RUNNING WITH THE DEVIL This will be one of those shows that can bring up a range of emotions, rage being the obvious in some pieces, and deep triggers in others. It shows more of the dot connections and who is involved, and many familiar names and groups will appear to our regular listeners. I have warned of the light and dark magic, and the light and dark witchcraft, both come with a heavy price. I have warned of religion and spirituality cults, they come with a heavy price also. The whole religion scam is based upon getting us to worship the dark forces, in some kind of mass Stockholm syndrome game. The whole thing is a giant conspiracy, and yet far too many people fall for it. It seems on this world the oppressors are King or God, this show will reveal more of it.

TEMPLE OF THE KING

We start with the cult of Wiccanism, another passed off as love and light, oblivious to the dark intentions behind it. Just listen to the plethora of names they not only worship, but worse, call upon them. It is called the calendar of observances ironically, if only they would observe what they are actually doing. In the Roman calendar this day was thought to be Summer Solstice. The Church renamed this pagan holiday to St. John the Baptist Day, the Templars revered it highly. On Jun 24, 1314 a mysterious band of knights joined Robert the Bruce of Scotland on the battlefield making his victory at Bannockburn possible. These knights could only have been the troop of disbanded and now in-hiding Templars who had fled to western Scotland. St. John's day was used by Freemasons in 1717 to found the first public (non-Scottish) Order of Freemasonry in London. Masonic teachings are said to descend from the esoteric Christianity of Templarism. St. John the Baptizer was beheaded because he wouldn't give in and sacrifice his principles. This is a Templar ideal, as is the constancy and regularity, order out of chaos of the solstices and equinoxes. So for both reasons, Christian and pagan, we observe this day. Never in all my born days have I heard such utter drivel, embarrassing limitation programs, nauseating idol worshiping of entities that harmed humanity at best, destroyed them at worst. A full on disempowering exercise. These people are beyond stupid, their stupidity is not limited to themselves though, as their invocations, incantations, spells and dark magic impacts us all so greatly. Riddled with fear based rituals in case the fake gods smite them. This is the realm of the low vibration and low self worth people, not recognizing your own power and give it all away to dark forces entities that entraps us all. If you were or are involved in this shit, cut the cord and all connections to these programs. Reverse all the invocations, incantations, spells and dark magic that you have cast on us all. All the dark forces names in one group, decorating Egypt, Is Ra El, India, Greek, Roman, Sumeria, Tibet, Norse, Celtic and Druidic, all of which were dark forces or corrupted into such. Notice there is no Russian festivals? now why is that? because the Rus, Slavs and Aryans knew who the real enemies where. Notice there is no festivals for America either, again because of the white race teachings here, that included the tribal people before they fell as well.

The Hieros gamos or Hierogamy holy marriage, is a sacred marriage that plays out between a god and a goddess, especially when enacted in a symbolic ritual where human participants represent the deities. Oh dear more giving your power away, and false god idolatry. Human participants represent the deities, no they are host possessed by the uploaded consciousness of the actual deity. You will notice the same groupings of people involved, and the same names during this piece, that was in the earlier piece. The notion of hieros gamos does not always presuppose literal sexual intercourse in ritual, but is also used in purely symbolic or mythological context, notably in alchemy and hence in Jungian psychology. Hieros gamos is described as the prototype of fertility rituals.

Ancient Near East: Sacred sexual intercourse is thought to have been common in the Ancient Near East, as a form of Sacred Marriage or hieros gamos. Between the kings of a Sumerian city-states and the High Priestesses of Inanna, the Sumerian goddess of love, fertility and warfare. Along the Tigris and Euphrates rivers there were many shrines and temples dedicated to Inanna. The temple of Eanna, meaning house of heaven in Uruk was the greatest of these. The temple housed Nadītu, priestesses of the goddess. The high priestess would choose for her bed a young man who represented the shepherd Dumuzid,

consort of Inanna, in a hieros gamos. Celebrated during the annual Duku ceremony, just before the Invisible Moon, with the autumn Equinox called the Autumnal Zag-mu Festival. Sounds like a hybridization program to me.

Greek mythology: In Greek mythology, the classic instance is the wedding of Zeus and Hera celebrated at the Heraion of Samos, along with its architectural and cultural predecessors. Some scholars would restrict the term to reenactments, but most accept its extension to real or simulated union in the promotion of fertility. Such an ancient union of Demeter with Iasion, enacted in a thrice-ploughed furrow, a primitive aspect of a sexually-active Demeter reported by Hesiod, occurred in Crete, the origin of much early Greek myth. The best-known ritual example surviving in classical Greece is the hieros gamos enacted at the Anthesteria, by the wife of the Archon Basileus, the Archon King in Athens. The Archon King? the dark spirit beings and you wonder why this world is a mess? Originally therefore the queen of Athens, with Dionysus, presumably represented by his priest or the Basileus himself, in the Boukoleion in the Agora. The brief fertilizing mystical union engenders Dionysus, and doubled unions of a god and of a mortal man on one night, result through telegony, in the semi-divine nature of Greek heroes such as Theseus and Heracles. Telegony the supposed carrying over of the influence of a man, to the offspring of subsequent matings of the woman with other males.

Tantric Buddhism: In Tantric Buddhism of Nepal, Bhutan, India and Tibet, yab-yum is a ritual of the male deity in union with a female deity as his consort. The symbolism is associated with Anuttarayoga tantra where the male figure is usually linked to compassion, skillful and the female partner to insight. Yab-yum is generally understood to represent the primordial or mystical union of wisdom and compassion. Maithuna is a Sanskrit term used in Tantra most often translated as sexual union in a ritual context. It is the most important of the five makara and constitutes the main part of the Grand Ritual of Tantra variously known as Panchamakara, Panchatattva, and Tattva Chakra. The symbolism of union and polarity is a central teaching in Tantric Buddhism, especially in Tibet. The union is realized by the practitioner as a mystical experience within one's own body.

Alchemy and Jungian psychology: The hieros gamos is one of the themes that Carl Jung dealt with in his book Symbols of Transformation. Carl Jung was a CIA agent remember.

Wicca: In Wicca, the Great Rite is a ritual based on the Hieros Gamos. It is generally enacted symbolically by a dagger known as an athame being placed point first into a chalice, the action symbolizing the union of the male and female divine. So, it is a death ritual because if you plunge a dagger in the vagina of a woman, that leads to death. At best it renders the woman unable to reproduce, how is that beneficial? How can you determine that event in a positive light? In British Traditional Wicca, the Great Rite is sometimes carried out in actuality by the High Priest and High Priestess. Yes, the wearers of the black robes, just like judges, same thing is why.

Sex magic sometimes spelled sex magick is any type of sexual activity used in magical, ritualistic or otherwise religious and spiritual pursuits. One practice of sex magic is using sexual arousal or orgasm with visualization of a desired result. A premise posited by sex magicians is the concept that sexual energy is a potent force, that can be harnessed to transcend one's normally perceived reality. Tantric sex is part of this harvesting program as well, from the word tantra which means to loom or warp, think of that in terms of the serpent kundalini. The earliest known practical teachings of sex magic in the Western world come from 19th-century American occultist Paschal Beverly Randolph, under the heading of The Mysteries of Eulis. He was a black man and yet was accepted in a time when blacks were considered inferior. He worked with Eliphas Levi in reviving the Rosicrucian's and organizing the Fraternitas Rosae Crucis. Levi name comes up again. The Brotherhood of Eulis greatly influenced British Freemasonry, Occultism and the Hermetic Order of the Golden Dawn. Which revealed, if a man has an intelligent and loving wife, with whom he is in complete accord, he can work out the problems of how to achieve magical results by her aid. They are a radical soul-sexive series of energies, and the rite is a prayer in all cases, and the most powerful that earthly beings can employ. It is best for both man and wife to act together for the attainment of the mysterious objects sought. Success in any case requires the adjuvancy of a superior woman, this is the law. A harlot or low woman is useless for all such lofty and holy purposes, and just so is a bad, impure, passion-driven apology for a man. The woman shall not be one who accepts rewards for compliance, nor a virgin, or under eighteen years of age, or another's wife, yet must be one who hath known man and who has been and still is capable of intense mental, volitional and affectionate energy, combined with perfect sexive and orgasmal ability, for it requires a double crisis to succeed. But, why would a woman tolerate those conditions from any man, let alone a psychopath? An upper room, absolute personal, mental, and moral cleanliness both of the man and wife. An observance of the law just cited during the entire term of the experiment lasting 49 days. Formulate the

desire and keep it in mind during the whole period and especially when making the nuptive prayer, during which no word may be spoken, but the thing desired be strongly thought. Randolph himself was greatly influenced by the work of English Rosicrucian and scholar of phallicism, Hargrave Jennings. In the latter part of the 19th century, sexual reformer Ida Craddock published several works dealing with sacred sexuality, most notably Heavenly Bridegrooms and Psychic Wedlock. Aleister Crowley then reviewed Heavenly Bridegrooms in the pages of his journal The Equinox, stating that it was one of the most remarkable human documents ever produced. The authoress of the MS. claims that she was the wife of an angel. Oh dear more ego trippers like Joseph Smith of the fake Mormon cult, which is an extension of this and Freemasonry. Crowley said this book is of incalculable value to every student of occult matters, no Magick library is complete without it. Sexual techniques from Craddock's Psychic Wedlock were later reproduced in Sex Magick by O.T.O. initiate Louis T. Culling, a disciple of C.F. Russell. Carl Kellner, the founder of Ordo Templi Orientis, (O.T.O.), claimed to have learned the techniques of sex magic from three adepts in this art. Beginning in 1904, references to these secrets, Kellner, and the O.T.O. began appearing in an obscure German Masonic periodical called Oriflamme. Oriflamme means the golden flame. It was taken into battle by the Kings of France, which suggests it was some kind of technology. Perhaps there was subtle reference to it or them in Stargate 1, the flame of the Ori, or the oriflamme. In 1912, the editors of Oriflamme announced, our order possesses the key which opens up all Masonic and Hermetic secrets, namely, the teachings of sexual magic, and this teaching explains, without exception, all the secrets of Freemasonry and all systems of religion. Aleister Crowley became involved with Theodor Reuss and Ordo Templi Orientis following the publication of The Book of Lies between 1912 and 1913. According to Crowley's account, Reuss approached him and accused him of having revealed the innermost sexual secret of O.T.O. in one of the cryptic chapters of this book. When it became clear to Reuss that Crowley had done so unintentionally, he initiated Crowley into the ninth degree of O.T.O. and appointed him Sovereign Grand Master General of Ireland, Iona and all the Britains. While the O.T.O. included from its inception, the teaching of sex magick in the highest degrees of the Order, when Crowley became head of the Order, he expanded on these teachings and associated them with different degrees as follows: VIII^o: masturbatory or autosexual magical techniques were taught, referred as the Lesser Work of Sol. IX^o: heterosexual magical techniques were taught. XI^o: anal intercourse magical techniques were taught. Professor Hugh Urban, Professor of Comparative Religion at The Ohio State University, noted Crowley's emphasis on sex as the supreme magical power. According to Crowley, the Book of the Law solves the sexual problem completely. What

sexual problem? could it be they didn't receive energy from that act, and wished to switch it into a dark harvesting program? Each individual has an absolute right to satisfy his sexual instinct, as is physiologically proper for him. The one injunction is to treat all such acts as sacraments, sacrament is a sign and a seal, so like a sigil then! With sex, we must use every faculty to further the one object of our existence. Crowley wrote extensively on the topic of sex magick. Some of these works were published and made available to the general public, others were secret and could only be obtained by initiates of Ordo Templi Orientis. Liber IAO-OAI Sexual Magick. Gives three methods of attainment through a willed series of thoughts, the active form of Liber CCCXLV. De Nuptis Secretis Deorum Cum Hominibus - Sexual magick. Liber Stellae Rubeae - According to Crowley, a secret ritual of Apep, the heart of IAO-OAI, delivered unto V.V.V.V.V. for his use in a certain matter of The Book of the Law. Apep is another name for Apophis, whose symbol was the snake, but also depicted as a crocodile. Both of which were covered in Stargate 1 and Jupiter Ascending. Another one like Cain and Abel, fighting their sibling for power, this just happens to be the same behavioral traits of the bald eagle. If two or more are born, the stronger pushes the other out of the nest and kills it. Liber Agape vel C vel Azoth - The Book of the Unveiling of the Sangraal wherein it is spoken of the Wine of the Sabbath of the Adepts. Secret instructions of the ninth degree of the O.T.O. Sex Magick. Azoth is the alchemist, the symbol of transformation, whose symbol is the caduceus. Caduceus is sometimes used by healthcare organizations, if only they knew. Ponder on these next two statements, It is said the wand would wake the sleeping and send the awake to sleep. The medical use is for alchemy, to transform. Liber Cheth vel Vallum Abiegni - A perfect account of the task of the Exempt Adept considered under the symbols of a particular plane, not the intellectual. Liber A'ash vel Capricorni Pneumatici - Analyzes the nature of the creative magical force in man, explains how to awaken it, how to use it and indicates the general as well as the particular objects to be gained thereby. All three are Sexual magick heavily veiled in symbolism. The Book of Lies - includes some techniques in symbolic language, including extended mutual oral sex in Chapter 69 while intoxicated on hashish. Chapter 69 indeed. The Paris Working - A record of homosexual magick operations. Energized Enthusiasm - An essay developing the idea of creativity as a sexual phenomenon. Specially adapted to the task of attainment of control of the Body of Light, development of intuition, and Hatha yoga. Oh dear yoga raises it's serpent head again, the practices of haṭha yoga mudras into a Saiva system, melding it with Layayoga methods which focus on the raising of kuṇḍalinī through energy channels and chakras. Kundalini, the Sanskrit adjective kuṇḍala means circular, annular, which means to bind. It also occurs as a noun for a snake in the sense coiled, as

in forming ringlets, which again binds. It is also the name of a serpent-like Shakti in Tantrism. Depictions of it reveals what it does, because the snake stops at the reptilian cortex. Following on from the 33 theme last week, the spine has 33 bones of which the Kundalini rises. The Sanskrit noun yoga is derived from the root yuj to attach, join, harness, yoke. The first use of the root of the word yoga is in hymn of the Rigveda, a dedication to the rising Sun-god. Do you still wish to do yoga?

Maria de Naglowska: Born 1883–1936 was a Russian occultist, mystic, author and journalist who wrote and taught about sexual magical ritual practices. She established and led an occult society known as the Brotherhood of the Golden Arrow in Paris from 1932 to 1935. In 1931, she compiled, translated and published in French, a collection of published and unpublished writings by American occultist Paschal Beverly Randolph on the subject of sexual magic and magic mirrors. Her translation and publication of Randolph's previously little known ideas and teachings was the source of Randolph's subsequent influence in European magic. She augmented the text with what she claimed were some of his oral teachings. The following year, she published a semi-autobiographical novella, *The Sacred Ritual of Magical Love*, then she published *The Light of Sex*, a mystic treatise and guide to sexual ritual, that was required reading to be initiated into the Brotherhood of the Golden Arrow. Her later book on advanced sexual magic practices, *The Hanging Mystery* details her advanced teachings on the Third Term of the Trinity and the spiritually transformation power of sex, and the practice of erotic ritual hanging and other sensory deprivation practices. That stupid practice got the lead singer of INXS Michael Hutchence killed. Strangling yourself to the point of death for an orgasm is beyond retarded. The Great Rite is a Wiccan ritual involving symbolic sexual intercourse, with the purpose of drawing energy from the powerful connection between the male and female. It is an uncommon ritual, as it is used when the coven is in need of powerful spiritual intervention to help them through a difficult time. Most often it is performed by the High Priest and High Priestess, but other participants can be elected to perform the Rite. Drawing energy? means harvesting, used by the Coven for dark forces intervention is what they are saying. High Priest and Priestess' are the Cohens again. In the symbolic version the High Priestess plunges the athame, or ritual knife the male symbol, into a cup or chalice the female symbol, which is filled with wine and is held by the High Priest. The Great Rite symbolizes creation in the union of the Maiden Goddess with the Lover God, and thus is also known as a fertility rite. Plunging a knife symbolically into a vagina? seriously? the wine reveals the symbology itself, it is the blood from the woman having her vagina cut with a knife. A variety of ritual occasions

call for the Great Rite to be performed, such as during the festival of Beltane on or about May 1 in the northern hemisphere and November 1 in the southern hemisphere. TAROT WOMAN

Playing in the background of all of this pagan worship, fake and destructive Gods and Goddesses, devious spiritual and sexual practices, there lies a darker path of endarkenment. That brings in mind control, deep programming, a cycle of abuse and mental torture for those experiencing these deep and dark occult practices. This is an interview about a doctor/psychologist who treated many of these victims, and revealed a deeply sordid tale, that may trigger some people listening to it. Some of the answers are deeply skewed due to the religious connotations of the interviewee and host. Marion Knox is a farmer in Lebanon, Oregon who more and more is called upon to do the work of deliverance, not deprogramming. The interview starts with a question to the doctor. E: Marion, where I want to start is with your statement that the presence of Elohim spirits usually indicate Freemasonic programming that is installed by sodomy. Does that ring a bell? M: Yes, it does, and I would like to broaden that a little bit. Ron Patton once did an article on Monarch programming. Based on what you might call research or what I have discovered in maybe 500 people over a period of ten years, this is my impression. The most vulnerable age for preparing a person for mind control is between two and four years of age, because of the development of the child's mind at that age. Traumatic things can damage them worse than if they were younger or older. Also, in order to be programmable, there needs to be a change in the way their mind works between two and four. That change can only be achieved by sodomy. E: What is it about sodomy that does that? M: It attacks the nerves at the base of the spine and causes something neurological to happen within the brain. It also has a spiritual, demonic component to it that affects the person's mind in a way that nothing else will, as near as I can tell. For a person to be able to develop multiple personalities, they would have to be sodomized between two and four. E: For all multiple personality disorders? M: As far as I know. It's not commonly told this way because sodomy puts in a deaf and dumb spirit and causes memory loss, so that some people may remember occult rituals but won't remember the sodomy. But sodomy is the foundation of the whole thing, it is called the key of David by the Rothschild Illuminati. E: When you say Rothschild Illuminati, you're not talking about just the Rothschild family? M: No, I'm talking about all of the occult people all over the world. This goes back to Nimrod, this is the Egyptian initiation of the child to open the third eye. The Key of David: The Illuminati claim sodomy is the Key of David and they use this scripture to prove it. I will lay the key of the house of David on his shoulder,

what he opens no man shall shut, and what he shuts no man shall open. He shall be a seat of honor for his father's family, I will fasten him firmly in place like a peg. On him shall hang all the weight of the family, down to the lowest dregs, all the little vessels, both bowls and pots. On that day, says the Lord of Hosts, the peg which was firmly fastened in its place shall be removed, it shall be hacked out and shall fall, and the load of things hanging on it shall be destroyed. The Lord has spoken. (Isaiah 22:22-25)

E: Are you saying that back in Egypt in 3000 B.C.E., when the priesthood was at its peak, they were using sodomy for their initiations? M: As far as I know, sodomy is always used in the occult going clear back before the Flood. Sodomy is Satan's sex or Satan's new birth of the child. I don't believe anybody can become fully illuminated unless they have been sodomized at around three years of age. If they wait to touch that person until they're ten, twelve, fifteen years old, they will never be fully illuminated because you can't open the third eye after about five or six years of age. T: Their version of illumination is a 180 from true illumination, they take the left hand path of Set and the false light. Like circumcision as well, all goes back to Egypt. E: The third eye meaning the pineal gland between the eyes? M: Yes, I have traced migraine headaches from anal sex, it comes up the spine, over the back of the head right into the forehead. E: All migraines, or -- M: No, I'm not saying all migraine headaches are from sodomy, because I had one once, that was put on me by a retired chiropractor, and he did not sodomize me. Basically, Satan cannot sodomize someone on his own, but he can influence somebody to sodomize someone else, and then it's like having Satan sodomize them and put the sodomy power within them. Sodomy is spiritual, I get intense about this because it is so clear, and the Bible is the best source for discovering this. T: It may well be, but the bible is their story, hence the references to incest and bestiality. E: Regarding Illuminati and Rothschild. M: Let's leave Rothschild out of this, not everybody is a Rothschild. With Illuminati referring to the wider spectrum, there is a Rothschild element and a Masonic element, but probably as sinister as any is, the Jesuit element. I cannot prove this, I wish I could, but I believe that to become a full-fledged Jesuit you would have had to have been sodomized by the time you were three years of age, I believe they're all sodomites. E: The entire Society of Jesus? M: I don't think you can become powerful in the Society of Jesus, without being involved in sodomy at some point in time. T: In reality land it has nothing to do with Jesus, that is the mind meme to deflect who they really are. E: when you say the third eye, I think of the ability to see visions, to see things we normally can't. Is that what you're talking about? M: To make a mystic with those capabilities requires sodomy, because sodomy changes the way the mind works, it opens the mind up to the

spirit world. T: That is not correct, you can enter the higher spirit realm via the heart, via meditation and other methods. It should only be done, when someone has escaped the lower spirit realms of the Astral level. There is nothing spiritual within that realm. The guy doesn't know this because he only seeks external saviors. E: Is it the same effect on male or female children? M: Absolutely, and you never know what the effect is going to be. One might be one way and one another, but to be able to become a mystic, whether it's a Catholic mystic or any other kind of mystic, that is the route to go. I call that the Legion mindset. T: The interviewee is missing key components of this to fully understand the bigger picture, missing is the ET element, the technology and an adherence to believe only the words in the bible has the answers. The bible has no answers from our perspective of just humans and god, it only makes sense when the ET narrative is accepted, and these "gods" are a part of these practices. E: What are the differences between the Elohim and Legion? M: The Legion mindset has the strong nan spirit in it, it's like the House of the Strong Man. Its foundation can develop into a mystic, or into multiple personalities. The Legion mindset would be what Alice in Wonderland is all about, the Elohim spirit is just one small item. E: But they're inserted through sodomy, as well? M: Yes. I think the spirit called Elohim in people who have gone through Masonic ceremonies enters with sodomy. T: Except the Elohim are a race of dark beings. E: But the word Elohim in the Old Testament is actually a good word. T: oh dear. M: Not always, because the word means spirit. I think if you check the original, when Samuel came up, the witch of Endor said she saw the Elohim coming up. So, she saw the spirit coming up, not God Almighty. In the occult world, they have many Elohim, why do you think that Wicca's magic circle has the name Elohim and Adonai? E: So they may have spirits that are stand-ins for other. T: To use the correct term, walk ins or hosts. M: Basically, the sodomy spirits would call themselves the I AM spirits. When you have someone who has a sodomy spirit, that sodomy spirit claims to be God. So, then it's just the next step to use the names that we associate with God. Mormonism says that Elohim had sex with Mary to birth Jesus, do you think that was Almighty God? I don't think so. Joseph Smith was a peepstone gazer, he had the third eye open. He was a molester, had been a Mason and copied Masonic ceremonies for the Temple ceremonies. E: From what you have learned from the people you have deprogrammed, you don't like that word, do you? M: You can use the word deprogramming, but it is used in circles that are not Christian, and basically a lot of what they call deprogramming is reprogramming. I like to think of it as changing a mindset. E: I'm trying to establish a relationship between the Illuminati and Freemasons. M: In the true sense of the word, Illuminati is a class of people that have illumination in common. In the political sense, you might have people

who have joined an organization called the Illuminati. But in the true sense of the word, the Illuminati refers to enlightened or illuminated ones. T: In reality land they are following the dark agenda. E: Can they be from any brotherhood or organization? M: Yes. E: Have they gone through some sort of initiation for that? M: Yes, in a spiritual sense, they have been illuminated or initiated into the illumination of Lucifer. The initiation into the light of Lucifer is achieved by sodomy of the three year old. However, if that person does not follow through, he can become a dud he doesn't go anywhere, so he hasn't really risen to any rank within the movement of the body of the Illuminati. They have certain degrees associated with being a high-level Illuminati, you wouldn't get there simply by being initiated as a three year old. The initiation of the three year old is the beginning requirement, of someday rising up into the ranks of a group that is considered to be the Illuminati. A lot of people think of the Illuminati as being a political group of people, but in another sense it's a brotherhood of sodomites that's like family. T: This may go some way to explaining why these ELite bloodlines have a high degree of homosexuality, transgenderism and incestuous relationships. It is a semi-quasi religious order. Remember it was when the Lucifer rebellion took place, that religion was introduced here. E: When you say like family, are some blood related and most not? M: I'm saying sodomites feel a family bond, whether related or not. E: Sodomites, the Illuminati or otherwise, is sodomy ritually continued after three years old? M: Let me try to explain it this way, who is the Bride of Christ or who is the Church? Everybody who is truly born again is in the kingdom or family of God, right? That is the Church, right? But then you've got Methodists, Baptists, Nazarenes and all these different groups. The Illuminati is Lucifer's church, the mystical body of Satan. T: One day the interviewee will realize they are all the same beings or entities, and he will find the true god inside of him. E: Is sodomy like communion for them? M: No, sodomy is like being born again. E: Do they do it over and over? M: Yes, but especially in intense programming, like Monarch or mind control programming, sodomy is used repeatedly. Those who have programmers or keepers, they're using sodomy all the time to keep the person in line. E: Is sodomy a threat or is it pleasurable to the sodomized? T: What a stupid question that is, how can sodomy for a three year old be pleasurable? M: Those who have been programmed have a locked-in three-year-old mindset which is the core of the programming. Say they're eighteen or twenty years old and somebody comes up and knows the signal, or says the code word to call out the three-year-old core. The person then goes into the three-year-old state to be sodomized, then the sodomites program into their minds what they want to program in, and when that person wakes up they probably don't even remember that anything happened. Basically, a person reverts back to the

three year old to be a total victim to the sodomy. There are many ramifications of this, if you read the book by Cathy O'Brien, she says that a high-level politician gave her messages to take to the King of Saudi Arabia. The politician would access her sex alter, repeat the message, bring her out of that sex alter, ship her overseas, and when she got there the King would access her sex alter, and get the message word for word from the high-level politician and return an answer. T: What a coincidence the House of Saud is involved, they are not Saudis at all, they are Jewish to the populace, and Hyksos to those who know the truth. M: That basically is a picture, she didn't say it was sodomy but that's what they do. Sodomy puts them into a trance, where you can program in directly to the subconscious memory file without any interference of the conscious mind. Sodomy is what puts the person into that state where you can do it. They might even get them so highly programmed that they can just say the word or repeat the code. E: Can you use sodomy for programming after childhood? M: You can program a 50-year-old person with sodomy. E: But would you have had to have done it at least once when they were small? M: To get a mind control slave, yes. You can't take a 20-year-old person and make a mind control slave out of them, by waiting until they're 20 years old to do it. To program them like TV and movies do, you could not make a Monarch programmed person if you hadn't started with them as a child. IF YOU TOLERATE THIS

E: Have victims actually used the word Monarch to describe their programming? M: One of the people I worked with came up with the idea that, the wings of the monarch butterfly are actually the pelvic skeletal shape. Then if you add sodomy, you add the abdomen of the butterfly. The other thing about Monarch would be that these people are told they are royalty or chosen ones, given that a lot of bloodline families in power in the United States, claim to be descendants of European royalty or descendants of monarchs. T: the seducement of the chosen ones again, or they are more special than the rest. Like the Svali training program that is the basis of this, they do these horrible things to them because they love them, yeah right, these people don't know the meaning of the word. They are control freak psychopaths of total darkness. M: I say that Monarch programming is basically sodomy programming. Some people are being kept in bondage by sodomizing themselves, sodomy is used to re-boot the computer and reactivate the programming. E: Do you think this is at all behind the big push to accept homosexuality as normal? M: Of course. E: Do you think all homosexuals are sodomized early? M: I don't think that very many homosexuals become homosexual without being sexually abused early. They may not all have been sodomized, but a large portion were. As far as religions go, Catholics and Masons are at the top of the list. T: Cat holics, Mormons and

Masons are all linked to the Lucifer cult is why. M: It's possible that the Catholic hierarchy may even have an unofficial doctrine, to sodomize three year olds so as to bind them to the Church. They say, give us a child until he's five and he'll always be Catholic, but they don't start any religious training with the children until they're five. I recently freed a guy who was sodomized by a priest when he was probably three, and then at thirteen was put in Boys Town in Nebraska. The priest there would take him into a room, lock the doors, and make him do whatever he wanted him to do. A first-hand witness of the corruption at Boys Town. T: Why would the Catholic church want to have somebody else's children before the age of five? is the great question and also the answer. E: What about Skull and Bones, Scroll and Key the fraternities of elite sons, do you suppose they're using sodomy as well to make deep bonds for the sake of money and power in the families? M: I can't imagine they haven't, what is Skull and Bones anyway but the order of death? Why are they doing things connected with the dead? Sodomy is the biggest occult power source there is, so how did they get their power without it? I was not there, I was never invited to go there, I could not have gone there because I was never a victim of sodomy as a child. Now, the Masons do recruit people who are innocent bystanders just for the image and the dues. But the real driving force of the Masons are the sodomites, just check the de Molay thing. E: Tell me a little more about the deep bond that forms among men because of sodomy. M: I have been trying to help a woman for the last five years, to get free of the bondage and victimization that began when she was a child. She was married to a guy who's wealthy and works for Nike, and is also a cross-dresser. I even met with the cross-dresser and uncovered that his grandpa was a Mason, who treated him like a little girl and sodomized him. This was from his mind, not mine, but he didn't want to believe it and get right. They have four children, and she's been sitting there with the damage to the children. She'd been trying to get something to pin on him, like his pornography on the internet, but he always lied his way out of everything. I called her out of the blue the other day and she had filed for divorce, but still didn't have anything on him. So I said, do you suppose you might have a spirit of his, like the Strong Man? So I checked it out and the answer that came from her mind was, that the spirit of her husband had entered her on her wedding night by sodomy. All she can remember is that the wedding night was a bad night. I cast it out. She had a bright red rash on her when we were talking about this, but when I cast out the Strong Man spirit with her husband's name, put in with sodomy, within minutes the rash was completely gone. Within the week, she happened to be at her husband's new house where the daughter was, and the daughter said, let me show you something. They went into a big walk-in closet where there was a suitcase with another locked suitcase in it. The daughter got the

key, opened up the little suitcase, and there were women's paraphernalia, lingerie, even the tool to sodomize himself. She could not find any evidence on that guy until I got rid of that spirit of sodomy from him. Her eyes and the daughter's eyes were opened. Sodomy has a spiritual component in it that is far more sinister than anybody recognizes. It is the most underrated evil power to the general public.

E: What about another brotherhood, the Special Forces, Navy Seals, Green Berets, elite cadres? M: From what I can gather, I believe they are chosen because the men start out as victims as three year olds. I worked to help get a guy free whose mother ran a topless bar down in California, and he had a tremendous internal rage. He didn't do very well in school and he had his problems with drugs, but a guy came along and got him a full ride of four years at West Point. He should never have gotten in there, he went in on a football scholarship, but when they got him in there, they switched him to a boxing scholarship. Because when he got into boxing, the rage could be turned on. He heard that some of the initiations coming up in the second West Point year included sodomy. I don't know that they subjected him to sodomy, but he quit before he went more than one year. Just like in war, where traumatic things happen that soldiers can't remember, this is what sodomy does to the child. The denial system that kicks in produces at least in some people the ability to compartmentalize. When you compartmentalize, you can be in a certain compartment of your mind without detracting from other compartments of your mind. If you're in the pure rage compartment, you don't have any kindness or love diluting it. E: So the profiling that the military use, in order to find a man who fits the untapped rage pattern. M: I could make a profile! I could take a few victims that are healed and sit them down beside me, and we could bring the people through an interview and we could profile them. E: Why do I think this programming through sodomy acts so much more powerfully on males than on females? M: It doesn't. Females are best for becoming programmed computers or human recorders. T: which typifies the Monarch programming. M: Most women are more capable of creating multiple personality systems because of the way their minds work. But the fact is that men are more aggressive, so the percentage of women who are sodomized and become perpetrators, is far lower than the percentage of men who become perpetrators. They're all victims to start with, but women just go on being victims, they don't tend to turn into perpetrators themselves. I've worked with men who did not become perpetrators and remained victims, just like the women, and I've seen evidence of women who became perpetrators. Witches are perpetrators and just like men, they're molesters. I've worked with people who had women sodomizing them with objects, molesting children. But the percentage is lower with women than it is

men, a higher percentage of men will transition from victim to perpetrator. I'm convinced that there are some men who compartmentalize in such a way that, they do not on the average remember acts of molesting, they will only remember if they get into that compartment. Otherwise, they have amnesiac barriers between the different compartments of their minds, women are that way, too. A perpetrator with an amnesiac barrier is a sad case because, they can switch into that compartment and go out and molest, then switch out and not remember. This is the kind of person they use in the Special Forces for their assassination teams, because they can activate the hidden compartment that has been programmed for assassination and send them out on a mission. T: That is MK Ultra stage 4. A man who claimed to have been in the South African Special Forces, told me of two cases where he was sent to assassinate, one in a national park in South Africa, and another in London. E: So sodomy doesn't need to be used, the trigger word can just be used to activate that compartment. M: I don't know. I think that they could use sodomy and make them forget the whole thing. People have been sodomized and they couldn't remember for three or six months after it had happened. We didn't know what was wrong with them, and then later found out somebody took them out and sodomized them.

Sodomy is a spiritual thing, let's say Ben sodomizes either a man or woman. When he does that, that person has a spirit by the name of Ben that changes the way that person relates to things. This can even be as an adult. T: so, it is spirit based and not spiritual. M: You can't put the Legion mindset in when they're 40 years old, but you can put Ben in when they're 40 years old and it will change the way that person thinks. I've had different women who separated from abusive husbands and for some reason couldn't break loose of the soul tie to their husband, but when we cast out the sodomy spirit by their husband's name, their feelings about their ex-husbands changed. T: That doesn't just apply to sodomy, it is the 7 year sexual cord as well. The most classic example is the lady who had slept with her husband before they were married, committed adultery at 40 years of age, and when I commanded the Strong Man to give its name it was her husband's name that entered at 40 when he sodomized her. That spirit of sodomy was more damaging to her than the spirit of adultery or fornication. E: What is the relationship between sodomy and the House of the Strong Man? M: If a person is sodomized, the Strong Man spirit that Jesus spoke of will be the spirit of the sodomy. It's actually an unclean spirit and a familiar spirit with the name of the person who did the sodomy. So when you sodomize a three year old, you build the doll house with the three year old trapped inside, and every time that person is sodomized from that point on a

Strong Man enters. So let's just say Joseph sodomized the child, now Joseph and the three-year-old child are in the house locked in the core of the mind. Along comes Jack and sodomizes the girl later, now, there's Joseph, the child, and Jack. Then comes Ben later, then comes Sterling, then comes Red, then comes this guy and that guy, you've got a whole legion of sodomites and every one of them has a name. Which means that you've got many spirits of the sodomites in the House of Joseph the Strong Man, the original sodomizer. T: Adds a whole meaning to the term House of now. But to the people who are in the know, they know that this is the ultimate rebellion against God Himself. This is what they hope to use to gain the whole human race for their side and defeat God Himself. T: the ultimate rebellion against Source is, seeking and believing it is outside of you. TRUST IN YOU

E: You're being literal when you say spirit, that the dissociation that creates multiples is the entry of one spirit after another. M: Well, some people would like to say that multiple personalities are not spirits. I would like to say that the whole multiple mindset is a demonic mindset, basically a Legion-style mindset of many, the same as the man in Mark 5 said: My name is Legion, for we are many, and Jesus released them all at once. So all of his legion of spirits, multiple personalities, or anything you want to call them, all were gone and his mind was right. The whole multiple mindset is a wrong mindset, it's a fantasy world mindset. E: But it's not necessarily possession by demonic spirits? M: If you got rid of every demon that multiple personality people have, they would no longer be multiple. E: So therapists who allow certain helpers or child alters to remain, they're not doing a service to the person? M: The person can't get free as long as they have any of that left, because their mind is not working like God intended it to work. T: That is the problem with mental health, the rapists are not taught these things, and the patients end up worse due to the set thinking pattern of the therapist is, give them drugs. It doesn't work, because you are not treating anything. E: With each sodomy the House of the Strong Man gets stronger and stronger? M: That's right. E: With a believer who can accept that Jesus Christ can deliver them all at once, you have been able to free people from the House of the Strong Man? M: I've had it happen on quite a number of occasions, not every time. There's some times that I never did get them to leave. E: With non-believers or believers as well? M: Well, people who said they were believers. But it's possible to have a compartment of your mind that's a believer, and another compartment that is a sodomite. So what are you? A lot of people do not believe me when I say that you can cast out the Strong Man, the child, and all of the multiple system at once. But I've done it and others have done it. I had a man once who was crazy, he had worked for

twelve years to try to get free but was ready to kill his wife. He couldn't work, his marriage was on the rocks, he was at the point of being committed. Somebody told him about me, I didn't know anything about him. I met with him one day, uncovered that Joseph was the Strong Man, that he was Rothschild bloodline and they had used him as a male prostitute, sodomized him as a boy in rituals to get the power of the bloodline. I cast the whole thing out in one day. E: When you find out that the name of the Strong Man is Joseph, are you thinking it's Mengele? M: No, Joseph Mengele was the biggest Joseph in the last half of the 20th century, but the name Joseph came out of the Jesuits and has been around since the 1500's. It started with devotion to the husband of Mary, whom they call St. Joseph, and it became a symbol of the father of this system, the sodomizing father that cares for his children. When a man sodomizes a child at three, the child bonds to that man as if he were their father, and when he's a man of the cloth, of the Church, the child bonds to the Church, too. This sodomy thing has been around for hundreds of years. Ignatius Loyola, founder of the Jesuits, was a Catholic mystic. He was the guy who headed up the Inquisition to persecute those who didn't adhere to the tenets of the Catholic faith. Terribly cruel! How could you be that cruel if you didn't have the sodomy rage? the torture they put people through. Later, Joseph Mengele developed the programming and brought it up to another level. He was a Catholic altar boy, I think he was also a Rothschild and a Jesuit. The founder of the Illuminati Adam Weishaupt, was trained as a Jesuit. T: Altar or alter boy, given what we know about the church, it is not beyond the realms of possibilities is it? E: Sodomy stands behind multiplicity. M: I haven't found anybody who was just sexually fondled and became multiple, and I've never found anybody who went through occult rituals without sodomy. So, I can't tell you whether being put through a sacrifice ritual without sodomy makes a multiple. T: There are other ways to create a multiple outside of sodomy, using rogue frequencies and technologies. Plus the 14 ways I listed in a show some time back, of how you can be host possessed. M: The occult groups know and they think all Christians are stupid and can't catch on, they know that sodomy is required to achieve what they want to achieve. If you check this thing out, you'll find that all the idolatry going clear back to the days of the children of Israel in Egypt have sodomy in it. T: Christian's may not be stupid, but they are naive, and hypnotized into a belief system based on illusions, all of which leaves them susceptible to the dark forces power games. M: Lot was in Sodom and that's where the word sodomy comes from. What other kind of sex do you think they could produce on those angels, that they tried to break the door down to get to? They wanted to get their supernatural power. The belief in the occult world is if you could sodomize God, you'd get God's power. You become as gods through sodomy, that's the way the Greek gods

became gods. Alexander the Great was a great sodomizer and his Greek army was the fiercest. Hitler tried to pattern his SS and military after the Greek warriors using sodomy. When you put that all together, the civilizations that God wiped out boiled down to the practice of sodomy. E: So sodomy is a lot more common than people give it credit for. E: Is sodomy the connecting link between Satanism, Freemasonry, and other groups, including Jesuits? M: You remember Aleister Crowley a 33rd degree Mason. I talked to Bill Schnoebelen one time and asked him, where did the Masons get the sodomy? and he said, it came by Aleister Crowley from black magic Hinduism. T: Well, that isn't the only place it came from, but the folly of following Indian practices raises it's head again. E: Have you run across more satanic stuff now? It seems rife, or has it always been around about the same amount? M: As far as American society is concerned, it's increasing. As far as Masonry and a certain element they call Black Masonry, it's been around all the time. I don't use the term Satanism quite as much because the Masons would be more Luciferian rather than Satanist. E: What is the difference between Satan and Lucifer? M: Same person, but Jesus said Satan comes either as an angel of light or as a roaring lion. T: It is not the same person, that is biblical training thinking, Satan is a title that many use for their enemy. M: Satanism is the roaring lion principle, Luciferianism is the angel of light principle. E: People talk about aliens. What is their relationship with demons? M: I had a guy working for me whose brother-in-law works at Area 51, top secret, can't talk. This guy who worked for me asked his brother-in-law, what about the alien thing? He said, the Stealth bomber is our most advanced technology that the American public is aware of, and it was developed 30 years ago. What do you think they have now? I think the alien thing is a cover scheme made up by these Area 51 people. The second thing I notice is that, most of the people who believe in aliens say that their first abduction occurred around three years of age. There are so many similarities to occult ritual abuse that. Whenever you put together sodomy and ritual abuse, the demons are going to be layered in. They give you a new mindset at three years of age, the fantasy world. This is what the whole alien thing is all about, there's no such thing as aliens from other planets, there's demons. T: oh dear the biblical training has well kicked in with this guy, one day when truth reaches his crown not around his knees, a whole heap of common sense will burst through his illusionary bubble. E: How do you picture where demons live? M: The demon is a figment of your mind, it lives in your mind. T: Nope it is not a figment of the mind, they do exist but it is like the Satan term again, to certain rogue ET's and Hebrew Anunnaki, they think of us as demons, so it is about perspective. The most common reference to the demons, is the djinns. But, if you are a biblical follower you will not believe in them either, because that is what the scriptures told them. One day they will

find out their scriptures were written by, the very beings they have been taught to disbelieve. E: Is its origin in your mind as well? M: You take a three-year-old child, untouched, somebody sodomizes the child, the guy's name is Joe. Now, all of a sudden the child has a sodomy demon called Joseph riding with him. That thing was conceived or reproduced from the Joseph demon, by the man had who sodomized that child. Where'd it come from? It was birthed in the child's mind by the act. It didn't have to come from anywhere, it just was birthed, reproduced right there. The child was given a copy, Joe is like a copy machine that can reproduce another copy. I don't feel all demons are that way, but that kind are. They don't live in the blood stream, they don't live in the genes, they live in the mind. E: Is sodomy worse than incest? M: A lot of the incest that's occurring is sodomy. I've heard that in Mexico, Mexican fathers sodomize their daughters to be able to control them and bond them to the family, but they don't give them vaginal sex so they can preserve them as virgins for their husbands. I'm convinced that Muslim hatred for non-Muslims comes from sodomy, their rage has to come from sodomy. E: I've heard that sodomy is rampant among Muslims, but I thought it was because of the laws that support revenge against men who make advances on women, that this Muslim law is what makes them turn to boys. But you think it's more than that? M: Of course, why would any normal man turn to boys? Even with those laws, I wouldn't turn to boys. E: So men are conditioned because they're sodomized as children? M: I think so. One guy I know, knew a Saudi who said that over there, women are for children and men are for love. The violence and hatred in that kind of stuff is produced by sodomy, it produces the internal rage. The massive buildup of Star Wars-type technology way beyond anything that they're using for international policing, is being developed in order to defeat Jesus Christ, so the sodomites can take over the world. Satan can't do it, so he's using men to come up with the idea to try and do it. I know that what I'm saying is tremendously radical, but in the end the Lord Jesus Christ will win. T: Where does he think the Star Wars technology comes from? Jesus or Jesheua was not the Lord or Christ. They were created names after the event. The system tells you that black is white, and everything is tipped upside down. HEAVEN AND HELL

Summary: The role of the dark is to trick or seduce you into and onto their path. They have used religion, spirituality, new age and cults with which to do so. The 5 plus one hidden hook plays a role also, all of them you should notice are external of you. The three main tools they use are, seducement which plays on ego and greed, divide and conquer, divided within and without, and their main tool now is, fear. Quit the fear. The sheer depth of the occultic practices rising out of India and Tibet if you have followed this

series, should be a major cause of alarm for most people. Enlightenment is another tool they have used for their seduction, retreats, spiritual tours, ancient sites, unless you shielded properly, the majority of which has implanted you, conferences also, it is a minefield of darkness for those seeking the light. If you really seek the light, it is contained within, not spiritual gurus, shamans all done by the very peoples who were corrupted far more than we were. Ayahuasca, peyote another dance into the demon realms, which gurus and shamans are oblivious too, or part of the deception. Anything or anyone who puts a label on themselves and involved in this is part of the deception, whether knowingly or not. Keep your hundreds or sometimes thousands dollars these charlatans attempt to take from you, the answers are within, and always was. Trusting the self and your own intuition is the key to it all.

This whole piece is harvesting in one form or another, that's the full overview. The people need more common sense and basic understanding of how life works, and how it doesn't. The joining of Wiccan and similar cults all smack of low self worth, I have no power and so I will attach to something that is perceived as holding power over you. Whether that is Indian, Greek, Roman or Egyptian gods, whether it is Lucifer, Jesus or Jesheua, it matters not the name, what does matter is, you give your own power away to these entities. Who apart reading about them in books, the majority of people have never met or encountered them, and yet believe in those entities existing, and many feel they should worship and send their energy to. But, is the last paragraph any different to the alien narrative? Yet the majority of people have never met or encountered them, and yet don't believe they exist, because of the same books telling you to believe in hierarchical gods of the past. You see, those that follow these entities have been told to believe by the system, and yet no one has proof they exist. They call it blind faith for a reason, those people who do that need to learn to see. It is the lack of the self that puts people into these harvesting cults, your real god Source has never told you to worship anyone, even the Jesus narrative told you that. You follow the right hand path of self righteousness and your inner god walks with you, at all times. The internet and biblical people have tried to discredit the term self righteousness for a reason, to keep the harvesting cult going. Just stop asking Source to fix your problems, to save you, because the answers to all that is within. You fix and save yourself, you have all the tools to do so, and always did. Seeking saviors is child level behavior, empowering others above yourself is child level behavior, and costly. The greatest fear for most people is not war, poverty, starvation, but their own power. Accept it and use it for good under the rta or golden rule and you have just changed not only this world, but many others.
