

THI-SHOW TRANSCRIPT 2021-12-23

FANFARE FOR THE COMMON MAN The long awaited completion episode, the number nine show, that has been held in abeyance since the last of the original series number of 8C, that was completed on November 14th 2019. We did of course do a re-run of 1 through 8C with additional information throughout 2020. On August 2nd 2020 we launched into the From Russia with Love plus series, that has now reached ten parts. They are like supplements and in some cases deeper dives into what was covered in the original 1 through 8C episodes. Due to the popularity of this series work is underway into producing it as a book. It will all be edited, revamped for the book form and it is essentially going from a Must Listen to show, into a must read or listen to event. This show just may well be the most comprehensive and important show ever developed within the alt media, it's an impact show of the highest caliber and potentially a line in the sand show. We have opened the proverbial Pandora's box bit by bit this series, this show snaps off the lid and the hinges off completely, and it will never be closed to the truth again. This series pushed the boundaries of what we thought we knew, what we thought was the truth, only to find in many cases the truth was thin on the ground. It has expanded the thinking and thought processes of the many who have listened to this series. It also brought up many contentious topics, that caused many to initially be triggered, which is a sign in and of themselves that something is not right. Think of it as a soul spirit calling, reminding you of, not all that you have believed is true, and now is the time for you to all relearn the truth in a cathartic and stimulating way. Triggers for one particular lady stood out during this series, as many of the religious people railed against me for the blasphemy of denying or denigrating their religion, in essence I did neither. I presented an alternative theory initially and asked people some common sense questions. Those now familiar common sense questions brought on the triggers, and to one lady in particular. She was not pleased at me for what was in the early FRWL shows, and having spent 40 years as a traveling pastor in America's mid states, she was not about to accept the information contained within the series. But my show only asked the questions, and it was up to the individual to accept or not what was delivered. After several fairly accusatory emails against me, and my response being I am not asking you to do anything, believe anything, just hold the information lightly until you are really ready to receive it fully. That lady to her credit returned some months later with an email, and suddenly there was a change in her. She said, after reviewing again all the information you delivered, processed it and no doubt healed some of it because it is and can be painful receiving the truth, she said I can no longer support what I am doing as a pastor anymore, as the evidence against it is

overwhelming once you see. She walked away from her pastor role, and instead is now traveling to the same places to apologize to her followers and present the new information contained within the shows. Massive kudos to that lady, it took some courage to do what she did, and all it took is the use of some critical thinking. Many others in our group have walked away from that control system also, all of them felt better and have gone onto developing themselves in the right way. No longer are they praying externally, because that is your energy being preyed upon, but they have gone internal and found the real god was inside of them all along.

The purpose of this show is a wake up call, not only for the alternative media, not only to America, it's Government, this is a global wake up call for humanity. The old world has stumbled and limped on long enough now, that even the general public are noticing, something is clearly amiss with what we call life on this planet. We are not living, billions are existing and billions are even struggling just to exist, this does not constitute real life and living. People do a good job of coping with it, but life should not and was never meant to be only about coping and existing, it is an abomination of what life and life force essence is all about. I have covered many topics and timelines in this series, highlighted many groups, questioned the value of religion which can be a sensitive topic for many. But, I have presented the evidence and it is up to the individual whether to accept it or not. I have tackled the other sensitive subject that to some comes under the banner of Anti Semitism. Yet if you take your blinkers off, I am advocating heavily for the average Jewish person, who have been used as pawns, in a sadistic game of confusion and illusion. Ultimately it is about presenting facts, many of which has been denied to us, in a way that asks the listener to answer the questions and come to their own conclusions. Pre-conceived thought patterns deny many the truth, and his story has shown time and time again, that their truth was distorted in so many facets, and written in blood. Tonight's show will have two facets to it, and whilst seemingly separate, there is enough dots already given in this series, that links things altogether. FRWL 1-9 lays all out the details to understand the bigger picture and what has really gone on, on this planet. The FRWL Plus series also at 10 now, goes deeper into the things covered in the original series, although tonight's show both parts, will be new and deeper in and of itself.

No being ever has to be enslaved, in fear, existing or struggling in life, there is an abundance to avoid that in this whole Universe, enough for everybody as deemed by Source, the creator. And yet some people and beings choose greed, control, power which are all low vibrational energy derivatives, that is not only not good for those oppressed, it

is just as bad on a soul level for the oppressors. For many thousands of years now, this planet was run by an oppressive regime, based on the sole intentions of harvesting the whole planet, and causing destruction everywhere. Countries and people have been used as pawns in a never ending trail of strife and woe, which turned people against each other, it was all designed that way. Society no matter how high up you went, or thought you were, were all still pawns in this game, only recently are some just finding that out. Many though in the so called higher echelons are still struggling to believe or understand, they were fooled and lied to even more than the public was. Today we will show publically in greater detail of the control system document, that was never about restoration of the planet, but the destruction of it. A document of staggering complexity, planning and implementation, very few have seen it, only two people worked it all out, of who, what and where everyone fits into this control system. I will unveil the whole document for people to gauge the size of it shortly, but we will be focusing on the bottom 25% only this evening, as that is where most of the public impact is. It is also where even the most avid researcher will reside in terms of what people call the cabal, Illuminati, bloodline families, Five Eyes or the Deep State, all of them are in bottom 25%. That will rock most not familiar with THI shows, and I suspect many of you will wish to go higher than the bottom 25%, but you have to understand the lower portion before going anywhere near the top 75%. Many of the names people are familiar with in the alternative media, will come out as we unveil this show. There will be detailed portions, background information, proof documents all unveiled in this show, many of which will be firsts not only for alt media, but publically also. Many of you will be staggered to find out, that not only were you not aware of this structure, but neither were your politicians, Militaries, Agencies, Heads of States or some of the bloodline families in large part. This puts and shows compartmentalization in it's fullest terms, of how successive levels only knew their tiny piece of the puzzle each, and no one knew the full spectrum, not even close to it. Many of you will be staggered that very few of the so called authorities that run our society, are also oblivious to this or what is going on in general. Governments that are not governments, but harvesting corporations, with no rights, constitutions or laws that serve the all, we have had no governments since 1871, only corporations. Mr. Biden himself is not the President of the United States of America, he is the CEO of USA Inc, the United States also has nothing to do with America either. United States is a European Houses establishment group that was formed in the early 1800's in Vienna, Austria, look up the Congress of Vienna, you will find out for yourselves. The US Constitution ended in 1871, currently there is 4 floating around, none apply to the people. America and 148 other countries have no national bank, only what is known as The Federal Reserve. I say

148 countries but it could be around 170 countries tied to this system, in essence though all 209 countries are hooked into it. The Federal Reserve is not an American bank or company, it is or was owned by The Crown, which contrary to popular opinion is nothing to do with the Queen of England, and more to do with the Temple and Templar Bar of banking. Operating not out of London, but the City of London, which is not a part of the UK, likewise the District of Columbia known as Washington DC, is also not a part of America. Which is why Trump spoke of returning DC back to the people and the country, once certain rogue elements get over the fact they have lost, and quit continuing to run a failed system. Except Trump was thinking the people is the Black Sun elements, not we the people. The IRS which is the collection agency for the Federal Reserve bank, collects income taxes that would be deemed illegal under the original constitution, except it doesn't apply. They collect taxes off you despite it being deemed as voluntarily, the reason it is voluntary is, it is not a tax, it is a tribute to The Crown of England. The IRS also is not an American company, it is situated in Puerto Rico and registered as a Trust under The Crown. Here is how the current fiscal policy works in America and the other 148 countries, whose currency is tied into the Federal Reserve. The Federal Reserve in 2012 had it's license and trading in US Dollars rescinded, and yet they continue onwards as though nothing happened. America only has 60% of all monies spent per year, the other 40% is borrowed only from The Federal Reserve. America would have 100% if all taxes were collected and went to the Government, but The Fed ensures each country must borrow from them, at 10% per dollar, yes you heard that right - 10%. None of those 148 countries are allowed to print their own money, and they too must pay for dollars for trading at 10%, it is the biggest scam in history, and yet you have so called American patriots supporting this scam? That comment was in relation to the Q group celebrating the takeover of the Rothschild's Fed by the Black Sun group of which Trump belongs to, via the Black Rock consortium. The US Military is not the American army, it is ran by China and the Rothschild's family, and did the most treasonous act ever in history, they sold all the American military hardware to a Chinese group that is not the government, and they have been leasing it back for the past few years. All those \$35-40M F-16's planes or the \$100M F-35-A planes and \$13B warships all paid for by the American people, and they sold them to a supposed enemy in China. Yet we still cough up \$989B a year for these people, who because of certain clauses are actually not allowed currently to defend this country, or it's people. So, if a foreign country invaded America, we are left with the National Guard, Militia and the people to defend ourselves, currently it is illegal for US Military to engage on our home soil, wrap your heads around that fact. Just as well the Russians didn't come isn't it, by the way that was another lie to harvest vast

quantities of American tax payers monies, to fund the non American Military junta. The Rothschild's and Vatican claim to own the Military, fine, personally I would send them the bill for all the military spending paid for by the people, and we build a new one to defend this country and not attack other countries. The US Treasury is also ran at the behest of the Rothschild's group, several times Mr. Trump and The Trustee tried to get funding to the American people for projects, funding for disasters, which the other non American foreign led group called FEMA have failed to do. The Trust promised \$105B of non loan money to the Government, and the Treasury and the group formerly known as Citadel, now known as the Weiss group blocked it, at the behest of Hillary Clinton. Do you want to know why the NYPD is riddled with corruption and cops misbehaving? they are owned by Citadel/Weiss also. Hence the video of Clinton and Abedin the NYPD have, will never see the light of day, unless true Americans take back their country, and you will never do that via their corrupt voting machines or elections. The UN was a collection agency to harvest funds out of each country, to pay for their clandestine and black budget operations against the people, in league with the IMF and World Bank. NATO also runs along the same subset of principals as the UN, collection monies off countries and stated to be their security group, when it is ran by the CIA, as private security and intelligence, it is neither, NATO or to give it's correct term ATON, because NATO is the Rothschild's private army. Wasabi, ISIS, ISIL, IS, Al Queda, Taliban, Hezzzbollah, IRA and various other boogeymen style mercenary groups, are all created, funded and ran by the former 5 eyes agencies and their Dragon group counterparts. All bought and paid for by the publics money, under the branding of War on Terror, which is spelt with OR on the end, but is a play on words as it is war on terra, spelt TERRA, a never ending war they said, with the objective to eliminate many of us. Fighting for our freedoms? don't make me laugh, the old system were not interested in our freedoms, their objective was to use us as batteries and enslavement, this is why nothing works. Nothing is ever done right by are so called politicians, they are not politicians, they are script following pawns in a game they can't see. They harvested everything from our life force energy which is labor, then took large chunks of the compensation for our life force energy with what is known as taxes, and left many with the bare minimum to sustain our lives, but never enough to make you thrive. Yes some jumped the ladder and for a while make it, but remember in the game snakes and ladders there are snakes awaiting you at every turn, boom and bust cycles, recessions, wars and down you go with the snake, then repeat the process. But the boom and bust cycles were created for you, all designed to harvest the cream when it all busted, for those with the means to do so, and so, away went our businesses, jobs, ideas, ideals, patents and dreams, all collected by the

Harvesters of Sorrow, the greed merchants, elites, families and bankers, it was all designed that way. Wars that have gone on, on this planet particularly in last few hundred years equals double pay for the harvesters, collection of dead vessels releasing souls, termed soul diers, and the mention of the word war in anything, war on terror, drugs, gangs etc leads to the creation of bonds. Bonds are IOU's and debt instruments and all have been cashed in previously to the Trust, they are just double dipping everything, including our Birth Certificate Trusts. HARVESTERS OF SORROW

This document not only shows you their planning, but also their structure of who is who and what is what. The document is titled The Global Marshall Plan 1947 to 2022, interesting that year comes up again, 2022. Remember the Fiction is fact show where all movies were set in 2022, clearly there is an event of sorts planned for that year. Unbeknown to many on this planet, there are several contracts of control of the planet and agreements, some going back 100 years, some 200 years, and I was aware of a 500 year and 1000 years contracts, none of which involves we the people. One of the multi generation plans ended in the 1800's and the Draco handed over power to what we know today as, the EL-ites. This brings in the illusion game of the humans are in control of their own planet, except it was a sleight of hand trick, as they only put in charge their own proxy agents to run the same program, whilst they hid in the background dictating it all, in particular Anu and Marduk. Given the Rothschild's clan have been playing a large role in not only controlling us, but in essence the planet via the energy system, known as money and the depositories known as Banks, that family has more reptile DNA than any other family on the planet, all of which means they are not fully human. You will see shortly where the banks are in relation to the power structure. I will now ask Russell to post the pictures as they unfold on Mewe and Ramona to post them on Facebook, and I will explain each section. The page itself is around 54" tall and around 28" wide, a single piece of paper, that I am unsure of the date when it was done. We will start at the bottom right section, goes across and then up to next level, but remember all those mentioned in this piece are the bottom 25%. Picture 1: Reveals the Governments and the Mafia on the same level, with Governments in connection to G8, G10, G12 & G20, 4 differing G levels suggesting 4 different clubs. Above Governments and Mafia the controlling arm of both is The Council on Foreign Relations. Above them is the Executive arm of RIIA, which is the Royal Institute of International Affairs located at Chatham House London. RIIA oversees two other groups, The Trilateral Committee and The Bilderbergers. Picture 2: We see the main controller there known as the Federation of Governments, and the World Trade Organization and their subsidiaries, The British East Indies Tea

Company and The Hong Kong & London Councils are responsible for imports/exports and International trade. I suspect the Federation of Governments is, what I know as the World Government group, ran below the Canary Wharf in the UK, the leaders of that group are all Reptilians, as are the heads of all the legitimate Dragon groups. Picture 3: Brings in the Institutions into the mix. SRI(Stanford), MIT, IRS, Rand, including Jared Rand and his fake med bed, Hudson, Wharton, Gc Ford, Yale and Harvard. All of those groups branch off to one group, Tavistock. Those places are from where nearly all these EL-ites and clowns come from, it is like a breeding ground for greedy and evil psychopaths Picture 4: Foundations and 17 Metrogroup Foundations, The Canadian Institute for International Affairs along with several groups of businesses connected to NGO's and NGA's. Those businesses are Petroleum, Banking, Money, Insurance, Commerce, Industry and Entertainment, for entertainment read brainwashing and mind control. On the same section is Global Faith group system, above them New World Utopia and above them Faith groups that all link to The Royal Institute of International Affairs. Picture 5: You have NATO above them The Club of Rome, above them The Tavistock Institute of Human Relations, again the bizarrely inserted name of Humans, suggestive they are differentiating us from other beings. Tavistock link back to the Institute groups in Picture 3. Above them is the Royal Institute of International Affairs. Picture 6: reveals Commitment Holder and 7 unknown men, connecting both of them is, Freemasonry and other Secret Societies, who are all the Cult of Ra snakes. I suspect those 7 are the seven dark ones selected to fight the 7 Source based Light ones in the final battle. Above them is two groups most of you will have never heard of, the International Elite Law Enforcement Agency and International Elite Armed Forces. So, the EL-ites have their own law enforcement and armed forces. Who are these groups one has to ask, who funds them? Above them is Counter Terrorism. In the same section is Rhodes Milner group and the Round Table, all very King Arth of Ur that. Although the current Round Table group was created by Cecil Rhodes, and the Rhode bloodline family who took over swathes of Africa, in particular Rhodesia, now known as Zimbabwe. Those two groups link back to the Royal Institute for International Affairs. Picture 7: reveals British Intelligence over and above Interpol, CIA, Mossad and other Intelligence Agencies. British Intelligence would be the GCHQ rather than the lower ranked MI5 & 6, and what is likely is GCHQ was the original OSS, that went onto creating the CIA, who are closely linked to the NSA, who are a subsidiary of the GCHQ. Above them is the Elite and another group known as King Saud of Arabia, Sheiks of Dubai, Kuwait and UAE. Kings of other countries, Asian dynasty and Global Royalty, these connect to more on that level of the system in the next picture. We will hear more about them in another show, these

people are above the actual public version of the Royals. Picture 8: Reveals the United Nations and Member Nations, and far left is the Utopian group and their political machinations of control, that gives the illusion they are all separate, but all operate under one banner. From the bottom to the top, the Right wing parties, Socialism, Liberalism, Fabianism, Communism and the top one? Zionism. Most will not be familiar with Fabianism, although Tony Blair and Jeremy Corbyn are both out of the Fabian secret society group. The Fabian Society is a British socialist organization whose purpose is to advance the principles of democratic socialism via gradualist and reformist effort in democracies, rather than by revolutionary overthrow. Socialism by stealth in other words, or Totalitarian creep. Interesting the name has Aryan on the end, with total it, which means to end the Aryan, maybe that will become more obvious later. Picture 9: Reveals the name of the organization who oversees all of these lower level control structure elements. And you all thought they were the top end of it all, not even close to it, and too few of those within those groups are aware of the much higher end. They were all given the illusion they were in control and running things, but compartmentalization on an unprecedented scale, kept them all in the dark literally and figuratively. The name of the group? the 301 Families, not 13 in Italy or the 13 European or the 13 American families, all are a part of this overall group, and essentially they are the anchors for the lower levels. From those Families originates the terms Cabal and Illuminati. Many outside of our group will be shocked to find out that, most alt media, many of whom hosts are connected to Agency's and other rogue elements of this structure, all those names just mentioned are in roughly the bottom 25% of the control structure. They are the minions including all the families like Rothschild's, although some of that clan may well go higher, given they have the most Draco DNA of any family here. Rockefeller, Astor, Warburgs, Morgans, Kennedy, Bundy, Farnese, Aldobrandini, Medici, Marcos, Hapsburg, Burgundy etc, they all reside in that group. Picture 10: Shows a section of the banking system along the bottom are listed the banks, Chase, Citibank, Dresdner Bank, HSBC, Vatican Bank and China Bank all behold to the UBS bank, and known as Depository Banks. These banks are or were paid 7.5% annually out of the gold deposits and certificates, and yet they still charged us interest on the loans? Do you know who owns those gold deposits and certificates they claimed 7.5% on? we the people. Above Chase is Barclays Bank, above them Pacific Bank and above them Elite Bank. Connected to the UBS Bank is the Lloyd's National Insurance Comp, which may well be the UK version of the US Social Security fund, above them the Lloyd Bank and above that the Overseas Investment bank. Those three are all in one office, and are paid interest of the gold deposit account of 7.5%. Picture 11: is almost identical in structure, except the

bottom banks are slight different, they include Chase, Swiss Bank Corp, Union Bank De Suisse (which is UBS itself), Swiss Volks Bank, Dresdner Bank and Bank of Dubai. Above it are a list of initials which maybe people or organizations, stemming from the list of life exercises, disciplines and explorations required in the next stage up. Picture 12&13: shows those initials, with a signature and date just above them of Albert Williams dated 7/17/09, who maybe the person who drew this document up. You can also see in these two pictures two of the three multi triangle structures, like I said there isn't only 1 pyramid of control. You can also see some initials that maybe the overseers for those section. I have since found out who those pyramid within the pyramid groups are, and we reveal more in a later show or date. On picture 13 you can see some of the disciplines to be carried out, the bottom two is of interest, Time Machine and Time travel technology. That will not be built in Colorado as some had planned doing so, that will be prevented at all costs regardless of who is involved in it. Time travel only helps the miscreants, clowns and those wishing to replay the game, they are losing heavily and will eventually lose altogether. Picture 14&15: shows some of the disciplines, projects to be carried out in Phase 3. In Picture 15 half way down you will see Moon Colonization, a little further down it says, Cyborg, Robot and Nano technology in the left side column. On the right side it mentions, Global train system, Space development, Underwater Casino, Underwater city. Picture 16: is the wheel within an wheel, within a wheel, within a wheel with a series of initials, but curiously in 4 boxes on the 3rd ring on the right hand side it says Human. Yet again describing the human in a different category. The second wheel matches with the number of parents, and third wheel corresponds of 13 families, 13 parents, 13 covens and 8 parents who were the overseers. Picture 17: describes one section of humanitarian programs ran by the Trust company. At the top left it says Global Elite companies and Elite corporations. 10K Global Corporations, 10 countries or 60 countries, 100 countries or 200 countries, 300 countries or kingdoms, one presumes they were undecided as to which three. Picture 18: Is Development projects ran by a Trust Company holding, but also mentions China Bank and HSBC US Trust. It also reveals certain figures on the top left of \$5 trillion for 100 million member from China. \$5 Trillion for deposit in China, \$7.8 Trillion for Global Master Agreement Trust Fund and \$193 Trillion Global Trust funds in the system by 300 Million Investor Worldwide. The top of it all is the Master Holding Trust Company, that branches off into a Private Bank and Family Trust. Quite a neat system of control and financial greed they all planned for themselves there. Essentially cornering every market and discipline whereby only the EL-ites and families had control of it all, and nothing to do with we the people, who actually generated all of those funds with our labor or life force energy. All of that was formulated

under the Marshall plan of 1947, and was essentially a document of taking over the world financially and harvesting all the businesses and people too boot. The numbers 1947 is still seen, but the 2022 was written over, maybe the original was 2012, not 2022 as that then would make more sense. As the originator along with criminal globalist EL-ite families who assembled this document, was based on the end of the cycle calendar of 2012, but unbeknown to the EL-ites, 2012 was their end as well as the peoples. The bloodline families collected all the world's assets, and in return got valueless pieces of paper with numbers on to keep their greed based traits running. Marduk who was the main benefactor as the Trustee collected all the hard assets gleefully, and laughed at the sheer stupidity of the families giving him all the world's assets for free. Paper money has no intrinsic value you see, something the EL-ites failed to grasp, until Marduk pulled the plug on them all in 2007. 14 years later these same clowns who were duped on a massive scale, fail to recognize the error of their ways and are still pursuing ownership via Fiduciaries like Anna Von Reitz or bloodline family members like Kim Goguen. The assets belongs solely to the People, not EL-ite families who have had more than their fair share to build their greed based mini Empires. Goguen herself stood to gain over \$880B from the Trust as part of a family legacy, so it was not all for the benefit of the people, but heavy personal gain for her was involved in it as well. **LOW LIFE IN HIGH PLACES**

The mention of the former Trustee being Marduk, brings in the group known as the Annunaki. I have dubbed them as the Hebrew Annunaki, and it will become clear in the rest of the show as to why that name. So who are these Hebrew Annunaki? well the Annunaki are made up of five differing species, 2 Humanoid races, 1 Reptile race (Draco), 1 Avian (Thoth, Set Pleiadian Nibiru group) and 1 Insectoid race (the Mantid group). Here is a timeline of events on this planet, it should not be taken as 100% accurate but a guideline of events and who was involved in them. Events Before the Deluge: 450,000 years ago, On Nibiru, a distant member of our solar system, life faces slow extinction as the planet's atmosphere erodes. Deposed by Anu, the ruler Alalu escapes in a spaceship and finds refuge on Earth. He discovers that Earth has gold that can be used to protect Nibiru's atmosphere. It is possible that may have been Marduk not Alulu, who was Anu's father. 445,000 Led by Enki, a son of Anu, the Annunaki land on Earth, establish Eridu Earth Station I, for extracting gold from the waters of the Persian Gulf. 430,000 Earth's climate mellows, and more Annunaki arrive on Earth, among them Enki's half-sister Ninhursag, Chief Medical Officer. 416,000 As gold production falters, Anu arrives on Earth with Enlil, the heir apparent. It is decided to obtain the vital gold by

mining it in southern Africa. Drawing lots, Enlil wins command of Earth Mission, Enki is relegated to Africa. On departing Earth, Anu is challenged by Alalu's grandson. 400,000 Seven functional settlements in southern Mesopotamia include a Spaceport in Sippar in NW Iraq, Mission Control Center was Nippur, SW Iraq, a metallurgical center Shuruppak in Iraq West. The ores arrive by ships from Africa, the refined metal is sent aloft to orbiters manned by Igigi, then transferred to spaceships arriving periodically from Nibiru. The Igigi were the original miners and builders of settlements, but they eventually revolted against Enlil. It is my understanding they had bases on Mars for the gold and other assets as well, given they ruined their own atmosphere, it may well have been this same group that ruined Mars' atmosphere as well. 380,000 Gaining the support of the Igigi, Alalu's grandson Enlil attempts to seize mastery over Earth. The Enlilites win the War of the Olden Gods. 300,000 The Annunaki toiling in the gold mines sparks mutiny. Enki and Ninhursag create Primitive Workers through genetic manipulation of Ape woman, they take over the manual chores of the Anunnaki. Enlil raids the mines, brings the Primitive Workers to the Edin in Mesopotamia. Given the ability to procreate, Homo Sapiens begins to multiply. I don't believe that is correct, stating they created current man, they created a version of man, just not us. And almost certainly not the White Race. Is it possible what they created was the Neanderthal race of beings? This is how Enki is perceived by some as the better of the two, no they were two sides of the same coin game again, Enki was interested in his own power struggle and was using humans to gain it. 200,000 Life on Earth regresses during a new glacial period. 100,000 Climate warms again. It warmed because of the war 10K years prior and the fall of the moon Lelia on our planet, causing mass destruction and deaths. The Anunnaki the biblical Nefilim, to Enlil's growing annoyance, marry the daughters of Man. 75,000 The accursation of Earth, a new Ice Age-begins. Regressive types of Man roam the Earth, Cro-Magnon man survives. It was at this point, Lucifer brought in the jet black race to eliminate the White Race, is it possible the jet black race also were a spin off of genetic interference, as mentioned earlier? 49,000 Enki and Ninhursag elevate humans of Annunaki parentage to rule in Shuruppak. Enlil was enraged, and plots Mankind's demise. 16,500 The Draco signed an agreement with the tribal people for control of the Earth, despite being warned against it by the Elders, in return for weapons to fight other tribes. 13,000 Realizing that the passage of Nibiru in Earth's proximity will trigger an immense tidal wave, Enlil makes the Annunaki swear to keep the impending calamity a secret from Mankind. It may not have been Nibiru at all, it could well have been Rahu and Ketu throwing rocks again, or more likely, the current orbiting craft in the sky called the Moon arrived. As stated by several ancient American tribes, they all speak of the moon arriving around that time.

Events After the Deluge: 11,000 B.C. Enki breaks the oath, instructs Ziusudra/Noah to build a submersible ship. Noah was one of them, not one of us, he wore the mark of the nefilim, scaly skin. The Deluge sweeps over the Earth, the Annunaki witness the destruction from their orbiting spacecraft. Noah's ship was also a craft, not a boat the rewriters of his story wish to portray. Enlil agrees to grant the remnants of Mankind implements and seeds, agriculture begins in the highlands, Enki domesticates animals. 10,500 B.C. The descendants of Noah are allotted three regions. Ninurta, Enlil's foremost son, dams the mountains and drains the rivers to make Mesopotamia habitable, Enki reclaims the Nile valley. The Sinai peninsula is retained by the Annunaki for a post-Diluvial spaceport, a control center is established on Mount Moriah, the future Jerusalem. This is why the Hebrew Annunaki covet that region, and why I have warned of their caliphate since 1990's. Jerusalem has zero to do with Jews, and everything to do with these fake gods trying to reclaim our land, minerals and resources, they are cosmic pirates. 9,780 B.C. Ra/Marduk, Enki's firstborn son, divides dominion over Egypt between Osiris and Seth, which is Set and said to be the third son after Cain and Abel from their Adam and their Eve, not ours. 9,330 B.C. Set seizes and dismembers Osiris, assumes sole rule over the Nile Valley. 8,970 B.C. Horus avenges his father Osiris by launching the First Pyramid War. Seth escapes to Asia, seizes the Sinai peninsula and Canaan. 8,670 B.C. Opposed to the resulting control of all the space facilities by Enki's descendants, the Enlilites launch the Second Pyramid War. The victorious Ninurta empties the Great Pyramid of its equipment. Empties the Great Pyramid of its equipment? all of which means as I have stated that, those pyramids were not tombs for Pharaoh's, they are/were energy centers and craft used to land on them to charge up. Ninhursag, the half-sister of Enki and Enlil, convenes a peace conference. Ninhursag who first arrived on Earth 422K years previously, which tells you two things, A: time is not as we know it and B: these entities use technology and other more heinous methods for life longevity. The division of Earth is reaffirmed. Rule over Egypt transferred from the Ra/Marduk dynasty to that of Thoth. Heliopolis built as a substitute Beacon City. 8,500 B.C. The Annunaki establish outposts at the gateway to the space facilities, Jericho is one of them. 7,400 B.C. As the era of peace continues, the Annunaki grant Mankind new advances, the Neolithic period begins and the Demi-gods rule over Egypt. 3,800 B.C. Urban civilization begins in Sumer as the Annunaki reestablish there the Olden Cities, beginning with Eridu and Nippur. Anu comes to Earth for a pageantful visit. A new city, Uruk (Erech), is built in his honor, he makes its temple the abode of his beloved granddaughter Inanna/Ishtar. Kingship on Earth: 3,760 Mankind granted kingship, Kish is first capital under the aegis of Ninurta. The calendar began at Nippur, Civilization

blossoms out in Sumer the First Region. 3,450 Primacy in Sumer transferred to Nannar/Sin. Marduk proclaims Babylon Gateway of the Gods, remember the song the Gates of Babylon by Dio we played? The Tower of Babel incident, the Annunaki confuse Mankind's languages, courtesy of the Lord of the Bible, Anu. His coup frustrated, Marduk/Ra returns to Egypt, deposes Thoth, seizes his younger brother Dumuzi who had betrothed Inanna. Dumuzi was accidentally killed, and Marduk imprisoned alive in the Great Pyramid, he was freed through an emergency shaft, and goes into exile. He was exiled on the island St. Helena in the South Atlantic, which is not far from the interestingly named island called Ascension, and also not far from the mysterious suspended in mid air island spotted by a US naval ship. 3,100-3, 350 Years of chaos end with installation of first Egyptian Pharaoh in Memphis, and Civilization comes to the Second Region. 2,900 Kingship in Sumer transferred to Erech. Inanna given dominion over the Third Region, the Indus Valley Civilization begins. Funny word civilizations, said in one part to be about citizens, but civil is also law, which brings in the religious law, The Talmud. 2,650 Sumer's royal capital shifts about, Kingship deteriorates, Enlil loses patience with the unruly human multitudes. 2,371 Inanna falls in love with Sharru-Kin, Sargon. He establishes new capital city, Agade Akkad, and the Akkadian empire launched. 2,316 Aiming to rule the four regions, Sargon removes sacred soil from Babylon. The Marduk-Inanna conflict flares up again. It ends when Nergal, Marduk's brother, journeys from South Africa to Babylon and persuades Marduk to leave Mesopotamia. 2,291 Naram-Sin ascends the throne of Akkad. Directed by the warlike Inanna, he penetrates the Sinai peninsula, invades Egypt. 2,255 Inanna usurps the power in Mesopotamia, Naram-Sin defies Nippur. The Great Annunaki obliterate Agade, but Inanna escapes. Sumer and Akkad occupied by foreign troops loyal to Enlil and Ninurta. 2,220 Sumerian civilization rises to new heights under enlightened rulers of Lagash. Thoth helps its king Gudea build a ziggurat-temple for Ninurta. There was a ziggurat temple on their home world built totally out of gold, until it was destroyed in an incident back in 2015, because the Draco broke their agreement. 2,193 Terah, Abraham's father, born in Nippur into a priestly-royal family, priestly families are known as Cohens, as was Ghenghis Khan, Khan means Cohen. 2,180 Egypt divided, followers of Ra/Marduk retain the south, Pharaohs opposed to him gain the throne of lower Egypt. 2,130 As Enlil and Ninurta are increasingly away, central authority also deteriorates in Mesopotamia. Inanna's attempts to regain the kingship for Erech does not last. A seedy family tale of incest, war, infighting, greed, arrogance and complete disregard for anything or anybody, including their own. Hence the line in their book, let us make man in our image and likeness, that is not said in the context of creation, but their traits. Reading through that

timeline though, one has to ask the question of, are all the Muslims of that region a part of their culture, not ours? Given they stated they built Civilizations with their people, all of which means, the whole of Arabia, parts of Africa, the Middle East except Iran, are all their creations? Where the people just described the ones brought and created here to mate with the White Race and ultimately destroy the White Race with their genetic mixing plan? Maybe the next section will reveal more? GATES OF BABYLON

In this second part this evening is a harsh truth that has been a niggling undercurrent to From Russia with Love series, that people have and will find an uncomfortable truth. But to develop going forward we have to face the ugly truths about this world, and also within ourselves. THI has never shied away from any topic eventually, and the only reason certain information was released at a later date, despite me having most of my material and knowledge prior to becoming a radio show host is, the timing of it. When the student is ready the teacher will come they say, this type of information is different though, the teacher was always ready, but had to wait until the learners caught up in such fashion that, the information will be received. The very information in the opening two shows was different enough, revealing the atrocities committed by the Koshey's on the URS, Rus and Aryans on this planet long before they arrived and rewrote his story. The From Russia with Love series details the various organizations who have used the people of this planet as slaves, batteries and for their own gain and greed. They looted the world's resources as covered in Part one tonight, but the niggling question was tantalizingly out of reach in the 1 through 8C, tonight the evidence will be stark. In part using their own words, and their media juntas comments and pieces, of where they are actually telling us, but the conspiracy is so far fetched from what people call reality, it becomes unbelievable and then is easily dismissed. The classic example is the Oklahoma story in an earlier episode, where a Rabbi told us they chop up human babies and children and put them in the McDonald's burgers. Where was the outcry? why wasn't all McDonalds boycotted? why would you carry on buying from that store? and why wasn't Finkelstein and others involved in it arrested? All valid questions in a critical thinking world, yet not in a world so easily distracted, who so easily believe the lies, and so easily trust all authority, despite all the evidence against them. It is the fear factor, no! our new parents (the Government) and other organizations wouldn't do that to us they will cry, but they have. Acceptance of just that fact means, their Savior program the Government and Authority are not their savior and panic sets in, and the question they will ask is, who will look after or save us now? Those people are weak children in an adult body, unable to

face reality, and far too easily led and fed by utter bs, that to the critical thinking mind, it literally defies belief.

The premise of this section is to prove beyond all doubt, who is doing what and to whom on this planet. It is comprehensive proof of an overarching agenda, that can no longer be denied or ignored. The brutal truth is, those currently running the show on this planet, but not for much longer, known as the Jews but these are not ordinary Jews at all, these are the Hebrew Annunaki. Their goal is the same as it was for the Koshey's, which became Kosher, is the total annihilation of the White Race. People will have great difficulty comprehending that as fact, but the evidence tonight will be overwhelming. The first evidence of the theme to this second part starts with this piece. The Anti-Defamation League a Jewish organization and their president Abraham Foxman, first shows the Masonic sign of aggression lion's paw. The lions paw is the Lion of Judah, or for those familiar with the hidden Disney code based movie, The Lion King. Gentlemen, Welcome to the Second Centennial Meeting of the Learned of Elders of Zion, we have achieved all of the objectives expressed at our first meeting 100 years ago. We control governments, we have created dissension among our enemies and made them kill each other. We have effectively silenced criticism of our affairs, and we are the richest race of men on this earth. As masters of business, politics, law and most importantly media, we are ready to implement our most important and ambitious program. One that will finally and totally remove from existence the impediments of our absolute control of this earth. I speak of the death of the White Race. The complete removal of all means of reproduction of the so-called Aryan race. Men, we now control the destiny of this race. It is now time to make sure the White race becomes extinct through miscegenation, incest or interbreeding with other races and having a virtually zero birth rate. We have all enjoyed the vision repeated all over this world every day, of the last White children playing with little dark children, and knowing that they are being set-up for their eventual destruction. We can ruin the ancient pure bloodline of an Aryan child by convincing him or her, of the altruism of begetting interracial children. We must expose the race mixing of the urban centers, to the suburbs and rural areas of this country. More aggressive programs to integrate these areas are now underway through HUD, which is the Housing and Urban development group. It is worth any price to annihilate the next generation of White children, we want every White father to feel the sting of having their children marry colored mates and produce biracial children. We must use our power to discourage White men and women, who still persist in getting together from producing more pure White children. They will be ostracized by not becoming part of the New Society of all races.

This will dissuade most of them, we will deal with the less cooperative goyim by murder and imprisonment. Finally, we will see the end of this White race. Impressionable White children will have their minds molded into the agents of their own destruction. Already, our efforts have succeeded in making the men of this race grovel at our feet. Men, you and your ancestors have worked hard to make sure, we would have the power to hold the destiny of this race in our hands. Now we have it, Perish Aryan Goyim! That speech was on August 25, 1998, New York.

A reminder of the piece written by Israel Cohen in 1912, yes it has been in the planning a long time. We must realize that our party's most powerful weapon is racial tensions. By propounding into the consciousness of the dark races that for centuries they have been oppressed by whites, we can mold them to the program of the Communist Party. In America we will aim for subtle victory. While inflaming the Negro minority against the whites, we will endeavor to instill in the whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the whites and begin a process which will deliver America to our cause. Israel Cohen, A Racial Program for the Twentieth Century, 1912. Also in the Congressional Record, Vol. 103, p. 8559, June 7, 1957.

Rabbi Finkelstein had this to say. We're gonna round this country (America) up. We're bringing all the Mexicans and all the Hispanics across the border. They're interbreeding, especially with a lot of white women, the shiksas as we call them, and they are interbreeding with them. Pretty soon there won't be a white race, it'll be all brown.

Picture J1: Tim Wise said, your white people are on the endangered list, and unlike say the bald eagle or some exotic species of muskrat, you are not worth saving. In forty years or so, maybe fewer, there won't be any more white people around. Susan Sontag said, The white race is the cancer of human history.

Picture J2: Arthur Ochs Sulzberger Jr, owner of the New York Times said, If white men were not complaining, it would be an indication we weren't succeeding and making the inroads that we are. Noel Ignatiev said, If you are a white male you don't deserve to live. The key to solving the social problems of our age is to abolish the white race.

Picture J3: Ishmael Levitts said, It is in the Jewish interest, it is in humanities interest that whites experience a genocide. Until white children are burned alive, white women raped, mutilated, murdered and all white men who have not been slaughtered, watch powerlessly as their people are terrorized. Only then will mankind be on a more equal footing, ready to discuss white privilege and the apparent chip on the shoulder that minorities have.

In their own literature I could cite examples until the end of this show, and I did cover some of them in FRWL 4, here are some others. Talmud Orach Chalim 57, the non-Jews are to be avoided even more than sick pigs. Zohar 11,4b, the birth rate of non-Jews has to be suppressed massively. Lore Dea 377,1, as you replace lost cows and donkeys, so you shall replace non-Jews. Midrasch Talpioth 225, the non-Jews have been created to serve the Jews as slaves. Kerithuth 6b page 78, Jebhammoth, just the Jews are humans, the non-Jews are no humans, but cattle. Maybe the non Jews originally were the Muslims mentioned earlier? Given it was they who mined the minerals, given their proximity to them, along with the Africans, some of whom are jet black to this day. It is an uncomfortable question, and does not mean we should outcast those people, who are oblivious to what has gone on, where they came from or why they are here. We can still learn to work together as space brethren, regardless of which planet or race they came from. We can all learn to overcome our differences and work together, providing we unlearn what we thought was the truth, accept it, move on and work to correct it. But, the realization of that is, if we are to go forth one race in particular may well have to be protected until their numbers rise again, which these very people and their program has been trying to eliminate for many millennia.

From his adoption of the Nation of Islam in 1952 until he broke with it in 1964, Malcolm X promoted the Nation's teachings. These included beliefs: That black people are the original people of the world, that white people are devils and that the demise of the white race is imminent. The jet black race were brought here by Lucifer and his dark forces army 75K years ago, with the specific aim of eliminating the White Race here, long before they arrived. What this confirms is that, the Muslim program is the same program of the Hebrews. Whilst the jet black race were the progenitor of these people, here is what they think of black people in Africa. When asked about the jet black race in Ethiopia becoming Jews and being denied entry into Israel, Finkelstein confirmed just how racist these people are, when he said. Well, who wants a bunch of schwatzers in your land? You don't want the schwatzers in there. But every Jew knows that a schwatzer

can never be a Jew, and we don't want them dirtying up the neighborhood, in Israel. We give them the neighborhoods here in America. We give them the white women to mate with to destroy both races, and what can I say? Muslim or Islam and Israel are both linked by Isis, no, not the fake terrorist organization, Isis the goddess, who they both worship whether knowingly or not. Islam means Isis hidden, and Israel is the worship of 2 or 3 gods, Isis, Ra and El, now whilst there was a god called El, the word El means god as well, as does Al and Il. Il is also the international code for Israel.

But they have used all churches in this genocide program, including so called Christian, Christian is another arm of the Torah, the watered down version of the Talmud. Trinity Broadcasting Network, the world's largest Christian TV network. The god Bacchus (Satan) can be seen carved on a monument in the courtyard of TBN's headquarters in Orange County, California. Who were involved in child trafficking, sexual abuse and ritual abuse against children, is part of a much wider program being ran through churches of all denominations, particularly in the Western world. Christendom is a program to obfuscate the white race, is based on pure illusion and is another trap, to abuse, enslave and eliminate us. Again another uncomfortable truth, but if you have followed our whole series, you will eventually come to the same conclusion.

Picture J4: Chris Langan is said to be the worlds highest IQ rating person at 205, gave this quote, based on their new plan, The Critical Race theory. That was written for and by the Jews to compel the blacks to rise up, as Israel Cohen stated, and eliminate the white race for them. Oh what a day, President imbecile Joe Biden has admitted that the United States, and the entire Western world, is being systematically subjected to indoctrination, designed to compel Whites to engage in genetic race mixing. Thus to dilute Whites out of existence in a vast Eurasian Negroid race of the future, as mandated by the Rothschild's, Warburg's and other pillars of International banksterism. Joe Biden, I challenge you to find today when you turn on the stations, sit on one station for two hours, and I don't know how many commercials you will see, like eight to ten, and two of every three have mixed race couples in them, that's not by accident. Because Blacks, Latinos and Asians reproduce far more prolifically than Whites, the net effect of subjecting Whites to unremitting miscegenation pressure will be to. 1. leave those nonwhite races perfectly intact, while 2. totally destroying the White Race alone. It may take a while, but this is clearly the agenda. Some of the nonwhites, especially the non Asians, will get a mean IQ boost out of it. However there are fewer and fewer Whites genes to go around but more and more nonwhite ones, the beneficiaries will soon regress to the mean, resulting in a

net long term IQ gain of near zero. Other White traits will have vanished as well. Soon enough, the real goal of the race mixers will be realized, no more White people of European ancestry. Just a vast sea of black, brown and yellow drones and workers genetically adapted to life in the World Hive, and totally controlled by its greedy malefic masters. You, your culture, and your entire evolutionary lineage will be completely obliterated, erased as though you had never existed at all. And now you know what you're actually worth to your billionaire big shot heroes, and their political whores in your occupation governments. For those new to this show, The White Race is nothing to do with color of your skin, the Iranians are not White, yet they are part of the White Race. In reality there is no racism, and many of you will be aghast at that statement, but bear with me. What is playing out is, not racism, but geneticism, all based on your subconscious DNA memory bank. There is a reason the people of color are not well respected with the White skinned race, it is genetic memory of when the jet black race mentioned earlier, hunted down the Whites and slaughtered them on behalf of Lucifer and his dark forces army, The Koshey's we covered in Part 1 & 2. That doesn't mean we shouldn't all get along, but to do so, we have to accept, grasp, understand and process the full truth of what has gone on, on this planet. **BLACK OR WHITE**

Jewry has been waging a relentless war on White America, ever since its first large scale wave of immigration to America from Eastern Europe and Russia beginning in 1880. The first attack on White America, perceived by the Jews as a power bloc that would oppose their lust for power and control, took place in the public school system at the turn of the 20th Century. Through their increased centers of Jewish organizations such as the American Jewish Committee with their first meeting in New York City in 1906. To demand rights for Jews, rights which were never denied in the first place. Which divided America into 12 Jewish districts, along with Jewry's economic rise within white America seeking, to strengthen Judaism against its Christian competitors in the marketplace. Jewry took up arms against traditional White cultural expressions such as Bible readings, prayer, singing of Christmas Carols, and the celebration of Christmas and Easter in America's schools. This attack by the Jews on public Christian expression was first outlined by Henry Ford in his book, *The International Jew - The World's Foremost Problem*, published in 1921. Ford and others after him such as Professor Kevin MacDonald, have pointed out that it was the American Jewish Committee, which first vigorously advocated for open immigration in America beginning in 1914. Until the great watershed in 1965 with the Open Immigration Law of 1965, trumpeted, advanced, and implemented through Jewish influence in US Congress. Ford wrote in

1921 as a warning to America regarding Jewry's mission to diminish the European White presence in the US. The energies of the Jewish powers are concentrated on the task of preventing America, from changing the immigration laws in a manner to protect the country from undesirable aliens. Prof. Kevin MacDonald wrote in 2002, The primary objective of Jewish political activity is to create a Jewish safety-net, in a society acceptant of a wide range of attitudes and behaviors, as well as a diversity of religious and ethnic groups. Open immigration as foisted on Americans by the Jews has now come home to roost in every major city in the US, turning our once White American cities into Third World scenarios. Diversity Is Our Strength! proclaim the Jews in their closed neighborhoods. But in fact, Diversity Is Jewry's Strength, subverting and weakening the only power bloc that could ever oppose Jewry's lust for power, White Christian America. For it is in a racially diverse environment that Jews can rule over their White Christian hosts.

Jewish Hollywood mocks Whites in movies. While even Jews admit that Hollywood is run by wealthy Jewish movie moguls and their sycophant Jewish actors and script writers. The entertainment of Americans is focused on undermining the confidence of traditional white Western man. Indeed, Hollywood is the vanguard of the anti-white movement, and several movies are proof. One movie in particular, District 9, a story about human discrimination against peace-loving aliens who have come to Earth as refugees, is a telling illustration of Hollywood's perpetual attack on 'whitey.' In District 9, the aliens land in Johannesburg and are forced to live in a filthy shanty town, segregated from human society. The Apartheid metaphor is obvious. Closed-minded humans, that is, whites appear on the screen saying things such as, non humans don't belong here, and, we are spending too much money to keep them here. All interspersed with black South Africans to suggest that they are the non-humans, whom the bigoted whites discriminate against. The Jew, Robin Williams, an American hero, plays a lead role in the movie's promo. Director-Script Writer, Neill Blomkamp, admits that due to black street violence, he and his Afrikaner family fled Johannesburg for Vancouver in 1997 when Blomkamp was in his teens. Hollywood's hypocrisy is shameless. The movie is set in Johannesburg, South Africa, even though Hollywood which is in California, has it's own District 9. And before the phrases, coexistence is never easy, picking up non Humans is forbidden, and, they are not Human, comes on the screen, viewers are manipulated to think that South Africans had revived Apartheid. Viewers are visually and audibly programmed to think that the phrase, they are not humans, is supposed to be what South African whites think of blacks. It's reverse psychology and written on behalf of the

Jew, as the Jewish do not see Whites in particular as humans. The quote earlier, just the Jews are humans, the non-Jews are no humans, but cattle. On Jewish-owned Sony Pictures' District 9 website, regulations are listed for non-humans, who must live in a special area called District 9, and work mostly in mines. Echoes of the original use of humans for their gold mining, in essence it is an in your face piss take on us. The rules listed for them include identification tags to be worn at all times, designated restroom facilities in public places, forbidding sexual relationships between humans and non-humans, and denial of using public drinking fountains. A traditional hardline Jew will not take food, products or use a non Jewish home. I witnessed it in Florida vacation homes, they tape all handles, bring their own toilet seats, bedding and cover all furniture to avoid touching non Jew objects. Sony's promo also contains a public safety message as if released by an Apartheid government. The video implores viewers to contact the authorities by an 800 number, if they see any non-humans escaping from District 9. The video concludes with a picture of a wholesome-looking white family with the caption, keeping humans safe by keeping non-humans separate. The purpose of the Jew-inspired movie, of course, is to mock whites who oppose multiculturalism. The refugee aliens are a metaphor for Third World immigrants living in America and Europe. Humans, that is, whites, are shown to be xenophobic nativists, with bigoted attitudes towards non humans, that is, blacks. Delivering on the promise of Israel Cohen in 1912, we will convince the blacks the whites did the slavery to them. When FRWL 4 revealed it was the same Jewish entities who were running the slave ships, and it was the blacks themselves who rounded up their own people and sold them. All matters Jewish, is now America's primary focus. As we witness the extinction of the White race, more immigration into America from the Third World, and Hollywood's insults of White culture, we even now have a special envoy to monitor Anti Semitism in America. This envoy is a veteran of Jewish lobbying, the former head of the Jewish Council for Public Affairs, Hannah Rosenthal. But the great question is? will there ever be a special envoy to combat Anti White-ism in America? Not on your life, whilst EL-ite Jews retaining their position at the highest levels of Government, Military and Agencies. Jews own domestic policy in America and White Americans are their target to subvert, diminish, and destroy.

Many believe the birth control movement and subsequently the Eugenics program started with Margaret Sanger and the Planned Parenthood group, which we covered in FRWL 4. But unbeknown to most, it was thriving before then and a familiar group were involved in it. Well before the start of the American birth control movement in the early twentieth century, Jewish women in western and central Europe and in the United States, had

proved themselves to be especially committed to reducing their fertility rates. Jewish women from all backgrounds participated and made significant contributions to the early birth control movement in the United States. Lets look at picture 5 shall we, where it shows a Jewish play back in 1916 called Birth control or Race suicide, all of which reveals some disturbing intentions. Predictably it was shown in New York, also that is detailed in the US Library of Congress, which is a tad disturbing in and of itself. In picture 6, another play of the same year, again a Jewish play this time called A woman's duty in birth control. The liberal woke culture would have a field day today with that title of a Woman's duty. In fact, Jewish women activists were among the first in the United States, to bring the need for women's reproductive choice to the public's attention. Many participated in the movement through Jewish Agencies like the National Council of Jewish Women, while others worked independently, in close association with Margaret Sanger, or with other national birth control agencies.

Introduction: Jewish women from a range of social and economic backgrounds found common political cause in the American birth control movement, and profoundly affected its successes in the early twentieth century. Radical and socialist Jewish women distributed information about birth control, in defiance of anti-obscenity laws, to working class women. Middle-class women established clinics, and lobbied to overturn federal and state anti-obscenity statutes known as the Comstock Laws, which restricted the publication, distribution, and even discussion of material that the government deemed obscene. Professional women affiliated with the movement as gynecologists and social workers, and poor women enthusiastically sought the inexpensive services of birth control clinics. This article charts the grassroots and organizational activism of Jewish women in the American birth control movement during its formative years, 1900 to 1945.

Jewish Women and Fertility: Jewish women in western and central Europe and in the United States, had proved themselves to be especially committed to reducing their fertility rates, well before the start of the American birth control movement in the early twentieth century. Using available contraceptive methods and performing abortions at rates, that far exceeded other religiously or ethnically defined groups. Central and western European Jews attained rapidly declining fertility rates by the late nineteenth century, and soon controlled their fertility more effectively than their non-Jewish peers. The arrival in the United States of eastern European Jews, whose fertility rates had yet to decline, aroused considerable interest among health care reformers. Although eastern European Jewish families were generally quite large upon arrival in the United States and

in the first generation. Studies of fertility rates according to ethnic or religious affiliation in the 1930s found that American Jews, including those of the first or second generation, avidly sought birth control services to limit their relatively high fertility rates. Jewish women's commitment to the birth control cause had dramatic consequences. Though Jews in New York City had the highest number of children per marriage of any immigrant group in 1915, by the early 1930s, Jewish fertility rates compared favorably to the national average.

Beginning of Reproductive Choice Movement: Jewish women activists were among the first in the United States, to bring the need for women's reproductive choice to the public's attention. Radicals such as Emma Goldman and Rose Pastor Stokes, lectured on the importance of contraception and protested against the Comstock Laws, broadly defined anti-obscenity laws. Born in Russia to a traditional Jewish family, Emma Goldman became one of America's most controversial radical leaders and an early advocate of contraception. In 1900, fourteen years before the founding of Margaret Sanger's first birth control clinic, she began including the importance of contraception among her lecture topics. Affiliated with Margaret Sanger (1879–1966) through Socialist circles, Goldman defended Sanger's distribution of birth control literature, and began a national lecture tour in 1914 on the importance of legal contraception. Goldman felt that it was especially important for her to lecture on birth control when she spoke at Yiddish meetings, because the women on the East Side need that information most. Like most of her contemporary radical activists, Goldman supported a eugenic argument for birth control, fewer and better children would create a healthier human race. With Ben Reitman (1880–1942), her fellow activist and lover, she published a four-page pamphlet, *Why and how the poor should not have many children*, which included information about condoms, cervical caps, diaphragms, suppositories, and douches. Yet again a failure to address the real problem, why are people poor in the first place? because of greed and the system, it is not the people who are wrong, the system is wrong. Like the charities, we have so many because society is ran badly. Goldman faced arrest several times under anti-obscenity laws, and she eventually broke with Sanger for not supporting the anarchist's radical tactics. Rose Pastor Stokes began her involvement with the birth control cause, by handing out leaflets describing the benefits of contraception at a rally to protest Goldman's arrest. Stokes had risen from poverty as a poor eastern European immigrant to working as an eager New York journalist, who made the front page herself when she married millionaire Socialist J.G. Phelps Stokes. In 1915 Stokes became the financial secretary of the National Birth Control League (NBCL), an organization

committed to legalizing the publication and distribution of birth control information by repealing anti-obscenity laws, from that she joined a variety of birth control organizations. Immigrant Jewish women and their first-generation children educated themselves about birth control through the Jewish press. Sanger had several of her pamphlets about birth control translated into Yiddish and Polish, but she was not the only source of birth control-related information for Jewish immigrant readers in the United States. Ben-Zion Liber wrote and published the magazine *Our Health*, which had four thousand subscribers in its first year. A Jewish monthly for enlightenment in health questions, it provided news of the birth control movement and of Sanger's legal and court battles. He urged his readers to reject the old ways that might rule out birth control as an option for limiting family size. The weekly *Women's Page* of the *Jewish Daily Forward*, provided a forum for education and debate about birth control. The *Forward* had a daily circulation of two hundred thousand in 1919, making it the leading Yiddish newspaper in the world and the voice of a vibrant left-wing working-class Yiddish culture. Advice columns offered guidance to mothers and brides, who often wrote in with anxieties or dilemmas related to sex and family size. The columnists reasoned that limiting family size would improve the quality of life for mothers, and help them gain the ideal socialist family. Socialism like Communism and Fascism are all created by another ism, Zionism. Middle-class Jewish women's voluntary organizations provided opportunities for their members to contribute to the birth control cause, and to help women of lesser means, gain access to contraceptives, abortions, and various types of reproductive medicine. Little did they know they were being programmed as part of a much wider agenda, and shows how far back this has been running.

The National Council of Jewish Women pioneered the establishment of birth control clinics, usually referred to as *Mother's Health Bureaus*, during the 1920s and 1930s. In 1932 the NCJW's Brooklyn section announced the opening of a *Maternal Health Center*. Throughout the 1930s the Brooklyn NCJW supplied funds and volunteers for the Center, which steadily expanded to include three clinics. All of which was coming from the *Rockefellers Foundation*. The NCJW's New York section opened a *Mother's Health Bureau* at its Council House in the Bronx in 1930 or 1931, and was affiliated with Sanger's *American Birth Control League*. Midwestern Jewish women's organizations also established clinics. The NCJW's Detroit section opened a *Mother's Health Clinic* in 1926 or 1927, the first birth control clinic between New York and Chicago. The *Chicago Women's Aid CWA* began in 1882 as the *Young Ladies Aid Society* to assist Russian immigrants, and had a mainly Jewish membership throughout its existence. CWA opened

a birth control clinic in 1923 and maintained ties to Planned Parenthood from 1928 to 1947. By the fall of 1946, the Brooklyn Mothers' Health Clinic linked its services with Planned Parenthood of Kings County, and in 1947 the clinic handled 3500 cases. In 1955 the Brooklyn Section gave full responsibility for the clinic to the newly formed Planned Parenthood Committee of Brooklyn. Not all Jewish women participated in the birth control movement through Jewish agencies like the NCJW. Active in a variety of Jewish, feminist, interracial, and Zionist organizations, Gertrude Weil of Goldsboro, North Carolina, joined the birth control movement as a lobbyist. She petitioned Congress on behalf of legislative campaigns to remove criminal penalties for importing birth control devices, and transporting birth control information through the United States Postal Service. She supported Planned Parenthood financially throughout her life. Like many of her peers, Weil's interest in birth control included a eugenic bias. During the Depression many members of the middle class observed, the population increase among the immigrant poor on relief with apprehension. Doctors informed about birth control, she wrote to Margaret Sanger in 1932 saying, she would appreciate the importance of controlling the reproduction of the unfit. Between 1935 and 1942 Weil served on the Board of Directors of the North Carolina Maternal Health League, which sought to do something about the high birth rate and infant and maternal death rates among families on relief. For middle-class women who supported the birth control movement, advocating contraception presented a means of allaying their class fears, while crusading for their own interests as women. Jewish women's activism in the American birth control movement also included close association with Margaret Sanger and other national birth control organizations. Two of Sanger's primary assistants, Anna Lifschiz and Fania Mindell were Jewish immigrants from Eastern Europe. Lifschiz worked as Sanger's secretary between 1916 and the early 1920s. Mindell, a Russian immigrant who trained in the United States to be a social worker, helped Sanger set up the Brownsville clinic in Brooklyn, administered the clinic during its first week of operation, and read birth control literature aloud in Yiddish to their many Jewish clients. Jewish women served as directors and staff at the Birth Control Clinical Research Bureau (BCCRB), later called the Margaret Sanger Bureau, which opened in New York City in 1923. A legal loophole allowed doctors to prescribe birth control if it seemed medically indicated, or if the patient's physiological condition would make pregnancy hazardous. Dr. Hannah Meyer Stone, the daughter of eastern European Jewish immigrants, became director of the BCCRB in 1927. Stone amended the clinic's list of medical indications to include the desire for child spacing and psychological factors. Lena Levine, the daughter of immigrants from Vilna, Lithuania, directed the clinic for several years, helped Sanger

found Planned Parenthood in 1948, and became the medical secretary of International Planned Parenthood. Levine also coauthored sexual and medical advice books. Female Jewish doctors directed birth control clinics throughout the country, Rachelle Slobodinsky Yarros (1869–1946), M.D., in Chicago. Bessie Moses, M.D., in Baltimore, Sarah Marcus (1894–1985), M.D., in Cleveland, and Nadina Rinstein Kavinoky (1888–?), M.D., in Los Angeles. For all of these women, working in a birth control clinic provided the professional recognition and responsibility, still largely unavailable to them in the male-dominated worlds of academic medicine and hospital politics. Yes, but money and agendas talk, and so they employ any puppet willing to fulfill their agenda, using people only interested in the shekels with which to do so. Humanity sell outs these people, and I am amazed the so called religious community never challenged them, because after all these women are playing god with peoples lives. LADY EVIL

THE EVIDENCE: So, that is all the background to the story, but is there evidence of a systematic policy of eliminating the white people, as revealed in several pieces earlier? Sadly the answer to that is yes. The U.S. Census Bureau's release of race and age statistics for 2017 points to two noteworthy milestones, about the nation's increasingly aging white and growing diverse population. First, for the first time since the Census Bureau has released these annual statistics, they show an absolute decline in the nation's white non-Hispanic population, accelerating a phenomenon that was not projected to occur until the next decade. Second, the new numbers show that for the first time, there are more children who are minorities than who are white, at every age from zero to nine. This means we are on the cusp of seeing the first minority white generation, born in 2007 and later, which perhaps we can dub Generation Z-Plus. Interesting terminology they inserted there, Z-plus, is that the Zionist plus program? Together these new data suggest that, a signature feature of U.S. demographic change in the 21st century is the aging and decline of the white population, along with population growth among young minorities to counterbalance the trend. Now you will understand the reasoning behind many of the White Race countries being forced to take refugees, who were deliberately bombed out of their home countries, and then pushed into the White Race countries, to devastating effect.

If we look at the next picture 7, we can derive quite a few things from this one document, and the most startling is the decline of the white demographic, in what is predominantly a white based country. That is not a racist statement, because it is a fact. Nowhere else in the world do we see this level of changes in the demographics, other than in the white

countries. This I am sad to say is not by accident, they have been running this program for over 100 years now, and the reductions are startling. One is not against immigrants here either, as that would go against my own status as a foreign born national. In fact one can argue for the Native Americans, who were ousted from these lands, first by the Indians, there is a reason they are called that, and then by the Jewish slavery ships bringing vast loads of white slaves here to America, followed by some black slaves. Slavery is not new either, the native Africans were rounding up their own people and selling them to Egypt for thousands of years before the Jewish slavery ships arrived, and were labeled as the white man. The native Americans were working with the original white man long before in the past, they called them the White Brotherhood, that was the URS, Rus and Aryans. In 1920's America, the whites comprised of 89.7% and 94.8M out of 105.7M. What is also interesting is the drop in the black population at a time there was supposed to be an extra influx, 1900 11.6%, 1910 10.7%, and 1920 down to 9.9%. What is interesting given how much they pushed for their rights is, there is no listing under the term Jewish, or for that matter Hispanic.

White population decline: America's white population has been increasing since the first census was taken in 1790. Table 1 shows the change in the non-Hispanic white population using data from the censuses of 1970 to 2010, and annual population estimates for 2011 to 2017, based on the recent release. These new numbers show, for the first time, an absolute decline in the nation's white population of more than 9,000 whites between 2015 and 2016 and more than 31,000 whites between 2016 and 2017. These new estimates revised earlier census estimates, which showed white gains between 2015 and 2016. In the 1970 Census the White population was 169M out of 203M = 82.25%, that was a drop of 7.55% since 1920, but since then it got more alarming. In the 1980 Census the White population was 180M out of 226.5M = 79.47% In the 1990 Census the White population was 188M out of 248.75M = 75.57% In the 2000 Census the White population was 194.5M out of 281.5M = 69.09% In the 2010 Census the White population was 197M out of 308.75M = 63.80% In 2019 the White population was down to 60.10% In 2020 the White population was down to 59.7%. In 2011 it went up 669K, 2012 it went up 155K, in 2013 it went up 51K, in 2014 it went up 110K, in 2015 it went up 41.5K, in 2016 it went down 9.5K and 2017 it went down 31.5K, in 2018 it went down 1M, in 2019 it went down 226K. Although these annual white declines are extremely modest of -0.005 and -0.016 percent in 2015-16 and 2016-17, respectively, they are an early harbinger of the long-term trend that the Census Bureau projected previously this year. Those projections showed the white population declining after 2023.

A second noteworthy finding from the new census estimates is that, for the first time, minorities outnumber whites nationally for each age under 10. While earlier estimates revealed minority white status for some of these youthful ages, this is now solidly the case for individuals born in each year since 2007. Hence, this generation, which might be called Generation Z-Plus, is the first truly minority white generation, at 49.6 percent white, where 26 percent of its members are Hispanics, 13.6 percent African-Americans, and nearly 10 percent include Asians and persons of two or more races. Notably, they are now minority white in 15 states, including Hawaii, New Mexico, California, Texas, and Nevada, plus the District of Columbia. In each of the latter states, the population under age 10 is less than 35 percent white. At the other extreme, 17 states largely in New England, the Midwest, and Mountain West, house Gen Z-Plus populations that are more than two-thirds white. This population is minority white in 43 of the largest 100 metropolitan areas, including in Los Angeles, where less than 20 percent of 0-9-year-olds are white. Nationally, whites under the age of 10 sustained a loss of 1.2 million between 2010 and 2017, according to the new estimates. This loss of youthful whites is fairly pervasive, occurring in 43 states and 81 of the nation's 100 largest metropolitan areas. This trend has also taken place in over 80% of the nation's 3,100 counties. That research was done by the Brookings Institute, another of their think tank clown organizations. This researcher clearly missed the declines starting from just after Israel Cohen's speech in 1912. This is indicative of a general aging of the white population, which means proportionately fewer white women in their childbearing years, and an excess of deaths over births, which is a natural decrease. The recent downsizing of the white population, could reflect post-recession-related fertility declines in the white population, leading to an inflation of white natural decrease to its highest levels of the last six years. The past year also showed a downturn in white immigration. Whilst this is almost always deemed to be against people of color or non whites, in 1920 the American white population comprised of 90%, with 95M out of a population of 106M. So between 1920 and 1970 the White percentage went down 7.5%, but 1970 to 2020, in the same 50 year span, it went down another 22.5%. We are led to believe the depopulation program was only for the other 11M in America at that time? or were they actually determined to eliminate largely the whites? If the depopulation program was only about the colored races, why did they allow immigration of so many of them to America?

The general fertility rate in the United States continued to decline last year, according to a new report from the US Centers for Disease Control and Prevention's National Center for Health Statistics. The 2018 general fertility rate fell to another all-time low for the United

States. The report found that the general fertility rate dropped 2% between 2017 and 2018 among girls and women age 15 to 44 nationwide. In 2017, the total fertility rate for the United States continued to dip below what's needed for the population to replace itself, according to a separate report published by the National Center for Health Statistics in January. This was deliberately engineered by social engineering projects, based on them continuing their game, now it has failed. They started second program of bomb people out of their homes and countries, then push them into Western countries, who from their perspective bombed them in the first place. With media fear programs of all Muslims are jihadists, we have a powder keg situation, it is the classic ouroboros programs that clowns are running now, where one program swallows the other. But allows them to follow up another plan that has been running at least 110K years here, genetic mixing of the races all designed again to eliminate the White Race. When examined by race, the data showed that fertility rates declined 2% for white and black women, and 3% for Hispanic women, between 2017 and 2018. The data also showed that the teen birth rate, for ages 15 to 19, fell 7% from 2017 to 2018. Which is a good thing, far too many young girls start off their transition from child to adult, with children in tow and has largely a damning effect. When examined by race, the data showed that teen births declined by 4% for black teenagers, and 8% for white and Hispanic teens. Also among all births, the percentage delivered at less than full term, or 39 weeks, increased with preterm births climbing from 9.93% of births in 2017 to 10.02% in 2018, and early-term births rising from 26% in 2017 to 26.53% in 2018. I have yet to see someone addressing what are the causes of increasing in premature births? we all know why by now. The percentages of births delivered at full, late and post-term declined, according to the data. Full-term births were down from 57.49% of births in 2017 to 57.24% in 2018, and post-term births declined from 6.58% to 6.2%. The latter likely to be due to mothers having children well into their 30 and 40's now, due to the rise of career oriented women and lack of finances. It is a sick world where the crown of creation, birth of a child is so now heavily based on finances, do people not think there is a basic fundamental problem with that thinking or actions? There is a distinct lack of adult based thinking on that issue, and everything it seems is based on or around money, there is a reason they say money is the root of all evil.

The world is ill-prepared for the global crash in children being born, which is set to have a jaw-dropping impact on societies, say researchers. Falling fertility rates mean nearly every country could have shrinking populations by the end of the century. The report said 23 nations including Spain and Japan, are expected to see their populations halve by 2100. Given the Covid scam, it should be expected all nations will drop long before the

end of the century. In fact, given some of the information we have given in our normal shows, I suspect that all nations will see a plummeting of their populations within 3-10 years, due to the death jab these Hebrew Annunaki psychopaths are implementing. Countries will also age dramatically, with as many people turning 80 as there are being born. What is going on? The fertility rate, the average number of children a woman gives birth to, is falling. If the number falls below approximately 2.1, then the size of the population starts to fall. In 1950, women were having an average of 4.7 children in their lifetime. Researchers at the University of Washington's Institute for Health Metrics and Evaluation, showed the global fertility rate nearly halved to 2.4 in 2017. Their study, published in the Lancet, projects it will fall below 1.7 by 2100. As a result, the researchers expect the number of people on the planet to peak at 9.7 billion around 2064, before falling down to 8.8 billion by the end of the century. What utter rubbish they speak, and using Johns Hopkins math. How can the birth rate plunge from 4.7 to 2.4, throw in deaths from wars globally, the increase in medical death since then, an increase in global diseases, mass famines in many areas of which many died, and these clowns state the population has doubled? Where and how is that possible? are they counting insertions onto the planet from off world? bots created? synthetics? clones? because the normal population based on those figures has to have declined, not increased by 2.5 times. That's a pretty big thing, most of the world is transitioning into natural population decline, said researcher Prof Christopher Murray. I think it's incredibly hard to think this through and recognize how big a thing this is, it's extraordinary, we'll have to reorganize societies. The Soros Foundation went some way to correcting that, along with the Obama Muslim Brotherhood by corralling immigrants into Western countries. Can you see the picture now? DISAPPEAR

The U.S. birth rate fell 4% last year, the largest single-year decrease in nearly 50 years, according to a government report this year. The rate dropped for moms of every major race and ethnicity, and in nearly age group, falling to the lowest point since federal health officials started tracking it more than a century ago. Births have been declining in younger women for years, as many postponed motherhood and had smaller families. Birth rates for women in their late 30s and in their 40s have been inching up, but not last year. The fact that you saw declines in births even for older moms is quite striking, said Brady Hamilton, of the U.S. Centers for Disease Control and Prevention, the lead author of the new report. We all know why now don't we, convenient that the CDC didn't proffer a reason as to why that was happening? because they are heavily involved in creating that very situation. But it is not only the US.

The fertility rate in England and Wales has fallen to the lowest level in recorded history, during the corona virus pandemic, at 1.58 children per woman last year. In 2020, the British fertility rate fell by 4.2 per cent from 2019 and was 3.1 per cent lower than the previous low in 2001, according to official figures from the Office for National Statistics. In order to naturally maintain a country's population, a fertility rate of 2.1 children per woman is thought to be required. Maybe the sterilization jabs are now kicking in as well. But, maybe there is a silver lining to this event, that will not be seen until some time has passed.

So, how was this all achieved? deemed a vast conspiracy of a seemingly unbelievable scale, and yet after this show is completed, you will all come to your own conclusions that may well tie in with what I am presenting, and agree. But ultimately I am presenting a case, and it's your choice to decide, it matters not to me which you choose, it is my role to present the evidence only. When I use the word Jew, it does not and never will apply to all Jewish people, because they have been used as much as every other race here, by these people, and that is debatable who call themselves Jews, but as the bible itself warned, they are not. They are a parasitic race using all people of the world as pawns, with their vast wealth making us all dance to their evil tune. To those people they see one group of people as their main threat, forget the color program they introduced after WW2 to discredit them and to stifle all discussion on it, with the broadly outlined meme of Anti Semitism. Anti Semitism is their own National Security Act, designed to cover their tracks and crimes. What we will outline here is their systematic attack on society, and in particular America, because America is the final battlefield. There are many poor or bad people in all colors, let us not have them define our whole races. The whites came to teach and save the tribal peoples of the past, the Native Americans speak of the Great White Brotherhood, who came not to conquer, but to teach a better way. That better way did not involve a religion of any denomination, it was about people being people, not savages and violence, it was about peace, compassion and sharing of ideas, visions and cultures, all in a harmonic way, until the demons of the dark arrived. Those demons of the dark are amongst us today, dividing and conquering us on a mass scale, they call themselves Jews, but they are not. It is up to us all to embrace each other, because we all do have a common enemy amongst us, and that parasite must be extinguished for us all to prosper.

In the UK the last survey in 2011 revealed that the white race went down 4.5% in the previous 10 years, by 2016 another 1% reduction, the next census I suspect will see a loss further. The 2.1 children figure to sustain your countries populace, has not been achieved in the UK since 1973. In fact the UK rate is 1.84, USA rate is 1.83, Germany 1.74, Ireland 1.56 and France 1.41. In the UK in 1950 there was less than 20K non whites, now there is 857K. In Holland their native population went down 4% in the past 10 years, and also their general population went down in each of the last 5 years. Interestingly in 2018 53% of the Dutch people cited no religion, America is at 30% on the latest census. In Germany since 1970, their 2.1 target has never been achieved either, ranging around 1.3 to 1.5. 12% of the Germans have left since the fall of the Berlin Wall, the majority of which were female. Germany lost 2M people between 2015 and 2018, there are 8.6 births per 1000 in Germany, but 11.8 deaths and so their populace is falling rapidly. In 2019 40% of children in Germany had a migrant background. Ireland has less of a population now by 1.5M than they did in 1850. Since 1991 they only made the 2.1 rate of children in one single year, most where around the 1.8 - 1.9 range. Strangely but interesting given the location, hello Dugway, the Irish Family History Library that also holds microfilm copies of the original 1911 census returns, and these can only be viewed at the Library in Salt Lake City, Utah. In fact on current rates there is not one single traditional white country that reaches the 2.1 threshold. The whole of Russia, Europe, Australia, New Zealand, Canada and America the traditional White populations suffer infant death rates per thousand for under fives between 2 and 40 per 1000, how is that figure so high with so called advanced medicine in those countries? I want to make clear I am not against diversity in fact I encourage it, what I am against is, using diversity against one race that is under major threat of extinction. The migrants are being used as an agenda, as has been revealed tonight and other shows. Their agenda is race mixing to eliminate the one race they see as a threat to their world domination.

So what is the solution to this growing problem, well they tried a solution 86 years ago, and it has since been ridiculed and dismissed by many due to the fear they created around it. Lebensborn was a special Aryan breeding Program established in 1935, designed to restock the German populace devastated by WW1. The number of Germans killed in battle, the majority of which were male and young was 2.1M. A further 5M other Germans died, and in total Germany lost 10% of it's populace, the majority of which was their youth. This also applied to the majority white race countries around them also, and a dearth of men was causing their populations to fall. The Austro-Hungarian empire lost over 3M as well, so did Serbia. So, how do you correct this shortfall that impacts whole

countries to retain their base level of child birth of 2.1 children, below that your population decreases, as was the case for much of Europe? Well, some obviously saw the problem and tried to rectify it, ignore the his story based connections and connotations that has followed this program, of how to rebuild your peoples and countries. This brought in the Lebensborn program, which if you were basing it on logic, it is actually a sensible choice to make, given the circumstances. Why is it such a problem to build up the numbers of people lost? the damage it causes to industry, businesses and the general running of a country should not be lost, in the tide of negative spin that has since been put on this program. Of course since then the victors and the perpetrators of the war to begin with, armed with their total control of all forms of media and publishing, they began to discredit it, and that prevails in many places still to this day. The master race they labeled it, whites only programs and white supremacists, yet as we revealed in FRWL Plus 10, the so called master race is the term Jewish and their chosen ones status. A classic case of labeling or accusing someone of doing something they are already doing or have done. Given Israel Cohen stated in 1912 of eliminating the whites, and various since as mentioned earlier in this show. Is it safe to assume that, denigrating the very program that would potentially increase the white population, as something evil and nasty, is in and of itself of program. Time and their own words have confirmed that as a fact, Lebensborn was a victim of pro pagan da designed to fulfill a much bigger project, the elimination of the white race. That proof is beyond all reason now, except to the ones who follow the official script without questioning it. The lack of critical thinking has been our downfall in the past, the key now is, to not replicate it in the future. People may ask why against the whites? the answer is, they see that race as a threat, and is as a collective more intelligent than other races, as many studies have shown. And even after their deliberate dumbing down of the white peoples since WW2, that remains the case by and large, and so is a threat to their hegemony. The white race is also the most rebellious, and does not largely fall under the hive mind program as easily as other races do so. In stark reality the white race which is under extinction within this century, unless urgent action is taken, may well have to do a similar program to protect their race. In the 1920's white's made up a global demographic of 30% plus, by the time we started this series in 2018 it was down to just 12%, it now resides around 9-10%. We are not just talking about a shift in balance here, they revealed in all their pieces that, the elimination of the white race is their main goal. We have all seen the save the whales, manatees, elephants, tigers and bald eagles promotions, yet just where is the save a certain race of humans? why is no one speaking of it? What is wrong with preserving a whole human race, regardless of color? Well, in some parts it was the successful pro pagan da surrounding the Nazis, master race, White

Supremacists and Lebensborn program, all twisted into something evil, of not only protecting the white race, but the white race itself. Rothschild's, Kushner, Kissinger, Soros, Abramovich, Netanyahu, Gates and many others are classed as white, and so their crimes against humanity are then used against the White Race. They are neither white or Jewish, but a group of psychopaths with the most evil intentions, and have got away with their crimes against humanity, because they made the whole world frightened to speak out against Jews. That has to stop, this is our common enemy for all colors, as they have used us all, pitted us against each other, got us to fight their wars all designed for them to make shekels. Shekels that were taken from both sides, and then the countries were leveraged against via loans, and they then took all the assets from each and every country. They have infiltrated every single organization, using coercion, blackmail, death and threats. Every government, they have their grubby little fingers in, particularly the western world. Dictating policy, disastrous foreign policies, harvesting the countries with their taxes and banks, and we the people allowed this all due to fear.

The mezuzah is a Jewish scroll, that contains verses of the Jewish prayer Shema Yisrael, beginning with the phrase: Hear, O Israel, the Lord (is) our God, the Lord is One. All of which further confirms who the Israelis are worshipping, the LORD is/was Anu, the Draco reptile king. Which means Yahweh was also Anu, and we have already revealed they worship Lucifer and Lilith, plus the demon Samael, thrown in Azazel into the mix and their worship of off world entities that have done immense harm to us all, is the determining factor of truth here. This series had introduced the possibility at the beginning, but as we went through each episode we revealed more and more of the bigger picture, and added a new name into it, called the Hebrew Annunaki. At this point even the most avid skeptic has to be questioning the official narrative, as it is overwhelming now. At the end of a certain 1000 year contract in the 1800's, in part the Draco were have said to have stepped down and back and allow the humans to run the planet, how benevolent of them. Except their was a kicker to that step down, as there always is with that group, they elevated their loyal puppets like the Rothschild's and blueblood family lines who are all connected to them. Essentially the placed their loyal followers like the Jaffa in the Stargate series in charge, whilst they hid in the background. Melchizedeks, Merovingians, Carolingians, Franks, Hapsburgs, Levis, all French houses like the Angou's, Lorraine and Aquitaine are the 3 lions symbols for the British, throw in the Bourbons as well. But the biggest House of France, which took over Holland, large parts of Africa, Ireland, India and New Zealand, is the House of Orange, and there are many more, all of them link back to the Hebrew Annunaki. These were tasked by the Draco to

run the planet on their behalf, so they can go look how the humans messed it up again and why they need our help. We don't need your type of help, your death cult, your divisive agendas, your rewriting of history, your inequality, your greed and psychopathic tendencies, we will rebuild the world totally in our image and likeness, not theirs. NOTHINGS GOING TO STOP US NOW

So, there you have it, the completion as it where, and what can you say to that level of evidence, largely of their own sayings. It is hard to accept as so much of it rises to levels of evil that goes way beyond most peoples boundaries, of where evil resides. These are not Jews at all, they are a parasitic harvesting race of beings, darkened souls beyond redemption in my opinion, and if people push past the fear of critiquing these people, so will everyone else agree. They have no regard for any race on this planet, including the suffering Jews because of their greed and psychopathy. One hopes people have sympathy with the Jewish people, with them having been tarnished with the same brush, under the banner of being Jewish. These are a separate breed of people, that are nothing to do with our types of human, they are to use their own terms, schleppers, schwartzers, inbred pigs of the most evil nature, and the world must join as one to free us of their evil and parasitic culture. They are not Jewish, they are the Hebrew Annunaki and after this, it is time the Council stepped in and removed them from this planet once and for all, and sent back from whence they came, on the Draco home world. Along with their Black Sun cult brethren. In the future and perhaps near future, we will have to change all aspects of society and life on this planet, as their whole structure was designed for harvesting, death wars, sacrifice and extinction programs will have to be ended. At some point we will need a global address to change the whole dynamic, and begin to tell the disbelieving public the real truth, no matter how harsh it is to people. What is harsh is, those who have spoken the truth have been murdered, injured, lost their homes and livelihoods and or threatened by their system, all for telling the truth. The truth tellers have ran the gauntlet of the disbelieving mind controlled public for years, and the only way to end that is, a global address and begin to tell the tale to what will be a very shocked planet. This series goes some way to delivering the truth for those who were ready to receive it, and even then many of you were shocked to the core at the content, and the levels of evilness that has gone on here. Can you imagine what the believers in the lie will feel? and this is why we will turn this into a book and possibly an audio file as well next year. So, what happens next? well, in some way we at THI have already started planning for the future with The Peoples Club and the Communal Gatherings. This has to require everyone to participate to make our venture work, the reality of that may well unfold within the first

two months of next year. We have started planning, creating and living a new way, as all of the old ways failed us all. New ways to teach, govern, business in a Cooperative setting, grow and feed, housing, jobs, developing new ideas in a fair and equitable way. That involves all colors, races, the former religions, cultures all learning the TPC way of need not greed, caring and sharing, cooperative not comparative and competitive, if the majority all adopted those traits and lived by them, this world will change once and for all. We have to develop new ways of future thinking, critical thinking and relearn basic common sense again. We have to learn to grow as an adult species, not the child like levels we witness all over the world now. We have to develop a world where the children can grow without fear, threats, violence, poor or no teaching, learn to be self sufficient, learn to be a part of the change and everything must be done to develop their growth. All children should be an advanced societies greatest investment, because they are our future. We can also learn to create small communities again, and move away from the dark energies of the concrete jungles they call towns and cities. This is our big opportunity and it is history in the making, as for the first time in history, a group albeit small has started the path to a new way, new planet and a new humanity, whereby it will lead for us to reclaim our birthright and sovereignty, and for the first time have a real say of how this planet should be run. It is the duty of everyone of you to work towards that, in whatever capacity you are capable of, I know we are all capable of so much more than we give ourselves credit for. In a non personal overview, a majority of the planet disappearing may not be the worst case scenario. Far too many on this planet are hive minded and operate by their new parents, the Governments and Mainstream news, easily fooled, easily programmed, all with devastating effect on those of us who see beyond the illusion they present. As many start disappearing the authority program or Milgram Experiment will go with them, and what will be left is, the critical thinkers, the creative peoples, the rebels and the future of our species to take it forward, without hive minded programmed bots. It could or should have been all so different, but it is not, and we have to do our best regardless of the situations we face. We have to go forward and into uncharted waters and develop into a much more advanced adult based species, of which we can be proud of. I, for one think we are capable of achieving this, and I know we will come out of this on the other side of time, and free of the dark forces that pervades and plagues our planet, hopefully once and for all. It will be one small step or group for man, but one giant leap for mankind, not seen here for 110K years. HELLO MY NAME IS HUMAN
