

THI-SHOW TRANSCRIPT 2022-02-15

LOW LIFE IN HIGH PLACES This is a very interesting piece, by a website called Theresnothingnew.com and I have expanded that piece out into something much larger which will lead us into a very big show further down the line. The piece is in my opinion, has some of which is skewed by religiosity, but it does contain plenty of intriguing insight to deliver it into a show. Often people relay events and tie it into the scriptures, and at times it can and has been rather accurate. But, remember we operated in a loop system, and so events are repeated at regular time based intervals. Just recently we had the 100 year loop, 1919 fake Spanish flu caused by vaccines, 2019 fake Covid flu caused by vaccines. And so, the benefit the scriptures brings is, not prophecy, but you can read their plans. That is future thinking, and if sufficient alerts are made on their plans, it does and will stop them. I believe reading the scriptures for prophecy is an error, you read the scripture as plans, then you will understand their game better. It covers many of the things I have done in the past year, and previously in the FRWL series and plus. The gods and their name changes and word magic crops up again, and this adds more layers to the deception these fake gods and their religions here, all for their own benefit and elements of control. It brings into the picture many of today's organized scams and agendas, via Covid and also the Transgender agenda being run everywhere, oblivious to the Transgender people themselves. They, like the Jews, Gay and Lesbians, and Black Lives Matter are all being used to run programs on us all, to keep us in division, but also to provide the necessary distraction pieces the criminal media love to run on us. It brings in the movie connections we have covered in detail recently, and came to the conclusion, these are not movies or series, but these are in essence documentaries. This article does carry an awful lot of biblical and Jesus the savior program references, but it is important to leave in the show for people to make their own judgments. People know my opinion and evidence against all religions and why, but this piece does bring in the connections via word magic, Kabbalah, Gematria and shows how the EL-ites abide by those codes. Drop the fear, ignorance is a choice. DONT FEAR THE REAPER

All our times have come the opening line, pay attention to that, it's not the past or the future it is in the now. Ashtaroth, Ishtar, Astarte, Easter are all names of the same Canaanite Deity. April means Month of Venus another name of Ashtaroth. Easter April 17, 2022 aligns with Abib 17 Feast of First Fruits, the day of Jesus' Ascension has nothing to do with Easter, and everything to do with Feast of First Fruits, which occurs 3 days/nights after Passover Abib 15. Jesus was Crucified on Passover Eve not Good Friday, his New Year is Abib 1 which aligns with April Fool's Day 2022 and the Assyrian Akitu Festival. The Akitu Festival celebrating the triumph of Marduk (Golden Calf) over God, here is a Gnostic perspective of Omicron-Marduk. The Behemoth and Leviathan make up the antichrist male and female counterparts, that are written into the Armageddon Software and black magic grids, to technologically incite destruction on the

surface, as per the NAA religious programming. NAA is Negative Alien Agenda. In actuality, Behemoth and Leviathan are black hole technologies, that were orchestrated on purpose by these fallen forces of NAA in order to imprison this planet. One may note the consistent mainstream movie releases, portraying violent dystopian futures and Armageddon scenarios that annihilate the earth, combined with the urgent messages to save the human species from certain extinction. But in actuality this is not real, it's the AI program running holographic movies in these timeline loops, to project the Armageddon Monsters of Chaos that are reversal elementals, coming from out of the AI technology and the black magic grid. In the twisted and psychopathic mind of the NAA, this violent narrative was the set up for human martyrdom and blood sacrifice, at the end of the astrological precession and Ascension Cycle. Leviathan is also a negative alien race, put here to guard the Tiamat wormhole ripped open between Sarasota, Florida and the Temple Mount. However, it is more commonly used as an image of Satan endangering God's creatures, by attempting to eat them and by threatening God's creation with an upheaval in the waters of chaos. The Church of Satan uses the Hebrew letters at each of the points of the Sigil of Baphomet, to represent Leviathan in their Black Magic rituals. Is it a coincidence the first four letters of that entity is Levi? Given the evidence we have amounted, I would suspect not. This means Satanists that conjure or evoke Baphomet fields to power up Leviathan entities for service-to-self rituals, are actually contributing to the feeding of the Beast Machine and its AI technology, for maintaining the electromagnetic harness. The electromagnetic harness? I have described that in other shows, it is called the veil. I, as our listeners know was able to test this theory, and did so in Colorado. It created the now famous riddle from the show, that took members 3 months to work out, plenty of teeth gnashing, arrgghhs, a few expletives before someone worked it out. Some thought I was playing a game with them, I wasn't, I was asking you to raise your frequency to get the riddle, and then begin to self understand it. Me giving you the answer, does not leave you with an understanding. Giving you the answer if you are not ready, will never bring the self understanding that we all require. The answer is not the ending, only the beginning of your own journey of self understanding. Of course some of our members who visited me, were able to test and see the veil themselves, which is now collapsing at a speedy rate. The Power Elite believe they are the chosen ones to fulfill this end of times prophecy, and direct the AI programs in order to wake up and agitate these Monsters of Chaos, which they have co-created from the shadow fragments and reversal elementals on the surface. This is another example of why Satanism is a natural segue into the Transhumanism agendas, as many materialists are very pro-artificial intelligence. The Alien Machinery known as the Beast Machine is held in place on the planetary body, through massive levels of reversal AI programmed consciousness. This infects the black subtle forces in the earth elemental field and dark matter, and that substance is also referred to as Behemoth. The alien machinery known as the Gravitron is a part of the Beast Machine, that acts as the electromagnetic harness field. This makes up the structure called the NET, which produces gravitational and astral

corruption and this is also referred to as Leviathan. As the Amnesiac Barrier dissolves in the subconscious areas of the human being, this is revealing more of the hidden history of the Electric Wars, and this history is in the AI to push forward the Transhumanism and Transgenderism agenda, that we can observe in the current global landscape. The NAA are attempting to capitalize on repeating the Electric Wars timeline trigger event on the earth surface, through the recent push towards the WW3 rhetoric and the transhumanism agenda. This has become aggressive now, in order to focus the collective consciousness to power up the Behemoth and Leviathan. The Electric Wars event has been recorded in the corrupted elementals of earth, and its form of artificial intelligence is buried in the black goo, that connects directly into the AI fields of the phantom earth timeline. This historical trigger event in the 8th Stargate, has been brought into an intersection with the current collective consciousness time cycles on the earth, as the organic position of the Planetary Staff is being repaired in the earth body. Monsters of Chaos: In the lower dimensional fields, there is a chaotic war struggle occurring in order to regain control over the dark matter, as this is a massive power source for the AI, as well as for the Black Magic Grids. From the epicenter of the Atlantian timelines in the United Kingdom, it may appear to some on the black magic grids that the forces of chaos generated in the phantom world, will eminently come to the surface via Behemoth and Leviathan to destroy the earth realm. The Armageddon Software captures the book of revelation and Enoch prophecies, as the female and male anti-Christ, the Leviathan and Behemoth monsters that are unleashed against humanity in the end times, for the massive war which supposedly brings forth the true messiah of this world. The true messiah in my thoughts is in us all, selecting external worship above yourself, goes against the fact we are all Source creations. Given we are the spark of creation that resides inside of us, how can we idol worship something outside of us. Is that not hierarchical?

The Easter Rabbit is Anammelech, the counterpart of Adrammelech (2 Ki 17:31) who triumphantly enter the Ishtar Gate, in Egyptian mythology Nu (Omicron) and Naunet. April 15, 2022 also aligns with Federal Income Tax Burden Day, IRS Form 1040 +1260=2300 Days, if these are the 2300 days Daniel warned about in Daniel 8, we'll know soon enough. With the US and Wall St destroyed, the Great Tribulation and Great Reset can begin. Ashtaroth the Astarte of the horns, is Isis Throne of the Sun. Knights Templar carried idols of Isis the Black Virgin presenting Horus all over Europe. Ashtaroth created Omicron as a Soul Prison. David Bowie in Omicron: Nomad Soul Milton's Paradise Lost describes Ashtaroth as a gender fluid deity of Baalim and Ashtaroth those male, these Feminine. For Spirits when they please, can either Sex assume, or both, Ashtaroth is the deity of double horns and a Canaanite city east of the Jordan River. The polygamous wife of Shamash which is the center candle of the Hanukkah Menorah, and Bil-Marduk, Golden Calf of the Sun, the Akitu Festival. I ponder of the Menorah and wondered aloud does it represent the 7 headed snake beast? the snakes removed to avoid more obvious connections? Ashtaroth began as Ishtar and

Nanna, the wife of Noah, although Rabbis assume this was Naamah, who brought the Curse of Cain to her son Canaan, and to the sons of Abraham Ishmael and Esau. And they forsook the LORD, and served Baal and Ashtaroth Judges 2:13. Ashtaroth is the Phoenician deity Astarte described as a First Hierarchy demon, depicted as a gender ambiguous man wearing a crown, with dragon wings and serpent tail, holding a serpent, riding a beast. All the kingdom of Og in Bashan, who reigned in Ashtaroth and Edrei, who remained of the remnant of the giants, for Moses had defeated and cast out these, Joshua 13:12. Omicron is revenge for Joshua killing the Rephaim the Giants in Ashtaroth, Ai, which is likely source of AI Artificial Intelligence controlling the 5G SkyNet and Graphene in Vaccines. Joshua is not Jesus, that's the cover Gnostics use for Yeshua, Yehoshua Yahweh, YHWH etc, a warrior Messiah getting revenge for the real Joshua destroying Og of Bashan in Ashtaroth. Adoni-zedek Josh 10:1-3; Adon=Lord; again not Jesus but Adonis in Jerusalem, Hiram King of Gezer, the Amorite King Sihon in Heshbon. Ai (Josh 8:17-18; 29); and Jericho, Wall St was built to fail just like Jericho, Heil sacrificing his children to rebuild Jericho, the Sieg Heil Nazi salute may ring a Baal. It perhaps now appears that the saying ring a bell, bel is another term for Marduk, and Marduk played Baal, is a calling upon Marduk. Perhaps we should change it to ring a bellend, and because it wasn't circumspect it became a bellend of circumcision, what a bunch of helmets. And afterward Joshua smote them, and slew them, and hanged them on five trees, and they were hanging upon the trees until the evening Josh 10:26. The bottom line is, Omicron is revenge for Joshua slaying the Canaanites who now manage the Corona virus Scamdemic. America is named for the Amorites, the Code of Hammurabi replaces God's Laws in the 10 Commandments with Revenge and was dictated by Shamash. At Beit Shemesh House of the Sun Site 911 is Project 911, a radiation hardened bunker with the Mezuzah written over every door post rejecting Jesus as Lord. Jesus amid 2 thieves formed the 7 Branch Candlestick, the 9 Branch Chabad Lubavitch Menorah replaces Jesus with Shamash. Everyone hung on a tree is Cursed (Deut 21:23). Omicron is a Soul Prison, Imprisoning the Soul, Graphene is a Neural-interface suppressing Neuro-transmitters, that creates an impossible condition to receive forgiveness of Sin. By altering DNA using mRNA and mDNA alters God given DNA, creating a Trans-human product with no rights on Earth or in Heaven. The lack of rights, may well be to do with the fact the vaccines are patented, but we know they are not vaccines but protein and DNA interference vials. But, what if the vaccines are setting the stage for the wheat and the chaffe per se? In what ways could that be possibly beneficial? Was 2017 really the end for many people? Who or what is disappearing? and why?

Externalization of the Hierarchy is a demon channeled book called Djwhal Khul, and was written by the Theosophical Society head Alice Bailey in 1957. Which predicts the Hierarchy will manifest physically in 2025, if so the Great Tribulation will begin in 2022. If they manifest in 2025, it means the Great Tribulation started 7 years prior in 2018, hence the 2017 cut off. All will experience it, but in two very defined and separate ways

and outcomes. Ashtaroth created Omicron as a Soul Prison, David Bowie in Omicron Nomad Soul. Corona virus known as Crowned Serpent Venom and the Omicron Variant are literally a can of Worms. Jesus is the Crimson Worm. Privy Council and the Pirbright Pilgrims opened the proverbial can of Worms, in where else but Worms near Frankfurt am Main and Pirbright, England. In Frankfurt am Main, Mayer Amschel Bauer a Cain which equals Farmer, changed his name to Rothschild Red/Edomite Shield, adopted Ashkenazi which is German/Crypto Judaism. The Chaldean 6 Pointed Star which is a hex and so a curse, which is the Mark of Cain came to symbolize Zionism, the symbol placed on Israel's Flag and Rothschild's sons placed in control of the treasuries of Europe. The 6 pointed star is also the flag of the Alpha Draconis Draco group. Permit me to issue a nation's money and I care not who makes its laws, he said. Pirbright Institute patented Corona virus/Omicron US 10130701B2. Interesting the first three numbers 101, perhaps links to Room 101 from Orwell's 1984 book. Room 101 is a prison chamber in 1984 in which a prisoner's worst fear is manifested, as determined by the Party. The Party, through their various means of investigating and spying on their citizens, is all-knowing. They are aware of every citizen's worst fear and are prepared to use that fear against them. Solution to that is, have no fear. Baron Henry de Worms was raised to British peerage as Lord Pirbright, as Under Secretary of State for the Colonies, and he approved the British South Africa Company to be handed over to Cecil Rhodes. Does the Rhodes Scholarship ring a bell? it's no coincidence Omicron was born in South Africa. Lord Pirbright managed the Patent Office concurrent with Nikola Tesla, Tesla called Einstein, a Patent Office clerk. A beggar dressed in purple made king, using dazzling mathematics to obscure truth, filing patents for wireless communication and free energy. Lord Pirbright managed and was funding Crown Agents worldwide, and it's no coincidence Commonwealth Crown Water Marks are on the Dominion Voting Ballots. The Commonwealth represents Edomite Dominion prophesied in Gen 27:39-41KJV, the New Bible versions change this for obvious reasons. The Imperial Free State of Worms Coat of Arms and Flag is a Key, the same Key Peter holds in every Catholic Cathedral is not the Key to Heaven, the Divinity of Jesus is the Key. In my opinion the key is the code, ponder on that under meditation. Worms was a Celtic worship center for Jupiter, Juno, Minerva and Mars which later became the Cathedral of Worms and Rashi Synagogue, the center of Ashkenazi German Crypto Jewry/Zionism, who were called the Synagogue of Satan by Jesus. Revelation 2:9: I know thy works, and tribulation, and poverty, but thou art rich and I know the blasphemy of them which say they are Jews (Israel), and are not, but are the synagogue of Satan.

Rosicrucian's and Crypto Jews initiated the Reformation: Luther's German Bible and William Tyndale's English New Testament were born in Worms. On Halloween 1517 Martin Luther a Rosicrucian, Black Cloistered Monk presents 95 objections to the Papacy on Infallibility and the sale of indulgences. Known as the Diet of Worms in 1521, it declared Luther a heretic and enemy of state. John Calvin (Cohen) followed by sending

Huguenot followers to South Africa laying claim to vast underground wealth, and John Knox formed the Scottish Presbyterian Church celebrating the Assyrian capture of Israel with Kirkin O Tartan. Except Israel didn't exist, so presume they are speaking of the House of Israel. Essenes outlined the plan for Antichrist before Jesus was born, in the 11Q13 Prince Melchizedek Scroll, which was part of the Dead Sea Scrolls that the Vatican snatched, and wouldn't show it to anyone for decades. No doubt they altered it all to suit their agenda, before releasing it. If they didn't have anything to hide, they wouldn't have hidden the scrolls away. After 10 Jubilees, the Trumpet blast will herald the coming Melchizedek. Jesus is the real Melchizedek! The Day of Atonement is the end of the tenth Jubilee, when all the Sons of Light and the men of the lot of Melchizedek will be atoned for, and a statute concerns them to provide them with their rewards. This will be the Alternative Messiah Antichrist in 2021? Dark Winter is coming folks, I wouldn't rule it out. Melchizedek is the nefilim line, and not something the author should be worshipping, as time will tell. William Tyndale was imprisoned, hanged and his body burned for translating the New Testament into English, Jesuits pulled out the stops in 1605 with the Gunpowder Plot to prevent the authorized Bible from publication in 1611. Yet again like the Dead Sea Scrolls, the now Vatican with their Jesuit armies tried to stifle disclosure of the books, all of which reveals again, they have something to hide. I know what it is they hide, and it is the greatest barrier to full ET Disclosure, because the revealing of it, will damage the churches to a point of extinction, and that enterprise currently makes too much money to close it down. The church is covering up the fact that they and their books, contains the evidence of off world entities here, they are running the show via compliance and acceptance of their religious order.

The 2019 movie with Mel Gibson and Sean Penn The Professor and the Madman references Milton's Paradise Lost extensively. Webster's Dictionary 2020 Word of the Year was Pandemic and said all People. In 2021 the Word of the Year is Vaccine, described as preparation administered to stimulate the body's immune system response to an infectious agent or disease. Attenuated pathogenic agent, bacterium, virus, protein, toxin, synthetic RNA used by cells to produce antigenic material, spike protein. So much easier than the previous definition, of substance providing immunity to a specific disease. Oncomir is an anagram of Omicron meaning Oncogenic cancer, causing MicroRNA. Just recently a report has come out detailing an explosion in cancer cases following the vaccines, particularly those with previous cancers. Corona virus is patented US 10130701B2, by the Pirbright Institute which is named after Henry de Worms the 1st Baron of Pirbright. His great great grandfather was Mayer Amschel Rothschild (1744-1812) who changed the family name from Bauer which means Farmer as did Cain, to Red Shield at the Counting House 666 Am Mein Frankfurt. His sons Solomon Mayer, Nathan Mayer, Carl Mayer, James Mayer were placed in control of the treasuries of Europe. Noah Webster was an initiate in the Brothers in Unity secret society at Yale class 1778. E parvis oriuntur magna which means the origin of the Great and Small, that has taplines to

Yale's more famous Secret Societies, the Skull & Bones, the Book & Snake and the Scroll & Key. Skull & Bones representing the galactic pirates of the Sea, which came onto or into land, they became cor pirates. Cor meaning, an ancient Hebrew and Phoenician unit of measure of capacity, hmm. Cor also means from above, just like those that came from the heavens above, which was the Anunnaki. It is the origin also of corpus, corpus means the body of a human or animal especially when dead, which is why you need a coroner to adjudicate. Habeas means to have or hold, and so Habeas Corpus means to have or to hold a dead body. oops. Common law does not contain common sense it seems. The book and the snake is the bible, telling their story, not ours. The scroll and the key, is the antidote for when you are ready to receive, and also enact. The Theosophical Society Logo features the same Snake eating its own tail, the Ouroboros which is another Hebrew Annunaki symbol. Externalization of the Hierarchy, a demon channeled book written by Alice Bailey in 1957, spells out the plan to externalize or manifest Earth's Hierarchy in 2025, Ray Kurzweil in Singularity Unity predicted the same year 2025. Two things from that is, the year has come up quite often and perhaps also in a recent cryptic piece. I was warned of great changes around that year, although my understanding is, it is a window of opportunity, not a guaranteed fixed event. The plan to externalize? will means much more to THI listeners, perhaps the need to go within more, makes much more sense now? We don't want or need their Hierarchy, it has served no one well, we need a global community running the planet, not off, on or in world entities reveling in their own self importance. If you are not ready for the Great Tribulation, you need to be, take a few minutes to ask Jesus to enter you life and Omicron will make more sense. The great tribulation will bring the greatest time of trouble ever to come upon mankind. According to Bible prophecy, it will occur during the last days, or the end time. It will be a tribulation such as has not occurred from the beginning of the creation that God created until that time, and will not occur again. Tribulation? what does it mean? a state of affliction or oppression, suffering, distress, c. 1200, from Old French tribulacion (12c.), from Church Latin tribulationem distress, trouble, affliction, noun of action from past-participle stem of tribulare to oppress, afflict. Sounds like a loop ending control system to me, with oppression, suffering, distress and afflict. To be honest the churches have done that to us since their very existence, with their guilt tripping programs of confess all of your sins. Notice they never confess any of their own sins, some of which takes sinning to a whole new level of Satanism.

Events said to unfold during the great tribulation: Destruction of false religion, with surprising speed, false religion will be destroyed. (Revelation 17:1, 5; 18:9, 10, 21) The political powers represented by the United Nations will carry out God's will in taking this action.—Revelation 17:3, 15-18. Attack on true religion. A coalition of nations, referred to in Ezekiel's vision as Gog of the land of Magog, will try to annihilate those who practice true religion. However, God will protect his worshippers from destruction.—Ezekiel 38:1, 2, 9-12, 18-23. Just like he or it has since the dawn of time, not. Yet again it

is the divide and conquer, the false religions will be declared as all religions except the Talmud and Torah, in a one world religion setting out of Jerusalem. In reality, there is no true religion, as harsh as that may sound to some, reality and proof of which is extremely thin on the ground supporting it. Judgment of earth's inhabitants. Jesus will judge all mankind and will separate people one from another, just as a shepherd separates the sheep from the goats. (Matthew 25:31-33) The basis for his judgment will be the support, or lack of support, that each person gave to Jesus' brothers, those who will rule with him in heaven.—Matthew 25:34-46. Again this is a guilt tripping exercise, no one can prove Jesus actually existed, so how are we supposed to recognize his brothers? Gathering of Kingdom rulers. Faithful ones who have been chosen to rule with Christ will finish their earthly course and be resurrected to life in heaven.—Matthew 24:31; 1 Corinthians 15:50-53; 1 Thessalonians 4:15-17. Armageddon. This war of the great day of God the Almighty is also called the day of Jehovah. (Revelation 16:14, 16; Isaiah 13:9; 2 Peter 3:12) Jehovah, oh dear we will reveal more of them, not him in a later show. Those judged adversely by Christ will be destroyed. (Zephaniah 1:18; 2 Thessalonians 1:6-10) This will include the destruction of the worldwide political system, pictured in the Bible by a seven-headed wild beast.—Revelation 19:19-21. That sounds all so nice doesn't it? follow a dead man from allegedly 2000 plus years ago, or he will destroy you? Seriously? and we are told it was all so holy and divine, I suggest we have to rewrite the meanings of those terms, as none of them are fit for purpose. The 7 headed beast went down in 2014-2015 time, so where is the evidence of such destruction of the political system?

Events after the great tribulation: Confinement of Satan and the demons. A great angel will hurl Satan and the demons into the abyss, a symbol of deathlike inactivity. (Revelation 20:1-3) Dr. Fauci's family name was Abys, just saying. Satan's condition in the abyss could be likened to being in prison, he will be unable to influence affairs elsewhere.—Revelation 20:7. The Millennium begins. God's Kingdom will begin its 1,000-year reign, which will bring great blessings to mankind. (Revelation 5:9, 10; 20:4, 6) Is this actually referring to the Day of the Svarog? which is actually 1008 years. An unnumbered great crowd will come out of the great tribulation, surviving it to see the start of the Millennium on earth.—Revelation 7:9, 14; Psalm 37:9-11. Which Millennium? MILLENIUM

Graviton aka God Particles are mass less particles claimed to give mass to matter and order to the Universe, all of which may sound like God, but its Satan in disguise. Newton, the last of the Alchemists, proposed $F=MA$, the foundational physics equation equates force and mass described in Dan 11:38 as the God of Forces. Einstein's $E=Mc^2$ equates Energy and Mass both derived from Omicron the Primordial Abyss/Chaos. Omicron is the Abyss between the Pillars seen in Babylon the Gate or Door of On, in Egyptian religion On is, Heliopolis City of the Sun and Osiris the Green One, thus Omicron is the Pale Green Horse Death. Osiris is the Green One, a color code program? of

Mengele/Dr.Green proportions? or is the Green One the Matrix? On has the meaning of physical contact or support, the goal of a directed action in a place to cover or conceal for example Yarmulke, said to be a Variant of An, In, On, Into. Corona virus is patented US10130701B2, therefore Omicron is also patented. The goal is to physically conceal man from the Holy Ghost, the Mark of the Beast physically placed "In" the Temple, rendering the living Person a Trans-human Beast.

Gamaleya Institute funded by the Russian Direct Investment Fund in Moscow, to produce and ship 3 Billion doses of Omicron adapted Sputnik V Vaccine by Feb 20, 2022. Gamaleya is named after Odessa born Nikolay Fyodorovich Gamaleya an early collaborator with Germ Theory liar Louis Pasteur, who was awarded the Order of Lenin, Order of Red Banner and the Stalin Prize. Further information on Odessa, suffice to say the Curse of Cain crossed the Flood to Canaan, aka Sargon the Great, SAR means Prince. Remember the early name of the virus which switched to Sars-Cov2, was it released by the so called Prince of Darkness? Having lost the right to be called Israel (Amos 5:2) during the reign of the Assyrian King Sargon II, the northern 10 Tribes were taken captive by a treasonous pact with Ephraim who assumed the name Israel. Ephraim was born in Egypt before the arrival of the children of Israel from Canaan. The Book of Genesis related the name Ephraim to a Hebrew word for being fruitful, referring to Joseph's ability to produce children, specifically while in Egypt, termed by the Torah as the land of his affliction. Sounds like the House of Saud to me, the Hebrew Jewish House of Saud was formed when the head of it produced 146 children, debatable they were human children as we have found out. They lost the right to be called Israel? this is full confirmation that Israel was a group of people, not a country. The proof supporting that is the line, Ephraim was born in Egypt before the arrival of the children of Israel from Canaan. Canaan was not Israel the country. Sargon III will be Antichrist made possible by SARS CoV-2 Omicron the Universal Variant. Odessa is the home of exiled Sarmation Priest-Kings leading the world through the Abyss and the writing is on the wall. Omicron: The end goal of the Trans-humanism, Transgender Gnostic agenda aka Transformation symbolized by the Serpent eating its own tail. Fauci which means sickle, like the grim reaper, whose mother's maiden name Abys aka Omnicron, uses the Crowned Serpent eating a person as the family crest. The Serpent of the Abyss; the Delta Triangle shaped fulcrum of the scales carried by the Black Horseman (Rev 6:6), whose function is to collapse the world economy. Omicron-Delta-Epsilon is the economic society doing just that in America. Delta also means tent door, specifically the Tent of Sakkut (Saturn) worshipped at Feast of Tabernacles aka Succoth. Epsilon means small or minute quantity, Egyptians believed the Soul had the same weight as an ostrich feather and was judged on weigh scales. Omicron is the Abyss, the Sum of all Fears in Room 101.

BlackRock Group CEO Larry Fink began in 1988 under the umbrella of BlackStone Group, whose CEO was Yale Skull & Bones Satanist Stephen Schwarzman and Jacob Rothschild. Schwarzman briefly served as Chairman of President Donald Trump's Strategic and Policy Forum. Black refers to the Black Sun Nazi SS if this is not painfully obvious yet. Omicron is the Black or Primeval Matter these men worship, the void in essence, and is growing by nearly \$2T/Yr to be the world's largest Asset Manager. For those of you who have had several calls from around the country to sell your home, that is Black Rock. BlackRock essentially controls the US Treasury, courtesy of Donald Trump and Kim Goguen, was built to replicate Villa Torlonia the Loan Tower, the home of Vatican banker Giovanni Torlonia. The Giovanni name is the origin of the Metatron. Larry Fink is a fake Jew, CFR Traitor, Kappa-Beta-Phi a Wall St Secret Society Initiate, Beijing University Trustee, WEF Trustee with Klaus Schwab. Schwab was the one who said you will own nothing and be happy. BlackRock uses Aladdin, Asset Liability and Debt Derivative Investment Network, a 33 yr old AI robot to make transactions. Aladdin is derived from the Arab phrase Ala al Din, which means height, excellence, nobility of the faith. In 1000 Arabian Nights Aladdin's father Cassim is the King of Thieves, the end game is to steal your Soul using Omicron. BlackRock is called a shadow Bank without Banking Regulations, again courtesy of Trump and Goguen, who said she had stopped their methods of banking. In reality we did, until Goguen started meddling with another ancient Greek letter machine, The Omega. A Multi-Trillion dollar loan shark funded by Federal Reserve money creation, Hedge Funds, Federal Reserve Assets, Money Market Funds, Credit Derivatives, Credit Insurance, Pension Funds, Asset backed Commercial paper, Mortgage backed securities, REPO Assets etc. BlackRock buys Real Estate at up 50% above asking price, to inflate the market above the reach of most individuals seeking home ownership. BlackRock and Vanguard not only lay claim to property, but most every corporation. BlackRock's Brian Deese heads Biden's Nat Economic Council, Larry Fink's Chief of Staff Adewale Adeyemo is Dept US Treasury Secretary. BlackRock's Chief Investment Strategist Mike Pyle is Kamala Harris' Economic Adviser, thus BlackRock controls and oversees the US Treasury. Harris is a Boule Society Initiate, the ultimate game is capturing Human Souls. Billionaire CEO Larry Fink is using Federal Reserve money printing, to lower the value of your personal savings and inflate the value of property, to keep you from owning Real Estate. Fink has been named the World's Greatest CEO 14 years and joins a cast of Jewish Money (Mammon) managers, like BlackStone CEO Stephen Schwarzman, Goldman Sachs CEO Lloyd Blankfein, Apollo Global Mgt CEO Leon Black, Steve Feinberg Cerberus Capital named after the guard dog of Hell, George Soros (Schwartz Gyorgy), David Rubenstein Carlyle Group War Profiteers, Allen Weisselberg Trump CFO. Jesus turned the tables on these money changers for turning the house of His father into a den of thieves, now they are using your money to boot you out of your House, for the WEF Great Reset of Own nothing and be happy. BlackStone Group (Jacob Rothschild) owns the patented KL-03 RF Microchip used in the IOT Internet of things to control Infrastructure, i.e Banking, Energy, Medical.

So, unbeknown to Kim Goguen Blackstone and subsequently Black Rock, are still owned by a Rothschild, oops. Her goal was to end the Rothschild's, yet she and Trump gave them greater powers, this confirms what I have said in private to some of you, she is not as knowledgeable as she makes out, and that makes her dangerous. The mention of 03 got me pondering on the code for the vaccines which is US10130701B2. We have mentioned 101 as a prison, but 30 follows it and so I pondered again and reversed the numbered code, which then read 2B10703101. Could this mean to be 1 and 0 which is binary, 70 which is the 70 nations of the Hebrew variety we mentioned in a previous show, 3 the microchip and 101 the prison. If correct, it means to be in binary with the microchip in the prison of the 70 Nations, which will replace the UN. Vanguard Group also uses Aladdin and owns most Corporate Stock such including Pfizer, Moderna and SIGA. Meridian Medical is wholly owned by Pfizer contracting internationally for SIGA distribution, State Street Capital also uses Aladdin. The Canadian based vote counting machine maker is in control of elections, the Commonwealth Crown Water Mark appeared on 2020 Election Ballots for this reason. Omni means all or Universal which is Pantheism, which is the ism of Pan, hence Pan demic, and it's here in the Omicron Variant. Jesuits Fauci and Biden just hope we don't pay attention to the message. Omni/Omi=Universal Chaos, the motto of 33rd degree Sovereign Luciferian Masonry, Ordo ab Chao, Order out of Chaos has arrived right on schedule. The last Cathar Perfecti Guillaume Belibaste was executed Fall 1321, declaring in 700 years the laurel will grow green again. Omni=Universal + Kron=Crown, Garland, Chaplet i.e Crown of Bacchus. Bacchus is known as Satan, or Set An. Hopi put the Ascension Plan in stone at Prophecy Rock The end of Hopi (Chaldean) ceremonialism will occur when Blue Star appears and Red Kachina removes his mask during a dance in the Plaza before Uninitiated children. Jared Kushner was awarded the Aztec Order of the Eagle Warrior 2018. Kushner is a Chabad Lubavitch ie Chaldean pawn in charge of the US-Mexico invasion of Aztlan, Aztlan like Aztec means to make White or Pure, and Deal of the Century, the plan to install Antichrist on Satan's Seat next to the Abomination of Desolation on the Temple Mount in Jerusalem. Which is the 3rd Temple they wish to build, not happening. Make white or pure, and they speak of the Great White Brotherhood, I think FRWL series told you who they are.

Ophiuchus known as the Serpent Bearer runs from Nov 30-Dec 18, 2021, which is a great time to Crown the new born king Bacchus/Dionysus this Christmas with the Omnicron eh? Except that plan was prevented due to the work of many light workers last month. That was the Great RE(surrection) of SET, it failed. Who knows, Satanists may even fake Daniel's 70th Week this Saturnalia Dec 17-23, people sending gifts one to another (Rev 11:10). Congrats to the Economic National Honor Society Omicron-Delta-Epsilon honoree ex-FED Chief Mammon Manager turned Brookings Inst Board member, fake Jew Janet Yellen. AI programming the Behemoth-Leviathan (Male-Female Baphomet; the 3rd Adam is a return to Gen 5:2 Adam-Eve). The Antichrist Beast Rising

from the Sea (Rev 13), call him Jon-El for now. Everyone on Earth will pass through Door 101 Omi/Omicron, Omni = Universal + Kron (Yiddish Kroyn)= Crown.

I am not promoting New Age Ascension/Christ Consciousness in any way, just pointing out Omi means consciousness in the Gnostic sense. Covid 19 was classified a Pandemic on 3/11/2020 on Purim matching the 311 ($3+1+1=5$ aka "Room 101"; $3 \times 11=33$ the age Jesus "Ascended" steps to the Corona virus, a made up germ, by Jesuit Athanasius Kircher placed atop The Monument in London after the Great Fire of 1666. Marduk Omicron is the Universal god of Purim (Mar 16-17, 2022) which not coincidentally aligns with St Patrick's Day (Ptah-Rekh), is the Master Craftsman Jack of all Trades of those who reject Jesus Christ. In Irish, Omicron is O Descendant, of who? Cain. Day 77 St Patrick's Day matches Dan 7:7, 4th Beast of Iron aka 4th Horseman Death (Rev 6:8), for those who follow the Omi/Omicron charade Hell awaits. $68\text{kg} \times 9.8\text{m/s}^2=666$ Newtons thus Omi/Omicron is also the god of Forces. m/s^2 is meters per seconds squared which is acceleration. Gravity/Graviton (Dan 11:38; $11+38=49=7 \times 7$) As St Patrick aka Agent Smith in The Matrix said humans are a virus, the solution? anti-virals of course. This is why Remdesivir, Remde is Dutch for Inhibit i.e. Inhibit expression of the God Genes. Molupirivir Moljnr is Thor's Hammer; Macabee means Hammer of God. Hanukkah means House of Enoch, the association with Ascension should be obvious. And Paxlovid, Pax means peace, the Peace Sign is a Celtic Rune called the Broken Jew, used in Ritual Initiations to Witchcraft, were readied in advance of Omi/Omicron. I would strongly advise not taking mutagenic Anti-virals, the God Genes are the Virus. The program called FunVax has already been tested and Omicron is the Goal. Welcome to the Purim Mega-ritual 2022. Verily, verily, I say unto you, He that entereth not by the door into the sheepfold, but climbeth up some other way, the same as a thief and a robber. In 10:1. Masons begin their journey in Room 101, Joachim and Boaz the Twin Pillars in Masonic Lodges are separated by the Brazen Sea Omicron. George Orwell in 1984 describes Room 101 as a torture chamber in the Ministry of Love, where prisoners are subjected to their own worst nightmares, fears and phobias. Omicron is touted as extremely airborne, highly contagious, and one that evades vaccines. In the Matrix NEO (ONE=Omicron) the 6th person to be heralded as The One begins his journey following the White Rabbit from Apartment Room 101, later he receives his blessing from the Oracle in Apt 101, and finally meets the Merovingian in Hell in Room 101. 101 is Binary for 5, the 6th number. Hence the Spock sign which is Kabbalah, the red painted V sign in the V series, and the V for victory sign used by Churchill and Bush Snr, both of whom are Rothschild's clan, not to mention VE day celebrated in the 5th month, said to be Victory Europe day, when in all likelihood it was Victory Enki or Enlil day. Remember the goddess of Victory was Nike. Rev 10:1 describes the Little Book held by the 7th Angel Salvation 101: Love God Who is God? Alpha, Omega, I am, Melchizedek, Shiloh, Jehovah, Jesus. Make no mistake, Omicron is theft of your Soul. Bi-sexual, Climate Change Superhero Jon-El, the 1/2 breed alien-human son of Kal-El

Man of Steel and Lois Lane, is the Red-Blue false Messiah Quetzalcoatl, the 4th Beast of Iron (Dan 7:7) Jon El the son of the Canaanite El came out as gay, just like Robin, Green Lantern and Harley Quinn. God flooded the Earth to end LGBTQ Sins once and assures us in Gen 13:13; 19:1-11; Lev 18:22; Rom 1:27; 1 Cor 6:9; Jude 7; 1Ti 1:9-10 Sodomites will not inherit the Kingdom of God. I get the religious are anti gay because the book says so, but where is the compassion, understanding and love all god creatures as described in the book? The book itself represents 54 times something worse than being gay ever was, incest, and yet no tolerance is allowed because someone is gay? John is Oannes the Canaanite/Phoenician Beast rising from the Sea, Jon is missing the h, Superman's Zionist creators are also missing the h, meaning God is with me, seen in the name change from Abram to Abraham, Sarai to Sarah and in Rev 7 Judah to Juda. No misspelling, Krypton Jews do not worship God, the Red-Blue Phoenix Bird Quetzalcoatl was used to destroy the America's 500 years ago as Superman is today. The red blue Phoenix bird represents the Red and Blue pills of the Matrix, it is one and the same. The Man of Steel is the 4th Beast of Iron (Dan 7:7), the Antichrist who enters peacefully (Dan 11:24) does not regard the affection of women (Dan 11:37) Kal (Kala/Kali) means black, the source of visible light from Red to Purple. Omicron/Nu is the Gnostic Prima Materia aka Black Matter from which Creation emerged as Daylight. El is Molech, Yahweh, YHWH, no marvel; for Satan himself is transformed into an angel of light, 2 Cor 11:14. Oncomir Oncogenic MiRNA: A form of micro RNA involved in cancer, from Ongkos burden, mass, volume and barb, abnormal cell growth into masses, tumors. Omicron the 1963 Lux (Light) Film features an alien/demon reanimating a deceased factory worker to learn how to destroy Earthlings. The Rabbit is Ashtaroth called Anamellech in 2 Ki 17:30 aka Omicron, the Primordial Abyss/Chaos of creation for Gnostics; in Egypt called Nun or Nu. Nun a female priest of Egypt, Nu is a reversal of UN, and a NU world order with the 70 Nations? What if nations doesn't mean countries, but races? ponder on that potential mind blower. Perhaps a pointer to the one world currency is with the symbol of the shekel that was changed in 1985, is NU. Move over Godzilla, Omicron is the King of Monsters. Omicron, the King of all Monsters (Pan), hence PANdemic, and father of all Nexomon (Traitors/5th Column) sworn to destroy humanity. Omicron has 7 children representing Earth, Air, Fire, Light, Electricity, Plants and the 7th child Metta representing extinction. Facebook turns into Metta, lovely, or perhaps it is the Meta-Tron? Ashtaroth (Satan) created Omicron as a Soul Prison. Collectively the 7 children or Muses are the 7 Primordial Tyrants and Myths.

In Futurama World's of Tomorrow, Lrrr the dragon leader from Omicron Persei 8 sends instructions and laws to followers on Earth, not that far fetched as the Code of Lipit Ishtar, Code of Naram Sin and Code of Hammurabi were also dictated by demons. Lrrr's wife in the series is called ndnd, repeat letters just like Isis. Ishtar is Ashtoreth, the code of Hammurabi dictated by Shamash, the center candle on the Hanukkah Menorah. David Bowie, Bowie's Black Star album was his swan song to Satan, also narrated the video

game Omikron. Nomad Soul; Ashtaroth created Omicron as a Soul Prison, visitor from Omicron 2013 Visitor brings a botanical virus to Earth from Omicron. Star Wars: Omicron Marauder “Bad Batch” Transport, a Triqueta/Triskele, 3 legged ancient symbol representing the Simplest Knot. Here is Bohemian Grove, Jesuit, DeMolay Freemason Bill Clinton making a faux-apology for Human Experimentation in America’s past, and one that he said would shape the Future, the exact motto of the Global Young Leaders School aka Summer Davos.

Solve et Coagula is Big Bang Theory (Dissolve and Coagulate), for Gnostics Matter (Flesh) is a prison of the Soul. Clumpy Matter must be refined, Knights Templar Bankers using LRR or Fractional Reserve Lending and Usury worshipped Baphomet aka Goat of Mendes, which has this phrase with the hand signs for As Above So Below. That is 2nd and 3rd fingers stuck together and pointing up, and pointing down with separate hands. The Baphomet is pictured that way, but perhaps it is also a clue, the right hand points up and the left hand points down, think of that in terms of the left and right hand path. Its so juvenile its hard to comprehend how people believe the theory, which is the backbone of Science and Religion. Further as sick, blasphemous and gross as this is, Nu/Nun/Omicron is the “O” in the Target Logo, is the Abyss out of which Atum (Atom) ejaculates the Universe into existence from the Obelisk Baal’s shaft, from the Primordial Black Hole. Which then Coagulates into Matter via the god of Forces (Dan 11:38) aka Gravity or God Particles. Omicron is Black Matter the source of “Light”. Jesus warned as long as I am in the world, I am the light of the world Jn 9:5, with Jesus the Holy Ghost out of the Beast Kingdom, Lucifer is the only Light remaining. Satan disguised as an Angel of Light arriving as Lightning eg Molnupiravir the Anti-Viral named after Thor’s Hammer Mjolnir, Thor being equivalent with Horus aka Atum-Re Omicron. HAMMER TO FALL

Ashte means One a root of Ashtarte, the goddess singled out most in the bible with Baal. Baal and Astarte equivalent with Nu (Omicron) and Naunet, the Egyptian creators. Omicron/Nu being the O used Witchcraft Circles and Unitarian Churches; 93 means “Do what thou wilt” a universal greeting in Witchcraft synonymous with Freedom and Liberty from God. 93/93 = One Ashtarte. Ashtut has a connotation with smooth/uniform, the idea Freemasons use to finish rough stones seen in Build Back Better. In Israel Judges trample a Cross and climb 33 steps past smooth stones on their left, and rough stones on their right to the upper judges chambers at the Knesset, designed by Edomite British Rothschild’s. The rough path was the right it should be noted, the piece I did recently of the smooth road and rugged path confirms that. Smooth Iron being the 4th Beast of Iron

forcing worship of the 4th Beast Death, polished Iron, the work of Tubal-cain/Vulcan/Hephaestos the Chief Blacksmith and Idol maker Baal's. In the video game Omicron: The Nomad Soul David Bowie says Ashtaroth built Omicron as a Soul Prison, the same concept in Hotel California, you can check out (Die) anytime you like, but you can never leave. Forfeiting one's birthright as Cain and Esau did is a one way street. Boule Society - Noble Caste has its ultimate game in capturing human souls and here we are in 2021, exactly 700 years after the last Cathar Parfait (Perfecti=Kamal) predicted, In 700 years the laurel will grow green again when good people return. Crossdressing Satanist Kamal (Perfection=Smooth), Aroush (Phoenician/British) ready to lead America into the Abyss (Fauci's Black Nobility mother's maiden name) aka Omicron, creating the New Secular Order Ordo ab Chao, out of Chaos Omicron.

Lrrr is the hermaphrodite lizard leader of the planet Omicron Persei 8 show. In Futurama Matt Groening "Family Guy" also predicted Trump's election and Kamala Harris becoming President. Perseus the Mushroom God of Christmas and Hanukkah Trees are grown asexually in the Groves, is seen in Amanita Muscaria a psilocybin, hallucinogenic mushroom aka Holy Grail (Burial Mounds, Bird's Nest, Obelisk, Yarmulke/Kippah, Communion Wafer, Grail Cup, affecting the Pineal Gland. A Pine Cone shaped Master Gland regulating Neuro-transmitters, found under Pine Trees gathered by Nordic Shaman like Santa (Satan). LRR and Omicron is equivalent with Nephilim or Anunnaki the 1/2 breed Giants 1000 light years distant=Millennium. LRR Legal Reserve Requirement is a Banking term called a money multiplier where deposits of Citizens are multiplied, often more than 10X in loans used by Corporations aka Leverage. The result is Derivatives which now stand at \$700T ie more than the money in circulation which inevitably results in bankruptcy and the Great Reset, brought about through GESARA (Global Economic Stability and Recovery Act) and NESARA, US will fund all the other National Debt Relief backed by unfathomable assets such as Water, Oil, Coal, Natural Gas. In a Corporation, Assets=Liability + Equity, Citizens however have no equity, alterations in the human genome result in a Trans-human product with no rights under the Law.

LRR gives Instructions/Laws Tora (Rabbinical Oral Laws) from Omicron Perseus 8 to Earth, these are the Planetary Elders (Demons) issuing instructions/laws to the ELite (Nexomon) dating back to the Flood, eg. the Council of 9 in Sumeria. The 1963 movie Omicron by Lux (Lucifer) Film features an alien intelligence (eg LRR) re-animating a dead factory (Corpus animate is Adam before the Breath of God created a Living Soul) worker to learn how to destroy Earthlings. The end goal of Gnosticism is Coagula, a cohesive set of laws Shariah and Noahide Laws rejecting the creator Alpha/I AM/JESUS aka Holy Ghost which God used to create Adam as a Living Soul. This is the Beast (Lower/Base Animal) described in Revelation, a Beast rising from the Sea (Atum-Re)

whose precinct in Egypt was re-opened the day Omicron was announced on Thanksgiving.

Black Friday: Skipping Xi (a unit of Gravity) 9.81m/s^2 and its obvious connotation with the Pale Horse “Death” in Rev 6:8 ($68\text{kg} \times 9.81\text{m/s}^2 = 666$ Newtons), Mark of the Beast (Rev 13:16) and the God of Forces (Dan 11:38), WHO named the new Variant Omicron. Moronic is an anagram of Omicron as is Oncomir; Oncomirs cause Cancer via mRNA destabilization and gene suppression. The 10th and final Commandment on the Georgia Guide Stones, Be not a Cancer on the Earth. Nothing new, we’ve been warned for decades. Even the gene sequence B.1.1.529 had been identified by Novavax 3 weeks earlier. In the video game Omicron Alliance David Bowie says Ashtaroth created Omicron to capture the soul forever. Ashtaroth is in Gilead, they have been testing Gilead (Galeed=Heap of Witness) Sciences Remdesevir for 18 months killing hospitalized patients diagnosed with Covid 19, now 2 new anti-virals are out in time for the Omicron Variant. Ashtaroth also means blessing, Cain and Canaan are cursed, so this is their way out of the curse. Moses gave the Mezuzah speech The LORD our God is one LORD (Deut 6:4) Scribes changed it to The LORD our God is One, and put it over every door of Project 911 on Site 911, a radiation hardened bunker at Beit Shemesh. Ashte means One, thus Ashtaroth is the Lord of the “Jews” today. Ashat means cohesive aka Coagula, the phrase Solve et Coagula on Baphomet, Creation from Omicron/Nun the Primordial Chaos coagulates into One, thus Omicron is likely the Covid end game. Make no mistake, Covid 19 Omicron is the final step in a global war for Souls and we were warned. Omi means earthling, man. Jesuit Adam Weishaupt, Oh mortal man, is there nothing you cannot be made to believe? Voltaire, people who can make you believe absurdities can make you commit atrocities. Omicron is a bit like Santa, Satan hiding in plain sight. Novavax formulated a vaccine based on the B.11.529 sequence, receiving Emergency Use Authority in the Philippines and Indonesia in early November, while COP 26 was formulating plans to rid the Earth of 93% of useless eaters. In case it’s not obvious yet Human beings with a connection to God are the Virus. Viruses do not exist nor are mRNA/mDNA therapies Vaccines in any sense. What will likely be promoted to fight Omicron are Novavax and the new Merck and Pfizer mutagenic (DNA altering) anti-virals Molnupirivir and Paxlovid. Remdesivir has already been a proven killer in misdiagnosed hospitalized Covid 19 patients, paying \$13K to hospitals a bonus for Medicare patients, to diagnose a variety of ailments Flu, Colds, Respiratory and Circulatory distress etc, as Covid 19. And \$39K more to prescribe Ventilators and Remdesivir has done the trick. Omicron Variant will likely be declared vaccine resistant, in order to market the broad spectrum mutagenic Anti-Virals designed to alter the human genome into an owned, patented, Trans-human product with no rights.

In Japanese Omi is a title of Nobility, Japan means Land of the Rising Sun, Omi-God means Man-God. Omicron is the 15th Greek Letter; the US-Britain-Israel the Grecian

Goat (Dan 7&8); Rev 15 describes God's final plagues. Omicron is the Phoenician Ain Eye, the Eye of Horus. Omicron is Zero seen in Zoroaster Undiluted Star, aka Black Star/Black Sun, the missing Vowel in G-D used by Rabbis to designate their false god YHWH (Satan), the Crown/Halo and Serpent eating its own tail. O-micron small/micro and O-mega large/vast, is seen in Gravity, the Force giving Mass to Matter on the Micro level, and Order to the Universe on the Macro level, may want to read Dan 11:38 because this God of forces is here. Omicron represents the primordial sea of creation, Egyptians called Nu or Nun, in Egyptian cosmology Omicron/Nun is the Serpent (Satan, Devil, dragon; Rev 12:9) O is the Primeval Water/Abyss/Chaos seen in Ordo ab Chao (Order out of Chaos) the motto used by Sovereign Freemasons. Omicron originated in fully vaccinated foreigners entering Botswana Nov 7 and was detected Nov 11 Armistice Day/Veteran's Day/Lord Mayor's Day, news of the new variant was released 2 weeks later on Thanksgiving. Foreign Puritans brought disease to the Americas on the first Thanksgiving 400 years ago, giving time for investors in the know to profit, and stranding thousands of passengers to/from 8 African Nations. The news prompting predictable travel restrictions and market sell offs except for Moderna up 20.6%, BioNTech up 14%, Pfizer up 6% and Novavax up 9%. I believe BioNtech is in reference to people begin half biological and half computer based technology or machines. Be-ill Gates stated that the jabs was a software upgrade, why would he say that unless some "people" are not fully biological. The release of the 2018 movie Extinction, just one year before the Covid was launched, revealed as much. If many people here are bots, it is they who will be deleted, and we will be left with organic beings. Congrats to the Pan-demic Pan-damonium profiteers who won't fit though the Eye of the Needle with their ill gotten gains. Africa had under 6% vaccination and very few Covid 19 deaths, until Omicron magically appears was that marketing propaganda? In 2009, the movie 2012 debuted, the elite purchasing \$Billion seats on Arks launched from Mt Everest, aka Chumolongmo=Earth Mother referring to Eve Serpent, once the tallest mountain created during Noah's Flood. South Africa's Drakensberg Mountains Dragon=Serpent Rev 12:9, become the new place for humanity's wealthy to start fresh just like a Serpent shedding its skin. On Dec 21, 2012 the Sun rose through the Serpent (Milky Way/Nun), a day long anticipated on the Mayan Calendar date 13.0.0.0.0. The baktuns are in a pyramid shape, and so the last baktun in 1999, ended 13 years later on December 21st 2012, but as above so below, we start the next baktun of 13 years which brings us to 2025. I wonder what will unfold that year? will you be ready?

Nu or Nun is the Primordial Egyptian goddess, the Watery Abyss, Chaos, the Forces of Creation represented by a Serpent, out of this Primordial Material, Atum Sky created Re Sun aka Atum-Re or Horus. That is your AI sky god, who sits on an AI computer cloud, monitoring everything and everyone with the all seeing eye. The Ouroboros Serpent eating its own tail forms the O or Omicron seen in the phrase Ordo ab Chao, Order out of Chaos, Chaos=Nu=Omicron. Omicron Variant was announced on Thanksgiving, 666

days after the WHO declared Covid a Public Health Emergency of International Concern on Jan 30, 2020, and so was obviously pre-planned. The Pfizer-BioNTech formula was produced on Jan 11, 2020 so the formula doesn't have anything to do with Covid 19. Also on Thanksgiving, the Path of God in the precinct of Atum-Re was re-opened. The chances of this being coincidence? Nun. Nun is the Chaos out of which Atum-Re was created, tired of being fed Bullshit? Me too, get Jesus in your life and stay away from mutagenic gene therapy! The worst ever Covid super-mutant B.1.1.529 Nu Variant designated Omicron announced on Thanksgiving. Covid the Certification of Vaccination ID, Beta test of an unfinished product, Delta Door-Lambda Ox Goad/Cattle Prod. Omicron is O; Phoenician Ayn Eye, Zero in Zoroaster; the O in the Agenda 2030 Logo. The highly transmissible, airborne Variant originated in South Africa, Phoenicia is the Land of Afri. The continent with less than 6% Vaccinated and virtually no Covid 19 deaths, this according to WEF Global Shaper, Soros Fellowship Judge, PCR Test expert Dr Eric Feigl-Ding and Dr. Doogie Howser who completed his MD and Double PhD in 2 years at age 23. Eric was Johnny on the Spot warning Covid 19 would become a pandemic in Jan 2020. Well actually John's Hopkins planned it on Oct 18, 2019 in Event 201, 2 months after the PCR Inventor Kary Mullis had a heart attack, after warning HIV is not the cause of AIDS, and PCR Tests were invalid for disease diagnosis. From 101 to 201? An airborne transmissible virus, even moderately fatal will become a plague is unimaginable proportion, said Rotterdam virologist Ron Fouchier in 2012. Ron mixed diseased tissue from recovered Spanish Flu victims with Avian Flu, Swine Flu and MERS, these men are as concerned with your health as Columbus and the Puritans. Ever wonder why a Plague Train arrived to take bodies from MH-17 from Ukraine to Rotterdam? AIDS experts were on board who knew HIV does not cause AIDS, anymore than the SARS CoV-2 Virus causes Covid 19. Hathsepsut, the female, cross-dressing Pharaoh, much like Kamala Lotus, raised Moses. The Exodus in 1492BC prompted erasing her memory in Karnak, the Precinct of Amun-Re. The Way of God reopened on Thanksgiving in a lavish ceremony coincident with the Nu/Omicron Covid Variant. Thanksgiving the appropriate date for Plagues. Originally built when Israel was 400 years captive in Egypt, Egyptian PM Abdel Fatah El-Sissi calls Karnak, the pinnacle of Egyptian greatness. Perhaps a little sore at Hathsepsut plucking Moses from the Nile as an infant, bringing the 10 Plagues and drowning the Pharaoh in the Red Sea, El Sissi, Saudi King Salman and Donald Trump played the role of the Phoenix. An Arab Bird whose perch was the Ben-ben Pyramidion (\$US Capstone) in Heliopolis connecting Arabia with Egypt, seen rising at the St John Divine Cathedral in NYC. Trump also accepted the Saudi Medal of Freedom and danced the Ardah the Arab Sword Dance, as well as a visit with Jesuit Pope Francis wearing funeral attire. Giving the Pontiff the Bridge Builder a lotus flower titled Rising Above, that would be Man rising from the Primordial Sea Nu or Nun. The rising above lotus flower also has other esoteric meanings that are beneficial, particularly in relation to soul growth. But, like everything else these demons twist it into something evil. Klaus Schwab launched the great narrative to shape

the future of humanity in Dubai, UAE on Veteran's Day, vast amounts of private and public funds directed toward shaping the Future through the narrative, which is the spoken word or in their case the oral Law. Gnarus means to know, the Gnostic tale of humanity re-written by men who reject God and his prophecy. He who controls the past controls the future, he who controls the present controls the past, George Orwell. Omicron represents the beginning and end for Gnostics, the Crowned Ouroboros Serpent eating its own tail. This time the Ouroboros consumes itself, their world, domination and indeed existence is the end and a new beginning. The key to the new beginning is, how we shape it, because at that point we will control the past, the present and the future. NOTHING ELSE MATTERS

On Thanksgiving, the Avenue of Sphinxes in Thebes between Karnak and Luxor, the Way of God was re-opened in a grand ceremony. The Hyksos Era returns bringing a Nu Exodus, more the way of Cain, than the way of God. Prime Minister Abdel Fatah El-Sissi, El with a capital S representing the serpent, and the rest of the name re-arranged is Isis. Karnak represents the pinnacle of greatness for Egypt, Karnak means precinct of Amun-Ra. The original name has to do with the ancient Egyptian belief that Thebes was the first city founded on the primordial mound, which rose from the waters of chaos at the beginning of the world. At that time, the creator-god Atum (sometimes Ptah or Ra) stood on the mound to begin the work of creation. The site of the temple was thought to be this original ground and the temple was raised at this spot for that reason. Karnak is believed to have been an ancient observatory as well as a place of worship where the god Amun would interact directly with the people of earth. You may recall El-Sissi, Donald Trump and Saudi King Salman held an illuminated Globe in Cairo, Trump playing the role of the Phoenix aka Ben-ben "Pyramidion" meaning the perch of the Phoenix. The first Thanksgiving was celebrated by foreigners, Hyksos means the rulers of foreign lands. The same day, the worst ever Covid super-mutant B.1.1.529 "Nu Variant" was announced in time for Hanukkah 2021 (Nov 28-Dev 6). Nu is the oldest Egyptian god Nun, the father of Gods, the Primeval Water or Creation, Watery Abyss, Primordial Ocean giving birth to Ra, the Egyptian Sun god. The Watery Abyss seen in Fauci's mother's name Abys is symbolized as a Crowned Serpent eating a person, the same Chaos is seen in the Latin and Freemasonic phrase "Ordo ab Chao" (Order out of Chaos), chaos is the disorder let loose in the country. Get Smart Agent 86, 86 refers to refusing service to someone, that will be the unvaxxed battling chaos for example. Adele's Rolling in the Deep is the same Primordial Chaos, Adele means Noble Caste, her song Chasing Pavements is about scourging Jesus Christ on the Pavement. Nu and Naunet are depicted in anthropomorphic form with the head of a Frog. Lateran means hidden frogs, the frog refers the unclean spirits of Satan, Antichrist, False Prophet (Rev 16:13). Remember the QAnons with the frog symbol? The entity known as Q, the double headed Janus, Quirinus, using Gematria and now the frog symbol, says much of what that organization was all about. Q ultimately was another savior based program, sit back and

wait for riddles and puzzles, whilst the Q team did nothing, but the people waited for them to do nothing. Where is Q now? I said in October 2020 within a month they could become irrelevant, little to no posts since the elections suggests that was correct. But, the benefit was that the people did their own research, and that may well have backfired with the Covid narrative scam, just like the internet has backfired on them. And now because their narrative and control is failing, they are picking their ball up and not playing, by banning people, all very child like I have to say. The Jesuit HQ in Rome is the St John Lateran Arch-basilica. Basilicas contain a Cathedra meaning teaching seat, the Arch-basilica of St John Lateran just happened to lay claim as the Mother of all Churches Worldwide. Jesuit Pope Francis wrote the triumph of science is realizing Earth can only support 1 Billion people. Pfizer CEO Albert Bourla also said in the end science will win, but don't bet eternity on that. Science is the tongue of the Chaldeans Dan 1:4KJV, and vain, profane babblings 1 Ti 6:20KJV St John is Oannes the Chaldean Beast rising from the Sea, the Philistine Dagon whose Mitre, named after Mithra the Gnostic Zoroastrian god is worn by Lutheran, Catholic and Orthodox Clergy. Dagon and Dogon are one and the same beings, known as the fish people from the Sirius star system. They are worshipped as the gods in Mali still to this day, due to interactions with them in the distant past. The Mali people knew 50 years before modern astronomers that Sirius is a 3 star system, not one. It is also seen in the United Nations Dag Hammarskjold Meditation Room. Folks, the Hyksos are the same Capthorim aka Chaldeans, Phoenicians, Cretans in charge of Covid 19, and the turkeys are being set up for slaughter with no Presidential pardon.

The Island Capital of the Khazars. When Imperial Christian Emperor Justinian (527-565) became Emperor in 527, one of the first acts he undertook was to proclaim the satanic religion of the Sarmatians, the worshipping Ba'al Moloch, a capital crime and punishable by death. It is this act, above all others that caused the Independent State of Sarmara covering most of Palestine, under High Priest and "King of Israel" Julianus bar Sahir to revolt against Constantinople. However, by 531 the Sarmatians were pushed back with Justinian landing troops to the North and South, both moving towards their capital Shechem. While Priest King Julianus bar Sahir chose to remain, the royal priestly household escaped east into Syria, and then north to the southern edge of the Black Sea. The Sarmatians are nothing to do with Samaritans, they are said to have come from the East, which may give a clue to who they are. Misrepresented as Aryans, because they had taken over Iran and the Caucasus region, through to Germany and many of the Slavic countries, but perhaps this next passage describes them. The Greek name Sarmatai sometimes appears as Sauromatai, which is almost certainly no more than a variant of the same name. Nevertheless, historians often regarded these as two separate peoples, while archaeologists habitually use the term 'Sauromatian' to identify the earliest phase of Sarmatian culture. The name derives from the word lizard (sauros), linking to the Sarmatians' use of reptile-like scale armour and dragon standards, oh dear. Before the

final downfall of the state of Sarmara , two other major groups of Sarmatians are known to have escaped by sea. The main body travelled west across the Mediterranean to escape the Eastern power of the Holy Roman Empire, to the marshes at the mouth of the Po and Piave rivers at the top of the Adriatic. Their colony in the north Adriatic was named after the renamed Sarmatians as Enetoi, in Latin: Veneti, becoming one of the most famous cities in history, Venice. The other colony of refugees landed on the coast of the southern Aremorica, along the Morbihan Bay in Gaul Spain. These are the Sephardics that later invaded and killed many under the banner of the Spanish Conquistadors. The immediate Sarmatian royal priest family and their troops, chose a large island at the mouth of the great river delta of the Volga River upon, which to build their new colony calling it Samara, the site we now call Odessa today. Before the centuries of silt closed up the wide channels around the island, and smaller islands of the Volga delta connecting them to the mainland, the site represented a perfect defensive and trading position on the Eastern sea shore of a ten mile long, five mile wide diamond shaped island. Another example of the pirates of the sea installing themselves on the land. Thus the ancient legends of the Khazars capital and Empire being an island are true. The growth and importance of Samara Two false names are commonly ascribed to the Samara as the capital of the Khazars, the first being Atil also spelt Itil, a Turkic word which literally means big river. Another water reference that permeates through the old control system, but the words atil and itil also could have another meaning. IL is the International Code for Israel, so atil is at Israel and itil It Israel. The second and more subtle misname is Samander, a Persian word for Lizard, and obvious name play on Samara. The western world knows it as salamander, which is samander without the AL, al, like el and il also means god to them. As the bubonic plagues of the 6th and 7th Century swept across the whole of Europe, Africa and Asia, the natural immunity of the Sarmatians, with double CCR5 receptor deformities, put the Sarmatian exiles in Samara in a unique position. They were simply immune to the plague, smallpox, influenza, as they are immune to HIV today. Which reveals it is they who have plagued, pardon the pun, humanity since day one. What are the coincidences that all the plagues and dis-eases don't effect one group of people, without the rest of humanity questioning as to whether, it is they who created the plagues? By the 7th century, it is possible the city-island was home for more than 150,000 people. While it had been a Byzantine Emperor (Justinian) that had destroyed the Sarmatian homeland, within sixty years of the founding of Samara (Odessa), the most important trading partner and ally was Constantinople, controlling all the trade out of the Black Sea. In From Russia with Love 4 we mentioned the Teutonic Knights of a later period had full Naval control of the Black Sea, 3-400 years after this event. What was it's purpose? to establish a base in the middle of what is essentially the white race trade routes. Remember the people known as Jews ran the silk road, The Templars and now the Teutonic Knights also, all belonging essentially to the same group. They had control and usury over all the Commerce, just like they do today. But, Commerce can never thrive as a broad based economic system, when one or a few groups control it all. The idea that we

have free trade, is as nonsensical as the thought we have freedoms. There is no free trade, as the shekel people have their greedy and grubby little fingers in everything.

The abandonment of Samara/Odessa. During the early part of the 8th Century, the Khazar Priest-God-Kings abandoned their capital, during a period of climactic and political turmoil which included the collapse of the Umayyad, the breakaway of Khazar family sub-branches to form the Magyars, Bulgars and Bulgar faction called the Abbasid dynasty, as well as the rapid desertification of much of Western Asia. Desertification? was that area destroyed by advanced weaponry as well? The precise events leading up to the abandonment of Samara (Odessa) is not clear. However, future history in the 8th and 9th Centuries clearly point to the main Khazar Priest-Kings travelling up the Volga River, and establishing a new capital they called Ninevah (Nizhnii Novgorod) no later than 760/770. The city was re-established some time during the 9th and 10th century under its new name, Hacibey or city of the Lord Pilgrims in honor of their common Sarmatian Jewish ancestors. Ah the Pilgrims again, who brought the grim pill to America, just like the Sephardics. Hacibey, also known as Khadjibey came under direct control of the Ottoman Empire after 1529, and was part of a region known as Yedisian and was administered in the Ottoman Silistra (Özi) Province. Yedisian which was Southern Ukraine, perhaps should be renamed as Yidistan? Back in 2014-15 in the Intel section of the Cosmic Voice show, we had regular updates on Ukraine, and the memory of it was that Israel was funneling mass amounts of money, supplies and equipment into Ukraine. The plan was to move the Jewish people there. In the mid-18th century, the Ottomans rebuilt a fortress at Hacibey, which was named Yeni Dünya and the city was a sanjak centre of Silistre Province. During the Russo-Turkish War of 1787–1792, on 25 September 1789, a detachment of Russian forces under Ivan Gudovich took Khadjibey and Yeni Dünya for the Russian Empire. One part of the troops was under command of a Spaniard in Russian service, Major General José de Ribas (known in Russia as Osip Mikhailovich Deribas) and the main street in Odessa today, Deribasovskaya Street, is named after him. Russia formally gained possession of the area as a result of the Treaty of Jassy (Iași) in 1792, and it became a part of the so-called Novorossiia became the New Russia.

As a major centre for Sephardic Jews: From the 19th Century, a number of wealthy Sephardic Jewish families migrated to Odessa, boosting the cities historic number of Jewish families that had continued to live in the area since the time of the Sarmatian Khazars. During 1941-1944 the city was under the control of the Catholic Fascist regime of Romanian King Carol II. While some citizens were shipped to the Vatican human sacrifice camps in Poland and Russia. The vast majority of Sephardic and native Jews in the city remained unharmed, including their property, one of the greatest historic anomalies of World War II. The Odessa Catacombs: Odessa is famous for its estimated 2,000 km + of catacombs that stretch beneath the whole city and outlying areas. Contrary

to historic misinformation, it appears these catacombs were first constructed during the reign of the Khazars and progressively enlarged by future generations. The underground or is it the underworld dwellers? While stone quarried from these man-made labyrinths were used to construct buildings above grounds, the precise nature and religious purpose of these catacombs is rarely discussed, nor printed. Here is some additional material on Ashtaroth I researched and I think it will become indicative to the narrative. Ashtaroth is the plural form of Ashtoreth, a Canaanite goddess of fertility, love, and war and the daughter of the god El and the goddess Asherah. Yes, there was a god called El, even though El itself means god, and another case of them elevating themselves as gods. Is Ra El all neatly fits into that false idolatry realm they created for themselves, and passed onto us to worship them. Perhaps why the Jewish language has no vowels, whilst we have to all vow to el. The Old Testament uses the plural form, Ashtaroth, more than the singular form, Ashtoreth. The Hebrew scribes replaced the vowels of the name Ashtart or Ashteret with the vowels from the Hebrew word for shame, boshet, to bring dishonor to the memory of the goddess. The classic Hebrew changing of the vowels and scripts, to make translation of it deliberately misleading, and at times impossible to determine. This exchanging of vowels formed the word Ashtoreth, the Greek form of the name is Astarte. Remember there was faction wars back then, of who to follow, his story always repeats. In Canaanite mythology, she appears to be the sister of the goddess Anath, and the spouse of the god Baal. Anath also was the spouse of Baal, as well as the goddess of love and war, which brings in Inanna and Ishtar also known as the goddess of love and war. It is like a powerhouse game of musical chairs and word salad scrabble games. There was a city named after her, called Ashteroth-karnaim Genesis 14:5, or known as Ashtaroth of the two horns. A seventeenth century B.C. stone mold for making bronze figurines of Astarte was uncovered at Nahariyah. She was represented as a woman with two horns on her head. Just like Moses then. Organic humans are not born with horns on their heads, that means they were not the same species or race as us. That means in simple terms they were not native of here, and in further terms that makes them extra or non terrestrials. The city is located at modern Tel Ashtarrah about 20 miles east of the Sea of Galilee, it was located on a major branch of the Via Maris, or Way of the Sea. The water connection again. Via Maris, a trade route dating from the early Bronze Age, linking Egypt with Iran, Iraq, Turkey and Syria. Notice it didn't mention trade with Israel? The name and cult of the goddess were derived from Babylonia, where Ishtar represented the evening and morning stars, and was accordingly androgynous in origin. Evening and morning star is represented by Venus, the androgynous nature that crops up in these fake god circles, like Vishnu, rears it's double headed Janus again. In Canaan, Ashtoreth, as distinguished from the male Ashtar, dropped her warlike attributes, but in contradistinction to Asherah, whose name and cult had also been imported from Assyria, became, on the one hand, the colorless consort of Baal, and on the other hand, a moon-goddess. So, from Ashtaroth to Ashtar, which brings

in Ashtar Command bullshittery, and why Cobra worships the goddesses, he is promoting their cult. Ishtar, the daughter of Sin the moon-god, remaining identified with the evening-star. The great name changes again. In Canaan, however, when the solar theology had absorbed the older beliefs, Baal, passing into a sun-god and the goddess who stood at his side becoming a representative of the moon-the pale reflection, as it were, of the sun-Ashtoreth came to be regarded as the consort of Baal and took the place of the solar goddesses of Babylonia. That is explaining another title and the Cult of Ra. Ra the fake solar god, which is reserved for the Logos, not some egotistical homicidal power hungry maniac. The moon aspect is symbolizing the fact that all the moons, were hollowed out crafts and given names of these egotistical clowns. Yes, I am saying all moons are spacecraft, the frankly ridiculous notion that they all just turned up and parked themselves in a perfect orbit space, like science tells us, defies common sense belief. They were all parked there. At Ashkelon, where Herodotus (i.105) places her most ancient temple, she was worshipped under the name of Atar-gatis, as a woman with the tail of a fish, and fish were accordingly sacred to her. Which means she was a Chimera. The fish people from Sirius, known as the Dogon, Dagon or Dogun, worshipped by the priests with their fish hats. Here is an interesting passage implicating the church and their role in this. As far back as the beginning of the second century the Church, on Pliny's testimony, had so far conquered the world, even in remote Bithynia, as to empty the ancient temples of the gods. But now those gods and the vices they represented, Ares and Aphrodite, Plutus and Cybele, Moloch and Ashtoreth, Mammon and Belial, were reinstated in Christian sanctuaries under the disguise of the holiest names, and that by the clergy themselves. The problem is, Christian was another fake name created and thrown in with the Jesus narrative. But, Jesus was not according to the scriptures, a Christian or religious for that matter. Ashtaroth, Ashtoreth, Ashtar, Ishtar, all bringing their Sin pardon the pun, with them, and passing the sin off onto us, like a recurring Day of Atonement day. Faction fighting, power struggles, incest all for their own self gratitude, we as a species must extract ourselves from this child level idolatry. Because what we are worshipping is an abomination of life, it is anti human, idolatry external worshipping, word magic and sadistic rituals. The god you sought all along was inside of you, you are a spark of the Creator's creation, time to act like one. The chaos is not to be absorbed, their form of order either, we will create organic order from their chaos realms and reign. That requires integrating the self and the whole, time to escalate putting ourselves back together again, unless you wish to remain in the shadows? 46 & 2

In retrospect, the six-pointed star was an Egyptian occult symbol which King Solomon adopted when he went into idolatry and witchcraft and built an altar for Ashtaroth. It was his love for Ashtaroth that led to his descent into the dark magic realms. Sounds like she is Hathor and also Cleopatra to me, similar archetype, like I have said it is not the personality but the programs we have to deal with. Ashtaroth is also known by Astarte and Ishtar, and also Inanna which is a daughter of Anu, she is symbolized also by the

lion. The lion was later replaced via Bastet by the off world domesticated cat, which as we have found out, was used a spy. Yes, the six pointed star was a symbol of Egypt, before it became the emblem of the fake country known as Israel. But, before that it was the flag of the Alpha Draconis system, home of the Draco. That is where the majority of the major names in biblical scripts came from, it was also the origin of the many names the people known as Jews came from. Their books are of the Anunnaki origin as well, their law is Anunnaki as well, the Latin language is Anunnaki origin, their greed based traits the same, not to mention their contempt and evil practices towards humans. That is why I call them the Hebrew Anunnaki. What must be made clear is again, that just because a person says they are Jewish, does not mean they are a part of this system. They have been used as pawns, in a game too few of them understand, too few who are willing to listen to the truth, and too few willing to walk away. They have to understand and accept the truth, walk away from their religious books as, those books are encouraging elitism, racism, sexism and many more isms in the most awful way. No group is more racist than the radical religious based Jew, all based on rubbish taught in their books, that deliberately creates separatism and division of the people. Some people have said to me they don't look like us, and I agree they don't. But, that doesn't mean we have to discount them for looking different, it is the acting different I am more concerned about, and that can be changed by both sides. I did much work back in 2014 and 2015 with Shane Sedore to try and garner some sort of dialogue between the two species, to eventually lead to a harmonic equal based relationship with the Draco. The last report I heard was, that 80% of their people are now tired of the old regime, of fighting and destroying and now wish to change things for the better. That is a great sign of hope, as millions of years of species fighting each other, looting everywhere and destroying whole worlds, is not the way forward. Peace is the way forward, an adult based dialogue is the way forward, caring and sharing is the way forward, and above all cooperation is the way forward. The ution of the sol, which become sol ution but eventually leads to soul ution. That requires integrating the self and the whole, time to escalate putting ourselves back together again, unless you wish to remain in the shadows? If 2022 is the great tribulation, 2023 becomes the one, 24 becomes the one and so should 2025. TIME Ashtaroth to Ashtaroth is dust to dust, if lizards don't, we humans must.
