SOUND OF SILENCE Tonight's show will highlight further in our quest for full truth on this planet, and we have focused on this group more than others, because they are more of the problem, than any other particular group here. This is a war of the light versus the dark, of good versus evil and we will also show at the end how each of us can play their part and end this evil once and for all. These people if you can call them that, I personally wouldn't, are the most racist, sexist and anti human entities on this planet by far. They have manipulated and destroyed everything sacred on this planet with their egotistical and maniacal ways, that literally defy belief. Evil is often a misused word, often over used in some cases, but sometimes the word evil to describe something is just not enough, this is one of those cases. Because this is a long and detailed piece of evidence my input will be minimal, their words speak for themselves, the volume of it indicative, their arrogance knows no bounds, and their evil unlimited it seems. This will not be a pleasant show, these entities are not pleasant in the extreme. But to solve the world's problems, we first have to ascertain who and what the problem is, no matter how unpleasant that may be. No matter how harsh the truth may sound, no matter the consequences for knowing and finding out who and what are the real issues, and what is wrong with this planet. These are mask people who hide behind a fake race, religion and country, and have mercilessly and cruelly used their own kind in their plot for world domination. These entities lack any morals, dignity, righteousness and are essentially a bunch of egotistical maniacs, and the harvesters of sorrow, they create to proffer from. We open with their first gambit of truth said by non other than their Prime Minister from 1977-1983, Menachem Begin, who said this: Our race is the Master Race, we are divine gods on this planet, we are as different from the inferior races as they are from insects. In fact, compared to our race, other races are beasts and animals, cattle at best. Other races are considered as human excrement, our destiny is to rule over the inferior races. Our earthly kingdom will be ruled by our leader with a rod of iron. The masses will lick our feet and serve us as our slaves. DONT FEAR THE REAPER

The ADL (Anti-Defamation League) president Abraham Foxman first shows the Masonic sign of aggression the "lion's paw". Gentlemen, Welcome to the Second Centennial Meeting of the Learned of Elders of Zion, we have achieved all of the objectives expressed at our first meeting 100 years ago. We control governments, we have created dissension among our enemies and made them kill each other. We have effectively silenced criticism of our affairs and we are the richest race of men on this earth. As masters of business, politics, law and most importantly media, we are ready to implement our most important and ambitious program. One that will finally and totally remove from existence the impediments of our absolute control of this earth. I speak of the death of the White Race. The complete removal of all means of reproduction of the so-called Aryan race. Men, we now control the destiny of this race. It is now time to make sure the White

race becomes extinct through miscegenation [incest or interbreeding with other races] and having a virtually zero birth rate. We have all enjoyed the vision repeated all over this world every day, of the last White children playing with little dark children, and knowing that they are being set-up for their eventual destruction. We can ruin the ancient pure bloodline of an Aryan child by convincing him or her, of the altruism of begetting interracial children. We must expose the race mixing of the urban centers to the suburbs and rural areas of this country. More aggressive programs to integrate these areas are now underway through HUD, which is the Housing and Urban development group. It is worth any price to annihilate the next generation of White children, we want every White father to feel the sting of having their children marry colored mates and produce biracial children. We must use our power to discourage White men and women, who still persist in getting together from producing more pure White children. They will be ostracized by not becoming part of the New Society of all races. This will dissuade most of them, we will deal with the less cooperative goyim by murder and imprisonment. Finally, we will see the end of this White race. Impressionable White children will have their minds molded into the agents of their own destruction. Already, our efforts have succeeded in making the "men" of this race grovel at our feet. Men, you and your ancestors have worked hard to make sure we would have the power to hold the destiny of this race in our hands. Now we have it, Perish Aryan Goyim! That speech was on August 25, 1998, New York.

Here is a list of other quotes by prominent Jewish peoples. Romemut Yisrael Ufarashat Hagalut by Rabbi Saadya Grama. The differences between Jews and gentiles are not religious, historical, cultural or political. They are, rather, racial, genetic and scientifically unalterable. The one group is at its very root and by natural construction "totally evil" while the other is "totally good".

Ariel Sharon, the Israeli Prime Minister, transcribed from an interview with General Ouze Merham, 1956. I don't know something called International Principles. I vow that I'll burn every Palestinian child that will be born in this area, bit like Solomon and Herod then. The Palestinian woman and child is more dangerous than the man, because the Palestinian child's existence infers that generations will go on, but the man causes limited danger. I vow that if I was just an Israeli civilian and I met a Palestinian I would burn him, and I would make him suffer before killing him. With one hit I've killed 750 Palestinians in Rafah in 1956. I wanted to encourage my soldiers by raping Arabic girls, as the Palestinian woman is a slave for Jews, and we do whatever we want to her, and nobody tells us what we shall do, but we tell others what they shall do."

On October 28th, 1956 Menachem Begin, he of the infamous Deir Yassin massacre and future Prime Minister of Israel, states at a Tel Aviv conference. You Israelis, you should never become lenient if you kill your enemies. You shall have no pity on them until we

have destroyed their so-called Arab culture, on the ruins of which we shall build our own civilization.

Rabbi Ovadia Yosef. It is forbidden to be merciful to them, you must send missiles to them and annihilate them, they are evil and damnable. The Lord shall return the Arabs' deeds on their own heads, waste their seed and exterminate them, devastate them and vanish them from this world.

Rabbi Maimonides. The nature of the Turks (i.e. Mongol race) and the blacks, is like the nature of mute animals, and they are not on the level of human beings, and their level is below that of a man and above that of a monkey.

Statement by the former Israeli prime minister, Yitzhak Shamir, in reference to the African nations who voted in support of the 1975 U.N. resolution, which denounced Zionism as a form of racism. He said: "It is unacceptable that nations made up of people who have only just come down from the trees, should take themselves for world leaders. How can such primitive beings have an opinion of their own?"

Haim Cohan, a former judge of the Supreme Court of Israel: The bitter irony is that the same biological and racist laws that are preached by the Nazis and led to the Nuremberg trials, formed the basis of the doctrine of Judaism in the State of Israel.

Goldwin Smith - Oxford University Modern History Professor. We Jews regard our race as superior to all humanity, and look forward, not to its ultimate union with other races, but to its triumph over them."

Rabbi Meir Kahane, We will also act to end the relationships between Arab men and Jewish women, that is now growing and that so desecrates the Name of G-d."

Harry Waton a Program for the Jews and Humanity. But the Communist soul is the soul of Judaism. Hence it follows that, just as in the Russian revolution the triumph of Communism was the triumph of Judaism, so also in the triumph of fascism will triumph Judaism.

Pranaitis, I.B., The Talmud Unmasked. A Jew, by the fact that he belongs to the chosen people and is circumcised, possesses so great a dignity that no one, not even an angel, can share equality with him. In fact, he is considered almost the equal of God.

Rabbi Samuel bar Isaac. (Bereshith Rabba 1,5). According to Jewish belief, the Jewish People constitutes a species of their and its own, a special separate act of Creation by the

Almighty. The thought of creating the Jewish People preceded every other thought of the Almighty when creating the Universe.

Jewish professor A. Kulischer, October, 1937. Germany is the enemy of Judaism and must be pursued with deadly hatred. The goal of Judaism of today is: a merciless campaign against all German peoples and the complete destruction of the nation. We demand a complete blockade of trade, the importation of raw materials stopped, and retaliation towards every German, woman and child.

Rabbi Lewish Brown in How Odd of God, New York, 1924. We intend to remake the Gentiles, what the Communists are doing in Russia."

This next part is attributed to Henry Makow, who is Jewish himself and has suffered abuse and targeting as well, for the terrible crime of revealing the truth. The Jews should understand, Judaism is not a religion but a conspiracy against humanity. It is also a plot against the Jews, whose security is threatened by this secret agenda. Zionism, Communism, Liberalism, Neo-Conservatism, Feminism, these are devious methods to establish a tyranny by world government, created by a small group of big bankers who are committed to Masonry, Talmudism and Kabbalah".

Quotes by most prominent rabbis saying that Zionism is the works of Satan Source: The Rabbis Speak Out Please keep in mind that the quotes of the most prominent rabbis below have to be perceived as an official position of truly religious Jews. The word of rabbi is considered the word of "ultimate authority" in any questions whatsoever. Furthermore, the world of a rabbi even stands about the Talmud itself! A rabbi is even capable of changing God's mind, as the story goes, in which the rabbi was able to convince God not to destroy the city, where perversions, sadomasochism, brutal violence and murder ruled. Thus, for genuinely religious Jews the word of a rabbi is the LAW. The very Talmud, which is in essence the collection of laws, consists of the opinions of rabbis on any imaginable issue. Lord Acton said, "The truth will come out when powerful people no longer wish to suppress it." Since Sept. 11, more and more people are turning to the "conspiratorial" or "suppressed" view of history for explanations. In 1891, Cecil Rhodes started a secret society called the "Round Table" dedicated to world hegemony for the shareholders of Bank of England and their allies. These priggish aristocrats, including the Rothschild's, realized they must control the world to safeguard their monopoly on money creation as well as global resources.

The same folks control the U.S. Federal Reserve and other major central banks. They were united also by a commitment to freemasonry, which at the top, is dedicated to the destruction of Christianity, the worship of Lucifer, and the building of a pagan temple in Jerusalem. They see most of humanity as "useless eaters" and they pioneered eugenics to

decrease population and weed out inferior specimens. The eventual annihilation of non-Zionist Jews was rooted in this English movement. In 1897, the first Zionist Congress took place in Basle. In 1904, the founder of Zionism Theodore Herzl died at age 44 under suspicious circumstances. The movement was taken over by the Round Table, the purpose was to use it and Communism to advance their plan for world hegemony. During the same week in November 1917, the Bolshevik Revolution took place and the Balfour Declaration promised Palestine to the Jews. The Round Table group planned three world wars to degrade, demoralize and destroy mankind, rendering it defenceless. The Round Table was made up of Rothschild's based Crown Agents, the guy who wrote the bible King James was a Crown agent, connect the dots.

The Third World War, now beginning, pits the Zionists against the Muslims. The purpose of Zionism is to help colonize the Middle East, subvert Islam, and control the oilfields. For this reason Israel continues to receive blank checks, one analyst estimates the US taxpayer has spent \$1.7 trillion on Israel. This is why the founding of Israel took precedence over the welfare of the Jewish people, Israel has little to do with the Jewish people. Zionism, Communism, Feminism, Nazism, are creations of the same satanic cabal. These 'isms are means to the final goal, a neo feudal global dictatorship. FBI Director J. Edgar Hoover referred to this when he said: "The individual is handicapped by coming face to face with a conspiracy so monstrous he cannot believe it exists". As unwitting overseers, Israelis will continue as victims of "compulsory suicide." Americans too are being fitted for this role. Sept. 11 was an example, Arab terrorism is also backed by this cabal.

Bin Laden, Bush Serve the Same Master Osama Bin Laden made more than 260 phone calls to England between 1996-1998. The aim is to contrive a "war of civilizations" as an excuse to grind down both Muslim states and the West to create a global police state. What I have been calling "compulsory suicide" is satanic "culling." The constant reference by Zionist and other leaders to "blood sacrifice" refers to the practice of human sacrifice. Apparently energy is released when people are slaughtered. Recently U.S. Deputy Secretary of State Richard Armitage said the Hezbollah owes the U.S. a "blood debt." Our rulers design wars as offerings to Lucifer. They find slaughter and mayhem exhilarating, as long as it is someone else who is sacrificed. A staggering opening and worse to come from these disciples of evil, death and destruction. Henry alluded to the release of energy when people are slaughtered, yes that is correct and also the collection of souls. I did a piece recently on how we don't covet our energy enough, or keep a balance check of where it goes. Religion is a 100% energy harvester of praying to the AI god, you are not praying, you are being preyed upon. The Mecca event called the Hajj is a total energy harvesting event, as people are told to cycle anti clockwise to be harvested of their energy.

Willie Martin wrote in Commentaries on America. He wrote several books on this issue. America: Submerged in a Sea of Zionism. Will history remember America merely as a major captive nation of Zionist world conquest, ignoring the lustrous ascendance and near triumph of the glorious potential of free man? Will Zionist scorched-earth shots to the heart of all that is wholesome, buy them their long-sought victory for Babylonian humanism, with its showy irreverence and the glorification of all that is sordid? Will all of the goodness, wholesomeness and productivity of our unique Christian Republic, which millions forfeited their lives to give us, be purged from the world, leaving man to enter the 21st century enslaved to the least of God's creations? Must Americans forever witness Zionist self-promotion and self-portrayal as our best and brightest, as our most deserving and selfless citizens, suffering a society of lesser humans with intellectually inferior pursuits? Will God allow animal cunning, arrogance, greed and self-aggrandizement a final victory over humanity? With 'political correctness' based upon Zionist fascism in the ascendance, with the American media system largely a Zionist tool, with Foundations and Zionist Political Action Committees spreading legislative dollars. Providing selected candidates massive financial support, with two parties and political commentary dominated by the Zionist International, can traditional Americans hope to reverse the current course of history? Can we develop a formula to reclaim our Republic and the tools of a productive society, recapturing or rebuilding the essence of a nation one deservedly, the noble and gracious leader of the world's nations? Can we collectively observe that our governmental processes are captive to Zionist appointees at every level, that our State, Treasury and Commerce Departments as well as the Presidency are operated by Zionists who take their order from Zionism? Can we perceive that almost all of the national information-flow reaches us only through a Zionist filter and pro-Israel/Zionist propaganda machine? Have we not discovered the demise of education, the growth and development of crime, the decay of our cities and our rapid decline as a united people, have happened concurrent with the intrusion of Zionists and Zionism into the American system? Have we not noticed that today it is increasingly difficult for ordinary people, Jew or Christian, White, Black, Yellow or Brown, to live together in 'live and let live' affection and respect, as the ADL the ACLU and the AIPAC attack society's pillars. They move to destroy the Christian history of America and indoctrinate our children with ideas and philosophies, that most of the world holds to be reprehensible, society-destructive, and beyond civility? Have we not noticed the fear in our church bodies, the manipulation of them to amend and mutate the teaching of Jesus' word to men? Here we have history's master victimizers, representing themselves as the victims, as betrayed and sinned against, demeaned and tormented because of society's jealousy. A colony of Culicidae (insects such as mosquitoes and gnats) decrying the occasional angry slap by those that have been stung. We observe the creators of much of man's sordid and duplicitous record artfully and deceitfully altering, amending, abridging and censoring the record to point the finger of responsibility to others. Begging society's pity and solace for pain suggested to have been shared by no other people and never

publicly recognizing, though surely perceiving, that it has been their centuries-long manipulation of their fellow man, and their self-ordination as gods, that has caused the animosity they correctly sense. Consider an alien system with such a firm hold on American policy mechanisms, that they are capable of having American citizenship granted overnight to one of Zionism's most energetic employees, and then have him named as American ambassador to his former employer nation, and confirmed without a word from our 'illustrious Senate,' including that great defender of American interests, Mr. Jesse Helms? And consider a President's cabinet with 80% Jewish Zionist members and a President, himself a Rhodes Scholar (but unable to finish at Oxford) and a member of the Zionist International; a Trilateralist, Bilderberg secret communist. Consider an alien philosophy carefully scheming to own and control America's newspaper and broadcasting systems, then combining its now massive propaganda and re-instructional capabilities with the movie, entertainment and documentary producers of Hollywood. An alien philosophy indeed I might add. In short order reducing life to drugs and sexual fantasies, and living to a succession of mindless escapades and romps in the hay. Surely and continuously changing Americans then America, finally creating such irresponsible and chaotic conditions in our lives that we then welcome massive regulation, police restraints and New World Order socialist oppression just to get order again, forget morality or social ethics, productivity or national focus. Consider the raw source of energy and money for the pro-abortion and homosexual lifestyle movements, the illegal immigration madness, loss of personal heritage identity, multi-cultural disarray and the move to make our precious English subordinate, to the first choice of everyone's original homeland language. These are funded, not by the grassroots but by single source money, given in every case to reduce our influential Christian nation to helplessness. Babylonians filled with hate for the Christian people who bade them welcome, spending enormous effort and endless dollars to destroy our once wholesome influence on an ugly world. Witness the altered state of church in America; intimidated, compromised, fearful and spiritless. Are they winning? Look and listen to the new mores of our changed society, consider which nation is our number one recipient of loans' and aid? Note that they take what they want from our military arsenal, and then without apology copy and sell it around the world, wherever money is to be made or countries subverted. Note their demand for U.N. (American) troops to clear away the enemy which surrounds their homeland, and as stalking horses for their political influence thought the world. From the Pentagon, State, Presidency or the United Nations, their influence and numbers overwhelm any possible opposition, and America increasingly does what they demand of us. And then, dear friends, we have just witnessed once again their absolute mastery over our financial affairs. They own Banking, Investment Banking, the control of every major corporation, of course the 'Fed' and control of the Treasury of the United States. As we have just seen in Mexico, they do as they please, manipulating conditions, loaning then withdrawing support capital, and grasping control of the resources of nations one by one, sometimes for profit but always for control. And then there is the depreciating dollar, and

Americans and the humble Mexicans are about to be enslaved by its demise. When we add thought-control (political correctness) emanating from our college campuses, and the continuous flow of Marxist ideas from Zionist professors. To the 'hate crimes' laws and the massive effort to close down unwelcome publishers and Republican ideas, we can see that our Zionist fascist New World Order elitists have left no scheme destructive of Christian freedom left unutilized. Consider then the 'we-are-in-charge' arrogance of the 'Justice' department's 92 Waco murders, followed by official lies and media cover-up, to be followed by massive raids on the citizens' militias that resulted, and national martial law, orchestrated and controlled by our Zionist fascist President in collaboration with the ADL. Finally, we can watch with dismay as black- shirted, hooded world police power is deployed in America, computer programs are prepared for our personal control, and prisons are readied for any who would underscore their First Amendment rights by using them. Huge funds of propaganda and money are expended to take from us our last hope of freedom; the Second Amendment and our guns. And 90% of Americans haven't a hint or a clue, so brainwashed are they that when push comes to shove, most of them will unknowingly side with this enemy. So we who perceive must do the work of thousands. Replace with word Christian with White Race and it makes more sense, Christiandom is an abrogation of the White Race, and to be clear not all people of that race were white either. Iranians are not white, but Iran means Land of the Aryans. Those words echo much of what we have said and revealed in our shows, the question remains is where are and what are the alleged Patriots and people in supposed authority doing about this world coup? CIVIL WAR

Shocking interview with Rabbi Abe (Abraham) Finkelstein about Jewish control of the world. This could be the most mind shattering thing you have ever heard of, and runs along similar lines to the Walter Rosenthal interview we covered, with a bit more details. An audio recording of an interview with Chabad Lubavich Rabbi Finkelstein, outlining the doctrine of ZioNazis and their "father", Lucifer. According to Finkelstein, we are nothing but a cattle to be slaughtered and sacrificed to their "god", Lucifer, and milked by "god chosen people" for all you have as long as you last. This is an outline of what they call the "NWO" nowadays - a ZioNazi Luciferian doctrine of world domination and world takeover. The authority with which Rabbi Finkelstein speaks is quite something indeed. Basically, it outlines their entire doctrine of evil most profound, world domination, parasitism unlimited, wars and revolutions, puppet governments and how they are controlled, ritual sacrifice of hundreds of thousand of children each year and the rest of it. Finkelstein is quite casual in this interview and tells it all bluntly, in a semi-humorous manner how "goyim" are being exploited and destroy each other, during all the wars and revolutions staged and managed by "god chosen people". Rabbi Finkelstein amazingly gives honest answers about world Jewry's control of banking, media and governments, their creation of communism, their founding of the Jesuits, their holocaust hoax, their human sacrifice rituals and many more jaw-dropping subjects. I find the only

things more shocking than Rabbi Finkelstein's blunt admissions are his complete callous disregard and playful disdain for us lowly "goyim." Q: And now that you brought up the goyim, we must talk about that. In other words, the goyim, a goyim is any person who isn't a Jew, a goyim are classified as cattle or an animal. Is this correct? A: Well, they ARE cattle, because we are the chosen people. Q: But you see the thing that really bothers me, not bothers me to the extent of loosing sleep over people like you, is that all wars have been created by Jewry. They've been all setup up as a monetary gain, wouldn't you agree? A: It's, it's the greatest game in the world - to make some shekels Q: There is so much things being talked about with George Bush and the White House, let me have your opinion on George Bush and the White House. A: He is a good boy, he takes his orders from Ariel over there, and he tells him what to do, and he does it like a good goyim. Q: Would you agree that a, when the Balfour Declaration was signed in England, and the Jews were take to Palestine, the land of Palestine, would you agree or disagree that there is actually more killing, and there's been as much slaughter in Palestine by the Jews, as there has with the Iraqi people being butchered in the last twelve years? A: Well, who counts them, once in a while you have to thin out the herd. When you own the herd, you got to thin out the herd. Q: That's the philosophy of making money and staying alive and staying ahead. Is this right? A: Sure, you take that Iraq business over there. We got the white goyim fighting the other goyim, and they are killing each other, and we are making a lot of money, and we get the oil, and we get the interest, the most important thing is interest on the shekels that we loan to both sides. Q: Now, the Jews don't work, and you are absolutely true. I want to get back to this holocaust, and I want to get back to the holocaust survivors. There is more holocaust survivors getting money, getting payments than there were holocaust people who died, allegedly among the Jews. Where did all these people come from? A: Well, again, you know, they have the evidence, they have the proof that they were there in the holocaust, so they are entitled to some money. T: Classic portal people and shills response that, a statement without facts or proof. Q: You, Jews, say six million were killed in the concentration camps and yet there is six million that are still receiving funds from Germany and other funding, and, now that's twelve million. Now, how does twelve million come out of three million? A: Listen, again, the numbers, you keep arguing about the numbers. The bottom line is that the Jews are entitled because we have been persecuted for thousands and thousands and thousands of years, and so we are entitled. Even a hundred years from now there will be people collecting money on the holocaust. Because of those, that lousy boy, Hitler, over there, he was a bad boy. Q: The United States of America, is in a very deep trouble right now, financially, and I want to know what you are telling the other Jews on that, in regards to, cause I knew Jews don't have any loyalty to nothing but gold and silver, especially gold. What the synagogues teach in America today as to the course where this country is heading? A: Well, its like this, America has served its purpose. For the while we made these shekels here, we've made a lot of interest off the shekels. But, we can get cheaper labor in China, we can get cheaper labor in India. Why should we pay the white race

goyim here in America any money, when we can make a better deal over there? It's all about shekels. Q: I want to get into that about shekels and interest and everything, and this is very interesting that you bring it up because I notice that there is a lot of investment by Jewish financiers into Asia, most parts of Asia. Now, I also know that Jewry is an Asiatic race. Is this correct? A: Well, where we are is all over the world, but, yeah, I guess you could say that we started in Asia. T: Boom, just as we stated in FRWL 1 & 2. Q: That's right. Now, the Hebrews didn't start there, the Israelites didn't start there. You really have no bearing to being the Hebrews or the Israelites, you are not the dispersed nation. Actually, the con game that you have brought on to this country and the world, for many years, and it's been a good con game, is that you are allegedly gods chosen people. A: Hey, we are god's chosen people, Its just most Jews do not like to admit it, but our god is Lucifer. Q: Ha, ha. Your god is gold! A: Yeah, well, what we like is lots of gold, lots of shekels, some American Express cards, you know. We like to spend and we like to have a good time, we let the goyim do the work and we have a party. T: We like lots of gold? Which race came here for the gold? The Annunaki. Q: Oh, in other words, free foreign aid, free housing, free food, and you just want the other races be your goyim cattle slaves. Is this correct? A: That's what they want, so we let them be that. Q: And this is what's planned and coming in the United States too, isn't it. A: Well, this country here, we're gonna round this country up. We're bringing all the Mexicans and all the Hispanics across the border. They're interbreeding, especially with a lot of white women, the shiksas as we call them, and they are interbreeding with them. Pretty soon there won't be a white race, it'll be all brown. T: again confirming what our shows have been stating, that they wish to eliminate the white people. Q: Talking about race, you are a race, Rabbi Finkelstein, but you are Heinz 57 Mongol races, of Asiatic blood, is this correct? A: Well, there is Jews everywhere in the world, we had to breed with all the good looking women in every country we go into. All the good looking women, all they care about is we buy them a few diamonds, not that they worth anything, we marked up the price in the street up real big. T: We have stated in shows that diamonds and gold are actually plentiful, these people restrict it to boost the price, under the scarcity banner. A: If the truth be known we have so many diamonds that if we lose some diamonds, you can buy them for the same price as a dozen noses. But the women, they like the diamonds, and we make an appointment with them and we have sex with them, and sometimes we marry them cause it does not matter. Because when we've got 'em and want a divorces, we just go to one of our fellow Jew judges to get the divorce. We have a Jew lawyer and she's gonna hire a Jew lawyer, she's not gonna make any shekels, but she can try. Q: This war in Iraq that took place after September of 2001, this alleged war, it got very interesting, there were no Jews in them towers. Can you explain that? A: Well, spiritually there was a lot of Jews in the towers, a lot of Jews died in the towers, spiritually. Q: Oh, I see, there were 3000 Jew that were not at work that day in those towers. That just gave a lot of people the impression that the Jewish population out there in New York, was aware that something was gonna happen, and they did not show up for work that day. A: Yeah,

we got a call from the Kehilla, a quasi-governmental authority in Jewish communities of the Middle Ages. Ariel and some of the boys in the Mossad, they got together and they wired up the buildings, they took them down. It was going to be a hard thing to take them down anyway, cause we wanted to build some new structures and the buildings were getting old, and it was time to bring them down. T: they were built with asbestos and it was decaying and making people sick. This way, we make some shekels by destroying the building. Oh, Larry Silverstein was a good friend of mine, he got a two for one there, and he doubled the insurance, magically, just three months before it happened, and he got a two hit on it, so he made like four times his money. I should have been on a deal, he asked me, but I said: oh, I have to think about it. It took a little too long for me to think about it, and they pulled the plug and pulled it as they say, and so the buildings came down. But, at least I've got in on a market, I shorted on American Airlines, I was short United Airlines, I was short Lloyd's of London insurance company because they took a big hit, Alliance insurance company, I was short on them, so, I made a few shekels. Q: There is a lot of speculation here, I know that the Jews are thieves and liars of any moral society. I also know there is no conscience among Jewry, and, Rabbi Finkelstein, it does not matter what I say to you, it's gonna bounce off of you like water of a ducks back, right? A: Well, Jews always feel guilt, we've always felt the guilt, we have the conscience. Q: The only conscience you have is when you can't steal all the money from anyone or any country. A: Well, you're hitting a little close to home, but you're correct. Q: Now, a lot of food labels, there is a "U" and a "K". And this U and K on all the food labels for example, that are sold in supermarkets, etc. Is this a Jewish tax that is paid to like rabbis like you all over the United States? Is that another con job at the expense of the goyim, the masses that purchase the product? A: Well, I didn't get in on that one, but yeah, it's a lot of other rabbi groups. They tax the food and you could call it a tax. You know, you are entitled to make money where you can make money, if nobody stops you, you make the money. But the goyim, I mean they are the cattle, the white race out there, they are the goyim, they are the cattle. So if we want to make money off of feeding our cattle, but who's to say that that's wrong? T: U and K on packaging means Kosher products, the circled K is a registered mark and can only be used with the permission of its owner, the Organized Kashruth Laboratories of New York, a private certifying concern. The circled U is similarly controlled by the Union of Orthodox Jewish Congregations of America, the undisputed heavyweight of kosher-certifying organizations. The circle K gas stations has whole new meaning now. It would be nice if the tax went to America, but appears it doesn't, just one harvesting venture after another. Q: What's the greatest fear of the people of you have in your synagogues? what is the greatest fear that the Jewish, en-mass are facing on the East Coast? A: Well, the worst thing, if we hang around, or all the buddies up there in the Federal Reserve, Allen up there, he's gonna pull the plug on this U.S. dollar, and we wanna make sure we are in the Swiss Francs, in Euros there, Japanese Yen, or something before that happens. We'll get the call from the Kehilla, we're liquidating now, little by little. A couple of other goyim,

that they are good and paid for Shabes goy, the Bill Gates fellow from the computer place and Warren Buffet. Both of them, they got out of U.S. dollars, about a year or so ago. We call them, you know, to liquidate, but we're still hanging on there, so we made some extra interest since they are out of the market, but they've got a lot of shekels themselves. Q: I see where you, Jews, have finally taken a National Rifle Association, a Jewess by the name of Sandra Froman is now president of the National Rifle Association. A: Well, yeah, but we could go with NRA a long time ago, Charlton Heston he's not known so much, he is a nice Jewish boy, we let him play Moses in the movies, back in the Fifties. Yeah, but we took over the NRA a long ago, all the organizations out there, the Jew controls it, and everybody knows that. Q: You know, I've read in your Talmud where it says that if you are to have any opposition, you will control that opposition. A: Well, of course the smartest thing is to own both sides of every game, that way you know the outcome. We own the Republicans, we own the Democrats. We've a lot of good Jewish boys on both of them, and the rest of them are good, bought and paid for, Shabes goy. We throw a few shekels into their campaign contributions that we give them and, a Jewish lobby in Israel, and they take the money, and they do what we want so that we could make some shekels. If nobody stops it, who is to say we should not be doing it, don't you wish you could do it? You're not doing it, we're doing it. T: therein lies the problem, were not doing it and all too content to let them play their own game. We have no voice, no say in the matter and that is why we have to come together within the one platform, The Peoples Club, because tens of thousands in each state will eliminate their power over us. Q: It's like Elisabeth Taylor, now she was a white woman, and yet she said she took on the ways of Jewry. How does this fit in? A: Well, she married a nice Jewish boy named Eddie Fisher and they had daughter named Kathy Fisher, and so, she donates a lot of money to the synagogue. She is a good goyim schiksa and she thinks she is Jewish, she can think what she wants. Hopefully, she'll give lots of money to our synagogue when she dies, which should be soon cause she does not look like she is in too good health.

Q: Yeah, but you're all thieves and liars, just like it says in John 8:44. T: that verse states this: Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it. Q: But you see, Rabbi Finkelstein, you don't own me and you don't control me, and you don't control the racial identity movement in this country, who really understands to a varying degree of what you people are and what you've done. A: Well, that's true, you're one of those goyim out there we don't control, but I'll tell you a little of something else. We all respect you for what you do because at least you say about your race, but the rest of them out there, all a bunch of cowards, all the white race goyim, all the men. The most of them those they carry purses and they wear earrings, there is no wonder all the white girls come to us, all the shiksas. Q: You know, I had a conversation here, not long ago, with an individual, and it got into the feminist homosexual agenda in the United States. I

told them that actually all the sexist, homosexual agenda was actually created and funded by Jews in the United States, what, do you want to discuss on that? A: Yeah, we got that going back in the early 1900's, the woman's rights movement we started off. T: This is confirmed by Nicholas Rockefeller in his interview with Aaron Russo, in which Rockefeller says that it was Rockefellers who started the "woman's lib" movement. Aaron Russo: Well, one of the things he told me was that, he was at the house one night and we were talking and he started laughing, he said: "Aaron, what do you think 'women's liberation' was about?" And I said - I had pretty conventional thinking about it at that point, I said I think it's about women having the right to work, getting equal pay with men, just like they won the right to vote. And he started to laugh and he said: "You're an idiot." And I said: Why am I an idiot? He said: "Let me tell you what that was about. We, the Rockefellers, funded that, we funded Women's Lib, and we're the ones who got it all over the newspapers and televisions - The Rockefeller Foundation." And he says: "You want to know why? There were two primary reasons." One reason was: we couldn't tax half the population, before Women's Lib. And the second reason was: now we get the kids in school at an early age, we can indoctrinate the kids how to think. So that it breaks up the family, your kids start looking at the state as the family, the school and the officials as their family, not as the parents teaching them.

Aaron Russo: Reflections and Warnings See, you got to think of the game and you got to think of the goal, you can't go in like a Sherman tank going through something. You got to start a little small and so we said: hey, how about you get people pay for equal work, Eh, and have their right to vote, and everybody bought into that. T: that proves they rely on our collective non thinking process, where they promote it via propaganda and because we don't ask any, many or the right questions, they roll through their programs. The same applied with Feminism, Transgenderism, both our societal changes programs with these people as the beneficiaries, because we just agreed to it, without asking, what is the full meaning behind them. AR: We started with the women because its hard to get the men, the women is the weaker sex as we know, from that old Adam and Eve story of yours. But, at any rate, we got the women going, and now look at all the women. Most all of them around the world, especially here in America, they've got short hair, they've got a schwatzer for a boyfriend, they've got a lesbian lover. They're married by the time their forty, but then they can't have too many of little children themselves because they already ruined those years chasing the all-mighty gold, the dollar, the shekel, so they're gonna wind up a bunch of old maids cause nobody wants them. But, the bottom line is that, that the real good looking ones, we take to the Hollywood that we own, and we make them think. T: There you have it, they point out the problem we the people face, we don't think enough. Our show is possibly the only show that is interactive, which is designed to make you think. The masses don't think, they follow instructions only, given to them by politicians and the media. They are the problem here, yes we can blame these

Jewish elites for taking advantage of the situation, but we the people allow them to, and that is what we have to change going forward.

Q: I was talking to some person who journeyed to Israel, the United States has always been known as the land of milk and honey. Would you like to relate to that? A: Well, what's in the saying, what can I say? A lot of people here in America, they still keep screaming about those 55 guys that they say formed the company, the country a couple of hundred years ago. But the bottom line is that the Jews formed the country, we came over here, 1492 was that terrible year we got kicked out of Spain, and Columbus, who was a Jew, found funds to take us over here. We were going to set up at Rio and then we decided to go to New York, cause New York has a little bit better weather, not so many mosquitoes, it was a little bit better. So we set up in New York and we make the money. T: not only born in and born to, but now created that place as well. Q: About this war in Iraq, there is a lot of Jewish money invested in this war, isn't there? A: Well, we have all the ammunition companies, we own all the aircraft companies, all the gun manufacturers, all the supplies, we're making a lot of money, and George Bush he's a good goyim. He borrows it right from the Federal Reserve, and he has to tax the people to pay back the interest 'cause the most important part of a loan is the interest. You must pay back the interest, we're not concerned with the principal, but the interest has to keep going on. We've done pretty well with Iraq so far, we've got about \$300 billion or so, and this war is gonna go on for another 30 years, as George said. We told him to keep it quiet and shut up and don't act like a like a big shot, but he kept talking, and so. But this war is gonna go on for another 30 years. We're going to go into maybe 60 countries or so, we're going to be dropping all the goyim here soon. The men, the women, the women don't want to sit home and have families anyways, they've got to have a career. That's a nice, exciting thing for a woman, to put on a green suit to go over there and shoot people and get shot at, must be exciting to them. So we're making a lot of money. Q: You know this is very interesting. Well, Rabbi Finkelstein, it's really good talking to you and I am sure the listening audience here on the Turner radio network is listening very intently because a lot of things have been exposed, some more exposed than others. But, you know, at least you're coming out and you're telling the truth. And you stated we have \$300 billion tied up in Iraq with interest, and what's 1700 to 3000 dead bodies compared to how much money you make? A: Well, but you do have to thin out the herd once in a while, otherwise the herd gets too big. If the herd gets too big, they eat up all the resources, so, you got to thin out the herd once in a while. We call that theater of war, because it is amusing to us that our two biggest enemies, the white race and the Arab race, to see that the women, it's amusing to us, to see them kill each other and we make a lot of money off it. Believe me, I got a lot of loss at the synagogue with that. Q: Well, we've got a break here coming up in about a minute I believe, and you're listening to the John 8:44 program, a pastor Bob, entitled the lying Jews, on the Turner radio network. I am James Wickstrom and a teacher of Yahweh, and as a guest on pastor Bob's program tonight is

Rabbi Finkelstein on the East coast of the United States. A: I am here and remember: there has never been a Jew in the history of the world that ever told a lie, we always tell the truth. Q: Yes, I see, I know what your truth is, your truth to you is a lie to us, but that's fine. SECRETS AND LIES

Russian revolution I'd like to get into the situation that took place years ago, I know you're well aware of it, it was called the Bolshevik revolution over in Christian Russia. It's been reported here on congressional documents in the United States and it's in many places now, that, actually, it was Jews who financed the Bolsheviks, a Jew communist revolution against the Tsar. Would you comment on that? A: Well, it was really the Rothschild family that financed it 'cause they've got all the shekels. Oy, let me tell you, they've got the shekels. When the old man died in 1812, he owned half of the known wealth in the world. Oy, Wei! The rest of us got a chop off the rest of it. But, anyway, we started the Bolshevik revolution there because you might as well start with taking over the biggest country in the world, which was Russia, and we got the help to murder the Tsar from his cousins, the Kaiser and the king and queen of England, and, so they helped us and they gave us all the inside information that we needed to take the country over. But we drained that country pretty well, there's not a lot left, and so we looked for greener pastures, and we've been doing real good here in America for a long time. We're gonna build up China and India, and we'll just let America sink into the desert. T: Just as this show had warned many years back, what we are about to find out is, the elevation of the East along with the collapse of the West, they are going back to their traditional roots, the lands of the snake, dragons and fake Indian gods. A: But, it's time to do something else, so we're gonna build up China and India, and we'll just let America sink into the desert because no one really cares about America any more. There's not much shekels to be made any more, you know, as they say you can't get blood out of the stone. Q: Is communism Jewish? A: Of course! Karl Marx, Moses Mordechai Levi, who had a couple of grandfathers that were Jewish, he was the one who created it, along with Engels. He was another nice Jewish boy, and we implemented it and got that started in Russia. It was the great bill of goods to sell to masses. We tell them: hey, you are here at the bottom, how would you like to be equal, everybody be equal? They thought they were gonna come up, but we brought the rich ones down to their level and we took all the money, and we run it, and they are all a bunch of schleppers. We make the shekels, and we are the masters of the world, and all the goyim are just human cattle.

Q: I'm glad you brought that up because this country is in great despair here. I'd like to know it was very crafty on your Kehilla and the main sources of Jewish power, financial and political power, how they totally control most of the federal agencies in the district of Columbia. We know how you can get the word out to every Jew in the world within 45 minutes. A: Well, it is really simple, you know, the Kehilla is the inside for us, rabbis. T: notice the letter K again. We know how to get the word out to every Jew in the world,

that goes to a synagogue, within 45 minutes. All the other presses, the news media, the television, the radio, the magazines, we own all those anyway, so, that trickles down, but by the time masses get it, it's too late to make any decision. We already made the decision for them. Q: You know what's interesting, with trouble looming on the horizon in the United States, there is a lot of white people, white people like me of European ancestry who don't really know what's going on, and there's a large percentage of Jews in this country, who don't know what's going on either. They're gonna be cannon fodder too, aren't they? A: There's few at the bottom that don't go to the synagogue, but they know they hear that you know, with parties, we discuss it, how we're gonna wipe out the white race and wipe out the other race. Actually, let them wipe out each other and make us a lot of money - that's pretty smart. We want the world of our own, and there's nothing any of the goyim cattle are gonna do to stop us. You know, us, Jews, we're pretty smart guys. I know that actually we'll get all the rest of their countries around the world, they'll wipe each other out. Because us, Jews - we are special, (yes short bus type of special) we are the chosen people, and we are the smartest people in the world. And have always said, down through the ages, we want a world of our own, and we're gonna get it, and there's nothing any of the goyim cattle are gonna do to stop us. Q: So, you see, its very interesting that you should bring all of this because where do the blacks fit in? I know that you use them, they've been part of the Jewish communist party in the United States, a majority, a vast majority. What's gonna be their end when this is all over? T: This next answer further confirms what we stated with FRWL 1&2 and the jet black race, who they are and where they came from. A: Well, the schwatzers, let the truth be known, came here with our father, Lucifer, 75 thousand years ago, when he lost that battle. Only temporarily though, in the heavens, 'cause we're on a comeback, we are the comeback kids if there ever was one. We're making a lot of money selling the drugs. But, all the schwatzers - eh, what can you say? You know, they've got a good time step, they dance good, couple of them can sing. They make some nice barbecue, and they're good for selling drugs to, because they all love the drugs, so we're making a lot of money selling the drugs. You do know that we control all the drug world, and now, since Rothschild, the opium wars in China going, we control the drugs. We want a few in here and there to make some money, and they get arrested and they go up the jail for that. But we make the big money, we are the wholesalers, we are the wholesalers of everything in the world! It's very interesting you should bring that up because, you know, prior to Franklin Delano Roosevelt and his Eleanore, his first cousin, who was also a Jewess. Q: interrupted on the background with - "they are both Jews". A: yes, they were both Jews, and its very interesting, until they've got in office, the Jews had control of the money, but they didn't have control or a good foothold in Washington, DC, did they? We had control since the civil war, Rothschild, he backed both sides of the civil war, and when the smoke cleared, he was getting shekels from both of them, lots of it since they're never going to be able to pay back the war debt. We're really controlling them, basically, what we've been doing is consolidating. I'll tell you something about that Eleanore girl - she got the face that would

stop a clock. Q: Ha, ha, a train! A: And a train too. Q: Now, as we talk about conditions in this country, Rabbi Finkelstein, the people know that their standard of living, is it not meticulously being destroyed now. It's coming by chunks, it's coming by large gouges at this time, total industrial plants, automotive plants are being shut down, 1500 to a 3000 in a plant are losing their livelihood, it's just a matter of time, isn't there? A: Well, of course, but all they really ever had anyway, once you give up working for yourself and you work for somebody else, you are a slave to that person. What you're doing is actually, he is not paying you money, but all the labor that you're doing - you're giving him a piece of the action. And when you give him a piece of the action, you are making him the rich guy, not you. So, all we want them do is make a subsistence living, they could never afford to buy a house on their own. We got to give them a payment plan, of course, we do them a favor, and so we collect a little interest for that, about three houses for every one that we sell them. But, you have to be in business for yourself. If you're not in business for yourself then you never have a chance to make any money. You're gonna be a working stiff, a slave, a serf, you are schlepper. Q: Why do the Jews feel, or is this just a paranoid, schizophrenic feeling that everyone in this country is, looking at them, want to do things to them and stuff like that? A: Well, they better not look too hard at us and accuse us, cause that's anti-Semitism, and if we catch you at anti-Semitism, we throw the book at you. Remember, we control the court system, all the Jew judges, the Jew layers, the Jew prosecutors, and we wrote most of the law. Not us necessarily, but we pay goyim in Washington, DC., the Democrats and the Republicans. They sit around and we have them write up laws, we tell them what to do and they put it on the paper, we don't actually do the work. Q: Two individuals that come from two opposite parts of this planet, you, Rabbi Finkelstein, and yours truly James Wickstrom. You know, we are on two totally opposite sides of this planet, and both of us have two totally different wants and needs and desires against one another, and yet, here we are, sitting here tonight live on the Turner radio network, discoursing about people, discoursing about things, being honest and truthful, and telling the truth to the masses. But you know, the masses have a hard time believing anything. The most important thing to remember between you, Pastor Wickstrom and me, rabbi Finkelstein, at New York, that we both have two fathers, and so that's why we look at the world in two different ways. T: Neither are right or correct in their views, both are steered and blinded by what they believe is their faith, but both have been lied to, and the word faith has nothing to do with religion, it means the enlightenment of knowledge. Q: And we know that there's a massive collision that's gonna take place between two forces, don't we? A: Well, that's what your books says, our books says that we're going to take over the world! and we are doing a pretty good job right now. Q: Yes, you've done a pretty good job but you know there is quite an awakening coming, and, my father, who is not your father, my father Yahweh, who isn't your father, of course your father, who's talked about by my father in John 8:44, stating that your father was Satan and you're the descendant of Kane, who was the first murderer, and you know that's true because that is what you teach in your synagogue. T: Yahweh

oh dear my god better than your god, it's all very child like is it not? Your god is within you, it always was, you were never told to worship or idolize outside of you, the system taught you that. A: Well, that's true, but it's not for you goyim to know, but right now it's too late, it's over for your white race. So, that's why I am speaking so honestly here, to bring it out into the open so that you can see it for what it is. You've been teaching the people real good, but they don't wake up, do they? You don't get a lot of followers, do they? Because you know why? They are scared of us Jews, because they don't want to be called anti-Semites, and they believe we're the chosen people. That's why we can do whatever we want to do and we can get away with it 'cause the white men are cowards. And we go to the synagogue all the time and denigrate the whites and sing "hava nagila". Q: You know that's interesting, I've told people for years and years, it's not that you, the Jews are hiding anything. You're coming right over the television and the newspapers, on the radio, and you're telling the people what exactly what you're gonna do, before you do it, and they're like they are brain-dead. A: Well, we did a pretty good job with the public school system, we've got you to put all of your children in there. You notice that the Jew does not put his children in there. They go to the Hebrew academy where we teach them the real things, and then they go to the synagogue and learn the real important things. But we send your kids to the public school. We even have you tax yourself from your property, so that you never own your property, and, if you don't make your property tax, we're gonna take your property, you can bet on that. We have you put your kid in a twelve year babysitting, is about all it does, because you don't learn anything in them, and by that time, the kids, they get to be teenagers and then we give them the music. Not that we really wanna call it music, 'cause, oy, vei, that's not music. But they listen to that and then they wanna do what they wanna do, and so we sell them drugs. We make a lot of money off your children. Your children from cradle to grave, all we do is make money off of them. You are cattle, you are goyim - the human cattle, mozeltoff. Mozeltoff means congratulations. Q: Yes, I know what you call us, you may call me goyim, but I call you devil. But you know I am going to be calling you a good name because that's what you are. A: Well, that's true. Q: Now, you see, Rabbi Finkelstein, in your synagogue out there in New York, do you have a lot of in-fighting with the other Jews, the orthodox Jews and the other Jews. There is a lot of in-fighting for the money out there in New York, I've heard there is a big inner war going on now with Jewry. A: Well, we fight a little bit and we argue a little bit of course, that the two most important things we do is complain and get the guilt, and so what we do is we're not really fighting among ourselves cause we both are gonna make a lot of money. It's just who's gonna make a little more on this deal, and who's gonna make a little more on that deal. The goyim does all the work, the goyim makes all the stuff. He sells it to us for pennies, we're the wholesalers, we are the middle men, we mark it way up and sell it to the other goyim on the retail side. There is an old saying in Yiddish that God made gentiles because somebody has to pay retail. It's not gonna be the Jew, for sure, the Jew does not pay the

retail, it's the goyim that pay the retail, we buy wholesale. The next part is unpleasant on every scale, prepare yourselves accordingly. IF EVERYONE CARED

Netanyahu said: My Mossad uses children to trap your leaders into extortion so we can control you, but your perverts only see the child sex. This is the sleight of hand tactic they do all so well, and rely on people looking at and accepting the statement, and the people are trained to believe, follow and repeat the narrative. But, that is what is called immersing yourself in the story, a step back allows you to ask the right questions and obtain the right answers and the bigger picture. The Jewish Passover and ritual sacrifice of children: Finkelstein was asked about this topic and this was his reply. A: Well, we've got a great brainwashing job done on them over the centuries, and especially the last few hundred years. They believe anything we tell them, we have a lot of fun around Passover when we steal their children. I know you know, cause I've got it on your show before, I mean we steal a hundred to three hundred thousand children a year just in this country. We drain the blood and we mix it with a Passover bread, and then we throw the bodies into the slaughter houses that we own, and we grind up all the bodies in the sausage and the hamburgers. McDonald's is one of our favorite outlets, and the people that eat out for breakfast, they eat out their children for lunch, and, you know, us Jews, we've got to do what we do. Yes my favorite mewe gif will be used figuratively and literally now, so is there evidence to support this claim? Shockingly, yes, as this past story confirms. The following story alone proves that this interview is as real as it gets and it was not a concoction and/or "hoax" or "forgery" like some claimed.

Confirmed: human meat found in 9% of McDonald factories McDonald's exposed for using human meat in Oklahoma City. First McDonald's was under fire for horse-meat, then mysterious "Pink slime", and now human meat? A shocking discovery has been made in an Oklahoma City McDonald's meat factory and other McDonald's meat factories nationwide. Meat inspectors reportedly found human meat, stored in the meat factory freezers of an Oklahoma City meat factory. Sources claim human meat was already in trucks outside the factory ready to be shipped to McDonald's restaurants. Health inspectors immediately demanded inspection in various McDonald's meat factories across the country, and horrifyingly found human meat in about 9% of the factories inspected thus far. The USDA (United States Department of Agriculture) has seized McDonald's production and shipping, and will call for more meat factory and restaurant inspections. The situation brings up many unanswered questions. How long have they been using human meat? Where did they get the meat? Were they already dead when shipped into various factories? Investigators and Inspectors are currently being appointed for intensive investigations all around the globe. Q: Well, that's very interesting I understand that, but I also know the bloodletting. I know that on your Passover, which isn't mine, that a lot of little children do disappear, and I do know that, and I know a lot of police departments and agencies have been informed. But, you're very

open, you're very open tonight. I am very surprised that you are talking about the bloodletting of the little children that you put their blood in the Matzo bread balls and that you eat it for sacrifice on Passover. A: Well, there is a goyim that wrote a book about it back in the 30's, I forget his name at the moment. But, he wrote the book, and people didn't buy the book, people don't want to listen. We've been doing this for thousands and thousands of years, since down to Adam's time. So, we take the children of our enemy, which is the white race, and we bring them to the basements in the synagogues, where we drain the blood and watch them die there. It's very similar to how we do the sacrifices that we do with a kosher butchering, and so we do that. Then we mix it with a Passover bread, and so we eat the blood of our enemies, and even when we say this outright and tell you people, you don't believe it. And the bodies, eh, we are not cannibals, so, what we do is we take those because we can make some shekels, and we give them to the slaughter houses. There is pounds and pounds of meat that we grind up in a sausage and a hamburger, and that's why we make those the most popular things. Sausage for breakfast and a hamburger for lunch, and so all the goyim out there are eating their children. Even when we say this outright and tell the people, you don't believe it. So, that's, then your problem.

Q: Some people who have read this interview simply could not believe this is real. They said that all of it is just an insanity and could not possibly be true, and this rabbi is not a real rabbi but an impersonator and the whole thing is a hoax. But the fact that human meat was indeed found in the McDonald factories' freezers by FDA inspectors is the clearest and most fundamental evidence, which is simply undeniable. That this interview is indeed as real as it gets, considering the fact that no Christian priest, "antisemitic" and/or "racist" or not, could possibly know such an explosive information casts the validity of this interview in stone. Particularly if we consider another fact: that every day in the USA alone 2300 children are missing, in 1999, nearly eight-hundred-thousand children went missing. Finkelstein, and even when we say this outright... you don't believe it. So, that's, that's your problem. There was an earlier Youtube video exposing this, predictably it was removed, as many other truth stories have. If you have to hide things, it proves there is a cover up, and more and more people are evidencing these banning, blocking and charting the narrative now, and a greater awakening is occurring with the people all over the globe. It is backfiring on them badly, reduced to send jackass fiction checkers to not evaluate a story, but to discredit the truth, and control freedom of speech. The lockdowns have benefitted us in a bizarre way, as more people have more time to have a look at the various sites uncovering their secrets and dark agendas. But this is about as sick and evil as it gets. **WHEN THE CHILDREN CRY**

Q: You know, I agree yes it is a problem of people not believing it. But you see, I've always wondered how did you, Jews, ever get control of the Christian churches in this country, it always baffled me to a varying degree. I know you have your synagogue out

there in New York on the east coast. But I am wondering how did you ever totally get control of these Christian churches, who at one time told their congregations to stay away from you, Jews? How did that happen? A: We infiltrate the church and we attack them first. Well, you know our father, Lucifer, the number one thing is, of all the organizations out there on Earth, that we would want to infiltrate and take over of you, goyim, obviously, would be the churches. So we attack them first and we attack them most, we infiltrated the Catholic church right from the beginning. Why do you think the Popes and all the cardinals and the bishops wear Yamaka Jewish religious cover on their head? The white race never figures this out, so then we took all your books, that have all the scriptures in there and we burned them. Then we wrote them in Latin, so that you couldn't understand them, but we understood Latin, cause we are Jews and we are smart and we are educated. T: Latin is the reptilian language, the fact they understood it, reveals their identity, now you know why I call them Hebrew Annunaki. But you goyim out there, you never teach yourself, you don't self-teach, you're always looking for somebody else to do it for you, so you wind up being schleppers all your lives. T: (Sclerper means a laborer, someone so stupid or ill-educated that he is employed to fetch and carry things, is the description of that word.) Anyway a thousand years later, when a bunch of the white race started to wake up in Europe and they started to leave the Catholic church. T: (This reveals the Catholic church is a trap for the white race, and a harvesting center for these Hebrew Annunaki.) It was a terrible time because we were not making as many shekels as we used to, so we had to put a stop to it. So, the kings that we had in our hip pocket, just like the politicians in Washington, DC., today, we paid them off to get you declared heretics, so that they would crucify you and kill you. Plan "B" - we formed the Jesuits to infiltrate all the Protestant churches. But there was too many of you, and the West was opening up, when the Jews opened up New York and Rio and everybody started going West, to the Americas, and so we had to come up with the plan "B", and plan "B" we formed the Jesuits. He was a nice boy that didn't know how to roll over. More over, he started the Jesuits, and so they decided to infiltrate all the Protestant churches out there, and there is always us, Jews, work our way to the top. Then we take over the money line, the shekel line, the most important line, the life line, the gold, and so we took that over. And so, slowly but surely, we teach the teachings, change them a little bit to where it's all run by the Catholic church again, the mother church. It's your mother, but the father church is the synagogues in Israel and the synagogues in New York.

Q: You know, this is most interesting, there was a report just recently, oh, couple months ago, here, Rabbi Finkelstein, of Ethiopic Jews in Israel land. These are black Jews, and the Jews in Israel did not want them there, and the Ethiopian, the black Jews said: oh no, we're Jews, we belong here too. Well, how does this sound, to these black Jews and the Jews over in Israel did not want them. Where they kind of like a disgrace or what? A: Well, who wants a bunch of schwatzers in your land? You don't want the schwatzers in there. There are some rabbis that went down to Ethiopia and they said: oh, we like to be

Jews too. We laugh and we said: OK, pay us a few dollars and we teach you how to be a Jew. So, there were a few rabbis that made some money there, in Ethiopia. But every Jew knows that a schwatzer can never be a Jew, and we don't want them dirtying up the neighborhood, in Israel. We give them the neighborhoods here in America. We give them the white women to mate with to destroy both races, and what can I say?

Q: Rabbi Finkelstein, we're coming down on time here, but I wanted to get into this because you know, you and I are at war. The war actually is between the children of white race, the children of Seth, and the children of Kain, which you are. We know that this has been written in Aramaic and in all the ancient texts, you know this as well as I, that only one races is gonna survive on the face of this Earth, and you know it's the white race. A: Well, that's what your book says. Our book, the Talmud, says we're gonna rule and we're gonna have a world of our own, and we're gonna go out into space, and we're gonna have a war with your father, and we're gonna win this time.

Q: Well, that's gonna be most interesting, but until then, the masses continue to awaken in many aspects in this country and white Europe. You know, all of Rothschild's banks control the white nations and have perverted the nation, but amazes me how you penetrated into the Federal Agencies, like the FBI and the National Security Agency, and how you have all these blockers and protectors in that. A: It's very easy to take over a government when you are a bank, because the government has to borrow money from a bank. And once they borrow money, as it says even in your books, as it says in ours, who borrows is a slave to the lender, and so this government here in America, is a slave to the Federal Reserve system, which is Rothschild's bank. But the few of us, other Jews make a few shekels off of it. The politicians that we put in charge they all take bribes. They are all a bunch of perverts, they like to drink and they like to take the drugs, and they like to do the fagalo things with fagalos. T: Fagalos is linked to homosexuality and Transsexuals. So, that's what's they do and it is very easy to control the government. The hardest thing was penetrating the churches, cause there used to be a few good preachers in there, but, over time, us Jews - we're so smart, we're the chosen people, we always infiltrate and take over everything, and everything there is out there today, we own and we control.

Q: Well, I know, Rabbi Finkelstein, I know that all of you, Jews, are gonna die, it's written by Yahweh. I'm glad you got on here and told the truth to the listening audience. You've been listening to John 8:44 of Paster Bob, program. I am sitting in for him.

An audio recording of an interview with Chabad Lubavich Rabbi Finkelstein outlining the doctrine of ZioNazis and their "father", Lucifer. According to Finkelstein, you are nothing but a cattle to be slaughtered and sacrificed to their "god", Lucifer, and milked by "god chosen people" for all you have, as long as you last. FOLLOW YOUR HEART

There you have it in a nutshell, a reaffirmation of the Rosenthal interview, and an expansion on it in so many ways. It is so hideous it is barely believable and I get that, but the fact of the matter it is not. People ignored this and the Rosenthal interviews as too far fetched, but many in THI have heard it is not far fetched at all, and in some ways it is under played. It confirms the From Russia with Love series on steroids, in so many aspects, that the FRWL series has to be the blueprint for us all to understanding what has played out. As brutal as it is to research, write, processing and relay this show for you, it is a necessity for it brings things out of the dark and into the light, and that is a victory. With more lights shone upon it, it extinguishes their hidden dark intentions. I for one will continue to shine the beacon on these cockroaches of the night, and I am asking for you all to join me in this quest, for the sake of our children, grandchildren and future generations, these psychopaths have to be stopped. What is our future if we carry on ignoring it? and also how we can all chart a better path for us all, including these racist, sexist and anti human psychopaths. You cut off their energy, it is the greatest threat to them, they admitted they struggled when white race left the church. These are the living embodiment of archons, energy vampires and harvesters, demons rolled into one vessel. They made it clear they care not for peoples lives, the sanctity of life, and the pursuit of happiness and pleasure, only how many shekels they can generate and harvest from you. The sheer contempt for life of these people will sicken all who listen to or read this. This show leaves no doubt as to their full intentions, the depth of how far they will go to achieve it, and the tactics by which to achieve it is about as dark forces as it gets. As our show has warned about these sub gray race intentions to eliminate the white race, was all there for you to see now. How many more times do they have to tell us before we wake up and take action? How many more of the white race must die, before ignorant people see an extinction of the horizon? The answer is within this century, unless people wake up and take direct action to protect their race. Ignore the white supremacy, Nazi, Aryan and anti Semitic vibe and labels, all of those were created to deflect away from the real problem, and who was causing it. They cry racism at every opportunity, yet have you ever heard as much racism, than what is contained in the Talmud, this interview and Rosenthal's? Schleppers, Schwatzer, Goyim all racist and demeaning terms, yet curiously no one ever dares to bring it up, that has to stop. The world owes Jews and Jewry nothing, these sub gray's masquerading as Jews but are not, owe the world and every race everything. Reveling in butchering children to fulfill their Passover ritual, slaughtering children to put in our food for their own sick and twisted amusement, and to make some shekels. They have used and abused every race, including the Jewish people, and it is high time these psychopaths of the highest evil are returned to Source, pronto. Their prayer and scripture books to be set up in museums, to warn future generations of the sheer evil these people possess. The rest of the books should be burned in a reverse ritual sacrifice, not of people or children like them, but their books and trinkets of the death cult. A death cult whose whole narrative is based on a series of lies, cover ups, fake

history and fake religion, which has gone on to formulate our law, which is their law, and render it a monumental trap for all who engage in the legal practice. If Jewish people are offended by this show, you are part of the problem. Corralled into victim hood thinking and thou must not criticize the Jews because of some event 80 years ago, whose narrative has more holes in it than Swiss cheese. It will not bring the Jewish people back who died in them camps, it will not bring the 70-90M Russians back either, and unless you are a disciple of John Hopkins, 70-90M dwarfs the fake figure of 6M between 14 and 18 times, yet there is no mention of it. Why? because the same sub gray race known as Jews that killed the Russians, where the same people that killed the Jews in the camps, and many other peoples. Wake up and smell the bloody coffee will you, as your people are next in line to be pushed out of the Middle East, after all the Palestinians are gone. Tonight you just got over one staggering quote and then a worse one followed, all stated so matter of factly, like they are discussing the virtues of whether to have the salad with a dinner. We must show backbone against these very few people, and fight back, they are the psychotic blocks to end this nightmare now. If ever there was an endorsement of the TPC and THI this show is it, if ever there was a need or desire to expand it, this was it. The memes of the TPC are the counteraction against these harvesters. Need not greed, they revel in their greed and revel when others display it, so they can harvest them at a later date. Greed gives them what they want, interest payments. Caring and sharing, they have clearly shown they do not care one iota, but we can, and that counteracts their old programs of everyone for themselves and not caring who suffers. By caring we also light up our beacons, they don't like that. By sharing with each other, is another counteraction to none sharing, sharing makes the forward clockwise motion, none sharing adds to the anti clockwise harvesting culture, they so desire. Cooperative, now that is a lesson we can learn from the dark, they work together, we have worked separate, they prospered, we failed and flailed. Competitive and comparative plays into their hands again, as people fighting each other to have the most this or the best that, all of that is another way to prise your hard earned money off you. We have said we must create our own businesses and be self sustaining, that is hampering their progress also, everything in house, not the House of Orange, Rothschild's or Windsor's, the House of the people that shuts the harvesters out. We have said we would like to have our own schools, they told you in this interview what they use our children and schools for, so we create our own and stop them as well. We have said we would like to grow our own food, again the reasons why was obvious in this show. The TPC was designed in a way to not copy or replicate the old system they created for us, it is to provide a platform and blueprint for a better way for all of humanity, that are willing to make the change. Those who won't, will carry on being harvested by these psychopathic dark forces as laid out tonight. That is their choice and not something you should feel guilty or have regrets for, they made their choice and you made yours. The focus is on what we gain not what we lost, like the 4400 show. If we have 4400 going forward as a new adult version of humanity it's a massive leap forward,

not a loss in overview. Humanity 1 Dark Forces 0, eventually it will be humanity 1 and 1 with the one again, and not a straight binary win. NEW BEGINNING
