LIVE TO TELL In a recent show I slipped in the line have the gods returned? This show will throw up the possibilities of actors playing roles in global situations, that may or may not raise your eyebrows and stroke your chins. This is an observe not absorb show, it will bring up emotions and triggers, will have the capacity to generate rage and anger, and it will disturb those of a religious persuasion. Some don't like my stance on religion, and that is ok, but I don't rail back at you for following it, and so I expect the same consideration in return. I present evidence, all are free to believe it or not, it is a free will choice to do so. But I ask all to research themselves into these topics and narratives revealed, and then come to your own conclusions. With a clear and open mind, free from Milgram experimentation, which is to agree and or bow to authority, and their words or messages, you may well come to the same conclusion as I have since I was 7-8 years of age, that organized religion, does not work for we the people. It is a program of submission and externalizing everything that is inside of you. It riddles you with guilt, fear and shame, and I fail to see how that is beneficial to we the people. The EBE revealed the same conclusion in the Majestic Level document, we read in the show The Events that changed the world, he described religion as an illusion game. The world of god or gods is a hot a contentious subject for many and provokes thoughts, fear, anger, rage and wars, all of which is the antithesis of what it is supposed to be about. It has also provoked mass killing of humans and other beings, all in the name of god. But, too few ask which one? The books and scriptures only make matters worse, as double speak, double names, double meanings all reminiscent of today's modern media, Media was another god and not a coincidence they chose that name. God become the LORD, spelt all in capitals, which means the LORD is dead, so how can the LORD pass judgment if he is dead? So then they come up with fear based conspiracy stories, like weighing our hearts against a feather, linked with another of the gods, Thoth, who incase you didn't notice, was not human. Thoth is part Avian, from the Pleiadian Nibiruans. Or another classic the pearly gates narrative, with other self imposed titles like Saints, who act like a night club bouncers and lets people into heaven or not, if he doesn't like the looks of you, you end up on the streets of hell. God is great they proclaim, yet he smiteth the people with plagues, pestilence, wars, famines and fiery serpents are just a few examples of gods greatness, some may say he is great GREAT, I would say he grates GRATES. More heinous examples will follow.

So, what is a god? a god is any individual who climbs the 7 planes of development initially on an Earth based plane. Physical, etheric, astral (which is divided into heaven and hell, both are traps) then the 4 mental planes, complete that and you become a god, a god not THE god. The god is Source, who is not the creator of gods, you are, along with every other living being. Source is the source of creation, but it is us who create the gods, with our own personal development, which is done on an individual competitive basis,

and not based in comparison or at the expense of others. To be a god, you will need ultimate in personal responsibility, balance a must also, as there is no end of paths the dark will take you down with their seductive, unbalanced and ego based traps, that so many fall for as it is the easy path to take. The ultimate goal of the soul spirit partnership is to gain enough wisdom, balance, understanding on a soul development level to then become so advanced, as to be considered as a Source for your own Universe. That is the ultimate goal of all soul and spirit packages. You can not achieve that status in low vibrational thinking patterns, riddled with insecurities, self doubts, low self worth and an inability to learn and change, that mindset will keep you within the astral traps on planetary level of learning, which is the lowest of the levels.

One of the things the fake gods always demanded from the people of Earth is ritual sacrifice, some may feel these are isolated incidents and occurrences, you would be wrong to think so. Ritual abuse and ritual killings are real, and it takes place on a mass scale. The odd singular sacrifice is punctuated with mass sacrifice, all posed on certain days, dates and based around moon cycles, the classic being September the 11th. Many will ponder on September 11th 2001, the ritual sacrifice of that day, but there has been other sacrifices done on that day over varying years. 911 is the emergency code, but is it emergency, emerge and see or is it M urgency? Some listening to this may feel that play on words is far fetched, it's not, they use word magic far more than people realize, they use number magic also with Gematria, which is another of Hebrew Annunaki connection in origin. Gematria was used heavily by the Q group, perhaps we may find out why later. Who are the sacrificed? could be anyone really, but some sacrifice victims are born and raised for the sole purpose of the human sacrifice ritual, within the el-ite and bloodline family circles. In multi-generational Voodoo families, for example, the oldest girl is often ritually abused and then sacrificed. The oldest daughter is also sacrificed in multi-generational Satanism. Herod had the aptly named but unpleasant nature of the Feast of the Holy Innocents, whereby he orders the execution and sacrifice of all male children two years old and under in the vicinity of Bethlehem. This is, still to this day a celebrated event amongst the Jewish community, on December the 28th, does anyone question as to why that is celebrated? The victims born and raised for sacrifice, are subjected to programming, surveillance and various types of abuses during their upbringing and young adulthood, which results in them being socially isolated and emotionally scarred -- in preparation for the day they are caged or programmed via trigger words to return home to be sacrificed. We covered some of that programming and abuse in the Svali shows, called Illuminati 1 & 2, ugly and brutal stuff done to the elites children. Those shows tipped the scales in terms of revulsion of the practices that has gone on in secret here, the bonus is we are now finding it out and revealing it. Some may feel it is best not to hear, but the revealings to a degree makes their goals of covering it up much harder, once the Pandora box is open, it never recloses in the same way. Some feel, things are getting worse and long for the better old days, newsflash, there was no better olden days, it was

and is, an illusion of epic proportions. The only difference now is, you are hearing what has gone on for centuries, not decades, and the full scale of horror instigated on this planet, largely implemented by non native people or beings. What the Illuminati shows revealed was, a complete change of thought processes and thinking patterns by the members and listeners. No longer could we go on the illusion that all the worlds ills was done against the 99%, no, it was done against the 100%, which begs the question, if it was done against the all, who is doing it? If 100% are being abused, manipulated, raped, ritualized and pillaged on the planet, is it safe to assume from that fact, that it is being done by off planet beings? or the so called "gods"?

In the From Russia with Love series we highlighted the practices of the Kali Ma, done by all the tribal peoples in what was taught and learned behavior, implemented by the gods. Ritual sacrifices of men, women and in many cases children, all done to appease the gods. I mentioned earlier about certain dates being involved, and here is a comprehensive list of those so called festivals. Festival derives from the word feast, more modern day in open festivals it is to celebrate the feast of basic foods, but in hidden castles, dungeons and away from prying eyes, those celebrations and festivals take on a whole new and heinous meaning. In some cases the sacrifice becomes the feast, and yes that is real. All of these ceremonies are about invoking or calling in the gods. Here is the examples of these festivals and also the awful acts that takes place with these ceremonies. I will warn you now, this next phase will be unpleasant on the ears and the psyche, observe not absorb please, and retain your 45/55 balance. **HOLD YOUR BREATH**

These are a list of dates and the subsequent rituals involved for those very dates, which are so special to the criminal and psychotic el-ites, all to pay homage to these fake gods. Jan 1st known as Druid feast day, the age of those involved in the rituals 15-33, 33 means it's Masonic in nature as all these festivals our. In some circles the Druids, Celts, Wiccan and Pagans are revered, and yet all took part in ritual sacrifice ceremonies. All were corrupted and part of the dark magicians games.

Jan. 7 ~ St. Winebald Day (Blood Rituals) Animal and/or human sacrifice and dismemberment. There is also discussion that St. Winebald day is also held in December. Participants are Males only.

Jan. 17 ~ Satanic Revels (Sexual Ritual) Oral, anal, and vaginal. Age 7-17 females

Jan. 20-27th ~ Grand Climax (thru Feb. 2) (Sexual & Blood Rituals) Abduction, ceremonial preparation & holding of sacrificial victim for Candlemas festival. Oral, anal, and vaginal, and human sacrifice. Female or child any age. The word abduction is more familiarized with ET's now, which maybe the case, but more likely involves the snatching

of random victims off of the streets, but other evidence points to abductions out of prisons, hospitals, mental health facilities or psychiatric wards.

Jan 29th St. Agnes Eve Casting of spells, this is why we need to focus on word magic, the organization and repeating of the letters of a word is called spelling for a reason.

Five days after the Grand Climax festival and the preparation of the sacrificial victim comes Feb. 2 ~ Candlemas (Sabbat Festival, Satanic Revels) (Sexual & Blood Rituals) Oral, anal, and vaginal, human and/or animal sacrifice Female aged 7-17 This is commemorating they say, the occasion when the Virgin Mary, in obedience to Jewish law, went to the Temple in Jerusalem both to be purified 40 days after the birth of her son, Jesus, and to present him to God as her firstborn (Luke 2:22–38). The festival was formerly known in the Roman Catholic Church as, the Purification of the Blessed Virgin Mary, and is now known as the Presentation of the Lord. The God is not in physical form and never was, so the common sense question is, why did Mary have to go to a Temple to present her child to god? Further common sense questions arising from this is, who made Mary obedient to Jewish law? What puts Jewish law above everything else? Is this stating the Virgin Mary and the alleged son of god are subservient to Jewish Law? Why is law defined by a race of people? Why did the church change the ceremony from Virgin Mary to the Lord? Could it be the church discounted all women, as revealed by father, son and holy ghost? Why would they do that? Why does the Lord Anu the non human reptile king replace Mary as the ceremony blessing? And the forgotten point of all that is, neither Mary or the entity known as Jesus, were actually Jews. Originally this festival or ritual was on February 14th which is 52 days until Justinian the I, changed it to the 40 days and February 2nd. What is it about these 40 days? Moses and Jesus were instructed to fast for 40 days without food and water, which is an impossibility, as it is 8-21 days without both before you die. But, then again we have found out that Moses, which is a title, was not from this planet either, the age to which he lived tells you that. God sent rain for 40 days and nights, God sent the Israelites into the desert for 40 years, Moses was with god for 40 days for the 10 commandments, Jesus spent 40 days in the wilderness and then 40 days with the Apostles. The question is why? what is the significance of 40? could it be it takes 40 days to remove a program or habit? According to the Torah and Rabbinic law lashes may be given for offenses that do not merit capital punishment, and may not exceed 40. Candlemass Sabbat as it is called, a Sabbat is a pagan and wiccan festival in homage to the devil, Sabbat became known as the Sabbath. It also corresponds to the Celtic pagan Imbolc, known in Scottish or Irish circles as neopaganism and called St. Brigid's day. Associated with Hebrew witches and sorcerers, linked with the Jewish Shabbot festivities also.

Feb. 14 ~ Valentine's Day (human sacrifice) Like Christmas, Easter, Halloween, New Year's and other holidays of this world, St. Valentine's Day is another attempt to

“whitewash”, perverted customs and observances of pagan gods and idols by “Christianizing” them. As innocent and harmless as St. Valentine’s Day may appear, its traditions and customs originate from two of the most sexually perverted pagan festivals of ancient history: Lupercalia and the feast day of Juno Februata. Celebrated on February 15, Lupercalia (known as the “festival of sexual license”) was held by the ancient Romans in honor of Lupercus, god of fertility and husbandry, protector of herds and crops, and a mighty hunter—especially of wolves. The Romans believed that Lupercus would protect Rome from roving bands of wolves, which devoured livestock and people. Those wolves at the time were likely to be spirit beings and not actually wolves as we know it. Known in myth circles as werewolves, except it is not a myth, they existed, and there are some family lines of werewolves in existence today. It was likely those beings who were destroying Rome and its Hebrew Annunaki counterparts, until they fell like all the other so called myth beings, like the fae, goblins, gargoyles and many more. Assisted by Vestal Virgins, the Luperci (male priests) conducted purification rites by sacrificing goats and a dog in the Lupercal cave on Palatine Hill, where the Romans believed the twins Romulus and Remus had been sheltered and nursed by a she-wolf before they eventually founded Rome. Clothed in loincloths made from sacrificed goats and smeared in their blood, the Luperci would run about Rome, striking women with februa, thongs made from skins of the sacrificed goats. The Luperci believed that the floggings purified women, and guaranteed their fertility and ease of childbirth. Like the religious practice of flagellation, it is a guilt and torture event. The Flagellation, in a Christian context, refers to an episode in the Passion of Christ prior to Jesus' crucifixion. The practice of mortification of the flesh for religious purposes has been utilised by members of various Christian denominations since the time of the Great Schism in 1054. In the 13th century, a group of Roman Catholics, known as the Flagellants, took self-mortification to extremes. These people would travel to towns and publicly beat and whip each other while preaching repentance. Something is seriously wrong with those people, and it beggars belief how so many follow what is basically a sick and at times evil program. February derives from februa or “means of purification.” To the Romans, February was also sacred to Juno Februata, the goddess of febris (“fever”) of love, and of women and marriage. On February 14, billets or tickets (small pieces of paper, each of which had the name of a teen-aged girl written on it) were put into a container. Teen-aged boys would then choose one billet at random. The boy and the girl whose name was drawn would become a “couple,” joining in erotic games at feasts and parties celebrated throughout Rome. After the festival, they would remain sexual partners for the rest of the year. This custom was observed in the Roman Empire for centuries. The Romans celebrated Lupercalia to honor the hunter god Lupercus. Whilst the name Lupercus may not be familiar to many of you, the image of him will be (Image 1) To the Greeks, from whom the Romans had copied most of their mythology, Lupercus was known as Pan, the god of light. So, Pan is the alter name of Lucifer, as Lucifer is the light bearer or bringer of light to the Satanic's, and all of the Freemason and Secret Societies. If you are a freemason this

is actually what you are supporting, by being apart of this sacrificial Egyptian style cult. The Phoenicians worshipped the same deity as Baal, the sun god, Baal was one of many names or titles for Nimrod. There is your origin of St. Valentines day, which was three separate people merged into one by the Roman church. The day is said to be about love and cupid, but more about child sexual rituals, debauchery and death.

Feb. 25 ~ St. Valpurgis Day (Blood Ritual) Communion of blood and dismemberment, this is linked with the May day Beltane festival as well. Participants of any age. St Valpurgis was an Anglo-Saxon missionary to the Frankish Empire, the Franks are the Merovingians and Carolingians and are linked directly to the Jewish cultism. In 1099, the crusader population of Jerusalem mostly comprised French settlers, French knights made up the bulk of the steady flow of reinforcements, throughout the two-hundred-year span of the Crusades. France is named after the Franks, which later took on more modern day Jewish connections and the Rothschild's. Walpurga was born in the county of Devon, England, into a local aristocratic family. She was the daughter of Saint Richard the Pilgrim, an under king of the West Saxons, and of Saint Wuna of Wessex, and had two brothers, Saint Willibald and Saint Winibald. The pilgrims said to be fleeing persecution of their religious beliefs, no they were spreading their cults, occultism, dark magic and rituals to America like they did in Europe. Americans weren't given the Pilgrim, but the grim pill.

Mar. 1 ~ ST. Eichtadt (Blood Ritual) Drinking of human blood for strength and homage to Satan Any age male or female.

Mar. 20th or 21 ~ Spring Equinox (Sabbat Festival, Major Fertility Sabbath) ~ (date varies annually) (Orgy Ritual) Oral, anal, and vaginal; human and/or animal sacrifice any age (male or female, human or animal) so bestiality applies here as well.

Good Friday through Easter Sunday (Death of Christ) ~ (date varies annually) (Blood Ritual) Human Sacrifice "Good Friday" is the beginning of satanic high days, that are celebrated throughout the weekend to the end of the day on Easter Sunday. Pray with us for the rescue of all people being held for human sacrifice at this time, the report says to pray, people have to understand that pray PRAY, really means to prey PREY and you are the prey, in terms of energy harvesting. This festival has zero to do with the entity known as Jesus dying. They changed the Easter festival from Ostara to Easter to disguise their pagan based diety. They wrote a story about the winter solstice into an Easter narrative, changed sun SUN into son SON, on December 21st the shortest day and the winter solstice, the sun goes down below the horizon for the next 3 days, behind the sun in the night sky is the constellation called the Southern Cross. The sun dips below the horizon for 3 days, so the sun died for 3 days on the cross, on December 25th the sun rises above

the horizon and is "reborn". So the sun died for 3 days then the 3 days of darkness, and then was reborn and went into the heavens, sound familiar?

Easter Eve day (date varies annually) (Blood Ritual) Human sacrifice Easter of course is the time of bunnies, with heads attached, presenting the Easter eggs. The "Easter Hare" originally played the role of a judge, evaluating whether children were good or disobedient in behavior at the start of the season of Eastertide. So, like Christmas, Easter was about passing judgement by the cohen's on the children, yet again involving the law, their law as all binding, just like the words Covenant and Testament, both mean to bind. Does anyone ask why the names of gods book would be a binding contract? The hare was a popular motif in medieval church art. In ancient times, it was widely believed that the hare was a hermaphrodite. The idea that a hare could reproduce without loss of virginity led to an association with the Virgin Mary, with hares sometimes occurring in illuminated manuscripts, and Northern European paintings of the Virgin and Christ Child. Virgin births, what a conspiracy that is, it is not based in human reality, and yet is believed by billions across the world as fact, and have the audacity to call us conspiracy theorists? Whoever their version of Mary is, was impregnated by artificial insemination, with the possibility she was a hybrid and or a changling. Eggs have been used as fertility symbols since antiquity. Eggs became a symbol in Christianity associated with rebirth as early as the 1st century AD, via the iconography of the Phoenix egg, and they became associated with Easter specifically in medieval Europe. Humans are not born in eggs, so why celebrate it that way? eggs are a product of artificial insemination again, but the child is not born in an egg, but you know who are born in an egg, Avian and Reptiles. We find parallels again in the ancient legends of Thoth and Ra. Egyptian pictures of Osiris, the resurrected corn god, show him returning to life once again rising up from the shell of a broken egg. The ancient legend of the Phoenix is similar, the Phoenix is the Hebrew Bennu bird, rising out of the ashes, which means it always follows after a cataclysmic war. Given the piece I did recently in Arizona and the wars there, is it a cohen cidence the major city of that region is called Phoenix? Perhaps Arizona is a play on words and is A Zion Ra, the heavy presence of the Mormons in that state would appear to support that theory.

The god Ishtar was also a parallel to Eostre and Ostara and subsequently Easter, but there are other parallels within her story as well. Ishtar was the goddess of love and war and sex, as well as protection, fate, childbirth, marriage, and storms—there's some fertility in there, but as with Aphrodite, there is also an element of power. Her cult practiced sacred prostitution, where women waited at a temple, and had sex with a stranger in exchange for a divine blessing (and money to feed hungry children or pay a debt). Ishtar's symbols were the lion, which is represented in many symbols from the movies, bank statues, coat of arms of several of the lead bloodline families. She was also called the morning star, which is Venus, but the morning star is now associated with Lucifer, but when you

realize the original Lucifer, was actually a female and called Luciferia, perhaps that now makes sense. Also linked with eight or sixteen pointed stars—again, symbols of power. The word Easter does not appear to be derived from Ishtar, but from the German Eostre, the goddess of the dawn—a bringer of light. Elsewhere, the observance is framed in Latin pascha, which in turn is derived from the Hebrew pesach, meaning of or associated with Passover. As always it seems, different languages and cultures, yet all these rituals have a Hebrewic flavor to them.

April 19th is the first day of “13 Days of Preparation”, a period of time with occult significance that relates to the satanic gods of fire — the fire god Baal or the sun god Molech/Nimrod, also known as Saturn (the Roman god of Satan/Devil). Molech is the name of the sacrificial altar in the Bohemian Grove. Why is it an owl? because the Egyptian name for an owl is pronounced Moloch, Moloch, Molech is the same being, and essentially another title name, not an individual. A major human sacrifice day, this ritual demands sacrifice by fire, with an emphasis on children. Those 13 days are a portion of the 40-Day Season of Sacrifice: March (19th or 22nd) to May 1st, another reference to the 40 days, when the dark spirits manipulate the collective consciousness of humanity using Black Magic rituals. As many know, false flag attacks have become all too frequent in modern times. The targets of these attacks are the minds of the people by way of elaborate rituals, theater and illusion, for the purpose of deceiving the population into accepting a false version of reality. Once this has been accomplished, an individual will become a willing participant in the matrix of control. For all intents and purposes, the people have had a spell cast on them, they have become the victims of black magic, which is always an attempt to compel an individual to act as an agent of the magician, usually without their conscious consent.

Apr. 21 ~ Grand Climax (thru Apr 30) (Sexual and Blood Rituals) Abduction, ceremonial preparation & holding of sacrificial victim for Walpurgisnacht Oral, anal, and vaginal, and human sacrifice

Apr. 30 ~ Walpurgisnacht (Blood Ritual) Animal and/or human sacrifice

May 1 ~ Beltane (Fire Festival, Coven Initiations, Fire and Orgy Rituals) Human Sacrifice Oral, anal, and vaginal This is the May Day Festival celebrated in Europe, where men dress up in stupid effeminate costumes and prance about, whilst going anti clockwise, which is harvesting, around a pole.

Jun. 21 ~ Summer Solstice (date varies annually) (Sexual and Blood Rituals) Oral, anal, and vaginal, and human and/or animal sacrifice We know what Sol means, that is referred to as the Sun, with a U not an O, but what does stice mean? to prick, sting, stitch or stab, perhaps the new age people will look at solstice in a different light now. Stice like smart

both means to sting, which could mean to burn, but it also means to swindle or cheat.
SUMMER NIGHT CITY

Jul. 1 ~ Demon Revels (blood sacrifice) Activity: Druids sexual association with demons
Age: Any age (female)

Jul. 20 ~ Grand Climax (thru Jul. 27) ~ (date varies annually ~ 5 weeks, 1 day after Summer Solstice (Sexual and Blood Rituals) Abduction, ceremonial preparation & holding of sacrificial victim for Lammas Day Oral, anal, and vaginal, and human sacrifice

Aug. 1 ~ Lammas Day (Blood Ritual) Animal and/or human sacrifice Also known as Loaf Mass, which is related to bread, and the bread features heavily in the church ceremonies. Could it be a parallel version of human consummation, given the bread and wine ceremony is stated of eating the flesh of Jesus and the drinking his blood?

Aug. 3 ~ Satanic Revels (Sexual Ritual) Ritual Abuse: Oral, anal, and vaginal

Aug. 24 ~ St. Bartholemew (Unknown at this time) Like the Valentines day massacre, St. Bartholomew has his own day of massacre, but these are in actual event blood and sacrifice rituals. The St. Bartholomew's Day massacre in 1572 was a targeted group of assassinations and a wave of Catholic mob violence, directed against the Huguenots (French Calvinist Protestants) during the French Wars of Religion. Traditionally believed to have been instigated by Queen Catherine de' Medici, (she is of the Black Nobility bloodline families, so this was a Black nobility dark magic ritual performed) She was the mother of King Charles IX, the massacre took place a few days after the wedding day (18 August) of the king's sister Margaret to the Protestant Henry of Navarre (the future Henry IV of France). Many of the most wealthy and prominent Huguenots had gathered in largely Catholic Paris to attend the wedding. The massacre began in the night of 23–24 August 1572 (the eve of the feast of Bartholomew the Apostle). By the end of it over 25K Protestants were slaughtered.

Sep. 7 ~ Marriage to the beast Satan (Orgy and Blood Rituals) All females (especially children) in the cult are married to Satan, in full bridal wear. Oral, anal, and vaginal, animal and/or human sacrifice, dismemberment took place.

Sep. 20 ~ Harvest, Midnight Host (Blood Ritual) Dismemberment, hands removed of victim for the "Hands of Glory" to Satan The midnight host is suggestive of the djinns and host possession involvement, but also could involve calling in other species and the shape shifting people/beings.

Sep. 23 ~ Fall Equinox (Orgy Ritual) Oral, anal, and vaginal; human and/or animal sacrifice

Oct. 13 ~ Continuous High Holiday (reverse date of October 31st)

Oct. 28 ~ Satanic High Holy days (thru Nov. 4) (Blood Rituals) Abduction, ceremonial preparation & holding of sacrificial victim for All Hallows Eve Human Sacrifice

Oct. 31 ~ All Hallows Eve (Halloween or Samhain) (Sexual and Blood Rituals) Sexual association with demons called up, and animal and/or human sacrifice. Calling in the demons night, done by singing spellcasting mantras and done by the children. Samhain but pronounced Sah win, is another Scottish Gaelic, Druidic and Pagan event, and Scotland has played a large role in society connected to the dark magician, wiccan, pagan and witchcraft elements. The lead secret society there is the Scottish Rite, who did much to assemble Washington DC and litter it with occult symbols and layouts. It was the Scottish Freemasons who first brought Freemasonry to Russia, and the eventual destruction of that country and it's people by the Freemasons aligned with the Hebrew Annunaki crew.

Nov. 4 ~ Satanic Revels (Sexual Ritual) Ritual Abuse: Oral, anal, and vaginal

Dec. 21 or 22 ~ Winter Solstice (Sabbat Festival) (Sexual Ritual) Oral, anal, and vaginal; human and/or animal sacrifice.

Dec. 24 ~ Demon revels (High Grand Climax) (Orgy and Blood Rituals) Sexual association with demons called up, and animal and/or human sacrifice

Note: Human sacrifices occur from Christmas Eve through New Year's Day. Misc. Holidays The Full Moon in any month (referred to as an Esbat) -- human or animal sacrifice. An esbat is a coven meeting at a time other than one of the Sabbats, within Wicca and other Wiccan-influenced forms of contemporary Paganism. Esbats are described as an opportunity for a "love feast, healing work, psychic training and all." The term esbat is derived from Old French s'esbattre (Modern French ébat), meaning to frolic and amuse oneself, diversion. In other words before and or after the sacrifice it becomes a sex orgy. All very Hedonistic that, Hedon meaning? A unit of pleasure used to theoretically weigh people's happiness. Upon studying some of the documentation surrounding these ritual sacrifice events, it is noted that the participants male and female, derive a massive increase in sexual pleasure during the events, hence the sexual orgy to relieve that, follows. Friday the 13th -- human sacrifice An elite families individual's birthday, is another event to hold a ritual.

Many of the names, words associated with the occult, cult practices, dark magic and dates where all formulated by the church. The heavy involvement of the Roman Catholic church in wording and occult practices, Saturnalia in particular, should not be overlooked by the people. Saturnalia was an ancient Roman festival and holiday in honor of the god Saturn, held on 17 December of the Julian calendar and later expanded with festivities through to 23 December. The holiday was celebrated with a sacrifice at the Temple of Saturn, in the Roman Forum, and a public banquet. It was followed by private gift-giving, continual partying, and a carnival atmosphere that overturned Roman social norms. Gambling was permitted, and masters provided table service for their slaves, as it was seen as a time of liberty for both slaves and freedmen alike. A man chosen to be a mock king was appointed for the feast of Saturnalia, in the guise of the Roman deity Saturn, at the end of the festival, the man was sacrificed. Saturnalia was the Roman equivalent to the earlier Greek holiday of Kronia, which is Chronus the fake god of time. It held theological importance for some Romans, who saw it as a restoration of the ancient Golden Age, when the world was ruled by Saturn. The ancient Roman historian Justinus credits Saturn with being a historical king of the pre-Roman inhabitants of Italy. Speaking of Justinus, it is clear from this Roman sculpture, which is carved into a church, of what he was all about. (see Image 2) Why would a church carve such pardon the pun, god awful scenes? There are many other carvings of this nature, including a infant child giving the priest fellatio. Is this normal or so called holy in any way, shape or form? The Mishna and Talmud (Avodah Zara 8a) describe a pagan festival called Saturnura which occurs for eight days before the winter solstice. It is followed for eight days after the solstice with a festival called Kalenda culminating with the Kalends of January, Kalenda is the origin of the word calendar, so your calendar is a tribute to a sacrificial festival as well. The Talmud ascribes the origins of this festival to Adam, who saw that the days were getting shorter and thought it was punishment for his sin. Yet again turning man into a guilt ridden state, that he was responsible for all the worlds ills, when it was the priest class, known as the Cohen's that was doing all the diabolical deeds. The Talmud states that this festival was later turned into a pagan festival, later on in the page, the Talmud calls it Saturnalia. Saturnalia is the origin of the Christmas and nothing to do with the entity known as Jesus at all. This festival teaches even the little children, artless and simple, to be greedy, and accustoms them to go from house to house and to offer novel gifts, fruits covered with silver tinsel. For these they receive, in return, gifts double their value, and thus the tender minds of the young begin to be impressed with that which is commercial and sordid. Asterius, in "Oratio 4: Adversus Kalendarum Festum" Festivals to Satan? sacrifices? and slaves allowed to patronize, or be patronized by their masters. oh dear.

One of the Roman church disciples was Leonardo de Vinci, not only did the Romans worship Saturn/Satan, they also worshipped the moon. His famous painting was Mona Lisa and perhaps Mona word is linked to the moon. The word month is a shortened

version of moon, and so perhaps Mona was perhaps linked to Moona. Of course the painting was done by an Italian named Leonardo de Vinci, and it just happens that Mona in Italian means Madonna. The Black Madonna is worshipped by several cult and occult circles, and whilst Madonna is linked with the Virgin Mary, and the Black Madonna similarly, the latter is depicted as the Black Mother. The Black mother is associated with the Kali Ma, Kali Ma means dark mother, which is related to moon worship and the fall of the female, and also to Lilith. Lilith was the inverted Eve, the dark side of the Eve, and with the fallen female, the Eve was now Lilith. Lilith was half human and half serpent. The depiction on a 5 pointed star with the single arrow pointing up is of Adam at the top, and Eve with the two arrows at the bottom. But when it is inverted with the two arrows at the top it now houses Lilith, and the single arrow pointing down and a symbol of Satan or the Baphomet, is not Adam but Samael, the demon and known as the angel of death. Samael was one of the archangels, that included Michael and Gabriel, who are much vaunted in the religious circles, yet they all fell, hence the term archangel, which is actually archon angel. Yet we find Jewish symbols and books worshipping these two entities and mentioned in the Talmud. These two are heavily worshipped by the Kabbalist and the Qliphoth, and mentioned as associated with the tree of life, but the Kabbalist tree, is the tree of death, or tree of da'ath or death. Interestingly Madonna herself is a Kabbalist and dressed up several times as the Baphomet, both of which represent the inverted pentagram and Satan, and also linked directly to what is known as the Jewish religion, except it is not Jewish. Their book represent the Annunaki and Hebrew is their language, law and gods.

Why is everything connected to the moon, because it is connected to the Kali Ma which practiced human sacrifice as part of their cult, and is representative of Lilith. Lilith is a representative of the fall of the female, the Eve fell and was bound no longer to Earth, but trapped by blood and binding cycles to Lilith and the moon. The Eve fell it is said in biblical scriptures, but have we ever defined who or what is the Eve? Before people think this is a jab at Kim, it's not. But several of those ritual events included the word Eve in it, All Hallows Eve the prime example, now why is that? Are they celebrating Eve or Lilith? But what is the Eve? given there has been several versions of civilizations wiped out here, this version is the 6th as I understand. The questions remains was there more than one? an Eve for each civilization? if so, where did the Eve come from, if the civilization was wiped out 5 times? Is this further evidence of in-vitro fertilization? Vitro means an artificial environment outside a living organism. Within glass, that is, a test-tube: said of chemical reactions, bacterial cultures, etc., obtained experimentally in the test-tube. Is the Eve a test tube creation done by eggs? is that why the church and these festivals celebrate with eggs? The term and ritual of Easter Eve day could have whole new implications. If the current Eve is said to be 99%+ a representative of humanity, does that include the Kali Ma? does that include the Hybrids? who or what is humanity? is the humanoid a representative of humanity here? For example the Abraxans or the humanoid Annunaki?

Is the Eve a representative of them? Eve is represented in pictures of a blond or reddish blonde haired woman, which race does that come from? If it is a specific race, how can the DNA within the Eve contain samples of all the other races? These are all pertinent questions that have never been asked, understood or grasped, we just assume things far too easily based on narrative passed down to us. With the fall of the Eve, and turned into a child sacrificing night being Lilith, we play more word magic that may explain the Eve. The night here is called the Evening, Eve then Ning, add in the word AL which means god, you get Ningal, Ningal is considered a god or goddess, and was the daughter of Enki, Marduk was also the son of Enki. Remember Marduk who Kim worked with and who appointed her the Trustee, said he and she had worked Earth every two thousand years for the past 15K years. I am questioning now as to whether Kim was either set up to fail, the evidence certainly points that way, but she did not exactly help herself in matters either. Whilst some others are questioning not whether she was set up, but was she herself a set up. Marduk's chief consort was also known as Sarpanit, Sarpanit some explain her name as meaning "the shining one", and she is sometimes associated with the planet Venus, could that be Luciferia? She was worshipped via the rising moon, potentially meaning Lilith. By a play on words her name was interpreted as zēr-bānītu, or "creatress of seed", and is thereby associated with the goddess Aruru, who, according to Babylonian myth, created mankind. Perhaps a different set of thinking occurs, on who or what is the Eve? or is it more the case of when or where is the Eve? Ningal was known as the Great or Queen Lady, so the great L or Queen L adds other dimensions to it. Was Ningal also Esther? Esther is described as the Great Lady and also the Queen, great Lady or great L or queen lady or queen L, is or was Esther, Queen L? Is Esther and Ningal one and the same being? Esther who was a Persian Queen declared the Jewish Queen, just like Solomon, David and Moses of Egypt but declared Jews and related to Jerusalem. Does anyone ask why a religion is stated as a race? a religion stated as a law? or religion stated as a country? As the 100 series line stated, Adam or man had no chance of developing with him being alongside two serpents in the Garden. Excepting a title is one thing, but without grasping the implications of it, understanding it and what it all entails is, a whole new ball game, that should make any incumbent think long and hard, of what is this really all about. These titles or archetype roles comes with much responsibility, and should go beyond the egotistic trait exhibited by many who claim to be this, that or the other god or goddess. I have spoken to many who claim to be Jesus or Mary, yet not one of them has exhibited traits or the narrative handed down to us, in relation to those two people. CHEVALIER DE SANGREAL

These rituals are performed via witchcraft and it is all about sacrifice to the gods in the physical realm, for them to receive on a separate plane of existence. The sacrifice entity and entities goes by many names, Satan, Set, Lucifer, Azazel, Demiurge, depending on which culture you operate from. They also have other names such as demons, angels, spirits and the term I like to use for them is, the djinns. Essentially they also go by

another name more common to the alt media of, archons. The sacrifice itself is done to pay homage to these entities, who by and large in the physical realm of viewing, look like the reptilian race. These beings do not operate on our realm or plane of existence, although they have in the past. Since 2012 in particular the ability for these types of beings to operate within our world or reside here, has become untenable due to the change in frequencies. This is what we at THI have spoken about many times previously, but a refresher is always in order. 2012 was to be our final ending for all of humanity, a plan tasked to Marduk to harvest all the physical assets and destroy all life and the planet, that obviously failed. The Draco family line connected to him, Anu, Enki, Enlil, Marduk, Inanna, Lilith and or Esther all played a role with this destructive effort on behalf of the dark forces. Now the bulk of the Draco left in 2015, they will say they had other battles to fight, including one on their home world, from outside forces but also inside forces as well. The inside forces were their own beings, tired of the wars and the oppressive onslaught of their leaders, imposing war after war and with many casualties over many millennia's. But real reason is the energies here are causing them to have to leave, although there was a great push on them to depart from 2012 onwards, due to several people globally using their skill sets to attack them, with varying success. They then introduced a family member of their clan into the alt media, called Shane the Ruiner, he is a bastard offspring of Anu in a human vessel this time. It is uncertain whether Shane came to help or hinder, that may or may not have been under his own control or volition. But Shane and I made good progress particularly with the Parents and Covens at the time, and also in an exchange with Anu himself. From my perspective it was a long term plan to merge the two species together as equals, and learn to work together not kill each other, and end their program of harvesting, not just here but many places. Marduk was left here with around 200 of his disciples it is said as a punishment for him, I personally think that is a ruse, and he was eventually taken out of the equation back in 2016. The question arises is he still here in consciousness in another form or format? Feast derives from Festival, the name of a festival or feast is also called a fete, spelt FETE, but it in these circumstance have the same pronunciation as fate, spelt FATE.

Is there evidence of using current popular figures with names of the past, replaying out certain events, timelines, roles and characters of the past. Before this dismissed due to it not being a comfortable fact, consider this before listening to this section. During their festivals or ceremonies, the participants call in or invoke certain names of the past, to come onto this plane of existence, via a host. What is not being suggested here is, the vessels are the original, although that is always a possibility, but certain people are being invoked to play the lead roles of the past again, to achieve a desired outcome. By inviting in the spirit and or consciousness of an entity of the past, which could possibly be uploaded via the Artificial Intelligence framework, into a current vessel. People may ask why would someone do that? Ego, all elites have an egotistical trait. Remember most of the world's royals all share the same blood or genetics, and 43 US Presidents have been

of European Royal bloodlines. Here is a list I compiled and I am sure there is many more as the final scenes of the movie all plays out.

Ptolemy Macron who had been appointed by Ptolemy Philmetor VI governor of Cyprus and deserted to Antiochus Epiphanes, king of Syria (2 Macc 10:12). Under Antiochus he was governor of Coele-Syria and Phoenicia (2 Macc 8:8). In 1 Macc 3:38 and 2 Macc 4:45 he is called "Ptolemy the son of Dorymenes." At first he was a fierce and cruel enemy of the Jews, and was one of those chosen by Lysias to destroy Israel and reduce Judas Maccabee. Later he apparently relented toward the Jews (2 Macc 10:12), fell into disfavor with Antiochus Eupator, (good father) or father of the EU? before whom he was accused by the king's friends, and was so galled by being constantly called traitor that he ended his life with poison. Or just maybe he was threatened to favor the off world based chosen ones, didn't exactly fulfill the role and was eliminated. Or perhaps he did fill the role and knew too much and was eliminated for that, just like how the modern day agency people work is it not? Given our links and connections made in FRWL with the Egyptian and Middle East connection, and also the role of the CIA in it, perhaps we could look at a word just mentioned and split it up, Phoenicia. Remove the last three letters and then pronounce the rest, and perhaps it is a hidden clue, Phony CIA? Who did the Pope appoint as head of World Order, that originally was going to be Mr. Trump appointed in a ceremony, that was to be held in Russia 2019? Emmanuelle Macron, whose parents were non religious yet has a name like Emmanuelle, does that sound familiar? Macron a Roman King in the past who attacked the Jews, but in this lifetime he is actually Jewish. His family line is all Jewish as well, in fact German Jewish as far back as the 6-7th centuries, that will bring up another well known name of recent history and the connection of the Jewish destroying the Aryans, that name and his family line is, Hesse. Who was the first into a devastated country following a blast said to be destroyed by Israel, Mr. Macron was first leader into Lebanon. The Macron of the past was connected to Syria, then known as Assyria and the site of one of the four Gardens of Eden. Recently Macron got involved with returning artifacts from Africa, most likely Ethiopia the final Garden of Eden, two statues called Lamassu, an important part of Assyrian culture back then in Nineveh. Housed in the Temple of Ishtar who is represented by Lilith and also Isis, these two Lamassu statues are depictions of the Chimera, they are half human and half beast, connecting the dots yet? Inside the palace are the figures of winged genies as they call them, we call them the djinns and demons, which brings in Solomon and his temple, Solomon is also linked to Lilith, as is the line of David who was his son. French President Emmanuel Macron marked Lebanon's centenary Tuesday by planting a cedar tree, as 57K Lebanese signed a petition for Mr. Macron to be their leader. Lebanon was heavily linked with Solomon and David at the time of the House of Israel. So, what is the significance of Macron planting a cedar tree? Remember the Macron of the past was connected to Assyria. This caption from the bible states: in the first day of the month, that the word of the LORD came unto me, saying, Son of man, speak unto

Pharaoh king of Egypt, and to his multitude; Whom art thou like in thy greatness? Behold, the Assyrian was a cedar in Lebanon with fair branches, and with a shadowing shroud, and of an high stature; and his top was among the thick boughs.” Ezekiel 31:1-3
What was Mr. Macron's first job? as an investment banker at Rothschild & Co. He makes all the right connections with the Rothschild's, and soon becomes the deputy secretary general of France under President Hollande. Having just mentioned the term Pharaoh, and earlier referenced the Houses, Pharaoh means the Great House.

The House of Saud, who had 146 children (all very off world like that, remember Lilith had many children all at one time) and spread the seed of control everywhere, Saudis are Jewish and why the Saudis and America are linked with Israel. The leader of the Saud now is Salman, which is a derivative of the name, Solomon. With Egypt being the real House of Israel what do we find there? The Egyptian president is Abdel Fattah el Sisi, el Sisi in reverse is isis el, Isis the El, El means god and so Isis and Ra are El's, is ra el. Mr. Erdogan of Turkey, when you split his name is Er which means a person occupationally connected with, Dogan is the same as Dogun and Dogon, which are the entities from Sirius A and B, and connected to the Dogon tribe in Mali, Africa. Known as the fish people and why the Cat holic priests wear the fish hat. Remember the story earlier? and the reference to eggs, fish also lay eggs. The fish is also said to be a connection to Jesus, it has nothing to do with Jesus, and nothing to do with a fish either, it is part of the Vesica Pisces, Pisces in the fake astrology charts, it is fake because one zodiac is missing, is also connected to the fish. But doesn't the Vesica Pisces represent a broadened version of the mobius loop and the two world trap? or is it a three world trap? Vesica Pisces means bladder of the fish, what has the bladder of a fish got to do with Jesus? Science shows us that nature has to find balance in order for creation to flourish. We see this in the sub-atomic particles of an atom. Male protons (positive charge) bind with female electrons (negative charge) to try and find equilibrium. When positive and negative charges of an atom find a balance, a perfect creation is formed. When they cannot find equilibrium, the female electron will look for another proton. If the atom cannot find equilibrium, the neutron kicks in and it neutralizes, but only if there is more or less of a balance of electrons and protons. If there are more of one than the other, an imperfect creation forms. The Vesica Pisces is the shape in the centre of two interlocking circles. Let's say one of the circles is the male energy and the other is the female energy, the centre piece is a perfect creation. But only when the circles are symmetrical – balanced. It is said that thoughts, actions and emotions are characterized in ancient symbolism with the triangle of manifestation. The triangle represents the number three which is the number of creation. Which is one on one, with the one, is it not? like I have said previously the one on one, with the one plays out on many levels. ONE ON ONE

Boris Johnson, Johnson which means son of John, is that John the Baptist or John of Patmos mentioned earlier and his apocalyptic visions?

Putin of Russia, does not have any connections, but his first name does, Vladimir means Ruler of the World. The name Putin did not originate in Russia either, it originated in Galloway, Scotland. The question is, with a play on words which they love to do, was Putin put in to be ruler of the world, if so, at whose request?

Jacinda Ardern, I could find no meaning behind her name, except the fact she grew up as a part of this wide ranging cult, being a Mormon. Following the Christchurch shooting event on March 15th 2019, which is another occult day, beware the Ides of March, the first person she met for a Christchurch summit was, Mr. Macron. On 15 May 2019, Ardern and French President Emmanuel Macron co-chaired the Christchurch Call summit, which aimed to "bring together countries and tech companies, in an attempt to bring to an end, the ability to use social media to organize and promote terrorism and violent extremism". The seducement was to end terrorism and violent extremism, the reality was to increase the power of the tech giants and rule over us with their AI god creation tools. On 23 September 2019, at a United Nations summit in New York City, Ardern had her first formal meeting with Donald Trump. She reported that the US president showed "interest" in New Zealand's gun buyback scheme, which involves taking guns off of the general public, and Trump was interested in that? The Ides of March came out of Rome, you had to settle debts on that day or suffer the consequences, it also happens to be the day Julius Caesar was assassinated. On the fourth anniversary of Caesar's death in 40 BC, after achieving a victory at the siege of Perugia, Octavian executed 300 senators and equites who had fought against him under Lucius Antonius, the brother of Mark Antony. The executions were one of a series of actions taken by Octavian to avenge Caesar's death. Suetonius and the historian Cassius Dio characterised the slaughter as a religious sacrifice, noting that it occurred on the Ides of March at the new altar to the deified Julius. The moniker of JC is not related to Jesus Christ, but Julius Caesar.

Angela Merkel is next, Mer kel means sea cover or conceal, what is she concealing or is she sealing the con? She was awarded in Israel: Recipient of the President's Medal, then in 2007, Merkel was awarded an honorary doctorate from the Hebrew University of Jerusalem. In March 2008, she received the B'nai B'rith Europe Award of Merit. On 21 September 2010, the Leo Baeck Institute, a research institution in New York City devoted to the history of German-speaking Jewry, awarded Merkel the Leo Baeck Medal. The medal was presented by former U.S. Secretary of the Treasury and current Director of the Jewish Museum Berlin, W. Michael Blumenthal, who cited Merkel's support of Jewish cultural life and the integration of minorities in Germany. In 2017, Merkel received the Elie Wiesel Award from the United States Holocaust Memorial Museum. In 2020, Merkel received the Henry A. Kissinger Prize another of the born to brigade from the American Academy in Berlin.

Kamala Harris: Kamala is another name of a well-known Hindu goddess, who is probably better known as Lakshmi. Her middle name is devi, in Hinduism, A devi is a mother goddess having various roles and manifestations, especially as Durga (Shiva), Lakshmi (Vishnu), and Sarasvati (Brahma), the female counterparts to the male gods of the Trimurti, remember in FRWL these male gods returned in avatars as females. Some of them resembled being born in the down flow of nuclear fall out, and had more arms than the DOD.

President Xi which is 11 and said to be a master number and another of the occult numerical figures.

During the first millennium BC, the Babylonians worshipped a deity under the title "Bel", meaning "lord", who was a syncretization of Marduk, Enlil, and the dying god Dumuzid. Bel held all the cultic titles of Enlil and his status in the Babylonian religion was largely the same. Eventually, Bel came to be seen as the god of order and destiny, or perhaps just a bell end if you ask me. The cult of Bel is a major component of the Jewish story of "Bel and the Dragon" from the apocryphal additions to Daniel. In the account, the Babylonians offer "twelve bushels of fine flour, twenty sheep, and fifty gallons of wine" every day to an idol of Bel, and the food miraculously disappears overnight. The Persian king Cyrus the Great tells the Jewish wise man Daniel that the idol is clearly alive, because it eats the food that is offered to it. That idol was Marduk. The Jewish prophet Daniel spoke to Macron and Cyrus, Macron and Trump in other words.

Assad means "more fortunate" but it also means lion, another of their great symbols that is on many coat of arms of the elites. UAE leader is Khalifa bin Zayed Al Nahyan, Al means god, Nahyan is a house name, the House of Nahyan, like House of Is ra el. The title of the President of the United Arab Emirates, is called that or is referred to as the Ra'īs. Many of the Arab countries have leaders that are considered Royalty, that have run their countries in a family line succession for the past 200 years in some cases. So the recent co-joining of the countries is a joining of the Houses, I guess the Arabian peoples didn't see what happened to Europe when the Houses were merged. In Yemen the leader there is Abdrabbuh Mansur Hadi, Hadi means someone who guides people toward as-Sirat al-Mustaqeem (the Straight Path), perhaps why the others with names of the gods of the past are attacking that country? The leader of Qatar is Tamim bin Hamad al-Thani, who are another House based family, the House of Al Thani, and the one family have ruled Qatar for well over a hundred years, just like where they originated from, Saudi Arabia. The Leader of Oman to complete that peninsula is Al Said, Al can mean god, but also House of. Does anyone ever ask why all the middle East countries are the House of? and also why the one families have reigned for decades and in some cases over a hundred years? House means home, but not in the context of these family lines, it means Temple

or God House. Why are these families chosen to be run by god? The Temple brings in the connection to Solomon and Herod, and again a worship of the fake gods and their sacrificial cult. Every street, place or building name with the word Temple in it, is in relation to not only Freemasonry, but this Egyptian cult. Did you know the banks are called Houses as well, which is why they have a clearing house. Clearing House, is a method adopted by city bankers, for exchanging the drafts on each others houses, and settling the differences. Thus at a stated hour in the afternoon, a clerk from each attends at the Clearing House, where he brings all the drafts on the other bankers, which have been paid into his house during the course of the day. The Houses families all link back to the Annunaki with the Egyptian Israelites, they are all considered Blue bloods. Blue bloods are royal family lines, but not royal lines from this planet, but others. They are the royal descendants of the Draco lineage, as are most mentioned in the bible, which is their history not ours. The name Bethlehem is formed by Lahmu and Lahamu, whose parents were Abzu and Tiamat, Tiamat was of the dragon lineage, Draco means dragon, but there Alpha Draconis and Hydra Draconis. The latter is more in line of the mythical fiery dragon lore here. Lamhu and Lahamu were said to be the first Annunaki born here, Abzu at one point guarded the Temple of Enki, so there is the connection to that region. The Middle East was home to the royal bloodlines of another species, and it is why there is always war playing out in that region.

Benjamin Netanyahu, Benjamin which is a Jewish tribe name was actually raised in Philadelphia, his real name is not Netanyahu either, it is Mileikowsky. The name Netanyahu means 'God has given, gift from God'. The question is, which god?

In Roman mythology and religion, Quirinus is an early god of the Roman state. In Augustan Rome, Quirinus was also an epithet of Janus, as Janus Quirinus. The name of god Quirinus is recorded across Roman sources as Curinus, Corinus, Querinus, Queirinus and Qvirino, also as fragmented Iovi. Cyrino. The name is also attested as a surname to Hercules as Hercules Quirinus. The name Quirinus probably stems from Latin quirīs, the name of Roman citizens in their peacetime function. In earlier Roman art, Quirinus was portrayed as a bearded man with religious and military clothing. However, he was almost never depicted in later Roman art. Quirinus was often associated with the myrtle. His main festival was the Quirinalia, held on February 17. This was a festival known as a circus, the origin of circus? Latin circus "ring, circular line," which was applied by Romans to circular arenas for performances and contests and oval courses for racing. Circus then became known as the travelling entertainment and bore the performing artists and the clowns. The word cirque also means circus, the famous show Cirque de Soleil means circus of the sun. The priest of Quirinus, the Flamen Quirinalis, was one of the three patrician flamines maiores ("major flamens") who had precedence over the Pontifex Maximus. Quirinus most likely was originally a Sabine war god. The Sabines had a settlement near the eventual site of Rome, and erected an altar to Quirinus on the Collis

Quirinalis Quirinal Hill, one of the Seven hills of Rome. Altar means sacrificial table. When the Romans settled in the area, the cult of Quirinus became part of their early belief system. By the end of the 1st century BCE, Quirinus would be considered to be the deified legendary king. Historian Angelo Brelich has argued that Quirinus and Romulus were originally the same divine entity, which was split into a founder hero and a god when Roman religion became demythicised. Which is why it is related to Janus, portrayed as the double headed god. The possible presence of the flamen Quirinalis at the festival of Acca Larentia would corroborate this thesis, given the fact that Romulus is a stepson of hers, and one of the original twelve arval brethren (Fratres Arvales). In ancient Roman religion, the Arval Brethren, "Brothers of the Fields") or Arval Brothers were a body of priests who offered annual sacrifices to the Lares and gods to guarantee good harvests. Lares are described as deified spirits to protect their goods, but the word Lares derives from the word, Lord. Inscriptions provide evidence of their oaths, rituals and sacrifices. Priest class again doing the sacrifice, Priests are known as Cohens, what a cohen cidence.

During the Grabovian pantheon, the association of Quirinus and Romulus is further supported by a connection with Vofionos, the third god in the triad of the Grabovian gods of Iguvium. Vofionos would be the equivalent of Liber or Teutates, in Latium and among the Celts respectively.

During the Capitoline Triad, his early importance led to Quirinus' inclusion in the Archaic Triad (the first Capitoline Triad), along with Mars (then an agriculture god) and Jupiter. Over time, however, Quirinus became less significant, and he was absent from the later, more widely known triad (he and Mars had been replaced by Juno and Minerva). Varro mentions the Capitolium Vetus, an earlier cult site on the Quirinal, devoted to Jupiter, Juno, and Minerva, among whom Martial makes a distinction between the "old Jupiter" and the "new". Jupiter is the name for Zeus. Juno, now associated with the month of June, was a daughter of Saturn, the wife of Jupiter and the mother of Mars, all kept in House again, as you can see. Minerva was the daughter of Jupiter and Metis, and was represented in symbols by the Owl, the Serpent and the Spider. The owl and serpent are more obvious connections to the occult groups, but most will not be aware of the Spider Race here, you wonder why so many are frightened of spiders and snakes, inherent DNA coding is why. Minerva often associated with Athena, turned Medusa in a head of serpents remember. Has medusa returned and stationed in America? as Med USA, given the North Cumbrian Health Center logo in the UK is also Medusa, one does wonder. Eventually, Quirinus faded into obscurity and the Romans began to favor personal and mystical cults over the official state belief system. These included those of Bacchus, Cybele, and Isis, leaving only Quirinus' flamen to worship him.

The Legacy of Quirinos lives on today, even centuries after the fall of the Roman Empire, the Quirinal hill in Rome, originally named from the deified Romulus, was still associated with power. It was chosen as the seat of the royal house after the taking of Rome by the Savoia, and later it became the residence of the Presidents of the Italian Republic.

Trumpery mid-15c., "deceit, trickery, Meaning "showy but worthless finery" is first recorded c. 1600. Trump (v.2)"fabricate, devise," 1690s, from trump "deceive or cheat" (1510s), from Middle English trumpen (late 14c.), from Old French tromper "to deceive," of uncertain origin. Apparently from se tromper de "to mock," from Old French tromper "to blow a trumpet." Was the modern Trump someone to be a showy but worthless finery, to deceive, cheat and mock the public? Given the titles he was offered, and according to the Trustee, he is a member of the Black Sun, coincidentally, the Huguenot's emblem is a Black Sun symbol. In the Book of Revelation, seven trumpets are sounded, one at a time, to cue apocalyptic events seen by John of Patmos (Revelation 1:9) in his vision (Revelation 1:1). The seven trumpets are sounded by seven angels and the events that follow are described in detail from Revelation Chapters 8 to 11. According to Revelation 8:1-2 the angels sound these trumpets after the breaking of the seventh seal. These seals secured the apocalyptic document held in the right hand of Him who sits on the throne. The trumpets are referred to in Koine Greek as (salpingos, salpinx); this was a straight, narrow bronze tube with a mouthpiece of bone and a bell; they do not resemble modern trumpets. The final three trumpets are sometimes called the "woe trumpets". is it trumpets or trump ET's? Remember last year and the event of Trump being sick from Covid, and how he had to pull away from his role, what are the odds of him being missing for 3 days and returning? Do you think that was a coincidence? there are no coincidences in life, just a series of planned happenstances that can change time, thinking, plans and usher in certain future events. It is back to the invoking ritual again. Trump moved the US Embassy to Jerusalem, which caused quite a political storm globally. He then took part in stealing more land, this time the Golan Heights from Syria, and they renamed it the Trump Heights in honor of Mr. Trump. Then they went further in honoring him, Donald Trump had a coin made in his name by Israel that bore the title of Cyrus the Great, look at the picture of Cyrus, does he look human? With Trump seemingly in the pocket of Israelis, were they mocking him or bowing to the new god? Was he the Trump card of distraction or the joker in the pack? WHOSE GOT MY BACK NOW

Why is focus on the god Quirinus? what role does he play in the modern scene of the gods game? Because the entity known as Q it is said was based upon Quirinus, Q of Rome and Trump via the god Cyrus. Quirinus is also known as Janus, the double headed Roman god, which could be seen as two faced, or in more modern terms a double agent. Pretending to work with one group whilst working for another all along. Q is the 17th

letter which was focused heavily by the QAnons, what are the coincidences of the Vatican having a head bust with the number 17 on it, with the inscription of Q as Janus, or is it pronounced as ya noose? Q certainly roped in a noose many people, and has mysteriously disappeared to prepare for the new wait club of, the resurrection of Trump which sounds all so biblical to me. So, have the gods returned or our the elites playing movie scenes again like a loop? That is for you all to decide yourselves. A fairly compelling argument can be made that, certainly appears they are up to something of replaying time and timelines, as there is so many connections of and to lead figures to the past. These gods of multiple names and timelines repeat his story in a grand loop, and much of what plays out on this planet is so far removed from reality, it is barely believable. The idea that wars on this planet, is a kind of simulation game of the gods would be discredited by most, but what if it is true? That the gods or factions are fighting over real estate, minerals and rights, and they use the people here to fight their wars for them? Using not soldiers, but soul diers. Well you know what, that is more true than most would like to entertain. That is why they call the war arena a theater, a theater these elites create, yet never take part in. How much simpler would life be if the ones pushing wars, would be the only ones fighting in them, I guarantee wars would end overnight if that was the case. The whole el-ite and royals bandwagons is a bunch of weak and cowardly entities, using the life force energy of the people who worship or honor them, to suffer their fate, in what is essentially a mass ritual sacrifice. Was Cyrus the Trump card for this occult and cultic group, known today as Israelis? Was Trump and Putin or were they put in to play the game of the gods again? Only to be Trumped himself by Macron. Character playing god like roles in a game of lets take the piss out of the humans is what has and is playing out. They think they are all so clever and people won't get or notice what they are up to, but no more we won't. Shows like these and many others needs to highlight the clownery of these elite psychopaths, who think it is all a game, as they play power struggle games, where the losers are we the people always. Whenever there is a restructure of the planet, it always involves a moving of chairs game that only involves and benefits the elites. Like the Magna Carta, which means Great Charter or Cartel, the switch was from the monarchy reign to the noble reign, which is the Black Nobility. Like Empires they rise and fall and none have remained in power forever, it is all one big game they play on the top levels, we are considered pawns and expendable collateral within their game rules. The Great Reset now involves the same group of players, but is their reset a play on words also, and means the return of Set? In the game of Set, we must be a match, otherwise love zeros out in their court. The greatest achievement of the elites, royals and fake gods have done is to keep the people in the dark, both literally and figuratively. Playing one against the other in a massive divide and conquer game, getting the famous who are all actually level low puppets act just like them, in a game of self serving, greed, shallowness that creates envy, and harvests the energy of all those who follow them. The seducement of monetary or material gain to be like them is an all too powerful tool they use, and all too often that program works with admirable ease. Is

money, material goods and fake titles all that much worth selling out your soul for? It is they who created the greed not need, they who created a society of non caring and non sharing, and they who created the comparative and competitive mindsets, but it is we who followed it to the letter. We followed their blueprint, just like sheep. The one thing amongst all of this is, the people are left to carry the burden and the scars of the wars that have played out, whilst the elites sit back and plot world domination for the few and the egotistic. Another thing is, the only Empire that has not risen to the fore is, an Empire of we the people. For us to stop this circular and looping reality is, for us all to come together and plot a better way for us all. People coming together and providing a viable alternative to the clowns system of control is a must going forward, and that is what the premise of The Peoples Club is all about. RIGHT NOW
