

THI-SHOW TRANSCRIPT 2019-07-09

another must listen to section added to our expanding list, that I hope inspires people to look and research for themselves, and erase the folly of country, culture and religious divides as all organic souls have common enemy here. If you see this as racist you are clearly not as awakened as you thought, it is time the people globally found out the real truth and come together as a unified species, not mired in dogma, delusion and illusion. CREED - HIGHER Welcome to Part 5 of my From Russia with Love series that has trekked around the world, from it's original origin, known as the originals The UR, onto the Rus, the Slavonic Aryans, through the Caucasians Mountains down to the Land of the Aryans, known as Iran. From the Garden of Eden in India, to the priestly tribes of Cohen in Mongolia, the rise of the Cult of RA in Egypt, the plagues scorching a pathway into Europe, the subversion of the Houses, the Cat-holic church, the Middle East and eventually arriving to fulfill their 4th Reich, not by Germans, but Zionists. Known in the Vedic texts, which are not Indian, those texts are from Rus -sian, they were known as the sub gray race, the story goes on with this show also. I am going to throw a few new names into the mix surrounding who these Kali Ma, Egyptian RA cult and Israelites are, and who they do their bidding for in this show. You have heard me mention the Brotherhood of the Snake and briefly mentioned the Canaanites, but will throw in some new names of the originators of this plan. The Melchizedek line and the Pleiadian Nibiru reptilians, linked with Sirius A and B along with their cloned Zeta Greys, Alcyone and the Andromedans. All of them were using advanced weaponry from our point of view, but it is ancient in origin, and advanced genetic manipulations on this world and many others. Adam was not our creation but their creation, along with Eve and or Lilith, that was their attempt to reseed this planet with their creations, in their image not our image, after they thought they had wiped out the previous version with their deliberate flood and fash weaponry. Throw in Cane, Abel, Adam, Lilith, Eve, Moses, Abraham, Noah, Yahweh, Jehovah, Ashteroth, Isis, Set, Horus, Osiris, Nut, Geb, Ma'at, Shem, Tut, Nefertiti, Astara, Ishtar, Marduk, Ra, Shiva, Felinoids and several others, who were all part of the desecration and destruction of humanity, and our special vessels. It has spanned over many 100's of thousands of years, involved in multiple galactic wars, destroyed countless planets, solar systems and beings, only now do we have a handle on it, and an opportunity to reverse these dark forces and their setanic, not satanic ways, as in Set. The Melchizedek line is linked with Christian version of Jesus, accept their was no Jesus per se, plenty of teachers came and mimicked those same words as accredited to Jesus, like Radomir, but all evidence points to the dark cult Christian sect appointing their

own deity, and they created the name Jesus, borne out of the King James bible of 1611, anything before then would not have been called Jesus, as there was no letter J. Many will not like that statement, but there is substantial evidence to back it up, If Jesus was so important, why did they change his name? Why did the Roman Catholic church hunt down and kill Mary Magdalene and one of their children in France? where she was being protected by The Cathars, why did the same church and band of Templar thugs hunt down all the Cathars at Montsegur in the 1200's. Then subsequently what may have been the remnants of The Cathars, the real Templars in the 1300's. It is speculated that the story of Melchizedek is an informal insertion into the narration, possibly inserted in order to give validity to the priesthood and tithes connected with the Second Temple of Herod, what they are saying here is it is a flowery description of a falsehood, to add to their story. His name indicates he may have worshipped Zedek, who was a Canaanite deity worshipped in pre-Israelite Jerusalem. He was the king of Salem and priest of El Elyon (often translated as "most high God ") Notice it said Salem not Jerusalem, again a name change which has been common throughout this series, so were did the term Jeru come from, people will be surprised to know Jeru is an ancient language out of which country? back to where it all started in the Garden of Eden, and India. El Elyon is referred to in Hebrew scriptures as Yahweh. Melchizedek exclaimed that God had chosen to gift Abram a tenth of God's possession of the entire human race (consisting of seventy nations as described in Genesis) in the form of the seven nations of the land of Canaan, including the cities of Sodom that Abram succeeded in saving, how can you save something from a nuclear blast? So, god is suggesting some of his creations are more special than others, creating hierarchy is it not? Or in the real world it was the fake gods creating their own domain, as was the case. That whole region is not anymore special than several other sites globally, except it was special to fake gods, their spaceports were there, portals and gates were all over that region, they created religions and became control freaks, that has wrought much damage to this world, way beyond the comprehension of most people on the planet. The LORD hath sworn, and will not repent: 'Thou art a priest for ever after the manner of Melchizedek. The Lord is Anu, Draco King, so Anu appointed Melchizedek, as his priest or Cohen, both means the same, and indicative of that line of usurpers. Torah Laws require that the Kohen (priest) must be a patrilineal descendant of a prior Kohen, in other words bloodline games again, The Torah spelt Kohen with a K, like Khan which also means Cohen, all modern day Jewish names of Cohen, is not a name but a title, which means priest. As the text states in regard to Melchizedek; "and he is a Kohen" These high priests have wreaked havoc wherever they went, even today in the Draconian language Latin and the profession of legalese or law,

the judge is not what you think, he or she is representation as a high priest or priestess, hence the black robes they wear. Where else are these robes worn? the aptly named House of Lords in the UK, people never ask why do they wear robes, they wear them as a tribute to their Lord not ours, and they are the high priest minions representing them is why. Melchi means king, Zedek was a high priest and a Canaanite deity worshipped in pre-Israelite Jerusalem, interesting comment pre Israelite Jerusalem, suggesting is it not, it was not their land. Melchizedek is also mentioned in the second book of Enoch, well of course he would because Enoch was another one of them, not us. Then we come to this piece, Melchizedek was born of a virgin, Sofonim (or Sopanima), the wife of Nir, a brother of Noah, of course Noah came out in suspicious circumstances also, Melchizedek's story in Slavonic Enoch recalls some parallels with the birth of Noah. In the Qumran text, Lamech is worried about the birth of Noah, his son, Lamech suspects that his wife Bathenosh was unfaithful to him and that "the conception was (the work) of the Watchers and the pregnancy of the Holy Ones, and it belonged to the Nephilim, indeed, it is called seeding. The child came out from his mother after she had died and sat on the bed beside her corpse, already physically developed, clothed, was circumcised and was speaking and blessing the Lord, and marked with the badge of priesthood, which was something imprinted on his chest. Forty days later, Melchizedek was taken by the archangel Gabriel (Michael in some manuscripts) to the Garden of Eden and was thus preserved from the Deluge without having to be in Noah's Ark, which also suggests that the Garden of Eden was a gateway. The Qumran Scrolls, also indicate that Melchizedek was used as a name of the Archangel Michael, interpreted as a heavenly priest; Michael as Melchi-zedek contrast with Belial, who is given the name of Melchi-resha "king of wickedness", kind of fitting is it not. This BADGE OF PRIESTHOOD that he bore on his chest made him so unique that he was immediately recognized as part divine, and automatically qualified him for the priesthood was none other than the MARK OF THE NEFILIM which probably appeared as a patch of scaly hide. This sign of divinity, a patch of scaly skin is also mentioned in the Hindu classics, you do realize they are speaking of reptilian here with that passage, dont you? There is a song later in this show with a line that says I'm guided by this birthmark on my skin, it will be indicative. In the MAHABHARATA, one of the demi gods, KARNA is born of the sun god SURYA and an Earth mother, as such he is born 'clad in a coat of armor; like a divine being, coat of armor was scaly skin, reptile. Just as the Hindu sun god was Karna's father, the same may have been true of Melchizedek, who was also called Adonizedek, meaning 'My Lord is Zedek', Zedek was also the Hebrew name for the Roman sun god Jupiter(which is Zeus). NOAH probably also carried the 'mark of the Nefilim', of course he did, all those

in the biblical books were in part or whole reptiles, and this is what I have been telling people who will listen, the bible is their book and story, not humans book or stories. Just like all the Emerald tablets, scrolls it is all their story, and why the modern day priest class, the Catholic church hordes them when they are found. The tradition of the priesthood of Melchizedek is entirely dropped from the Old Testament and instead it is vested in Aaron, brother of Moses, later to be replaced by the tribe of Levi or Levites, these are your modern day Israelites, or Hivites. The PRIESTHOOD OF MELCHIZEDEK was kept alive, however, by the Mormons who gave this tradition precedence over all other priests in the scriptures, part of the teachings of the Mormon church is the Aaronic Priesthood class, Aaron replaced Melchizedek line.

Yep the same script again, born of a virgin, do people not ask why we haven't seen in real life children created by virgins? yes we now have the re-introduced technology called test tube babies, but come on, why haven't all test tube babies turned into messiahs or gods? So the child comes out fully formed, and fully dressed out of his mothers womb and fully circumcised, my god his dead mother must have been really clever to do all of that, FSS, I mean well the fargo is that all about? babies coming out fully formed, circumcised and dressed, proclaiming the Lord, with scaly skin, has anyone ever seen this take place in real life? It's sheer lunacy, and billions follow this narrative, with zero critical thinking, and yet have the audacity to accuse us of being conspiracy theorists, and or atheists? It is completely beyond all sane and rational comprehension, and the minute you point these things out, they trot out even more irrational narratives, of you are taking it too literal, they are allegories, ok then fine, so why are billions of people following an allegory book, that's not literal then, if it is not literal, it is not truth is it? They basically admit that, it is not the full truth, and then defend it to the hilt, what a dichotomy that is, and is completely lost on those people blindly following that program, and it is a program, well actually it was an experiment if truth be told, of how far can we fool the humans into believing we are their gods, a program that serves no one, least of all themselves. He was also taken to The Garden of Eden to escape the Deluge, hmm how did they and Noah know there would be a deluge? Because their scaly ilk planned it for a reset of humanity, and then replace it with their genetic based creations, their Adam and their Eve is why, genetically modified humans, except beneath the skin, they were not human, and still aren't. Adam and Eve who was not the first wife, it was Lilith, who were created by Draco and Annunaki groups, like I have said all along The Bible pronounced buy bull, in other words buy into their bullshit, is not our story, but it is their story, with their names, places and lives. Adamu which was the original name in Sumeria, meant slave worker,

Adamu is also given to the first born male in Ethiopia, no surprise there, that was the origin of the fourth and last Garden of Eden, after another Hebrew led exodus to that country, and why that country to this day is ran largely by Jewish groups, and was also at one point the location of the Ark of the Covenant, which was removed from the sarcophagus out of the pyramid. He was taken by archangels and ascended masters oh my, another description of their people, not ours, ascended masters are those who reside in and on here, not outside of here, so your Michaels, Gabriels, Uriels, Ariels, Raphaels, Joels were not your ascended masters or angels at all, all fake imposters. Notice like Ezekiel they all end in El, El means god, do people not ask how many gods were there? when most religions are monotheistic, do they not ask who are the others? the answer is that all of them were their gods not ours. So what is a god or an ascended master? neither are the god in biblical or modern day terms for a start, both are achieved by an accumulation of soul growth, if you achieve the seven soul growth planes on Earth, or any other planet, you become an ascended master, god's real meaning means a person or being of higher soul growth. The problem with these beings is, they wouldn't do their own work, their inner work that leads to higher soul progression, they just were content to cheat and play with genetics, to piggy back on our development, eerily similar to modern day people is not, maybe that is a coincidence, or maybe it is indicative. These usurpers are egotistical maniacs, portraying themselves as god or ascended masters more likely, who refused to do their own soul growth work, and harvested off others who had and have. They were in contract and alignment with the dark spirit world beings, ensuring humanity was repeatedly snared in a loop and recycle trap of their making, so we couldn't become ascended masters in our own right, and end up in service and slaves, to them only. Most humans on this planet are taken over by the spirit world dark forces under contract to Draco reptilians and their varied minions, via walk ins or possession, unable to have real soul growth, rendered child like and in real terms retarded. To those who follow religion, the big questions is, why has your god allowed that? why does your god promote those who kill, sacrifice and cause death and destruction with complete impunity, as stated in The Talmud? Where is your gods help for the rest of us not Hebrew? Has god really helped the Jewish people? He, she or it hasn't, why? because it was not and never was our god or to use the correct term source, the source of all that ever was, it is not and never was a he, it was not and never was in physical form as a separate being to you, it did and always has been, inside of us all, we are all a spark of the creator, and if it wasn't for these disciples of evil and their Hebrew and Annunaki counterparts, everyone on this planet would know those facts by now. It is by far the most destructive thing ever witnessed on this planet, operating via originally a myriad of

churches and expanding into the Houses, bloodlines and societies secret or otherwise, an organization riddled with corruption, deceit, pedestary, child abuse, harvesting of both energy and souls, riddled with death, war, plagues and ultimate deception, dark entities hiding within a human skin, presented as human due to our genetically altered eyesight that limits most peoples vision, but not all, there some of us who can still see on the broader spectrum, much to their chagrin. REMEMBER - OMKARA

THE KALERGI PLAN Before I go into this piece I want to make clear, do not make the mistake of comparing the modern day term Jews to this IsRAelite cult, that is their distortion to play the racist card and stifle discourse of who these entities are. In his first written manifesto between 1923 and 1925 the Kalergi Plan was stressing that the Jews would take over the power, first in Europe and then in the whole world. The plan is based on a Jewish, utopian racism and is referring to a Jewish "master race". The expression "master race" with which Mr. Adolf Hitler was describing the Aryan race was used by Mr. Coudenhove Kalergi to claim the Jewish supremacy in Europe and on the whole world, as covered in FRWL 3 and 4. He is also using the term "Jewish noble race" again and again. The purpose was to form a Jewish Empire, therefore Mr. Kalergi was claiming the abrogation of the right of self-determination of the peoples. After that the nations should be destroyed by a fast migration in masses, or also by movements within Europe by "ethnic" separatist movements like Catalonian separatism or like Basque separatism, Europe should be formed in a way so the Jews could dominate it. The precondition for this should be the pretension to convert the ethnic homogeneous population into mixed groups with whites, Negroes and Asian people. These mestizos should have the characteristics like cruelty, infidelity and more characteristics which - according to Kalergi - should be created deliberately and which would be absolutely necessary to reach a Jewish supremacy, this is known in modern terms as social engineering, aligned with the Eugenics program mentioned in FRWL 4. Lets look into Mr. Kalergis background first, we may find some familiar names and groups mentioned in previous shows, Born in Japan was an Austrian-Japanese politician, Coudenhove-Kalergi was the first recipient of the Charlemagne Prize in 1950, no surprise there, they were mentioned in part 4 relating to the Franks. Coudenhove-Kalergi was the second son of Heinrich von Coudenhove-Kalergi (1859–1906), an Austro-Hungarian count. "The Coudenhoves were a wealthy Flemish family that fled to Austria during the French Revolution, common theme that amongst these nobility, they talk of Pan Europa and flee when anything kicks off. The Kalergis family roots trace to Byzantine royalty via Venetian aristocracy, Coudenhove-Kalergi's ancestor Alexios Phokas-Kalergi signed the treaty that made

Crete a dominion of Venice, ah the Byzantine computer program mentioned in show Clowns in Panic. On every Good Friday, as the liturgy came to the exhortation "oremus et pro perfidis Judaeis" ("Let us also pray for the faithless Jews"), the old count allegedly rose and walked out of the church in a protest against this supposed expression of anti-Semitism, the reason why will become clear. During his student years, Coudenhove-Kalergi married the famous Jewish Viennese actress Ida Roland in April 1915, his marriage to a divorcée thirteen years his senior, and a commoner, caused a temporary split with his family. Aristocratic in his origins and elitist in his ideas, Coudenhove-Kalergi identified and collaborated with such politicians as Engelbert Dollfuss, Kurt Schuschnigg, Otto von Habsburg, Winston Churchill, and Charles de Gaulle. In December 1921, he joined the Masonic lodge "Humanitas" in Vienna, all there now nobility check, Jewish advocate check, freemason check, just anti Russian missing. In 1922, he co-founded the Pan-European Union (PEU) with Archduke Otto von Habsburg, as "the only way of guarding against an eventual world hegemony by Russia." ah anti Russian check. In 1923, he published a manifesto entitled Pan-Europa, each copy containing a membership form which invited the reader to become a member of the Pan-Europa movement. He favored social democracy as an improvement on "the feudal aristocracy of the sword" but his ambition was to create a conservative society that superseded democracy with "the social aristocracy of the spirit." European freemason lodges supported his movement, including the lodge Humanitas, one has to ask is the Humanitas charity like the Shriner charity a Freemasonic lodge collection fund? Pan-Europa was translated into the languages of European countries (excluding Italian, which edition was not published at that time) and a multitude of other languages, except for Russian. According to his autobiography, at the beginning of 1924 his friend Baron Louis de Rothschild introduced him to Max Warburg who offered to finance his movement for the next three years by giving him 60,000 gold marks. Rothtillians and Warburgs oh dear now it all connects does it not? Warburg remained sincerely interested in the movement for the remainder of his life and served as an intermediate for Coudenhove-Kalergi with influential Americans such as banker Paul Warburg and financier Bernard Baruch. Nazis considered the Pan-European Union to be under the control of Freemasonry. In 1938, a Nazi propaganda book Die Freimaurerei, was released in German and it revealed Coudenhove-Kalergi's membership of Freemasonry, the organization suppressed by Nazis, so not only did Hitler suppress the Teutonic Knights but Freemasonry as well? is that not contradictory against the narrative we have been fed? After the annexation of Austria by the Third Reich in 1938, Coudenhove-Kalergi fled to Czechoslovakia, and thence to France. As France fell to Germany in 1940, he escaped to the United States by

way of Switzerland and Portugal, a few days after the successful escape to the United States, whereby he listened to the radio announcing the possibility that he had died, a typical narrative that of them disappearing into the background and announced as dead, the minute the heat is turned on them. During World War II, he continued his call for the unification of Europe along the Paris-London axis, well he would wouldn't he given Paris and London was ran by his Rothillian friend. His appeal for the unification of Europe enjoyed some support from Winston Churchill, Allen Dulles, and "Wild Bill" Donovan, oh my here comes the OSS and Langley boys. In an interview in the first Pan-European Congress in 1926, Richard Coudenhove-Kalergi expressed the support of Jews by the Pan-European movement, and the benefits to Jews with the elimination of racial hatred and economic rivalry brought by the United States of Europe, oh my Allen Dulles later to become head of CIA, the United States of Europe, oh my also and Americans think the United States is them and the only United States, nope was all started in the Congress of Vienna in early 1815.

Much more earlier than Mr. Hitler, it was Mr. Kalergi with his opinion who stated the high performance of the white race, especially the Nordic sub race, but contrary to Mr. Hitler, Mr. Kalergi did not want a conservation and a reinforcement of these races, but he wanted their destruction. By these reasons he pretended to enrich the "creation" because he was right to mean that by a crossing of races, the talents and the wonderful characteristics of these races could be eliminated. Despite of his positive evaluation of these races, he invented the project of extinction only because he meant that humans would be needed, which would be more manipulable when the Jews should take over the power, again it is all the eugenics program covered in Part 4. Again it is talking about how we should not mix the races, this has nothing to do with racism, and everything to do with each color having different genetics, my understanding is the different colors came as refugees from different planets, following a multi galactic wide war.

In the present times we find other terms in the "American" media referring to a colonization of Afghanistan and of Iraq. These are two examples and proofs which show that the ideas of Kalergi are more and more distributed. The matter is about "forming of nations" and means more or less the artificial creation of nations which should serve the humans. Concerning the idea of Kalergi about the mestizo humans by blood, a big knowledge about development history and about breeding of races can be found, which agree on some points in an astonishing way with the science of Darwin, and with the theories of the Third Reich, it is stated, except the third Reich had not even started when

Kalergi was spouting this diatribe. Also the modern science which is promoted above all by Israel, which can distinguish Jews from their cousins, Arabs, by DNA analysis is confirming the knowledge of Kalergi, without finding out the origins of this wisdom. Already in 1923 this Mr. Kalergi was the head of a group of Freemasons. This dark person was proclaiming that Europe would be dominated by a "Jewish aristocrat race". For reaching this aim the Europeans have to be crossbred with Negroes and with Asians as the matter would be about animals, all very Israel Cohen and Kali Ma from India that is it not. From these "crossbreeds" Mr. Coudenhove-Kalergi was awaiting a lower class of the human race, which could be governed more easily and would be without character. Under his followers of the first beginning there were the Czech politicians Tomáš Masaryk and Edvard Beneš, as also the banker Mr. Max Warburg who gave the first 60,000 German Marks for the project, it was supported by the Austrian chancellor Mr. Ignaz Seipel, and later also the Austrian President Mr. Karl Renner did lead this "Pan-European Movement". Mr. Kalergi himself indicated that noble French politicians would support his movement for suppressing a German revenge movement. In this way they all were involved with the maneuvers of these conspirators: The first was French President Mr. Edouard Herriot and his government, as also the British leaders of all political directions, among them the editor-in-chief of London Times, Mr. Noel Baker, and finally even Winston Churchill did accept to be seduced to it. In 1926 Kalergi was in the "U.S.A." again for some conferences, where he convinced with all kindness, the "American" public opinion of the plan of Jewish governance of Europe. Here he found two new followers: French foreign minister Mr. Aristide Briand, and German chancellor Stresemann. In the same year Mr. Edvard Benesch was nominated a honor president, he just happens to be the same man who was organizing the later genocide against 300,000 Germans from Sudetenland. Kalergi who was unknown until these days, was also negotiating with Mussolini with the intention to limit, the right of self-determination of the Austrians to prefer the victory nations of First World War without end, but Mr. Mussolini was not declining. Noble Zionist Jews following Kalergi Plan: Adenauer, John Foster Dulles, Robert Schuman, Depasperi, Paul Henry Spaak, Helmut Kohl, Jean-Claude Juncker etc.

Many many high politicians of the 20th century were in this group, among them especially Mr. Konrad Adenauer has to be mentioned, additionally the Spanish former Minister of Justice Mr. Rios and Mr. John Foster Dulles ("U.S.A."). Not respecting the bases of democracy and with the help of "New York Times" and "New York Herald Tribune" Mr. Kalergi submitted his plans to the "American" Congress. His contempt for

the principle of popular governments was stated in a phrase in 1966, when he was remembering his post-war period activities: "The following 5 years of the Pan-European movement did concentrate principally only to this subject: Parliaments were mobilized, so the governments were strengthened for the creation of Pan-Europe." With the help of Mr. Robert Schuman, the French Foreign Minister with a high Jewish ancestry, Mr. Kalergi succeeded in robbing the German population, its reign over German steel production, iron production and coal production, and all this production was then put in charge of a supra national control, sound familiar America? of how our manufacturing industries all vanished. Mr. Depasperi, the traitor with the self-determination of Tiroleans in South Tirol, and Mr. Paul Henry Spaak, the Belgium Socialist leader pretending to create peace between Germans and Frenchmen, just not regarding the heirs of Clemenceau who had formulated the genocide plan of Versailles. Kalergi's basic paper creating a multicultural Europe destroying more and more the power of the parliaments, and of the governments is valid until today [2015] and is expressed in the "Coudenhove Kalergi Prise" which was given to Mr. Helmut Kohl thanking him for following the plan, also the Free Mason and powerful European politician Mr. Jean-Claude Juncker, Prime Minister of Luxembourg, was flattered with this prise. Mr. Kalergi was propagating "pacifism" again and again which was required for the peace of nations, but at the same time he permitted Jewish brutal force. He supported only the declaration about equality before the law, until the actual Jewish system would be abrogated, this is called as "abrogation of the unjust inequality". By the takeover of power by the "noble Jewish race" which would be created by the equality, this equality will be abrogated then, since then the Jews are working to reinforce their power over the non-Jews by a "justified inequality". This Jewish clique is also underestimating laws and paragraphs, which are defining a country, and which are needed for the existence of a country, when the matter is about to attack other populations. Mr. Kalergi declares to the incompetent people to govern themselves, and from this point on he proclaims a New World Order, with the global abrogation of democracy, the Jews are pretending to bring peace, culture and food to mankind, stating only the ones who are from "happy descent" from the "noble Jewish race" are qualified to conduct mankind. It was praised that the Jews were the leaders of socialism, communism and capitalism, not only were they the leaders, it was they who created it, this provoked the view point of the National Socialists and of the Fascists, problem reaction solution in full flow. The big Jewish influence in Soviet and "U.S." government, or in the secret services can be proved easily, therefore 37% of the members of NKVD are of ethnic Jewish origin above all in the higher leader's ranks, whereas in general and in the proportion to the exaggerated participation with these ideologies, the

Jews always remain a minority. When he [Mr. Kalergi] presented his plan [in 1923] praising himself as communist capitalist Jewish leader, the Bolsheviks had already killed millions of their political enemies, he stated he wants to see unified "gunpowder, gold and ink" in the hands of the "Jewish supreme race", In general this confirms a Jewish thirst of power, as only the anti-Semitic people were recognizing it.

In WW1, Germany and their allies publicly called for peace negotiations with their enemies in 1916, stating no specific conditions or demands, a financially drained France and Great Britain were about to accept this proposal but finally refused. Why? Because in the meantime they received the promise from Rothschild that the US would enter the war, despite President Woodrow Wilson's campaign promise to stay out of it. You got it: the US entering the war is what the UK obtained from the Rothschild's in exchange for the Balfour Declaration. After the usual required false flags aiming at manipulating the American public opinion, compromised President Wilson fulfilled the Rothschild "prophecy", entered the war, defeated the Germans and, unlike the outcome Germans were offering in 1916, huge war compensations were paid here and there to the Rothschild's great joy. After WW1, with the help of assets like Churchill, the Rothschild's actively lobbied the reluctant UK political infrastructure to get the Balfour Declaration to be enforced, in the most detrimental way possible for the local Arab populations. It will only be after WW2, that the Rothschild's, thanks to their new Bretton Woods toolbox, will enjoy the UN Partition Plan for Palestine on Nov 29 1947, which finally led to the Establishment of the State of Israel on May 14, 1948. For justification purposes and to efficiently populate their new playground, the Rothschild Cabal organized the usual false flags and propaganda during and after WW2. DISTURBED - SOUND OF SILENCE

THE SECRET COVENANT (PROTOCOLS OF ZION) An illusion it will be, so large, so vast, it will escape their perception. Those who will see it will be thought of as insane. We will create separate fronts to prevent them from seeing the connection between us. We will behave as if we are not connected to keep the illusion alive. Our goal will be accomplished one drop at a time, so as to never bring suspicion upon ourselves, this will also prevent them from seeing the changes as they occur. We will always stand above the relative field of their experience, for we know the secrets of the absolute. We will work together always and will remain bound by blood and secrecy. Death will come to he who speaks. We will keep their lifespan short and their minds weak while pretending to do the opposite. We will use our knowledge of science and technology in subtle ways so that

they will never see what is happening. We will use soft metals, aging accelerators and sedatives in food and water, also in the air. They will be blanketed in poison everywhere they turn. The soft metals will cause them to lose their minds, We will promise to find a cure from our many fronts, yet we will feed them more poison. The poisons will be absorbed through their skin and mouths, they will destroy their minds and reproductive systems. From all this, their children will be born dead, and we will conceal this information. The poisons will be hidden in everything that surrounds them; in what they drink, eat, breathe, and wear. We must be ingenious in dispensing the poisons for they can see far. We will teach them that the poisons are good with fun images and musical tones. Those they look up to, will help, we will enlist them to push our poisons. They will see our products being used in film, and will grow accustomed to them and will never know their true effect. When they give birth we will inject poisons into the blood of their children and convince them it is for their help. We will start early on, when their minds are young. We will target their children with what children love most, sweet things. When their teeth decay, we will fill them with metals that will kill their mind and steal their future. When their ability to learn has been affected, we will create medicine that will make them sicker, and cause other diseases for which we will create yet more medicine. We will render them docile and weak before us by our power. They will grow depressed, slow, and obese, and when they come to us for help, we will give them more poison. We will focus their attention towards money and material goods so that the many never connect with their inner self. We will distract them with fornication, external pleasures, and games, so that they may never be one with the oneness of it all. Their minds will belong to us and they will do as we say. If they refuse, we shall find ways to implement mind-altering technology into their lives, We will use FEAR as our weapon. We will establish their governments and establish opposites within. We will own both sides. We will always hide our objective but carry out our plan. They will perform the labour for us and we shall prosper from their toil. Our families will never mix with theirs. Our blood must be pure always, for it is the way. We will make them kill each other when it suits us. We will keep them separated from the oneness by dogma and religion. We will control all aspects of their lives and tell them what to think and how. We will guide them kindly and let them think they are guiding themselves. We will foment animosity between them through our factions. When a Light shall shine among them, we shall extinguish it by ridicule, or death, whichever suits us best. But if they ever find out that they are our equal, we shall perish then. **THIS THEY MUST NEVER KNOW.** If they ever find out that together they can vanquish us, they will take action. They must never, ever find out what we have done, for if they do, we shall have no place to run, for

it will be easy to see who we are once the veil has fallen. Our actions will have revealed who we are, and they will hunt us down and no person shall give us shelter. This is the secret covenant by which we shall live the rest of our present and future lives, for this reality will transcend many generations and life spans. This covenant is sealed by blood, our blood. We, the ones who from heaven to earth came. This covenant must NEVER, EVER be known to exist. It must NEVER, EVER be written or spoken of, for if it is, the consciousness it will spawn will release the fury of the PRIME CREATOR upon us and we shall be cast to the depths from whence we came and remain there until the end of time of infinity. EMF - YOUR UNBELIEVABLE

HEBREW TERMS AND TRADITIONS

We are often told things out of the bible that were never said, it did not say god made man, It said let us (being plural which destroys monotheism) in our image, who is us and what is our? In the Jewish traditions and books also we hear the term "Rosh Hashanah" in its current meaning as a Jewish Holiday, and yet it does not appear in the Torah. The Jewish believe that Rosh Hashanah represents either figuratively or literally God's creation ex nihilo.(out of nothing) In Jewish law, there are four major New Years that are observed, each one marking a beginning of sorts. The lunar month Nisan (usually corresponding to the months March–April in the Gregorian calendar) is when a new year is added to the reign of Jewish kings, and it marks the start of the year for the three Jewish pilgrimages. Its injunction is expressly stated in the Hebrew Bible: "This month shall be unto you the beginning of months" (Exo. 12:2). However, ordinary years, Sabbatical years, Jubilees, and dates inscribed on legal deeds and contracts are reckoned differently; such years begin on the first day of the lunar month Tishri (usually corresponding to the months September–October in the Gregorian calendar). The reckoning of Tishri as the beginning of the Jewish year began with the early Egyptians and was preserved by the Hebrew nation, yet again confirming these peoples, books, traditions all came out of Egypt, not Jerusalem. Their injunction is expressly stated in the Hebrew Bible: "Three times in the year you shall keep a feast unto me... the feast of unleavened bread, which is (Passover)... unleavened bread is that which is made without rising agents such as yeast or baking soda. The feast of harvest (Shavuot)... all very Ra and Law of One that, and the feast of ingathering (Sukkot) which is at the departing of the year" (Exo. 23:14–16). "At the departing of the year" implies that the new year begins here, which is October 20th not January 1st.

In Jewish liturgy, Rosh Hashanah leads to Yom Kippur, which is described as "the day of judgment" (Yom ha-Din) and "the day of remembrance" (Yom ha-Zikkaron), Zikkaron. The Hebrew word is "a sacrificial term that brings the offerer into remembrance before God, or brings God into favorable remembrance with the offerer". It refers to something given in time and space, which is the point of reference and contact between man and the Absolute, between man and God—in this case, man's action in the form of a sacrifice, offered in the context of liturgical celebration. There is those two terms again that goes side by side in the Hebrew narrative, god and sacrifice, this is the Kali Ma worship again, whereby humans had to sacrifice their fellow man to god or the Dark Mother, I thought these gods were suppose to be the highest upon high, the almighty, the all knowing, packed with wisdom, yet ask us to sacrifice ourselves? oh my, I think I will do without that type of god, thank you very much. There is more evidence of who their god was, when at Mount Sinai, God made a covenant, sealed in blood, with the people of Israel, by giving the Ten Words, the Law, covenant means to bind, in this case by blood, so god bound the Israelites by blood. It is very important to notice how the covenant text is introduced, it does not start with "thou shalt not," that is, with man's obligations. Rather, it begins with what God has already done: "I am the Lord(who is now was Anu), which have brought thee out of the land of Egypt, out of the house of bondage" (Ex. 20:2). Then follow all the thou-shalt-nots, starting with the First Word, "Thou shalt have no other gods before me." in other words all bow down to Anu, this was a contract to accept a new god that was not source, and the Israelites took the seducement, exactly like the Australian/New Zealand tribes did 16500 years ago. In Hebrew, Yom Kippur means Day of Atonement, it lasts for twenty-five hours, and during this time you can't eat, drink, work, or drive, among other prohibitions. Refraining from these activities symbolically represents a return to the pristine state, in other words this is saying it doesn't matter what the Jewish do all year round, they on Yom Kippur can wipe their slates clean and start again. Some midrashic descriptions depict God as sitting upon a throne, while books containing the deeds of all humanity are opened for review, and each person passes in front of Him for evaluation of his or her deeds. The Talmud provides three central ideas behind the day: Sitting on the throne was Moloch the sacrifice god in both temples, fake god who wasn't even human. This is the origin of the western myth, of some bearded man sitting on a cloud passing judgement on us all, except the Jewish it seems, all of it is a fear program, which sadly pervades throughout society to this day. The Jewish calendar is based on the lunar cycle, it would do it is Lilith and the Dark Mother worship, that these harvesting agents then bound the females of this planet via genetics, to the moon, as the blood female period cycle is the same length as the orbit of the moon. You wonder

why females go off balance every four weeks, or why violence, aggression, crime and werewolves appear on the full moon, there is your answer, people go nutty or into lunatics, luna means moon, tic means parasite. So that the first day of each month originally began with the first sighting of a new moon, the word month originates from original term of moonth. Since the fourth century it has been arranged so that Rosh Hashanah never falls on a Sunday, Wednesday, or Friday

MORMONS AND THE CULT OF RA The Torah or is it To RA, morphed into the Talmud, which then created Christianity, Jesus was NOT a Christian or a member of any church, which then created the Cat-holics, out of that came a Muslim sect, Muslims were cat-holics who wished to go a separate path, all encouraged by The Order as that creates divide and conquer, and the potential for later wars. Also out of cat-holics came protestants, these people are protesting cat-holics, in then came further derivatives like Baptist, Methodist, Episcopal which would be no surprise to hear their headquarters is in New York, and whole heap of other types of religious orders. In then came another group that originated in New York again, and were subsequently thrown out, familiar pattern throughout history that, only to go on an epic trek across the country of America and arrive in Salt Lake City, all eerily reminiscent of the Exodus is it not, you see his story always repeats. The Mormons were pretending to be separate from all others, and a whole new religion until you look deeper, Joseph Smith one of the founders of that cult said, the Book of Mormon was translated from writing on the golden plates in a reformed Egyptian language, translated with the assistance of the Urim and Thummim and seer stones. Urim and Thummim were two unknown objects that were worn on the breastplate of Jewish high priests, it's the dark priesthood class again, both the special spectacles and the seer stone, were at times referred to as the "Urim and Thummim". He said an angel (more likely a demon) first showed him the location of the plates in 1823, buried in a nearby hill, but he was not allowed to take the plates until 1827. Smith began dictating the text of The Book of Mormon around the fall of 1827 until the summer of 1828, when suddenly 116 pages were lost, said to have been lost by Martin Harris who incidentally was born in New York, oh dear. A common theme throughout biblical scriptures is it not? shit goes missing, or created fires, no they removed it to cover stuff up, and stop people finding out what this was really all about. Translation began again in April 1829 and finished in June 1829, saying that he translated it "by the gift and power of God". Oliver Cowdery acted as scribe for the majority of the translation, during Smith's supposed possession, very few people were allowed to "witness" the plates, after the translation was completed, Smith said the plates were returned to the angel, oh dear and people fell

for this bullshittery, created a mini empire out of a group of Egyptian plates, hardly anyone saw and no one can verify, that was received and returned to an angel, what type of drivel is that.

The book described itself as a chronicle of an early Israelite diaspora, integrating with the pre-existing indigenous peoples of the Americas, written by a people called the Nephites. The Nephites are one of four groups along with the Lamanites, Jaredites, and Mulekites, to be described in the Book of Mormon as having settled in the ancient Americas. Lamanites described as one small tribe among many in the ancient Americas, a tribe that intermarried with indigenous Native Americans, in other words were not native, a tribe that descended with modern Asians from common nomadic ancestry. Lamanites are described as having received a "skin of blackness" to distinguish them from the Nephites. This description when I found it blew my mind, as it essentially proves what I have said all along, the term Indians, comes not from America, but the exodus people thrown out of the Garden of Eden in India, who intermarried with the Natives of America, Indians or to use the correct term Lamanites, went across the land bridge into Alaska and down into modern day America. Mulek was the son of Zedek, where the origin of Melchizedek, Melchi means my king, Zedek was the King of Salem. According to The Book of Mormon, Lehi's family left Jerusalem at the urging of God c. 600 BC, and later sailed to the Americas c. 589 BC. The Nephites are described as descendants of Nephi, the fourth son of the prophet Lehi, the Nephites are portrayed as having a belief in Christ hundreds of years before his birth. Historical accuracy and veracity of the Book of Mormon was and continues to be hotly contested, no archaeological, linguistic, or other evidence of the use of Egyptian writing in ancient America has been discovered. To avoid confrontation with New York residents, the members moved to Kirtland, Ohio, and hoped to establish a permanent New Jerusalem or City of Zion in Jackson County, Missouri. However, they were expelled from Jackson County in 1833, and fled to other parts of Missouri in 1838, Joseph Smith taught that the Indigenous peoples of the Americas were members of some of the Lost Tribes of Israel, indeed they were the Kali ma worshippers out of India, not the country Israel, which never existed until 1948. Later, he taught that Mormons were Israelites, and that they may learn of their tribal affiliation within the twelve Israelite tribes. The Mormon affinity for Judaism is expressed by the many references to Judaism in the Mormon liturgy. For example, Smith named the largest Mormon settlement he founded Nauvoo, which means "to be beautiful" in Hebrew. Brigham Young named a tributary of the Great Salt Lake the "Jordan River", as stated in FRWL 4 it is where the so called exodus ended in Jordan and was called Ammon, as in Amun Ra, modern day city

is now called Amman. Another name for Horus is Jor, add in Dan and the tribal reference tribes of Dan, and there you have another distortion of names and history, Jor Dan. The LDS Church created a writing scheme called the Deseret Alphabet, which was based, in part, on Hebrew. The LDS Church has a Jerusalem Center in Israel, where students focus their study on Near Eastern history, culture, language, and the Bible. Other connections between Mormons and the cult of Ra is their chronic abuse of children, they can deny their rampant sexual abuse all they like to outsiders, but this person knows different. Having spoken with quite a few within that community. It is not just a case they share wives, remember the state of Utah was delayed as becoming part of the States, do to their sexual infidelity, but they share their children around in sex parties, within the community. Then we have their obsession with gold, Mormons have the largest holding of gold in America, a fair proportion of which came out of The Grand Canyon due to underground connections also prevalent in that community, hello Dugway. Joseph Smith, Hiram Smith, and Brigham Young. They were all high-degree Freemasons and from the Merovingian (Anunaki) bloodline. DIO - EGYPT

WORD MAGIC HEBREW TRANSLATED A picture appeared recently on the page back in 1919 just after the end of world war 1, and someone decided to build a monument there out of German helmets in New York, what shape was it built in? American flag? a bald eagle? something else symbolizing America? NO! A pyramid, of all the shapes it had to be a pyramid, and this is what I have been saying they have taken over the whole of the western world with this Egyptian cult. Israel, Israelite and Jews are it's front sleight of hand move, people blame Jews and Israel, when this is an Egyptian cult expansion.

Salt lake city is built around the temple, anything with the word temple in it is referencing Egypt, RA and Solomon. Who controls finance? Temple bar section of the City of baby London, this is the center of The Crown who is nothing to do with the Queen or Royalty. We are specifically referencing the established Templar Church, known for centuries by the world as the "Crown." The Crown also known as the Crown Temple or Crown Templar, all three being synonymous. King James who wrote the modern day bible replete with letters J in 1611 was a Crown Templar. The Temple Church was built by the Knights Templar in two parts: the Round and the Chancel. The Round Church was consecrated in 1185 and modeled after the circular Church of the Holy Sepulchre in Jerusalem. The Chancel was built in 1240, from the hymn and was Jerusalem builded here, in Englands green and pleasant land, makes more sense now. The Temple Church serves both the Inner and Middle Temples, and is located between Fleet

Street (which houses the UK media, no surprise there) and Victoria Embankment at the Thames River, its grounds also house the Crown Offices at Crown Office Row. This Temple "Church" is outside any Canonical jurisdiction, the Master of the Temple is appointed and takes his place by sealed (non-public) patent, without induction or institution. The present Queen of England is not the "Crown," as we have all been led to believe, rather, it is the Bankers and Attorneys who are the actual Crown or Crown Temple. The Monarch aristocrats of England have not been ruling sovereigns since the reign of King John, circa 1215. All royal sovereignty of the old British Crown since that time has passed to the Crown Temple in Chancery, and yet some people think the Magna Carta signed by King John is of benefit to the peoples, no he signed over everything to the Egyptian/Israelite cult is what he did. It was the knights of the Temple of Solomon who pushed King John to sign off on the Magna Carta. Who controls all legal aspects, the Temple BAR again, called British Accreditation Registry, of which all Americans are still subject to British Law and rule, as that Independence day you just celebrated is 100% fake. Bar - means to fasten, block, prevent, used in a gate, what is at the entrance of the Temple Bar in London? a gate, the Queen of England requires permission to enter this region. Bar became a body of lawyers in 1600's, bar is also in a courtroom it is the rail separating the judge, he is then approached by a bar - rister. Then we have the mark of the beast known as the bar code, the term debar, which means to exclude, In essence we are barred from them and their inner control system is what they are saying. Unless you are a high ranking member of the Freemasons and their worship of all things Egyptian, masked into modern day Hebrewism. Even their symbol of the justice scales placed everywhere legal, is again a reference to Thoth, Egypt and the cult of Ra. Bar Mitzvah, mitzvah means commandment, he commanded to be bound. Hallelujah means to praise or hail Jehovah/Yahweh Buelah means married woman, buelah is the feminine past participle of baal (he married) which means all women are married under contract to Ba'al. Culture is a harvesting term, the origin was preparing the crops, yet to be harvested, humans to some are considered as crops to be harvested, still think your "culture" is to be proud of? Bel is another derivative of Baal, like the festival Beltane, Bel is Baal and tane is fire, remember the fire pit in the temple of Solomon? that is what you are celebrating, child sacrifice, all dance like prats around the may pole now. Layla you got me on me knees famous song by Clapton, except Laylah is a tribute to Lilith, layla means night and the moon. Another line in the song is before I finally go insane aka lunatic luna being the operative word. Supposedly the song was written based on a Persian poem in 500's. a love story involving a non consummation narrative, of course Lilith is known as Adam's first wife compared to Eve. Jericho comes from yareakh, which means moon or month,

month derives from the word moon, and Jericho is relayed as an old moon cult (lilith again) The origin of the word Holocaust and it's meaning in the 13th Century, was sacrificed by fire and burnt offering, what was the brazen altar called in Solomon's temple that sacrificed children to Moloch? the altar of burnt offerings.

It was not until 1957 was it referenced by that name for what happened in the concentration camps. Covenant an agreement or contract that is bound, what is the Hebrew word for it? Testament, why would a so called gods book old or new be a contract to bind to? Ethnic, the original meaning was pagan or heathen, which is a term used to describe non Hebrew and its derivative Christian, comes from the Greek word ta ethne, which translates in Hebrew as goyim. Ethnic cleansing makes much more sense now doesn't it. Baptized was originally pronounced bapa tized bapa means father, tized means To make definite: contractual changes that have been definitized or in other words bound to the father who is the lord Anu or Ba'al, owned by in essence. Tetragrammaton the Hebrew name of God transliterated in four letters as YHWH or JHVH and articulated as Yahweh or Jehovah, Tetra means 4, gramm means letters and their real hidden god out of Egypt again, ATON so it started off as 4 letters yhwh so how did that morph into Yahweh or Jehovah? Here is why. The Masoretes were groups of Jewish scribe-scholars who worked between the 6th and 10th centuries CE, based primarily in early medieval Palestine in the cities of Tiberias and Jerusalem, as well as in Iraq (Babylonia). Each group compiled a system of pronunciation and grammatical guides in the form of diacritical notes (niqqud) on the external form of the biblical text in an attempt to standardize the pronunciation, paragraph and verse divisions and cantillation of the Jewish Bible, the Tanakh, for the worldwide Jewish community. One of the frequent cases was the tetragrammaton, which according to later Jewish practices should not be pronounced, but only read as "Adonai" ("My Lord"), there is Anu again, or, if the previous or next word already was Adonai, as "Elohim" ("God"). The combination produces non-words that would spell "Yehovah" and "Yehovih" respectively.

According to tradition, the truths of the Kabbalah were known to Adam. "What his mind held, no mind since has been able to conceive", indeed he was not one of us is why, Adam was their creation, not ours, after another reset of humanity. Yet he was able to transmit a glimmer of this knowledge to a few of the great souls that descended from him, such as Hanoch and Methuselah. They were the grand masters (templar reference again) who taught Noah, who in turn taught his own students, including Abraham. Abraham studied in the academy of Noah's son, Shem, and sent his son Isaac to study

there after him. Isaac in turn sent his son Jacob to study with Shem and with Shem's great-grandson, Eber. Kabbalah is the book of demons and incantations, stated to be the tree of life and the Merkabah, but actually is the tree of death, and Da'ath. One of the secret signs of Kabbalah is to get your index and middle finger and join them together, the ring finger and little finger and do the same, then separate between middle and ring fingers, with 2 fingers either side still joined together, and you have the popular Vulcan sign done in Star Trek by Mr. Spock, oh dear, it is all in your face when you find out the real truth. We are told these well known names in the bible and the scriptures were all human, they were not, lets look at how long they lived during their time here, Adam who was cast out into the wilderness we are told, seemed to do rather well for himself in the so called wilderness, as Adam lived to 930, Methuselah son of Enoch, the grandson of Noah lived to 969, Noah himself lived for 950 years, Abraham lived to 175, Noah's son Shem lived to 600 years, Shem's son Isaac lived to 180, Isaacs son Jacob lived to 147, Shem's great-grandson, Eber lived for 464 years. You have to ask yourself with open mind here, why were they living to 6-900 years plus and we are lucky to live to 80? Something is seriously amiss here with critical thinking not mired in religiosity, his story has lied through it's teeth at us, with their bullshit story, of gods chosen ones, people living to 900, bushes spontaneously going on fire and then worse talking to you, god drops off the laws sealed in blood on a mountain in a blaze of fire and smoke, talking snakes in the Garden of Eden, god creating plagues, famine and deluges, Moses darkening the skies for three days, the parting of the ocean to let good guys across and then closing it up for bad guys, walking on water the list goes on, and they call us conspiracy theorists? This is beyond madness, and as stated previously religion was created by the fake gods as an experiment, to take humans further away from source, and our own inner connection to it, make it all external, pray to the sky for the messiah or the gods to return, which the people all bought into, whilst they laughed at us hysterically.

DURAN DURAN - ORDINARY WORLD

THE RISE OF ZIONISM Zionism was established with the political goal of creating a Jewish state in order to create a nation where Jews could be the majority, rather than the minority which they were in a variety of nations in the Diaspora. The word is taken from the hill of Zion, which was not in Jerusalem until recent their expansionism program, but if that expansionism is left unchecked, it will go from the Nile to India. Theodor Herzl, was the founder and father of Zionism, he considered Anti Semitism to be an eternal feature of all societies in which Jews lived as minorities, and that only a separation could allow Jews to escape eternal persecution. Negating the facts they have caused strife in

every country, anywhere where a larger number of them congregate, 106 countries in 2000 would suggest they are part of the problem. "Let them give us sovereignty over a piece of the Earth's surface, just sufficient for the needs of our people, then we will do the rest!" he proclaimed exposing his plan, yes and given past history, once they arrive there, they takeover other pieces of land, which directly leads to people turning against them. Herzl proposed two possible destinations to colonize, Argentina and Palestine. He preferred Argentina for its vast and sparsely populated territory and temperate climate, but conceded that Palestine would have greater attraction because of the historic ties of Jews with that area. He also accepted to evaluate Joseph Chamberlain's proposal for possible Jewish settlement in Great Britain's East African colonies, namely Uganda. In the 17th century Sabbatai Zevi (1626–1676) announced himself as the Messiah and gained many Jews to his side, forming a base in Salonika Greece, you will not be surprised to know this city was destroyed in a fire back in 1917, funny how whole cities just spontaneously burn down at different epochs of time, isn't it. False flags as they are called goes back much further in time, the term false flag is kind of curious term is it not? The modern term is that a false flag is a covert operation designed to deceive, but it originated as something completely different and is indicative, because originally referred to pirate ships, that flew flags of countries as a disguise to prevent their victims from fleeing or preparing for battle. Sometimes the flag would remain, and the blame for the attack be laid incorrectly on another country, oh my the implications behind that is far reaching. Herzl first tried to establish a settlement in Gaza, but moved later to Smyrna in Turkey, after deposing the old rabbi Aaron Lapapa in the spring of 1666, in the Jewish community of Avignon, France was prepared to emigrate to the new kingdom. Ah 1666 date comes up again, when the establishment set fire to the whole of London and launched Cestue Que Vie Act whilst the carnage was ensuing, bit like Patriot Act following 9/11. The readiness of the Jews of the time to believe the messianic claims of Sabbatai Zevi, may be largely explained by the desperate state of Central European Jewry in the mid-17th century. The bloody pogroms of Bohdan Khmelnytsky (modern day Ukraine, latterly Polish, Lithuanian) had wiped out one-third of the Jewish population, and destroyed many centers of Jewish learning and communal life, I would suspect these were descendants of the Genghis Khan(Cohen) tribe that attacked Russia 400 years earlier. In the 19th century, a current surge in Judaism supporting a return to Zion grew in popularity, particularly in Europe, where anti-Semitism and hostility toward Jews was growing. The idea of returning to Palestine was rejected by the conferences of rabbis held in that epoch, but individual efforts supported the emigration of groups of Jews to Palestine, pre-Zionist Aliyah, even before 1897, the year considered as the start of

practical Zionism. The Reformed Jews rejected this idea of a return to Zion, at the conference of rabbis, in Frankfurt am Main, July 15–28, 1845, they deleted from the ritual, all prayers for a return to Zion, and a restoration of a Jewish state. Interesting term they use for their service, ritual given what we know happens in the rituals of the past, and also proves there was a substantial political Jewish element established in Germany, one hundred years before Hitler, who like in France were wielding political power over the host country. From Germany the theater switched to America, at The Philadelphia Conference, 1869, followed the lead of the German rabbis, and decreed that the Messianic hope of Israel is "the union of all the children of God in the confession of the unity of God". The Pittsburgh Conference, 1885, reiterated this Messianic idea of reformed Judaism, expressing in a resolution that "we consider ourselves no longer a nation, but a religious community; and we therefore expect neither a return to Palestine, nor a sacrificial worship under the sons of Aaron, nor the restoration of any of the laws concerning a Jewish state". That type of rhetoric clearly didn't please, or was replicated by the Zionist elites. Moral but not practical efforts were made in Prague to organize a Jewish emigration, by Abraham Benisch and Moritz Steinschneider in 1835. In the United States, Mordecai Noah attempted to establish a Jewish refuge opposite Buffalo, New York on Grand Isle, 1825, these early Jewish nation building efforts of Cresson, Benisch, Steinschneider and Noah all failed. Interesting name Mordecai as it features in Jewish culture and Hebrew bible, Mordecai resided in Iran and he adopted his cousin and brought her up as his own daughter, she was Esther, and is popular reading within the Jewish community, but lets look more closely at the name Mordecai and it's meaning, In Hebrew the meaning of the name Mordecai is: Warrior, follower and worshipper of Marduk. In the 1890s, Theodor Herzl infused Zionism with a new ideology and practical urgency, and so the change began, leading to the First Zionist Congress at Basel in 1897, which created the World Zionist Organization (WZO), ah Switzerland again host a major organization or body, the neutral Swiss, my arse. The Russian Empire, with its long record of state-organized genocide and ethnic cleansing ("pogroms"), was widely regarded as the historic enemy of the Jewish people, I am not surprised they totally genocided them several times throughout history, infact Russia over time has been attacked more than any other country, seems only one country or peoples is allowed to play the victim here. The Zionist movement's headquarters was located in Berlin, as many of its leaders were German Jews who spoke German, and given Russia's anti-Semitism at the start of World War I, most Jews (and Zionists) supported Germany in its war with Russia, yes setting the Germans up nicely for the fall. This proves two things, the Jewish Zionist establishment was wielding power, and where playing both sides of

the war, with the goal to destroy the white race again, people can deny it all they like, but the evidence in this series, is beyond overwhelming. This also supports the piece in FRWL 4 whereby I put forward the Germans were duped, and the SS was in two factions altogether. In 1903, British Colonial Secretary Joseph Chamberlain offered Herzl 5,000 square miles in the Uganda Protectorate for Jewish settlement, called the Uganda Scheme, it was introduced the same year, to the World Zionist Organization's Congress at its sixth meeting, where a fierce debate ensued. Some groups felt that accepting the scheme would make it more difficult to establish a Jewish state in Palestine, the African land was described as an "ante-chamber to the Holy Land". Lobbying by Russian Jewish immigrant Chaim Weizmann together with fear that American Jews, would encourage the USA to support Germany in the war against communist Russia, culminated in the British government's Balfour Declaration of 1917. As you can see they were playing Americans, Germans and the Brits throughout this whole episode, with Rothschild's and other banker buddies playing a lead role at this time. Here is something his story fails to get across or mention, and could be a key piece as to why, things got real ugly for some of the Jewish people in Germany, all orchestrated by people who don't give a rats arse about their plight, and just use them to insert them into places to cause mayhem. In 1927, Ukrainian Jew Yitzhak Lamdan, wrote an epic poem titled Masada to reflect the plight of the Jews, calling for a "last stand". Upon the German adoption of the swastika, which funny enough there is around 50 swastika imprint on the ground, like the Nazca Lines in the middle of Russia, dating back thousands of years. Theodore Newman Kaufman, bent on provoking a race war and eliminating his perception of "inbred Germanism", published Germany Must Perish! Anti-German articles, such as the Daily Express calling for an "Anti-Nazi boycott", in response to German anti-Semitism were published prior to Adolf Hitler's rise. This has given birth to the conspiracy theory it is stated, that the Jews themselves started the holocaust, ah the conspiracy theory always pops up when a narrative makes more sense, than their official story. But think about for a second, if a load of Hispanics rose up in America and said death to Americans and called them all inbreeds, you would expect some sort of backlash would you not? Just like the agency paid actors going around America and Canada demanding Sharia Law, it generates a response of hatred, it's problem, reaction and solution tactics again. This is something the Jewish people have chronically overlooked in any sort of critical thinking way, that oversight has cost them many of their peoples, orchestrated by leading elites of their own so called people, they need to act, the people will support them over time, when we all realize we have a common enemy. With the German invasion of Russia in 1941, Stalin reversed his long-standing opposition to Zionism, and tried to mobilize worldwide Jewish

support for the Soviet war effort, his public stance was fake, he was a Zionist all along, with Lenin and Marx. A Jewish Anti-Fascist Committee was set up in Moscow, after many thousands of Jewish refugees fled the Nazis and entered the Soviet Union during the war, where they reinvigorated Jewish religious activities and opened new synagogues, oblivious to the fact that, that country or it's people may not like that on their soil. Revisionist Zionists, led by Ze'ev Jabotinsky, Jabotinsky believed that, Zionism is a colonizing adventure, and it therefore stands or falls by the question of armed force. It is important to build, it is important to speak Hebrew, but, unfortunately, it is even more important to be able to shoot—or else I am through with playing at colonization, again overlooking the fact that it is their own people getting killed, because of these psychopath policies. He went on to say and confirms what was put out in parts 1 and 2 of this series with this comment, although the Jews originated in the East, (yes India) they belonged to the West culturally, morally, and spiritually. Zionism was conceived by Jabotinsky not as the return of the Jews to their spiritual homeland, but as an offshoot or implant of Western civilization in the East. But with sycophants like this, they were never going to belong to anywhere, and this is what the Jewish peoples have to grasp, you have been shunted around the world, based on a fake story in a fake book, written by these very clowns, not by god, Jesus or Jehovah, pushed into countries at alarming rates, and once they arrive there in sufficient numbers, the subversion of the locals policies and cultures, ensured your stay there was never pleasant and rarely elongated.

LEONARD COHEN - FIRST WE TAKE MANHATTAN

NEW YORK AND IT'S ROLE IN THE CULT And so it was to pass that the 4th Reich was to be in America, and one city in particular, which I have referenced several times in recent shows, all the elites and their programs, all born in New York and born to Jewish parents. Like Jerry Epstein, from the Facebook to Disney CEO's, Nxiom, to the bankers to the UN, The Fed, Wall Street, Vanderbilts and Koch brothers both Dutch signifying New York's past as New Amsterdam, Rockefeller's, Lehman's, Kuhn Loeb, Citadel, Hillary Clinton, a whole range of bloodline families, the mafia all in one city, which has been dubbed Jew York. A place that for me personally would be the last place I would visit in America. Remember it was this same city that brought in the slaves from around the world, the same city that brought us Ellis Island and all the horrors of that, and the lesser known Castle Garden which was a fort, the same region that brought us Long Island and Montauk, MK Ultra and the heinous Nazi experiments there, I will repeat again most Nazis were not German, Nazi is National Zionism, the same people who

created Communism. Long Island was also the site of the plasma weapons that Cobra still burbles on about, but that was dealt with back in 2014, around the same time GHW Bush died incidentally. Not forgetting America's darkest day in history, and when the media conspiracy theory ends and they tell the full truth of that day, more people will understand this series, because it lays it all out, throughout history that lead up to that fateful day, which was another sacrifice offering to their fake gods. On 9/11 the twin towers went from Joachim and Boaz to Osiris symbolism, with the light in the sky, only thing missing is the Batman symbol, their is a reason why it is called Gotham. But to denigrate all New Yorkers because of these few cultists, is as stupid as blaming all Germans for Nazism.

Like I have said previously there was two SS and their modus operandi were distinctly different, suggesting in FRWL 4 some leading Germans were duped, don't believe that yet? perhaps this next sentence might raise some concerns and eyebrows. The song that the Hitler Youth sang, was a German folk song called 'Tomorrow Belongs to Me' that predates the Nazi era, it was adapted and slightly altered for the musical Cabaret in 1966. It was actually written by two Jews, Fred Ebb and John Kander, you can't make this shit up, Fred Ebb born in New York, born to Jewish parents, John Kander born in Missouri, born to Jewish parents. In 1880's also began the rise of New York becoming the new center of the Cult of Ra, and the transfer of Cleopatra's needle, which is an obelisk, symbolizing the penis of Osiris, It was Osiris who taught the humans how to make beer, entrapping them to the spirit world, where the demons awaited with bated breath. The penis of Osiris which was missing after Set (god of Saturn-satan) chopped him to pieces, in another of those family wars the "gods" are now famous for, like Cain and Abel, Anu and Alulu (the real king of the Draco) and also Marduk who was exiled by Anu has when they split up Midgard into 5 regions, he didn't get the prized region, which is now the Middle East, replete with the spaceports. Obelisk literally means Ba'al's shaft, Ba'al remember like Moses and RA is a title, not a person per se. The obelisk is symbolic of the penis, and why the tallest one here in America, all of 555ft is facing the Oval office in DC, the Oval Office is symbolizing the vagina. You can guarantee it is placed very carefully, so the shadow of the penis at a certain date will enter the Oval office, the vagina at some point, this is how these people think and act, all hidden in plain sight, the vast majority of which people cannot see right in front of them. In From Russia with love 3 we discussed Cleopatra, Alexandre and they were the links of the real exodus out of Egypt into the Houses of Europe, which then set the stage using largely the Dutch House first to conquer America, via the Vanderbilts, remember New York was New Amsterdam

previously, all ran by the Dutch East and West Indies company, which predates the British one by 60 years. Cleopatra's needle was situated in Alexandria, and had resided there for nearly 3000 years, and was then transported from Egypt to New York in June 1880, and was erected (pardon the pun) in Central Park in February 1881. Essentially and symbolically this represented the planting of the seed, the new foundations were set, the equivalent of planting a flag, most of which are false anyway, Stars and Stripes was modeled by a Brit and represented The Crown and it's colonies, anchoring of their New World Order phallic symbol. Stating with this penis we hereby declare we are about to metaphorically fuck a new whole set of peoples, having done so everywhere else, the fact that it was placed in a park by the name of Central, should not be lost on the listener either, it is not a coincidence. The ceremony was conducted to assemble it, predictably by one group, as it is they who spread their cult via secrecy, the Freemasons. Jesse B. Anthony, Grand Master of Masons in the State of New York, presided as the cornerstone for the obelisk, was laid in place with full Masonic ceremony on 2 October 1880. Over 9,000 Masons paraded up Fifth Avenue from 14th Street to 82nd Street, and it was estimated that over 50,000 spectators lined the parade route. Just like the corner stone in the Mecca cube is symbolic, this freemasonic ritual is the same thing, Mecca is linked to the gods on Sirius B and no they are not good far from it, it is laying the foundations and stamping it's authority over that region, and quite frankly New York was never the same again. It says it all in the scriptures 1 Peter 2:6-8 6 For in Scripture it says: See, I lay a stone in Zion, a chosen and precious cornerstone, and the one who trusts in him will never be put to shame. New York was designated as the new Zion, protocols and all, the meaning of protocol in one form is diplomatic rules of etiquette, this in layman's terms mean we are going to tell you what we are doing, not our fault your too stupid to see it. With the reductionism in knowledge and the secrecy within hidden fraternal brotherhoods, the symbolism and deliverance of messages uttered by the Protocols of Zion, add in the message from Israel Cohen, was lost to many outside of the inner circle. Why do you think it was the final chapter of the takeover of the world, by these Cult of Ra dark magicians. Lets look at the hieroglyph translations of one side of the needle to get some greater clarity of what this all entails for us. The crowned Horus, tall with the Southern Crown loving Ra. The king of Upper and lower Egypt, Men-Kheper-Ra (Thutmosis III) (signifying that Thut the third was latest version of Moses, which is a title.) The golden Horus content with victory, who smiteth the rulers of the nations, hundreds of thousands, in as much as father Ra. Hath ordered unto him, victory against every land. Gathered together, the valor of the scimitar, in the palm of his hands, to broaden the bounds of Egypt. Son of the Sun (Thutmosis III) who giveth all life forever.

Horus who killed hundreds of thousands like his father Ra, ordered victory of every land, to broaden the bounds of Egypt. This is what this series has been telling you, and it is all there in Central Park, New York telling us all they intend to takeover every land, this is why so much bad comes out of that one city. The parade organized by the Jewish order in 1919 again in New York, was a float made out of German helmets around 30 feet high, in the shape of a pyramid, all Egypt references again. The cornerstone of the New World Order declared in America in 1776, with New York the center of it, aided by Switzerland, Holland, Britain and the Vatican, and the false country named isRAel. Having delved deeper into this cult a new name emerges, conjures up thinking patterns of the term and meaning of hive minded, given their occult magic background, that name is The Hivites. I have named them the cult of RA, but it appears this is their hidden name, of course they have many other names Freemasons, Roman Cat holic, Muslim Brotherhood, CIA, Khazarian, Ashkenazi, Illuminati, Mormon, Scientologist, Isis, Antifa, KKK, Democrat, Luciferian, deep state or shadow govt. But this is who they are known as in private.

This cult has been on a rampaging path of desecrating all things white, all things Rus and all things Aryan, using the black and Jewish race as their guinea pigs to push racial division, create a new history that the whites were responsible for slavery, as FRWL 4 proved. In the last one hundred years they all but killed most of the Rus in Russia, then set about creating their next stage of operation, the country of Germany was used as a vehicle in WW2, creating the division of Aryans peoples between Russia and Germany, add in Poland, the now Baltic States and all the Slavic countries and it turned into a bloodbath. This led to the creation of the state of Israel and then onto America, after the end of the war via Project Paperclip and Nazis, which is National Zionism, not German at all, but the Kali Ma/Israelite/Cult of RA peoples. Like I have intimated there were two plots running side by side in Germany before and during WW2, the Jews were being persecuted we are told, but then another piece tells us they were supporting Germany during the war. Why would these said peoples be supporting the country who has allegedly harassing them and then genociding them? Why if everything is Jewish and Israel do they have a obsession with all things Egypt? because they are from that region is why, having been throwing out of the Garden of Eden in India. IRON MAIDEN - 666

THE ROLE OF AIPAC AIPAC is a lobbying group that advocates pro-Israel policies to the Congress and Executive Branch of the United States, described as a group and organization that supports and promotes the interests of Zionism in the United States. One of several pro-Israel lobbying organizations in the United States, AIPAC states that

it has more than 100,000 members, seventeen regional offices, and "a vast pool of donors". The group does not raise funds for political candidates itself, but its members raise money for candidates through political action committees AIPAC helped establish and by other means, in other words backdoor dealings. Its critics have stated it acts as an agent of the Israeli government with a "stranglehold" on the United States Congress with its power and influence, the group has been accused of being strongly allied with the Likud party of Israel. AIPAC has won support from an overwhelming majority of Republican Jews, while J Street is presenting itself as an alternative for Democrats who have grown uncomfortable with both Netanyahu's policies and the conservatives' flocking to AIPAC, the classic case of playing both sides. AIPAC came into existence in 1951, It was established at that time because Israel needed American economic assistance, to enable her to absorb the huge influx of refugees who poured into the country soon after statehood. Yet again America became the cash cow and the financial heist, imposed by the same Zionists under the Federal Reserve, continued to loot this country, the question is why was Americans paying for it when it is a British Crown colony? to date that country has received \$109B in direct US aid, and billions more in indirect aid. The founder was Isaiah Leo "Si" Kenen, who was a Canadian journalist, Until 1951, Isaiah Kenen was a registered foreign agent for the Israeli Ministry of Foreign Affairs' "Israel Office of Information" according to Department of Justice documents, The Justice Department's Foreign Agents Registration Act section ordered Kenen to continue registering as a foreign agent for Israel if he continued lobbying on its behalf. Kenen never complied with the order, but instead began working on public relations for the American Zionist Council. This shows you how much sway they have, where they can blatant ignore the laws of the country, and openly defy the Department of Justice. In 2005, Lawrence Franklin, a Pentagon analyst pleaded guilty to espionage charges of passing US government secrets to AIPAC policy director Steven Rosen and AIPAC senior Iran analyst Keith Weissman, in what is known as the AIPAC espionage scandal. Rosen and Weissman were later fired by AIPAC. In 2009, charges against the former AIPAC employees were dropped. These Pentagon-approved meetings were brokered by neoconservative Michael Ledeen of the American Enterprise Institute, who had also played a part in Iran-Contra, and is said to have taken place in Paris in June 2003, Michael and his wife Barbara were also involved in the Mueller investigation with General Flynn, time moves on but the same players run the games. The government has only twice brought Espionage Act charges against non-government third parties, the Aipac one just described and the Ellsberg and Russo whose parents were Jewish, the judge dismissed the latter case also, the judge said the FBI had lost the papers, and during

the trial the judge was offered the post of FBI director by John Ehrlichman whose father was also Jewish. Like the current ongoing investigations anything that relates back to Israel or supporters of the Zionists, gets squashed, or papers and now emails go missing, and yet again involving the FBI. As of early 2019, AIPAC had 17 regional and satellite offices, a new headquarters building near the Capitol and in 2016 an annual budget sufficient to provide its chief executive, Howard Kohr, with more than \$1 million in salary and benefits. AIPAC spent \$3.5 million in lobbying in 2018, a relatively large sum in the realm of foreign policy, which was more than 10 times the other Israeli lobbyist J-Streets. Thomas Dine developed a network to influence every member of congress. The "vital core" of AIPAC membership—American Jews, While it would be illegal for AIPAC to raise money for political campaigns, or to donate to candidates. Despite that It is well known that AIPAC unofficially orchestrates campaign contributions, by bringing together candidates it favors with large donors and bundlers, and through a network of political action committees, such as NORPAC, whose primary mission is to raise money for, and to donate to political campaigns of, favored politicians. Sheryl Gay Stolberg calls the system of "key contacts" AIPAC's "secret" and quotes activist Tom Dine as saying, that AIPAC's office can call on "five to 15" key contacts for every senator including "standoffish" ones. Carefully curated trips to Israel for legislators and other opinion-makers, all expenses paid for by AIPAC's charitable arm, In 2005 alone, more than 100 members of Congress visited Israel, some multiple times. At colleges, it provides "political leadership training" to undergraduate student groups. This is an effort to "build a stronger pro-Israel movement among students on and off campuses nationwide". American assistance to Israel serves vital U.S. national security interests and advances critical U.S. foreign policy goals." The military hardware Israel must purchase, to face the increased threat of terrorism and Islamist radicalism is increasingly expensive due to the recent spike in petroleum prices, which have enabled countries such as Iran to augment their military budgets, according to Kohr. Of course negating to mention Netanyahu along with Bushes and other rogue elements are all in on the act of stealing the oil, so this nonsense of escalated oil prices, is pure distortion of the facts, and like America and Britain who benefit from the cheap or in some cases free oil, none of it is passed onto the peoples of that country. AIPAC has described as "a major force in shaping United States policy in the Middle East" that is able to push numerous bills through Congress. "Typically", these "pass by unanimous votes". A House of Representatives resolution condemning the UN Goldstone Report on human rights violations by Israel in Gaza, for example, passed 344 to 36 in 2009. One critic, former Congressman Brian Baird, who said he "had admired Israel since I was a kid", but

became alienated from AIPAC, complained that "When key votes are cast, the question on the House floor, troublingly, is often not, 'What is the right thing to do for the United States of America?', but 'How is AIPAC going to score this?'" He cited a 2009 House resolution he opposed condemning the Goldstone Report on civilian deaths. "When we had the vote, I said, 'We have member after member coming to the floor to vote on a resolution they've never read, about a report they've never seen, in a place they've never been.'" Baird worries that AIPAC members and supporters believe that they're "supporting Israel" when they are "actually backing policies" such as the killing of civilians in Gaza. AIPAC has been criticized as being unrepresentative of American Jews who support Israel, and supportive only of right-wing Israeli policy and viewpoints. A PEW center poll found that only 38% of American Jews believe that the Israeli government is sincerely pursuing peace; 44% believe that the construction of new settlements damages Israel's national security. Pleased to see those figures as the Jewish people have to recognize, these Zionists are nothing to do with Jewish people or the fake State they created. In 1992, AIPAC president David Steiner was forced to resign, after he was recorded boasting about his political influence in obtaining aid for Israel. Steiner also claimed that he had met with (then Bush U.S. Secretary of State) Jim Baker and I cut a deal with him, I got, besides the \$3 billion, you know they're looking for the Jewish votes, and I'll tell him whatever he wants to hear ... Besides the \$10 billion in loan guarantees which was a fabulous thing, \$3 billion in foreign, in military aid, and I got almost a billion dollars in other goodies that people don't even know about. Steiner also claimed to be "negotiating" with the incoming Clinton administration, over who Clinton would appoint as Secretary of State and Secretary of the National Security Agency. Steiner stated that AIPAC had "a dozen people in [the Clinton] campaign, in the headquarters... in Little Rock, and they're all going to get big jobs". Steiner left and set up a summer school internment program, I wonder if he is a descendant of Rudolph Steiner? People can shout anti Semitist all they like at this series, right through it I have warned and supported the Jewish peoples, as they are being used as patsies in this insidious game. Just how is AIPAC or J Street allowed to prosper on our soil, infringe on the law, dictate policy, threaten and harass politicians, dictate when America goes to war, out of 5.3M Jewish people in 2017, only 10k are participating in the military, and a fair few of them are no doubt in high ranking positions, that doesn't require them to participate in the fighting. Allowed to decide Middle East policy also, which has been disastrous for America as a nation, inserted into the FBI, CIA, DHS and NSA and destroying many peoples lives via war, costing people jobs and also harvesting America of it's finances. Never underestimate the role of AIPAC and cohorts in what is and has gone wrong in this

country, and the main reason why the country and the people in America are now universally mistrusted, and in some countries hated upon. This Zionist filth has to be addressed, these entities are anti human, they care not for anyone but a select few of themselves. They have rape, murdered, pillaged and sacrificed wherever they have gone, uprooted peoples globally, destroyed their culture, language and traditions, and duped billions of people into following their fake god. The damage this cult has done goes back over 100K years of history on this planet, it needs to be addressed in all countries, as they have like a virus permeated everywhere. Until it is dealt with all peoples, whether black, brown, red or yellow, most importantly the white race, as proven these people have hunted and stunted the white race down, but last but not least the Jewish people also, as proven in previous episodes when Mr. Begin and also the Rothschild's family had two separate offers to remove all Jewish people out of the camps, they refused. We are all under threat to these psychopaths until they are finally dealt with, then all colors can move on in a more peaceable and caring world. VAN HALEN - RIGHT NOW
