 he was made Soviet ambassador to the United States. The America takeover by then had began) The UN authorized the Partition of Palestine in November 1947, and on May 14, 1948, the state of IsRAel was founded. In exchange for helping to bring the United States into the First World War, the British proclaimed Palestine as a "Jewish Homeland." This was done in a letter of November 2, 1917 written by the foreign secretary, Arthur Balfour, to the chief Zionist in Gr. Britain, Walter Rothschild. When you consider who really took over Russia, during the so called Bolshevik revolution that had nothing to do with Russians, and everything to do with Zionist political ideology, zero to do with the Jews or their religion, even though the latter is fairly insidious to humanity, you begin to see the picture. What his - story wont tell you is Hitler twice arranged for the safe transportation of the Jewish people, remember his mother was a Jew, once in a meeting with Winston Churchill and Menachem Begin to move them all to Palestine, which was/is a British colony country. Menachem Begin refused, this was in 1942-43 time, so before any of the now legendary accounts of atrocities (which was

refuted by the Red Cross official documents of the time, and other civil rights groups who reported on what went on in the camps, all reported they were being looked after well) and also the second attempt to release the Jewish people from camps, a 50c per head deal to return them to wherever required offered to the Rothschild's, which they also refused to undertake, and again you see the picture here, when you have an open mind. Two attempts to remove and save the Jewish people from the so called death camps, and both were refused by so called people of their own ilk? In reality is these types of people, and I use that word loosely have no interest in any human, never mind their own people, known today as the Jews. Question is, why did the worlds media from 1880's to early 1940's mention the term 6M Jews on 138 separate occasions in their publications? Why that figure? why not mention 150K which is the exact figure the Red Cross determined the amount of Jews were in those camps? Why has the Holocaust Plaque been reduced several times from the official figure of 6M and if memory serves me correct down to less than 2M now? Look killing one Jewish person to me is too much, but I will repeat again this is not anti Jewish, and this is all about how the control system uses certain peoples and countries for their own agendas, they care not about any peoples or any country, and only how they can leverage it in a way for their total gains.

Israel as it was called by the elites mainly out of Britain via The Balfour declaration, where they were paying homage to their "gods" Isis - Ra and El, El means god as does Al aka Al -lah, so when you hear it is the Jews doing this or that, stop and think, it is the system using Jews to do this or that, do not blame the people or the region. The Brits told all in their hymn they were creating what is essentially a military and off world base in the Middle East with the song Jerusalem, and was Jerusalem builded here, in England's green and pleasant land. The answer is yes it was by the Balfour family in league with the Rothschild's. The current Jerusalem is the 3rd of that name, the original was Urusalem and was in Russia, founded by the URs, like the Ural Mountains, and several other names being beginning with UR, the 2nd Jerusalem was created by Constantine (another Brit) and was more commonly known as Constantinople, so you see Jerusalem is not a fixed place but is transient. So don't blame Jews for all ills in the world, these issues were created for them in a massive finger pointing blame game, but the Jewish people really need to ditch The Talmud book altogether as it is beyond disgusting the narrative out of that book, a book that was not created by Jews, but given to them to follow by their Annunaki overlords like Abraham, Enoch, Moses and Noah. It is time the Jewish people started to see through the illusion and realize they have been played, badly.

Maybe this final piece will make things clearer for the Jewish people and I will tell you what did originate out of Africa, and in particular Egypt, not once but twice, the bubonic plague, known as The Black death, that killed an estimated 25 million people in Europe mainly in the 1300's, 25 million was 1/4 of the worlds known population then. During excavations around Tutankhamen and Akhenaton tombs archeologists founds cat fleas and also rat fleas, and wondered whether this was the origin of the plague in 1300, they went in search of other clues, and found them on the Nile river dating back 16-17000 years ago. A papyrus date 1500BC also explained the same symptoms of plague then which ties into the migration of the Egyptian cult people, the origin of that plague? India and a black rat endemic to that country. What are the chances of a major world event in the past coming out of the two countries mentioned in this series, happening twice, India and Egypt. I suspect strongly that there was dark magic involved in this at the very least, and also the fake gods in alignment with their genetically advanced off world brethren, are behind these plagues. Lets look at some of the scriptures This is what the LORD, the God of the Jews, says: 'How long will you refuse to humble yourself before me? Let my people go, so that they may worship me. If you refuse to let them go, I will bring locusts into your country tomorrow. They will cover the face of the ground so that it cannot be seen. They will devour what little you have left after the hail, including every tree that is growing in your fields. They will fill your houses and those of all your officials and all the Egyptians, could it be that the Egyptian peoples worked out these dark magician Kali Ma peoples, and held them hostage to prevent their spread? Then the LORD said to Moses, "Stretch out your hand toward the sky so that darkness will spread over Egypt—darkness that can be felt." So Moses stretched out his hand toward the sky, and total darkness covered all Egypt for three days. No one could see anyone else or leave his place for three days. So Moses was a dark magician also it appears, Moses is a title and not a name, and Moses was part of the crew of the Lord, who was Anu in my opinion and knowledge base. Then comes the final plague, a magic plague of biblical proportions (pun intended) a plague that kills the first born of pharaohs, slaves and even cattle, all ordered by the Lord, question is how did a so called virus know how to kill only the first born? does that make any sense whatsoever? If this Lord was so special and can save a certain group of people, who we are told are the chosen ones, who go by the modern name of Jews, then why didn't the Lord save the alleged 6M Jews in the death camps? Because they the Jews, are not the same people is why. Again it doesn't make any sense, those people who were saved we are told, were neither Jews or your every day follower, and I suspect, many of those so called Jews of that time, were not actually humans at all. These entities went on to write the books and history for us all to follow, except none of

it makes any sense whatsoever, from the books, the Lord and Moses can make bad things happen, yet neither it appears can make good things happen? do people not ask why that is? Remember the exodus out of India went to Egypt, exodus of Egypt went to Israel, or so we are told, except they never, they went to Jordan, not modern day Israel, these where migrations of the cult of Kali Ma, bringing with them dark magic. It was all about passing the baton of control to different regions and their expansion, Egypt to the House of, not the country of Israel, is their evidence to support that? well in the scriptures it tells you of who ordered the ten plagues against Egypt, Yahweh the god of Israel. Is the modern day named country Jor-dan a clue to who these people represented? Jor is the Egyptian name for Horus, Dan of course is known as the tribe of Dan. If you view the spread of the black death plague it started out of Egypt/Israel region landed adjacent on south Europe coast and then arched towards Russia, taking in all of the Western Aryan countries bordering Russia, then spread further west towards the UK. Then you had the curious case of the plague doctors, with spindly hands and wore a bird like mask, with a full beak, said to be for protection, I suspect it was off world interference and possibly the Annunaki linked with the Pleiadian Nibirian Avian group who were involved in that, and no they are not blue avians, no such group exists. There is no evidence of any rats or fleas being involved in this plague, or any evidence of it being along trade routes, as described by so called historians. The peoples of the time blamed one group as this passage says "In German-speaking lands, France along the Rhine, and parts of Spain, municipal governments, castellans, bishops, and the Holy Roman Emperor accused Jews of spreading the Black Death by poisoning foodstuffs and water sources, and massacred entire communities of men, women, and babies for these supposed crimes." Question remains from these plagues is, why is there no reference to any kings, queens, nobility, popes, bishops, lords or House bloodline families dying from this plague in this period? Kind of curious in a conspiratorial way is it not? Before I go into the summing up final piece of this show, I will add in this piece for evidence or pondering on. The term all hidden in plain sight comes up again, after the Zionists tortured, killed and stripped Russia in 1919, they changed the name to the USSR in 1922. Now having just exposed the SS for not being German but an ongoing destruction of nations program, perhaps this next bit will make things more clear. The term U SS and R, the SS being the prominent letters, and if you remove the SS, what are you left with? UR, the Urs. Do you still think now the SS is just to do with Germany or Germans?

This completes Part 4 of my Russia with love series, in many aspects, it's all there right in your face, and you can choose too ignore it or hide behind the racism card, or face up to

reality. These Dark forces masquerading under the term Jews today, have been against the UR's meaning the originals from as far back as 110K years, when they destroyed the continent of Da 'Arya more commonly known as Hyperborea, 7.5K ago was the destruction of the Aryan Atlantis, 5K years ago there was another conflict in the original Garden of Eden, 1000 years ago they killed Radomir and ultimately Mary Magdelene both of which were Rus/Ayran and quite possibly part of the URS teachers who came down from Ursa Minor constellation. 800 years ago with Khan (real name Cohen) did another mass ritual sacrifice on The Rus and Aryans, along with the Teutonic Knights out of Jerusalem, in the 1300's they introduced the plague across mainly central and Eastern Europe again the regions of the Rus and Aryan population, in the 1500's the Catholic church was torturing and murdering another Urs teacher Anna and wiping out The Cathars, and also Mary and Radomir's offspring line. In the 1800's the nuclear bombing of Russia, the 1900's deleting the Russian tsar's line except not all were eliminated, and 1900's brought the loss of 70-90M Rus and created Communism that has nothing to do with Russia and everything to do with these people masquerading as Jews, as stated by the Israel Cohen piece. They then went onto the Slavonic regions including Germany and eliminated many of them also, played the Aryan race card that all whites, are only supremacists, when if you go back to 5K years ago, they the Rus/Ayrans all white, came in peace, to teach, not to destroy or eliminate, Rus/Aryans held all of Russia, most of China, large parts of India, the Caucasian region and 2/3rd's of Europe, plus Iran and into the Americas, none was achieved by violence. Then came the fake cold war, which was against Communism we were told, and yet China wasn't included? except as Israel Cohen piece proves, Communism is a Jewish/Zionist propaganda machine not Russian, Chinese or Vietnamese, and now we have the propaganda in portal people news of Russian collusion, which despite being known and subsequently proven as being fake, it rumbled on for half of a Presidential term. Subsequently and conveniently lost amongst all this carnage and program is, the fact that the white population who originated from the North and the Rus, has gone from 30%+ of the world demographics down to 12% in under 100 years, and if NATO which is an anagram of ATON, another "Egyptian god" and no that is not a coincidence, has it's way, that 12% will plunge to the point of extinction, who are NATO always readying to attack? that same country again, Russia. Like I said in the last show, where are the save the whites banners, memes, charities or groups? oh they do exist, but they are branded by the dark forces think tank groups as right wing, fascist, supremacists, violent and hate filled groups, so the public turn away from it, the majority of which only read the headline and don't dig deeper into the narrative. As a reminder of what Ford stated " and the way in which, the minds of whole nations is molded for a

purpose" and you begin to see how it all plays out. Israel was molded and set up as that nation to carry their banner, they fell for the old classic of your more special than the rest, a common failing in humanity to fall for, riddled with fake titles and badges, but these psychopaths are in every nation, not just Israel. These people are not Jews, Jewish or Israelis at all, they are the dark forces who operate under the banner of Jewish, they are the Kali Ma worshippers and The Egyptian cult Amun Ra forces of evil. Hiding in churches, fraternities, brotherhoods, freemasons and other secret societies, who are desecrating the whole of humanity, with their satanic propensity to dabble in the dark arts, produce mass genocide, ritual sacrifice and the most heinous levels of crimes ever witnessed. But a final reminder, if you are hating on all Jews for this, if you are, your thinking is at, portal people level, in other words beyond stupid. Find out the real truth behind it, and the vast majority of peoples known as the Jews have been lied to, played for fools and used as pawns in the worst game this planet has ever witnessed , we need to embrace those people, teach them, not denigrate them, just like the UR's, The Rus and The Ayrans did all those years ago.
